

The Return of the God of War [The Protector]

Chapter 2621 - 2630

Chapter 2621

bring it on!"

Levi Garrison agreed.

Just as Jiao Tianyu was about to do it, Levi Garrison changed his voice and said: "Wait..."

"What's wrong?"

Dozens of eyes stared at him stubbornly.

"What's wrong? Do you want to regret it?"

"Are you scared?"

"It's nothing if we are afraid! Anyway, apart from our disapproval of you, you are still our mentor! Same but guide us!"

"Yes! As long as you are soft, I will spare you this time!"

...

Everyone asked.

"No, I mean let you go together! Don't let him go!"

Levi Garrison said.

“Um?”

The words came out.

Everyone was stunned.

What?

It’s not enough to single Jiao Tianyu, we have to challenge them all!

Too arrogant, right?

It’s exactly the same as scolding other people for trash before.

“Well, this is what you asked for! I will never keep my hands! It’s none of my business to kill you!”

“Yes! We will do our best! We will do our best! You are dead and injured, regardless of our business!”

...

Everyone was excited for a while.

They will give the heaviest hand to Levi Garrison’s Landing!

It’s best to take advantage of this opportunity to get rid of Levi Garrison, and Kunlun Academy can give them a new mentor!

Everyone looked at each other.

It’s all an idea!

He severely injured Levi Garrison and prevented him from assuming the position of a mentor.

So they can change mentors.

But these guys are pretty good.

No plan to kill Levi Garrison, but just wounding!

They want what they want, but they don't want to hurt others.

Levi Garrison smiled and said, "It doesn't matter! Come together! Do your best!"

"Okay, then you be careful!!!"

Eighty people including Jiao Tianyu were inexplicably excited.

For their purposes, they must fight hard!

"kill!!!!"

Everyone shot at the same time.

Extremely shocking!

Levi Garrison looked at them and shook his head helplessly: "Too slow, too light, too weak..."

"boom!"

Chapter 2622

Levi Garrison punched out!

"Puff!"

"Puff!"

...

With a punch, the coercion seemed to fall down.

Eighty people in Jiao Tianyu still didn't come into contact with this punch, and the momentum alone couldn't stop it.

Everyone's shoulders are pressed down like a mountain.

Simply can't hold it.

One by one fell to his knees.

The knees press the earth and sink into it.

"boom!!!"

But the force of a punch blasted towards their rear!

This does not know how many times the speed of sound is exceeded, the sound barrier has been broken long ago.

Everyone is staring.

"哧!"

Under everyone's eyes, the power of this punch directly blasted a high mountain behind.

A passage opening abruptly blasted out of the endless mountains.

It can be vaguely seen that it is a huge fist mark!

The environment here is harsh, with endless super-high mountains behind them, covering the sky and the sun, towering into the clouds.

At least more than a kilometer.

There is no sun at all on this side, it is full of ice and snow.

But with such a punch by Levi Garrison, the mountains on this side were directly opened up!

Just hit a big gap!

Look silly!

Jiao Tianyu is stupid!

Ning Jinye is stupid!

...

All eighty people are stupid!

The terrible air flow rushed straight into the sky, spreading beyond the surrounding area.

It's like a shock wave.

Destroy the world!

Disturbed the depths of the snow-capped mountains...

One punch!

Horrible!

"Rumble..."

Not only that.

The entire Kunlun College was shaking vigorously, shaking vigorously, as if a major earthquake was coming.

And everyone heard a boom before, like a billowing thunder in the depths of the sky.

"Puff..."

The kneeling Yin Zhengping were directly knocked to the ground.

"what happened?"

"What happened?"

...

They are messed up.

The whole Kunlun College was in chaos.

Both the academy and the tutors rushed for a long time, asking what happened?

“Who can tell me what happened?”

...

Chapter 2623

chaos!

The entire Kunlun Academy is in a mess!

Up to the instructor, down to the student.

One by one was panicked and ran around everywhere.

All looking for what happened...

The point is that even the instructor doesn't know...

This matter is complicated.

This fluctuation is too big and too big.

As if to overthrow the entire Kunlun Academy!

This movement can be felt as well as the outside world.

The people who had just come to participate in the selection did not leave too far, and were shocked by the movement.

“Something happened to Kunlun Academy! Such a big movement?”

“How do I feel that someone killed Kunlun College directly?”

Everyone said one after another.

“Look at the Kunlun Mountains... look at...”

Someone shouted at this time.

Everyone looked far away.

A huge gap appeared in the Kunlun Mountains not far away.

Located in the middle of the mountain range, it looked like it had been chiseled out abruptly!

Especially from a distance, the gap is like a fist.

“I’ll drop a boy!! Isn’t it someone blasted it out with a punch?”

“The more you look at it, the more it looks like a fist! It’s just a punch to protect the unevenness...”

Everyone is discussing crazy.

All were scared into a cold sweat.

This is also terrible!

If this is true!

What strength will that be?

This is an endless mountain range, which was blasted into a big gap.

Unimaginable punch!

People outside know what happened.

As for Kunlun College, there is a mess.

They are too close.

Instead, I didn't see this scene.

Everyone is searching frantically, wanting to know what happened.

They looked embarrassed.

Kunlun College has just started its first day!

Such a big thing happened!

He can't afford it!

I can't afford to lose this person!

Shame!

"Hurry up and send someone to find out what's going on... Hurry up..."

They immediately sent a brigade to investigate the matter.

The students are even more panicked!

"This kind of movement on the first day was too exciting, right?"

Zoey Lopez and they were a little scared when they got together.

Never seen such a movement.

The movement was bigger than when Chen Kong died.

...

And at the moment.

“accident scene”.....

Eighty people including Jiao Tianyu knelt on the ground, motionless.

Everyone is like a sculpture...

In other words, like the walking dead, the soul is lost...

Chapter 2624

What did they see? ? ?

In their eyes, the qualified and inferior instructor, Levi Garrison, cut off the Kunlun Mountains from the middle with a punch...

What kind of terrifying power is this?

The key, they could see, Levi Garrison just punched at will.

It is estimated that the force will be retracted and then the force will be retracted...

It is estimated that there is no one-tenth of a normal punch with him!

Otherwise, not to mention the power of a punch, just the air current that swayed out, it would be enough to crush and crush them.

Chen Kong?

What a fart!!!

Encountered Levi Garrison...

wrong!!

At this time, a terrible and crazy idea flashed in the minds of Jiao Tianyu and others...

Didn't Chen Kong meet Levi Garrison that day?

It's the same punch!

Chen Kong exploded.

But then everyone said that Chen Kong exposed himself to death by inhaling too much skill.

But now...

Here comes the answer!

Chen Kong...he was beaten to death by Levi Garrison!

The truth is!

It turns out that Chen Kong's death is really like this!

seeing is believing!

What they saw before was wrong, Levi Garrison did blow Chen Kong to death with a punch!

But why doesn't it appear on the stone stele of God's List.

Everyone heard that the name of "Levi Garrison" was carved on the back of the stone tablet.

But there is no one to see it!

Now it seems that what Levi Garrison said is true!

...

Understood!

Everything is understood!

Kunlun Academy has gathered so many top-notch experts, and there is no reason to let a person who can't make it on the quasi-god list be a mentor!

According to Zheng Wenbo, Kunlun College's arrangement is reasonable!

It really makes sense!

Damn it makes sense!

They made it!

Make a big profit!

I thought I had entered the worst guide.

Unexpectedly, it is the strongest!

Just Kwang Levi Garrison is here, and all the other guides combined are probably not opponents!

Good luck!

They are so lucky!

The Yin Zhengping who ran away just now were brain-disabled!

They abruptly threw away the great opportunity...

If Yin Zhengping is not convinced, you will know if you challenge it.

Thought of this.

Everyone laughed.

It's all fate!

They are destined to be brilliant and prosperous!

Yin Zhengping and the others have this fate...

Chapter 2625

Especially among them, there are some people who are more and more grateful.

Because they were just ahead, they also had the idea of following Yin Zhengping and their escape.

But for this sign of Kunlun College, they still held back.

Now imagine that it's really "survived after the catastrophe"!

Everyone was shocked in a cold sweat.

Impressed!

Completely served this time!

Everyone is ashamed of their narrow vision and stupidity just now.

In particular, Jiao Tianyu and Ning Jinye, who took the initiative to pick things up, couldn't wait to find a place to drill in.

"Now, do you think I am qualified to be your mentor?"

Levi Garrison asked with a smile.

Everyone: "...".

Jiao Tianyu smiled bitterly: "Teacher Ye! I apologize for my previous stupidity! Let's put it this way! You are not only qualified to be our mentor! You are qualified to be the mentor of the gods of the day..."

“That’s right! Now we finally know that you killed Chen Kong! Who can stop your strength? Those who are the gods and masters of Tiance are definitely willing to be your students!”

“I probably saved the world in my last life, right? I was fortunate enough to be your student!”

“Now there is absolutely smoke on my family’s ancestral grave!”

...

Everyone began to express their emotions.

“Tutor Ye is here! Please be respected by the students!!!”

Jiao Tianyu started, everyone shouted, and knelt on the ground.

Clothes!

They are convinced!

If you don’t accept it, you will eat your fist...

“Well, don’t be lucky! Your next days will be very, very hard! You were carefully selected by me! I know that many of you are ascetic!

But what I want to say is that the next step is more bitter than you think! Not only physical torture, but more spiritual torture! “

Levi Garrison said.

Everyone’s face changed.

“We are not afraid!!!”

Everyone shouted.

“Actually, what I want to teach you is very simple! It is the most basic exercise method mentioned by Kunlun College!”

"It's no secret anymore! Even many outsiders know it! My wife, brother, and they don't use it!"

"But my strength is derived from this technique! This technique is to pursue the fastest speed and the strongest strength! When you reach the ultimate level, you will be invincible in the world!"

"I'm still practicing this technique at the moment! It's far from the end!"

"But it tests a person's determination and concentration! You need to abandon all distractions, abandon all exercises, practice day and night, and endure torture and loneliness!"

"Your difficulty will be even greater! Because other students in the academy will be able to improve their strength by leaps and bounds! You may have made little or no progress! This is a great test for your mentality!"

"If you hold on to it, break through your own barrier! In the near future, these are all ants! Including the gods of Tiance! They are all scum! Do whatever you want!"

"I am not the limit! In this practice, I am also going up the mountain!"

...

Levi Garrison told everyone what he had learned.

Everyone's faces are tense and serious.

Each one has the momentum to face difficulties!

"Now you can still make a choice..."

Levi Garrison said this.

Chapter 2626

Tiance Shenshuai almost fled.

This made Jiao Tianyu and the others dumbfounded.

Levi Garrison scared them like this with a word?

Isn't it horrible?

It seems that they all know Levi Garrison's strength!

"So there was a mess of porridge outside..."

"They couldn't think that the movement came from here!"

...

Jiao Tianyu and they all laughed.

After all, in Kunlun Academy, they are the most undervalued!

"Okay, next I will teach you the most basic exercise! Go, follow me to the depths of the snow-capped mountains!"

Levi Garrison took everyone to go.

"Teacher Ye! Is your name really carved on the back of the stone tablet?"

Chen Qizheng asked.

Levi Garrison did not conceal: "Yes, no mistake! Chen Kong saw it that day, so he kept calling my name when he died!"

"Yes, yes, I heard it! I thought he knew you... Now it seems that he saw the name behind the stele!"

"Teacher Ye, do we have a chance to go and see behind the stele? It is also an inspiration to us!"

Zheng Wenbo pleaded.

“Okay, yes! When I finish teaching you! I will take you to see it together tomorrow!”

“Okay, thank you Mentor Ye!”

...

now.

The Kunlun Academy is still messed up.

“Okay, okay, I know the truth...”

After Tiance Shenshuai and his party arrived, they announced to everyone.

“Huh? What’s the matter?”

Everyone looked over.

“It was caused by the practice of the dean and deputy dean...”

Tiance Shenshuai replied.

Anyway, the three people mentioned are all Levi Garrison.

Nothing wrong.

“What? The dean and the vice dean have this movement when they practice?”

“My God! Too strong, isn’t it? This is definitely above Chen Kong!”

“I want to be an excellent disciple! I’m attracted by the dean or deputy dean!”

...

Knowing that this is a movement made by the dean and vice dean.

It is a great encouragement to everyone! ! !

One by one clenched his fists in a desperate posture!

Even Zoey Lopez looked excited.

She secretly vowed that she would return to the door of the dark god through her true power.

Now she dare not mention that she is a disciple of the Dark God.

What a shame.

The gap between the two sides is too great.

“Okay, everyone has nothing to do, go back to their respective doors!”

Commander Tiance commanded.

Chapter 2627

“Look at the handsome, all of them have been kneeling! It’s too pitiful! They didn’t do anything wrong, but they were selected by Levi Garrison! It’s a shame to be expelled from Kunlun Academy directly now!”

“Why don’t you arrange it and put them under other tutors! They are very talented! Yin Zhengping is a strong man on the list of gods!”

“Yes, we beg you for them!”

...

Many people began to plead with the gods of Tiance.

Tiance Shenshuai sighed and looked at Yin Zhengping and the others: “Forget it! Brother Qingtian, Brother Zhantian, you will take two! I will take three! Let’s divide it!”

As soon as Tiance Shenshuai said these words, Ye Qingtian and the two agreed.

“OK, alright!”

“Papa.....”

There was rounds of applause among the crowd.

“Yin Zhengping, congratulations to the seven of you! I got a better chance!!!”

Everyone congratulated Yin Zhengping.

“thanks, thanks.....”

Yin Zhengping and the others were surprised and delighted.

Finally joined the others.

Especially for the four of Yin Zhengping, they have a mission.

Now the task can continue.

They can check the identity of the three dark gods.

Moreover, it is a rare opportunity to worship the gods and handsome men of Tiance, and it is easier to come into contact with the three dark gods.

“A bunch of idiots! Don’t come out with us! Where are Levi Garrison’s brains?”

“Come out with us! Isn’t it just to worship other people?”

...

Zhu Shaoyuan, the other three who are not spies, sneered.

They feel that the most correct decision in their life is to follow Yin Zhengping!

He who stayed in Levi Garrison became a “fool”.

The seven went to the three men of Tiance Shenshuai respectively.

On the first day, the respective instructors gave a brief talk.

Then comes the free time.

It is also to let everyone know Kunlun College faster!

Everyone started to wander around Kunlun College, going everywhere.

But the place everyone wants to go most is where Levi Garrison's team is!

After visiting all the places in Kunlun College, all the students went to the location of Levi Garrison's team in unison.

Soon everyone came to this place.

But they didn't think that Jiao Tianyu had already started practicing.

One by one, they danced so vigorously.

...

"Hahaha....."

Everyone laughed when they saw what they were practicing.

"You are really practicing this basic stuff? My dog doesn't learn it!"

Everyone laughed.

Zoey Lopez and Azure Dragon (Qinglong) both have ugly faces.

Seeing these people practicing, I felt very uncomfortable.

Chapter 2628

I always feel that Levi Garrison is misleading his children!

So many good seedlings have been delayed!

“Huh? Yin Zhengping, why are you still here?”

When Jiao Tianyu saw these seven people, everyone couldn't help being taken aback.

Yin Zhengping looked arrogant.

“Okay, I'll give you an official notice... Don't get angry when you hear it!”

Yin Zhengping and Zhu Shaoyuan introduced the seven people: “With our unremitting efforts, the seven of us have been recruited by the gods of Tiance, the god of killing Ye Zhantian, and the lord of the former leaf clan!”

“Well, the opportunity is won by yourself! Who told you not to leave? As soon as we left, we went to other people's doors.”

...

With pride and pride, the seven men held their heads up.

They can't wait to see the complex expressions of regret and envy on Jiao Tianyu's eighty faces.

Not going with them will be the last thing this group of people regret?

But the next moment, they were all stunned.

The smile on his face disappeared, his expression stiff, and he looked at everyone in front of him incredibly.

Because after Jiao Tianyu and the 80 of them listened, they looked indifferent.

The expression remains unchanged, not at all changed.

Instead, they stared at them one by one.

As if to say: That's all? Then what?

impossible!

This is impossible!

Shouldn't they regret anger and pain?

Shouldn't they be mad with envy and jealousy?

How come there is no reaction at all?

One by one seems to have experienced the destruction of the world.

These things do not interest them at all...

"Did you hear that? The seven of us were hired by the gods of Tiance! You regret to envy you!"

Zhu Shaoyuan shouted unwillingly.

"Ha ha ha ha....."

But after listening, Jiao Tianyu and others laughed.

Laugh crazy!

Senseless!

Everyone was completely dumbfounded!

It is not only Yin Zhengping and Zhu Shaoyuan who are confused.

Thousands of students who came with them were all dumbfounded...

It shouldn't be like this!

Shouldn't this group of people regret and envy it when they hear that their companions have a better future?

Why is there a little reaction?

Are you still laughing crazy now?

And looking at their smiles, they are completely mocking and disdain!

And it's not pretended!

That is ridicule and disdain from the heart!

They were completely dismissive of Yin Zhengping joining other mentors!

Don't talk about regret and envy.

Now this smile looks like Yin Zhengping and the seven people have lost a great opportunity!

They are the ones who admire jealousy and regret!

not understand!

No one understands!

I thought that Jiao Tianyu's eighty people were in a particularly bad state, and they were crying and eager to die.

Most people actually came to see them making jokes.

Who can think of the result.

They are in such a good state.

Senseless.

No one knows what to say...

Chapter 2629

“Are you making a strong face and laughing? Nothing! Don’t hold back! Who in the entire Kunlun Academy doesn’t know your tragic experience!”

“Stand on such a mentor! I can only say that you are bad luck! What does it have to do with your own strength! You still have a relationship to worship other people!”

“Don’t stand firm, just cry out if you want to cry!”

...

Everyone said.

Jiao Tianyu said: “Nothing, no need! I think Teacher Ye is very good! I will learn from him! I won’t join other teachers!”

Zheng Wenbo also echoed: “Well, Tutor Ye is the best! Kunlun College I only recognize Tutor Ye!”

“And me! I only recognize Teacher Ye!”

“Me too!”

...

Eighty people present expressed their opinions one by one.

And it could be seen that they wanted to talk to Levi Garrison from the bottom of their hearts.

Rather than being arrogant with everyone!

“Um?”

Silly!

Everyone is stupid!

In the end what happened?

Make these people so convinced of Levi Garrison?

This is unscientific!

What kind of magic power does Levi Garrison have that makes these people so convinced?

unimaginable!

Chen Qizheng sneered: "Yin Zhengping, you will never think of what you missed..."

"what?"

This made Yin Zhengping stunned.

Does Levi Garrison really have anything to say?

Make this group of people so convinced?

Did you really miss something?

Other people think the same way.

But soon, they reacted.

impossible!

Just now everyone saw that they were practicing the most basic exercises.

It's not useful at all!

Either these people were confused by Levi Garrison's words, or they had compromised the facts now.

There is no other way without compromise.

Can only pretend to be indifferent!

“Wait! Give me two years! I will step on all of you!”

“Well, this exercise is stronger than you can imagine! We need time to prove ourselves! Give us two or three years, and give you a miracle!”

...

Facing the students in the entire college, Jiao Tianyu and the others have a strong momentum.

Want to stand out from the crowd.

Put others underfoot.

So subconsciously say some bold words.

“Ha ha ha ha.....”

But everyone laughed when they heard it.

Some people laugh so that their belly is about to split, and some even fall to the ground and roll in disregard of the image...

“Give you two or three years?? Hahaha... the day lily is going to be cold, right?”

“To tell the truth in two or three years, maybe Kunlun Academy is dead, who do you prove it to?”

“Now this era is fast-paced, don't you not know it? Maybe there will be one wind direction in two or three months, two or three years is simply too long!”

...

Now Yin Zhengping and the others are relieved.

I thought Levi Garrison really had something to convince this group of people.

Now it seems that it is the temptation of language.

Draw them a pie, describing a good future.

Chapter 2630

In this era, talking about the future is the most useless.

The future of this era has shrunk to half a year.

All year is luxury.

To sum up, Levi Garrison still has no abilities.

It scared them just now.

I really thought Levi Garrison had the ability to reach the sky...

not worried.

Now I am completely relieved.

“Nothing! We believe in Teacher Ye! The future is ours!”

Jiao Tianyu’s eyes flashed firm.

Fortunately, Levi Garrison asked them before, whether to choose the present or the future.

If it hadn’t been for some psychological struggle before.

Now that everyone has raised this issue, they may really struggle.

But Levi Garrison had let them struggle long ago.

So now they have a calm look.

“Fools! A bunch of fools!”

“Just follow Levi Garrison so willingly?”

“Ho ho, watch it! When our strengths are advancing by leaps and bounds, and their strengths remain unchanged, I see them panicking?”

“Or in the Big Competition a year later, do they regret it? By then, there will be no one who can beat them! I’ll be equal to 80 of them by myself!”

...

The crowd looked at them as if they were looking at idiots.

Zoey Lopez felt more guilty in the hearts of several people.

I always feel that Levi Garrison is delaying others.

I’m totally sorry.

Zoey Lopez has an impulse, so I can talk to Levi Garrison.

Let him give up his status as a mentor and don’t delay these people.

What a good seedling, it was too wasteful to hand it over to Levi Garrison.

He can’t teach anything now, only let people practice his most basic exercises.

They have been persecuted for a long time.

Especially Azure Dragon (Qinglong) has fallen a lot.

Finally, they escaped from Levi Garrison’s “devil’s claws”, and now others were caught by Levi Garrison.

Replaced them.

They really don’t want to see Zoey Lopez!

"I feel ashamed of them..."

Azure Dragon (Qinglong) said.

However, Jiao Tianyu's faces were calm, and they were not shaken by their words.

Everyone was not paying attention to them, and began to turn around in this place.

"Huh? What is that?"

Someone finally saw the cut-off gap in the Kunlun Mountains in the distance.

Pointing to where, surprised speechless.

Everyone also looked over.

Shocked!

It was shocking!

Never seen this before!

Everyone knows the Kunlun Mountains, and when they came to Kunlun College before, everyone could see it from a distance.

But now there is such a big gap...

man-made?

"boom!!!"

Suddenly everyone thought of one thing!
