

# The Return of the God of War [The Protector]

## Chapter 2501 - 2510

### Chapter 2501

Other people, including Ye Wudao, had never seen Killing Dao.

But Ye Longtian still met them!

At this time, the killing knife that Ye Zhantian took out turned out to be broken!

What happened?

Could it be that what happened to Ye Zhantian?

All the killing knives are broken?

As soon as he came back, everyone felt his abnormality!

Combined with the killing of the knife, I'm sure something must have happened.

"Ah? How did the killing knife break? Did you not tell us something?"

Everyone asked.

At this moment, Ye Zhan really wanted to tell the story of how easily he was defeated.

But then I think about it-I represent the ancient Garrison Clan and want to conquer Daxia.

If this matter is said!

It will be a heavy blow to the ancient Garrison Clan!

Everyone's spirits might be gone.

It can even be said that it directly hit the Garrison Clan's vitality!

Besides, it has a great influence on his own face...

The king of beasts who used to be the king of tigers roars in the mountains, but he was beaten into a crying sick cat...

He is also a face-saving person!

I don't want the family, the younger generations are disappointed in myself...

"I will explain the matter of killing the knife and the sudden return of me..."

Ye Zhantian said, "Actually, I broke the knife by myself... Over time, I was too murderous and committed too many crimes of killing karma! If I continue to kill like this, I am afraid I will become a devil and become a machine completely!"

"In order to reduce my killing, I deliberately cut off the killing knife. Come back again, be quiet for a while!"

Ye Zhantian made up his reasons.

Everyone believes it!

After all, no one can defeat Ye Zhantian in the recognition of Ye people!

No one can cut off the killing knife!

This is absolutely impossible!

therefore.

Everyone believes this reason!

"Then Uncle, you don't even go to sanction Levi Garrison the day after tomorrow?"

Ye Wudao asked hurriedly.

He wants to give Levi Garrison and Tiance Mansion a prestige!

If Ye Zhantian didn't go, wouldn't his plan fail?

Ye Lingtian and his ilk also became nervous immediately.

But I can't interrupt their plan...

Ye Zhantian shook his head, "No, I will go! Levi Garrison must be punished! His children must also be taken away, Tiance Mansion..." When it

comes to Tiance Mansion, Ye Zhan Tian's face changed.

Although he didn't know who Levi Garrison was, he was from Tiance Mansion next to him!

"Tiance Mansion, let's talk about it! Anyway, after the sanctions on Levi Garrison, I need to be quiet for a while!"

Ye Zhantian needs to stay in seclusion for a period of time to soothe the hurt in his heart.

Levi Garrison's sword test brought Ye Zhantian great pain.

"That's really great!!!"

Ye Wudao and the others got excited immediately after getting an affirmative answer.

Next, everyone began to appreciate the research to kill the sword.

"It's terrifying? It's a weapon that is more powerful than the sword and the sword!"

"Don't

talk about the complete killing knife, it's this half. Looking at the whole world, who dares not accept it?" "I'm going, I heard countless complaints. The sound of the struggling spirit, my soul was almost sucked in..."

“Horrible! Terrible! This is the strongest weapon I have ever seen! No one...”

...

Everyone began to praise how powerful the killing knife was... It’s

just that Ye Zhantian avoided far away.

I don’t want to hear the slightest praise about the killing of the sword... the

killing of the sword has been defeated!

The failure was a mess!

“Okay, don’t watch it! Get out of here!”

Ye Zhantian couldn’t listen anymore when everyone continued to praise him.

If this continues, he can’t help but beat others.

Therefore, quickly drove everyone away!

Put away the “shame” killing knife.

“Uncle Uncle remembers to sanction Levi Garrison the day after tomorrow!”

Ye Wudao did not forget to remind him.

“If you want to blame Levi Garrison, you will be unlucky!!!” Ye Zhantian wanted to cast all the anger on Levi Garrison.

## Chapter 2502

After visiting the killing knife.

Everyone sighed!

Especially Ye Wudao and Ye Lingtian and his ilk.

For their strong heart is reinforced!

“Hey! Takitani Kuroki is dead too fast! I defeated me at the beginning, I took a sigh of relief! Move directly to the ancients to rescue soldiers! If he lives! His diamond body can block the killing knife? Impossible !”

Ye Wudao sighed.

In fact, Ye Zhantian and the others came to kill the gods, and it also had something to do with Ye Wudao’s relocation of soldiers.

“That’s for sure! No matter how hard he encounters the killing knife, he still has a dead end!”

Ye Lingtian and the others nodded one after another.

“It would be great if I had a killer at the time! Takitani Kuroki still wants to beat me? Impossible!”

Ye Wudao has a obsession with killing a sword.

I want it!

Ye Lingtian asked curiously, “Little ancestor! Why didn’t you choose to kill the gods to be your master? Although the ancestor Ye Longtian is also strong, he is not at the same level as

that of killing the gods!” Everything about his practice is for killing! The family is afraid that I will become a monster! So I won’t let me learn from him!”

“Hey, but I really want to worship him as a teacher! Only by worshipping him as a teacher! I can have the chance! Defeat the Marshal Tiance! I heard that Marshal Tiance is practicing King Kong not bad magic

skills recently! If I get the killing sword and worship the god of

death as my teacher, then I can defeat the marshal Tiance... otherwise the gap between me and him will only be It's getting bigger and bigger!"

Ye Wudao said his thoughts.

He has always regarded Tiance Marshal as his opponent!

"Or! It is possible for me to worship the Dark God as my teacher! Despite the rumors, the Dark God lost to the God Commander Tiance, but I heard another version. The Dark God won..."

Ye Wudao said.

Ye Lingtian comforted, "Little Ancestor is in no hurry! Let's wait for Levi Garrison to be sanctioned!"

"Yeah!"

... At

this time, Levi Garrison actually did not return to Jiangbei.

He knows again through intelligence.

There is a temple in the depths of the snow-capped mountains in the north.

There is an indestructible bell in the temple!

He specifically ran to split...

he heard some indestructible armor and so on.

Levi Garrison ran to experiment one by one...

Two days have passed back and forth... It

will soon be time for the Garrison Clan to punish him.

At the gate of the Garrison Clan in Beijing, a large army gathered.

Ye Zhantian, who had been slowing down for two days, was in a good mood.

Follow the big army to Jiangbei!

Great summer sensation.

Everyone is trembling!

Levi Garrison, who was related to Tiance Mansion, was about to move after all!

There is a killer!

Who is not afraid?

On the other side, in Jiangbei Villa.

After sending Levilia to Tiance Mansion, Zoey and the others returned.

After the result came, Levi Garrison was not there.

Just got the news that Garrison Clan's large force is coming soon.

Zoey and others are going to die of anger.

"Let's see! Levi Garrison ran away! How awesome he was when he said it? He asked Levilia to stay too. Who would dare to touch his daughter as a genius? The result? After the mouth addiction, the man ran away and disappeared! "

Everyone sneered.

"It seems that after we left, he and Xuanyuan Qingya left. I don't know where they went... if they don't come back now, then he won't be back."

"Immediately! The Garrison Clan and the Killing God are here! The person involved is not here!" It's up to us to bear everything!"

"So, Levi Garrison is really not a human being!"

...

Li and Zhao's family was going to be furious.

"I have to say, the boss is too much! Besides, it was predicted that he was right! Many people had predicted that he was going to run a few days earlier, and he really ran away!"

Azure Dragon (Qinglong) and the others said dissatisfiedly.

Xiao Feng and the others were also very angry.

"I really want to sever the relationship between the teacher and the apprentice..."

Even Levi Garrison's closest person lost confidence in him.

"Report! Garrison Clan has entered Jiangbei! Coming soon!" The

news came, and Zoey's face was ugly. "Everyone leave! I will take care of my husband alone!"

## Chapter 2503

Zoey didn't want to see other people, because of Levi Garrison's reasons, he was hurt by the slightest.

So she has to face it alone!

Anyway, this situation is not once or twice.

"Parents, grandparents, you all go! Hurry up! Get out of here! The sooner the better!!! I won't be able to leave any more late!"

Zoey urged.

Li and Zhao heard the words and ran away immediately.

This matter has nothing to do with them, why are they waiting to die here.

Levi Garrison's own affairs ran away by himself.

Why are they waiting here?

Not stupid...

Li and Zhao's family listened very much to Zoey's words, and ran away one by one.

Next, Zoey looked at Azure Dragon (Qinglong) and the others and said, "You too, leave now? This matter has nothing to do with you! Once the Garrison family gets angry, none of you can leave!"

Azure Dragon (Qinglong), Xiao Feng and the others immediately stated, "It's okay! This is the boss's. It's our business!"

"Besides, we can make my sister-in-law in danger alone? We are with you!"

"Yes! We are together! Everyone advances and retreats together!"

...

everyone shouted.

Zoey was moved and sobbed quietly.

These brothers and apprentices of Levi Garrison were all good...at the critical moment, no one was afraid to shrink back.

Knowing that the enemy is coming, but still facing with myself!

"I know what your character is! I am very grateful to you too! But this time he caused the disaster! There is no need for you to pay for his mistakes! Leave quickly! I don't allow you to stay here!"

"He ran away by himself, you don't have to bear anything here for him! People don't necessarily accept your love! Leave me quickly!"

Zoey said.

"No! Abandon him! If you, Master, are someone we respect! We won't abandon you here alone!"

Xiao Feng said.

The others nodded.

"You call me sister-in-law, call me mother-in-law, you have to listen to me! Leave! Get out!"

Zoey was mad and forced everyone to leave.

Azure Dragon (Qinglong), Xiao Feng and the others had no choice but to leave.

"Want to run? No one can run away!!!" At

this moment, a humming sound came.

Ye Wudao was already standing on the height of the villa.

"I knew you were going to run away! I had already laid a net in Jiangbei!"

Ye Wudao laughed.

On the other side of the gate, I saw a group of people slowly retreating back.

It was the Li and Zhao family who ran away just now.

Unexpectedly, they didn't even leave, they were all driven back one by one.

I saw Ye Lingtian alone forced them back!

There is a strong momentum for a man to be invincible!

“Actually, Xiaozu and I have been in Jiangbei long ago! They just set off from the capital this morning just to kill the gods!”

Ye Lingtian explained.

“What to do? Do you want to kill it?”

Everyone looked at each other!

“Want to kill? Ha ha ha...”

Ye Wudao smiled.

Suddenly he fell from a height, half-kneeled on the ground, and shouted, “Welcome Uncle!!!!”

Outside the villa, a group of people came.

The Ye people have arrived.

Killing god Ye Zhantian, Ye Longtian and other masters are all in... The

terrible pressure is like the pressure of a mountain.

Everyone in Zoey felt the majestic pressure, his legs and feet couldn't move, and even breathing was difficult.

Especially after Ye Zhantian glanced at the audience.

Everyone feels that the scalp is numb, and a chill rushes from the soles of the feet to the sky!

The blood freezes like an ice cellar...

Is this the coercion to kill the gods?

Zoey swallowed fiercely!

so horrible!

Sure enough, it is the existence above the gods list!

too frightening!

Not what they can contend!

Ye Zhantian was frustrated and depressed these past few days, and he just needed to vent.

Therefore, his breath is full, covering the audience! It's so crushing that everyone is going to explode, and the bones are going to be broken...

## Chapter 2504

After Ye Zhantian arrived, he said coldly, "Where are Levi Garrison and his children? Come out!"

"Today the ancient Garrison Clan is here! Two things!"

"First, take my blood of the ancient Garrison Clan, Levilia Bring her back to train! Don't let her continue to wander outside! Such a good talent is wasted!"

"Secondly, Levi Garrison killed his brother and imprisoned his biological father! He also sent the family to hell! Repeated violations of the Garrison Clan rules! The heinous crimes committed are enough for him to die a hundred times! This time, he will be punished!"

Ye Longtian said beside him.

Many members of the Garrison Clan were trembling, and they had waited too long this day.

In their opinion, it was Levi Garrison who personally drove them into hell, causing them to roll down from the altar.

Holding a breath for a long time, I can finally vent today.

“Are you ready to ambush your sins?”

Ye Wudao pointed to everyone.

Plum leaf fight looked stained Heaven “First, how my daughter had kind of life she has the right to self-selection! Now she had in the days of the government policy! If you have the ability to go find someone to-day government policy it!”

“Heaven Cefu...cough cough...”

Ye Longtian and the others changed their expressions when they heard this name.

They are not afraid of this existence, but they are afraid.

Although this is a bit contradictory.

But it is so.

They were not afraid but they were afraid...

the feeling was very subtle...

Ye Zhantian’s body also shook slightly, but immediately he roared, “What’s wrong with Tiance Mansion? After solving the problem here! I will go to Tiance Mansion.” VIPs! I think who can stop me?”

This is actually the onset of sequelae after being defeated by Levi Garrison!

He was so stupefied like this!

He has suffered all the humiliation!

This is more painful than death!

Don't be afraid of death!

What else is there to be afraid of?

In order to vent his anger, he decided to fight it out!

Die to die!

Even if you die, you have to touch Tiance Mansion!

He was in a state of madness to a perverted state... he was completely free...

He was in a state where he was free, like a demon god descending into the world!

It shocked the audience!!!

Everyone feels a sense of oppression from the depths of their souls...

this breath alone can crush them! Not to

mention head-on head-on...

that's impossible!

Powerlessness!

That is a deep sense of powerlessness!

But Zoey was in a cold sweat and gasped, "Second! My husband Levi Garrison has left! I will take care of all his affairs!"

"Levi Garrison ran away?"

Ye Wudao asked.

"Hahaha...really ran away!"

"I really laughed at me! Shocked tortoise! Greedy for life and fear of death!"

... As

soon as I heard Levi Garrison ran away.

Everyone laughed.

"So persuaded? Just ran away?"

Ye Zhantian sneered.

"Uncle uncle heard your prestige! Who is not afraid? Not just Levi Garrison ran away! Even the group of people present are also running away! But we just happened to be stopped by us! Otherwise, there will be no one in this place!"

Ye Wu Tao explained.

Zoey said coldly, "I will always be there! My husband is not here! I will bear the consequences! I am not your opponent! If you want to kill, you have to kill you!"

Ye Zhantian glanced at everyone, "Levi Garrison is not there. Right? All of you are related to Levi Garrison, right? Okay! Then you will bear the heinous crime of Levi Garrison! None of the people present will be alive!" The

words came out.

Li and Zhao's family was scared and crying.

"Puff!"

Li Songkui, Li Wenhai and others knelt to the ground one after another.

"Please kill the god Mingjian! We have nothing to do with Levi Garrison!"

"We always hate him! He must die!"

“Yes! Levi Garrison will pay for his actions!” “Just kill the god and let us go, Let’s go and arrest Levi Garrison right away! I beg you to let us go! This matter really has nothing to do with us...”

## Chapter 2505

Look at the selfish performance of Li and Zhao’s family.

Everyone can only sigh.

They are not to blame for the plum dyeing.

After all, this matter really has nothing to do with others!

It’s all about Levi Garrison alone!

There is no need to take his life for Levi Garrison!

What they did is right!

李子染Support!

At this time, Ye Lingtian also said, “The ancestors have always been at odds with Levi Garrison! This matter has nothing to do with them!”

Ye Wudao also agreed, “This is indeed true! They hate Levi Garrison!”

Hearing this, Ye said. Zhan

Tian said coldly, “Okay, as long as they kneel down and knock three beeps! I will let them go!” Hearing Ye Zhantian’s words, everyone was released!

Li and Zhao’s family immediately knelt on the ground, and began to bang their heads at Ye Zhantian.

In order to survive, they could have done nothing at all.

What is it to just kowtow now?

What's more, Ye Zhantian's seniority is so high, even Li Tianhao has to call out the existence of Xiaozu.

What is it to kowtow to him?

"Okay, you're all right! Get out of the way!"

Ye Zhantian said coldly.

Li and Zhao's family all dodged aside...

Zoey took a deep breath, "Can you let them kowtow too, so as to avoid death?"

She didn't want Xiao Feng and the others to die in vain.

"No! Master, let's advance and retreat together with you! Afraid of what they do? The big deal is to do it!"

"Yes, we are not vegetarian!"

"Even if he is a tiger, he has to break a few teeth!"

...

Everyone expressed their views.

Zoey couldn't stop it even if he wanted to.

"Good! Very good! I appreciate it!"

"Then all die!"

Ye Zhantian said coldly.

Ye Wudao laughed and said, "When can you hide Levi Garrison? Since you abandoned them, kill them first!"

“Come on! Let’s see how strong the Garrison Clan is!”

Everyone has done it. Well prepared for battle!

It’s a desperate battle!

now.

Tiance Mansion.

Levilia is already anxious like an ant on a hot pot...

She knows that the Garrison Clan has already been crushed by a large army at the moment, and the mother and the others are in danger.

The father is not there, and the mother is solely responsible for it.

She went by herself and was definitely not Ye Zhantian’s opponent.

Therefore, she asked for help from the gods of Tiance.

The result was rejected by Tiance Shenshuai.

His reason is simple-they don’t interfere with this matter, and they can’t handle it.

Only if Ye Zhantian called Tiance Mansion, they would take action.

Things outside have nothing to do with them.

Not only that.

The god commander Tiance also gave an order not to let anyone help.

Several masters including Levilia could not leave Tiance Mansion either.

In this way, Levilia could not invite any reinforcements to save people.

Tiance Shenshuai also trapped her.

Don't let her leave Tiance Mansion.

Levilia is about to explode, but there is no way.

...The

field has entered a white-hot state.

Zoey and the others were already looking at death and they were ready to fight Ye Zhantian desperately.

"Levi Garrison, you have no conscience! Where did you go???? Leave your wife and brothers and apprentices behind to face the difficulties!"

"You are really not a human! You and other women ran for a happy life! But you want something else! People bear your fault! You beast!"

"Levi Garrison has an accident with my daughter today, and I will definitely take your head in the future! You are not a thing!"

"Yes! If you are a man, Levi Garrison! Come out and bear it!"

...

Seeing the crisis, Li Wenyan and his wife felt sorry for their daughter and shouted angrily.

Ye Wudao and Ye Lingtian laughed after listening.

"Only you are fools! Levi Garrison is a smart person! When I heard that the ancient Garrison Clan wanted to do him, I guess the escape location and route had already been designed!"

Ye Lingtian sighed, "I guess when I heard the strength of the ancestor, I immediately scared away. I don't dare to fight!" "Does Levi Garrison have the strength to fight with me?"

## Chapter 2506

At this moment, a voice came from far and near.

Like the thunder in the depths of the void.

This voice seemed to burst into everyone's ears suddenly.

It shocked everyone in the audience.

It's really like a thunder.

Ye Lingtian and Ye Wudao almost jumped up in fright.

Zoey, Xiao Feng, Azure Dragon (Qinglong) heard familiar voices, their expressions changed drastically.

"Boss!"

"Master!"

"He's back ????? "

"We blamed him!"

...

Knowing that Levi was coming back, Xiao Feng and the others cried with joy.

I really want to cry.

When Levi came back, it was different.

Even if he doesn't have the strength to solve everything in front of him.

At least stand with

everyone and go forward and retreat together... Even if everyone is dead, they are still smiling and walking the Huangquan Road!

Zoey laughed when he heard a familiar voice.

he came!

He was not absent at the last moment!

Even death is worth it!

...The

Garrison Clan members also changed color one by one...

just now they were still ridiculing Levi Garrison.

As a result, someone suddenly appeared!

“Huh? This voice?? At least a hundred miles away...”

Ye Zhantian and Ye Longtian were the most sober people in the field.

They were surprised to find that this voice came from at least a hundred miles away...

Calculate according to the distance!

This person is still outside Jiangbei! ! !

fear!

Isn't it horrible?

Feel the pressure!

Everyone's faces have changed!

“Huh? Why does this sound sound a bit familiar...”

Ye Zhantian muttered to himself.

Hearing this sound, I felt very familiar, as if I had heard it somewhere.

Want not up .....

“Ye monarchs come! Ye monarchs turned out to be!”

“Boss he did not run away! He comes! I will not let anyone boss a slander again!”

“Yes! Who then slander Master one, I told He desperately!”

...The

people around Zoey became excited.

Zoey straightened his waist and faced Garrison Clan.

She was not afraid at first, but now she is not afraid!

The Li and Zhao family standing nearby also looked ugly.

Originally they believed that Levi Garrison would never come back, who would have thought that he would come back at the last moment.

But they are also mocking Levi Garrison’s brain disease!

Isn’t it just to die when you come back at this time?

The brain is sick!

People like Li Songkui, Li Wenhai and others still couldn’t understand Levi Garrison, Zoey, and Azure Dragon (Qinglong)’s death.

They don’t think it’s worth it...

“What’s the situation?”

Ye Zhantian couldn’t help asking when seeing everyone’s changes.

“The ancestor is Levi Garrison who is back...it just so happened... I originally wanted to solve this group of queen ants, and then look for them!”

Ye Wudao said immediately.

“Ah? Come back? Exactly! I’m really curious about what kind of Levi Garrison who committed the heinous crime?”

Ye Zhantian was very curious.

The others, Ye Longtian, were also very curious.

“Well, don’t move them first, just wait for Levi to come! It seems that this kid has two chances!”

“It’s better to be stronger, otherwise it’s too boring...”

Garrison Clan decided not to do it for the time being.

Waiting for the arrival of Levi Garrison.

According to their judgment, Levi Garrison was outside Jiangbei and it would take a while to come here.

But the next moment, two figures already appeared.

“f\*ck, I went to the depths of Antarctica! Hurry up, I’m still late!”

Levi Garrison’s voice had already been heard before the person arrived.

In the past three days, he and Xuanyuan Qingya ran around the world.

They are everywhere.

Isn’t this?

All came back in a hurry!

“Well, it’s too tiring to rush back like this...”

Xuanyuan Qingya also said.

“Huh?” The

more familiar...

this woman’s voice is also so familiar!

It was only for a while that Ye Zhantian’s mind was confused.

I really can’t remember who it was...

With the voice, Levi Garrison and the two walked in.

“I heard that someone wants to punish Lao Tzu, Lao Tzu see who it is?” Levi Garrison said arrogantly.

## Chapter 2507

Levi Garrison’s arrogant appearance had to be before, so he was so angry that Zoey could stain them.

The incompetent yelling who thinks it is the weak... But

now it is arrogant, in everyone’s opinion, it is very domineering and mighty!

Is a kind of unyielding performance!

Seeing Levi Garrison, Ye Wudao, Ye Lingtian and others were extremely angry.

Everyone in the Garrison Clan clenched their fists subconsciously when they saw this familiar face!

They will never forget this face.

Ye Longtian watched them one after another.

Including Ye Zhantian's eyes also swept over.

He happened to look at each other with Levi Garrison.

The eyes are facing each other, as if everything is frozen.

Ye Zhantian was stunned, his whole body motionless.

"Boom!!!"

His pupils suddenly enlarged, looking at Levi Garrison carefully.

Confirm again and again!!!

He looked at Xuanyuan Qingya next to him again, and carefully and repeatedly confirmed.

His breathing is getting faster and faster, and his chest rises and falls sharply.

At last it was so nervous that it was suffocating!

I'm going to cry!

The blood color on Ye Zhantian's face disappeared completely, and his face was extremely pale, whiter than a piece of white paper...

His whole body was wetted with cold sweat earlier, and his clothes were soaked.

His face was covered with fine cold sweat, and his head was still breathing.

It's them!

It's them!

Ye Zhantian was so scared that his soul was not possessed, and he was going crazy.

His face was full of horror... the

whole person was shaking.

But everyone's attention was on Levi Garrison, no one paid attention to him.

I didn't see him so terribly frightened...

"It's you! Are you here to try the sword again?"

Levi Garrison said with a smile.

"Kacha!"

"Pouch!" As

soon as Levi Garrison said this, the chair Ye Zhantian was sitting on suddenly burst.

He sat on the ground

staggeringly ... The huge movement attracted the attention of the audience.

Everyone looked at him without blinking.

What's wrong?

The quality of the chair is so bad?

It broke apart all at once?

But the point is that someone with such a strong killer would still sit down on the ground... I

can't understand it!

unimaginable!

There will be this scene!

A strong man who overwhelmed the gods' ranking actually broke his chair and sat down on the ground...

"I, I, I..."

Ye Zhantian stammered and made a trembling sound.

He sat on the ground and backed away in horror.

Even more, he dared not look at Levi Garrison and Xuanyuan Qingya.

“What’s wrong?”

Everyone is wondering what happened to Ye Zhantian?

Why are you so frightened?

Could it be that Ye Zhantian was thrown to the ground for fear of losing talent?

But indeed!

Ye Zhantian fell to the ground, it is indeed insulting to kill the gods!

unusual!

It’s abnormal!

But not really!

A generation of killer gods will fall?

Still scared like this?

Levi Garrison sneered, “Is your mental quality so bad? I don’t think about you. Look at you like that!”

Xuanyuan Qingya echoed, “Well, I was so scared that I was so scared!”

“Levi is here for you. Hugh is rampant! What does this have to do with you? Are you scared? Do you have that ability?”

Ye Wudao said immediately.

“Yes! Levi is here for you tortoise with a shrunken head! Only then did you appear!”

Ye Lingtian also mocked.

In order to avoid embarrassment, everyone quickly helped Ye Zhantian up.

Ye Longtian saw a hint, and quietly leaned in Ye Zhantian’s ear and said, “Brother is okay...”

Ye Zhantian calmed down his emotions as much as possible, and said in a low voice, “I...I’m okay... I might be too murderous. Heavy influence...”

“That’s good! I don’t seem to be normal lately! It should be that your practice may be on the verge of getting into trouble...”

Ye Longtian said.

“It should be so!”

Ye Zhantian lowered his head, not daring to look at the two Levi Garrison.

He didn’t dare to tell everyone that it was because he was afraid of Levi Garrison. Seeing that Ye Zhantian was okay, Ye Wudao immediately pointed to Levi Garrison and said, “Uncle, this is Levi Garrison! This is the person we want to sanction!”

## Chapter 2508

Not only Ye Wudao, but also Ye Lingtian and other Garrison Clan members excitedly shouted, “Levi Garrison, your death date has come! The ancestors of the ancient Garrison Clan have listed your heinous crimes! You must be punished!”

“Sanction Levi Garrison !! “

” Ye sanctions monarchs! “

.....

people have shouted.

Seeing Ye Zhantian still bowing his head, Ye Wudao pushed him immediately.

“Uncle, look, this is Levi Garrison! It was he who killed Ye Chen! It was him...”

“Pop!” It’s

just that Ye Zhantian suddenly slapped Ye Wudao’s face.

This slap is too powerful.

Ye Wudao flew out with a slap.

Destroying a large piece of woods behind...

“Puff!”

“Puff!”

...

Ye Wudao, who fell to the ground, trembled violently, fell to the ground and rolled, turning round and round!

Blood was gurgling in his mouth...

His face was bloody ... His

muscles and veins were broken...

Half dead!

Ye Wudao was slapped and half dead by the killing god!

This is due to Ye Wudao’s strong strength, otherwise he will definitely die under the unreserved blow of Killing God!

Ye Zhantian was really angry!

Could he not know Levi Garrison?

That was the person he was most afraid of, and the first person to defeat him!

In the end, where did Ye Wudao keep pushing!

Ye Zhantian was completely enraged, and he didn't leave his hand with this blow!

Almost killed Ye Wudao!

Senseless!

Everyone in the room was dumbfounded!

No one thought that Ye Zhantian would do it, but Ye Wudao would still fight it!

Why?

What's the matter?

Everyone does not understand!

Even the ancestors of Ye Longtian didn't understand it!

Will Ye Zhantian beat Ye Wudao?

impossible!

Zoey, Azure Dragon (Qinglong) and Li Zhao's family became even more confused.

Ye Zhantian didn't deal with Levi Garrison, so he hit Ye Wudao?

Are you still so cruel?

Ye Wudao was going to be beaten to death, right?

Why is all this?

Could it be that killing God is moody?

Is your temperament hard to figure out?

Ye Longtian was about to ask the reason, but Ye Zhantian suddenly got up!

“Huh?”

Everyone wondered what he was going to do?

“Pop!”

Ye Zhantian suddenly came to Ye Lingtian, slapped Ye Lingtian’s face with a slap.

“Puff!”

Ye Lingtian flew out directly, like a kite with a broken line.

This slap was not as fierce as the killing of the gods just now.

But Ye Lingtian’s half-life is also going to be taken!

“Pop!”

Killing God didn’t stop.

Another slap slapped Ye Tianlin away!

“Slap!”

Another slap slapped Ye Kuanglan away!

...The

killing god is still going on!

Slap and slap on the face of every member of the Garrison Clan!

And these people are the people who just called out to punish Levi Garrison!

Judging from the posture, Ye Zhantian would not let anyone go.

Ten!

...

Twenty!

...

Fifty!

...

one hundred!

...

Three hundred!

...

Four hundred and eighty-six people!

In addition to Ye Zhantian and other Garrison Clan members, a total of 486 people came!

None of the 486 people are standing now!

Ye Zhantian tirelessly slapped one by one, and slapped all the more than four hundred people away.

Everyone drew half to death...

Without the magic medicine, people like the Garrison Clan would have to cultivate for several years before recovering...

Even after recovery, whether the strength can reach the previous level is a question.

In particular, Ye Wudao and Ye Lingtian were the most injured in the front!

They may still be life-threatening...

Even if they recover, their strength will not be able to return to their peak state in a short period of time.

Need to come to rescue... the

key is not to figure it out!

Everyone can't figure it out!

Why did Ye Zhantian do it?

Instead of hitting Levi Garrison, all the Garrison Clan members were drawn once!!!

I can't figure it out after racking my brains!

The most dumbfounded is Zoey and the others...

It seems that after Levi's arrival, this murderous god's temperament has changed drastically! Ye Zhantian scanned the audience, "Who would dare to say another sentence of sanctions against Levi Garrison? Who else?"

## Chapter 2509

2479

The audience is dead!

silence!

Everyone fell silent.

Where else would anyone dare to speak?

All the people who had just spoken fell to the ground and rolled in pain, dying...

no one dared to say anything while standing.

shocked!

Everyone in the

room is numb... Everyone has a question in their minds-why? ? ?

Why

did Ye Zhantian act on his own people for no reason... he didn't show any mercy at all, and he almost killed Ye Wudao.

Didn't he come to deal with Levi Garrison?

After seeing Levi Garrison's temperament, why did he act on people like Ye Wudao?

unusual!

It's abnormal!

Everyone can't understand it anymore!

I don't understand the reason at all...I can't understand it

!

Everyone looked at Levi Garrison subconsciously!

There is no reason...

Levi Garrison can't let Ye Zhantian beat Ye Wudao and the others... It's

impossible!

What magic can he have?

He doesn't have this background and strength either?

Is it Xuanyuan Qingya?

Do not!

Ye Zhantian also said just now, he didn't put Tiance Mansion in his eyes.

A Xuanyuan Qingya would not let people have such a big reaction... I

can't figure it out!

Zoey's heads exploded, and they couldn't think of a reason.

Even Ye Longtian's elders of the ancient Garrison Clan can't figure it out...

That's right!

Ye Zhantian had an uncertain temperament, and he was easy to go and kill.

But they get along with Ye Zhantian day and night, and he goes crazy, no one can stop him.

But I never deal with my own people!

He has always had this sense!

I love Ye Wudao even more...

How can I make a heavy hand?

Impossible... If

something goes wrong, there must be a demon!

But what was the specific situation, they saw it

all at once... "Go! Go all!"

Ye Zhantian left.

Go faster and faster, and finally run.

Instantly disappeared without a trace... It

was like seeing a natural enemy, running as fast as

they could... Ye Longtian and the others were dumbfounded, but they still followed immediately.

"By the way, they will all take it away!"

... In the

end, nearly five hundred Garrison Clan members helped each other to leave.

As for Ye Wudao, Ye Lingtian was dragged away like a dead dog.

Even if people have been away for a long time, everyone is still in a daze.

What happened?

Have such a big change?

Didn't you come to sanction Levi Garrison?

Levi Garrison is fine, why did he leave?

Did not understand!

No one really understood this wave!

Azure Dragon (Qinglong) frowned and analyzed, "I guess that Ye Wudao and the others went on their behalf and didn't see clearly their status, came to command and order to kill the gods... I guess this kind of behavior angered the gods..."

This said.

Everyone immediately thought that Ye Wudao, they were really dominating Ye Zhantian, they frantically told him that it was Levi Garrison, and they frantically asked Ye Zhantian to sanction Levi Garrison.

Such behavior angered Ye Zhantian is also normal.

Everyone thinks Azure Dragon (Qinglong)'s explanation is reasonable.

Ye Wudao and others violated the majesty of the god of death, and the god of death taught them.

Feeling embarrassed in front of outsiders, so he left.

The analysis is too reasonable.

Absolutely!

Thinking of the scene of just killing the gods, everyone felt shocking.

Everything is terrible!

If Ye Zhantian started to attack them, none of them could escape.

It can't fight at all.

"Do you think Ye Zhantian will come back again?"

Kirin ( Qilin ) asked.

This is also what everyone is worried about...

This time the crisis has been avoided, but what about next time?

Following the Garrison Clan's style of doing things, he would never let Levi Garrison go!

"No!" The

voice sounded, but Levi Garrison said.

"Why?"

Everyone asked puzzledly.

"Because he is afraid that it will be too late, let alone trouble me!"

Levi Garrison said.

"Ah? Afraid? What is Ye Zhantian afraid of? He is not even afraid of Tiance Mansion?"

Everyone became more confused. "He is afraid of me!"

## Chapter 2510

"It's because I'm afraid of me! When I saw me, I beat Garrison family! Then I ran away dingy!"

After hearing Levi Garrison's explanation, everyone was stunned.

Will the killer be afraid of Levi Garrison?

How can it be?

This is impossible!

Ye Zhantian's strength, everyone has just experienced deeply.

For the strong of the gods, it is a spike!

Ye Wudao's level was slapped like that.

Levi Garrison couldn't even compare to a bug in the face of Killing God.

Everyone just assumed Levi Garrison was joking...on the

other side.

Ye Longtian's analysis was similar to Azure Dragon (Qinglong).

There is a high probability that Ye Wudao's behavior on behalf of others infuriated Ye Zhantian!

After the Garrison Clan returned to the capital.

The members of the clan were shocked and frightened.

Why did he go out to punish Levi Garrison, but brought back a bunch of wounded?

At this moment, Ye Zhantian spoke.

Bring everyone together.

"I want to say two things..."

"First, use all the medicines brought out by the clan on them! I will personally treat Wudao, Ling Tian and the others!" The

words came out.

Everyone was surprised.

What exactly is Ye Zhantian doing?

I just wounded everyone, and after I came back, I have to spend a lot of effort to save?

What are you doing?

The key is not in line with Ye Zhantian's style!

If he did something wrong, he would kill the wrong person.

It's even more impossible to come back to save someone like this.

This is not his style!

strangeness! too weird!

Ye Wudao and Ye Lingtian, who were dying, did not understand the act of killing gods.

It seems that after Levi Garrison came, he changed...

You are angry to vent to Levi Garrison!

What are you doing to vent to us?

Save us after it's done?

Is it idle?

"Secondly, from now on, all the members of the Garrison Clan will stay honestly, not to trouble Levi Garrison and Levilia! Let me know, kill without mercy!"

Ye Zhantian said .

Immediately, many people asked, "Why?"

"Levi Garrison is a sinner of the Garrison Clan, and deserves to be punished by all the rules of the clan! And Levilia is my Garrison Clan bloodline, how can I be cultivated by others?"

Even Ye Longtian didn't understand. NS.

"Do you dare to question my decision??" As

soon as Ye Zhantian said this, the voice of doubt immediately disappeared.

Everyone shut up obediently.

“Listen! My decision is also the decision of the ancient Garrison Clan! I don’t want to hear the voice of questioning and questioning...”

No one in the Garrison Clan dared to question or other.

Healing the wounded hastily... After

Ye Zhantian returned to his detached house, he began to gasp for breath.

He even sat down on the ground, his whole body was wet with cold sweat...The whole body was trembling with both legs, and he couldn’t stand up.

The front is really strong support!

Forced him to finish fighting everyone in the Garrison Clan, and forced him to return to the capital.

After separating from the Garrison Clan, his tone came to an end.

Finally couldn’t hold it anymore.

He never thought that Levi Garrison was the one who tried the sword...

How powerful Levi Garrison was, it was definitely not something he could detect.

But he can easily defeat himself.

As long as that sword is a little bit harder, he will undoubtedly die!

too frightening!

Fortunately, he responded quickly.

Smoking Ye Wudao and the others one by one...

and escaped as quickly as possible.

If I continue to stay there, I really don't know what will happen.

Ye Zhantian couldn't imagine...

He felt a little moist in his eyes ... He

cried again!

Did God play with me on purpose?

The enemy I have to deal with turns out to be the one who defeated me?

The more Ye Zhantian thought about it, the more frustrated he was, and he couldn't make a sound of crying.

The whole person was struggling to get up,

but he failed several times... he felt a little peeing even more.

To be scared to pee.

A figure in the distance was watching here, and he walked step by step.

"Brother, I found out that something was wrong with you a long time ago, what the hell is going on, tell me!"

It turned out to be Ye Longtian. "Don't hide it from me!"
