

## Chapter 3266

"Lolita!"

McGrady looked displeased: "This is your fault. I heard that your grape plantation was on fire in the morning, so I kindly came over to take a look. I didn't expect you to say it was me. The ghost."

McGrady looked serious when he said this, but his eyes shone with cunning.

Lolita had guessed right, the plantation was the fire set by McGrady's men. He came over this time just to watch a joke.

Seeing McGrady's serious appearance, Lolita was skeptical.

"Lolita!" At

this time, McGrady took a step forward: "I heard that your Dumen family signed a cooperation with Mr. Kunning's wine company a few months ago, and will provide them with grape raw materials for winemaking in the future. In the fire last night, all the grapes in the plantation were destroyed. When the time comes, your Dumen family can't hand it over, but even if you have breached the contract."

Upon hearing this, Lolita's pretty face changed and said coldly: "You What do you mean?"

Lolita looked calm at this time, but she was a little flustered in her heart.

Because McGrady was right, the Dumen family did sign a cooperation with Kunning's wine company, and each year they would provide the wine company with a lot of grape raw materials for winemaking.

There was a big fire in the plantation last night, and the grapes that were about to mature were burnt. A few days later, it was the day when the Dumen family delivered the raw materials. They could not get them out at that time, but they would have to pay a huge amount of compensation.

McGrady a smile, directed at Lolita opening: "Lolita, you do not always treated me so cold ah, this time I come, is really going to help you, but we two long-time friend," said McGrady Continued: "I just got news that Mr. Kunning from this brewing company is going to hold a private banquet in Pearl City at noon today. Maybe you have a chance to meet him."

Huh!

Hearing this, Lolita's body trembled faintly and couldn't help saying: "Really?"

No matter how the fire started last night, it is a fact that these grapes were destroyed. If there is a chance to see Kunning I, explaining the situation, may be able to reduce the loss of the family.

It's just that Kunning is a big man, can she easily see him?

Seeing Lolita seemed to be moved, the smile on McGrady's face gradually deepened, and he slowly approached, and continued: "In the past few years, our McWay family has cooperated with Mr. Kunning many times, and I can be regarded as friends. If you are if you like, how about I'll take you to this private banquet tonight?"

While talking, McGrady watched the changes in Lolita's expression.

To be honest, the McWee family and Kunning do cooperate, but they have only met McGrady a few times and are not friends. By doing this, McGrady was just creating opportunities to get along with Lolita.

McGrady thought that as long as Lolita attended the private banquet, he would get her drunk. As long as Lolita was drunk, he could do whatever he wanted.

Anyway, Dumen was already old, so there was no need to worry.

And that door-to-door son-in-law, Darryl, didn't have to take it seriously.

Thinking of Darryl, McGrady became irritable and itchy with hatred. Huh?, at the wedding yesterday, he was violently abused by this Darryl in front of so many people, and he was almost ashamed. This hatred must be reported.

Sigh!

At this moment, Lolita hesitated, bit her lip and gently said: "Will you introduce Mr. Kunning for me? McGrady, would you be so kind?"

McGrady shook his head and said solemnly: "Lolita, you.. Why don't you believe me? You forgot, our two are family friends, and we have had other business contacts over the years. If your Dumen family fails to recover because the plantation is burned, our McWay family will also suffer losses."

"So, I'm helping you this time, but I'm actually helping myself." I have to say that McGrady acted very similarly, and his words were full of emotion and could not be refuted.

This...

Lolita pondered for a few seconds, and finally nodded: "Okay, I'll go to the party with you."

Haha... got the bait.

Seeing Lolita's promise, McGrady was overjoyed and quickly said: "It's not early now, it shouldn't be too late, let's go quickly! I'll go to the car and wait for you first."

## **Chapter 3267**

fell, and McGrady got into the unicorn car not far away.

Lolita pointed at the apprentice around her: "You guys go home first, tell grandpa the situation, and say that I attended the banquet and then go home."

"Okay, miss!" The

apprentice responded, Turned and left.

At this time, I saw Darryl coming from a distance. After bidding farewell to Olena just now, Darryl hurried over.

Um?

At this moment, seeing the situation in front of him, Darryl was stunned.

I saw Lolita standing at the gate of the plantation, her delicate face showing a bit of exhaustion and helplessness, and not far away, a unicorn car was parked there, and McGrady was sitting in the carriage. Inside, his face was carefree and proud.

what's going on? Why is this kid McGrady here?

Muttering in his heart, Darryl quickened his pace!

At this moment, Lolita saw Darryl, and she was a little displeased: "Why are you here?!"

"I am also a member of the Dumen family now . If something goes wrong with the plantation, I will come over and take a look!" Darryl smiled. As he said, he pointed to McGrady on the unicorn: "What's the matter? Why is he here?"

At this time, Lolita was upset, but she still explained the situation. In the end, Lolita said lightly: "Wait, I will attend a private banquet with McGrady. Don't follow me, go back first."

Private banquet?

Hearing this, Darryl was stunned for a moment, and then he came to understand: "That fellow McGrady's words are not credible at all, I advise you not to go!"

Mad, the fellow McGrady, has been thinking about Lolita, and at this time he took her to a private banquet. It must be no good.

"I don't need to worry about what I do." Lolita didn't listen at all. After saying this coldly, she walked towards the unicorn cart.

To be honest, Lolita didn't want to be with McGrady, but for the family business, she could only temporarily wrong herself.

However, Lolita didn't bother to explain to Darryl about these situations, and didn't want to explain. What can an impulsive person understand?

Damn it!

Feeling Lolita's indifference, Darryl was very depressed.

In the next second, Darryl chased up: "If you have to go, how about I'm with you?"

Lolita said with an indifferent expression, and said impatiently: "Darryl, are you annoying, Having said that, I don't need you to take care of my business." The voice fell, and the unicorn was already in front of the unicorn, and Lolita walked up quickly.

"Tsk tusk!" At

this time, McGrady in the car saw Darryl with a smug and mocking expression: "I said why Lolita didn't come up for a long time. It turns out that it is you, the son-in-law who is here."

"Lolita and I want to talk about business, you can go home and have soft rice, haha..." After the

last word fell, McGrady drove away quickly.

Fuck!!

Listening to McGrady's laughter, getting farther and farther, Darryl stood there, very annoyed.

This Lolita is really a muscle, why don't you listen to her own advice?

Thinking about it, Darryl quickly followed.

## **Chapter 3268**

Half an hour later, Darryl followed the unicorn car to a private manor near the sea.

I saw that this manor was very large, with beautiful scenery inside, and it was Kunning's private manor.

Because the manor is holding a private banquet today, there are many guards at the door, and guests need invitations to enter. It can be said that it is heavily guarded.

At this moment, Darryl wanted to break in directly, but still held back. Yesterday, at the wedding, McGrady was beaten up in public, and the city was full of storms, and there could be no more nonsense.

Thinking about it, Darryl saw the weak deployment of the manor's back door, so he quietly passed by and slipped in without paying attention.

Sigh!

When he arrived in the manor, seeing the situation in the front hall, Darryl couldn't help taking a deep breath.

I saw that a lot of guests had already arrived in the hall, and every one of them was a person with a face and a face, not only the dignitaries of Pearl City, but also many family representatives from other cities. At this time, the host Kunning had not yet arrived, so many guests gathered together in twos and threes, chatting and laughing.

Around, many servants shuffled through the hall carrying wine and fruit plates.

The whole front hall is permeated with a happy atmosphere.

Seeing this scene, Darryl couldn't help but sigh secretly.

Unexpectedly, these nobles in Roland mainland would quite enjoy them.

At this time, Darryl didn't know that the person holding this private banquet was Kunning, who had just met with him.

With emotion in his heart, Darryl looked around and saw that McGrady and Lolita were sitting not far away, and immediately walked over without thinking.

At this time, Lolita and McGrady were talking and didn't notice Darryl at all.

"Lolita!" McGrady was pleased, holding a glass of wine, and said with a smile: "When Mr. Kunning appears, I will introduce you as soon as possible. Don't worry, Mr. Kunning and I are old acquaintances. , He will definitely give me a face!"

Lolita nodded: "That's good!"

McGrady's eyes flickered and smiled and said: "Lolita, if this matter is really solved, how can you thank me? "

While talking, McGrady looked at Lolita unscrupulously.

McGrady's gaze made Lolita very displeased, and said indifferently: "How do you want me to thank you?"

"Hey!"

At this time, McGrady became bolder, deliberately approaching a few minutes, and slowly said: "Let's do this. After the banquet is over, you will accompany me well..."

Huh!

Hearing this, Lolita's body trembled and she was very embarrassed.

At the same time, Darryl, who was standing behind, felt a fire in his heart. Mad, this McGrady was so courageous that he dared to make such a request to Lolita.

Thinking about it, Darryl couldn't help it anymore, and said coldly: "Lolita won't accompany you!"

"Huh, who is it..."

Maddie was very angry when he heard the voice behind him suddenly. , Couldn't help cursing, but seeing that it was Darryl, he swallowed the words behind.

Huh, is it Darryl?

At this moment, McGrady's eyes and Darryl looked at each other, and he couldn't help fighting a cold war. Thinking of being abused by Darrylfeng at the wedding yesterday, McGrady was even more afraid.

However, thinking of the environment here, McGrady immediately gained confidence, and mocked at Darryl: "Who do I think? It turns out that it is you, the son-in-law."

When the voice fell, Lolita also reacted, and her eyebrows frowned: "Darryl, why are you here?" After speaking, Lolita was very puzzled: "You didn't have an invitation, why did you come in?" Darryl was about to He answered, but McGrady interrupted directly.

"Does this need to be asked?" McGrady sneered, and said sarcastically: "I think he sneaked in while others were not paying attention!" This is Mr. Kunning's private banquet. Darryl is just a door-to-door son-in-law. Eligibility to participate?

Lolita bit her lips tightly, her face was very ugly, frowned at Darryl and said: "You go back quickly!"

## **Chapter 3269**

This is Mr. Kunning's private banquet. Those who come to attend are all decent figures in Pearl City, and Darryl acts impulsively, so he can't be embarrassed here.

"Why should I leave?" Darryl replied without thinking, his tone was beyond doubt.

As he said, Darryl glanced at McGrady: "He didn't really want to help you at all. You should know in your heart what his purpose is. I don't think we need to attend this banquet. Let's go home with me."

Lolita tightly Biting his lip, he was anxious and angry, but didn't know how to refute it.

"Haha..."

At this moment, McGrady couldn't help laughing and mocking at Darryl: "Darryl, you said I won't help Lolita. Are you capable of helping her? In addition to fighting fiercely, you Can eat soft rice, what else?"

McGrady's laughter attracted the attention of everyone around him. Many people looked over and pointed.

"Hey? Isn't this the son-in-law of the Dumen family?"

"I heard that the eldest lady of the Dumen family married a poor boy. It turned out to be him."

"It turned out to be a soft meal. It's really a flower in the cow. Shit is on..." The discussion came, Lolita's delicate face was hard to look instantly.

This Darryl asked him to leave, and now it's alright, the entire Dumen family's face has been lost by him.

Darryl had an indifferent expression, and whispered at Lolita: "Lolita, let's go back!" When the voice fell, McGrady couldn't help but mocked: "Darryl, I'll bring Lolita to talk. If it's business, don't be ashamed here. "

This idiot!

Darryl frowned and was about to speak.

Wow!

However, at this moment, the crowd suddenly became restless, and immediately afterwards, I saw a middle-aged man slowly walking in.

It is Kunning!

Seeing Kunning, everyone around hurriedly went up and greeted them one by one.

"Mr. Kunning!"

"Haha, Mr. Kunning has finally appeared!"

"Mr. Kunning is really energetic today..." All the families present have their own grape plantations, and Kunning has the largest new moon Principality. winery. can be said to be like a god of wealth, and it is natural to have a good relationship.

At this moment, McGrady also smiled, and quickly greeted Kunning: "Haha, Mr. Kunning, we meet again."

A voice of compliment resounded in the whole hall.

Only Darryl stood there calmly, as if the scene in front of him had nothing to do with him.

"Sorry everyone!" In the

face of everyone's enthusiasm, Kunning smiled: "There was something to deal with just now, it's too late!" As she said, Kunning's eyes fell on Darryl, and his heart was shocked, and then Walked over.

Kunning was very surprised at this time, this Mr. Darryl, but Olena's friend, suddenly came to his private banquet, really flattered.

Um?

Seeing this scene, whether it was McGrady or the others around, they were all stunned.

What's going on? Mr. Kunning knows this door-to-door son-in-law?

"Sir, I didn't expect to see you here."

At this moment, Kunning arrived, and shook hands with Darryl very diligently, and spoke very excitedly.

## **Chapter 3270**

This...At

this moment, everyone around is completely dumbfounded.

"Isn't this kid the son-in-law of the Dumen family?"

"Yes, how did he know Mr. Kunning?"

"Could it be that this son-in-law has other identities?"

Everyone's astonishment kept coming, Lolita who was standing there. was also stunned, looking at Darryl blankly, speechless.

What is his relationship with Mr. Kunning?

"Darryl!"

Finally, Lolita reacted and couldn't help but ask Darryl: "Do you know?" After the

voice fell, Kunning hurriedly said: "This beautiful lady, it is Lolita, I And..." He wanted to say knowing him, but in the middle of speaking, he was stopped by Darryl's eyes.

"I'm an unknown pharmacist, how can I know Mr. Kunning?" Darryl smiled and said:

"I think this Mr. Kunning has admitted the wrong person." When he said this, Darryl had a face Seriously, at the same time he winked at Kunning secretly.

Kunning is a wise man, saw it at once, do not want to expose the identity of Darryl, and quickly patted his forehead, awkward smiles:. "Oh, this gentleman said, well, it seems I was wrong person," he said , Kunning smiled at Darryl: "I'm sorry, you are very similar to a friend of mine before."

Huh!

Seeing this scene, everyone around couldn't help but breathe a sigh of relief.

After doing it for a long time, it turned out that it was Mr. Kunning who admitted the wrong person, and he thought that the door-to-door son-in-law had anything to do with Mr. Kunning.

At the same time, Lolita was relieved, and her expression was a little lost.

I thought that Darryl and Kunning knew each other. If the botanical garden was destroyed like that, there was no need to worry about paying Kunning liquidated damages. It was a pity that it was just a misunderstanding.

And McGrady, who stood by, couldn't help but sneer.

It turned out that Kunning had confessed to the wrong person, Huh(?), was really shocked just now.

Thinking about it, McGrady couldn't help but cursing at Kunning: "Mr. Kunning, this kid is the son-in-law of the Dumen family. There is no need to talk to him too much! By the way, this kid is possible. It sneaked in. Let the guards drive out."

Hearing this, the surrounding eyes suddenly gathered on Darryl.

This guy comes uninvited and will definitely be driven away by Mr. Kunning.

However, Kunning ignored McGrady.

"This gentleman." Kunning looked at Darryl with a smile, "I can be mistaken for the person, and it proves that we two are destined. If you don't mind, how about we make friends?" When

she said this, Kunning A look of politeness.

Just kidding, this Darryl is Olena's friend, he has ten guts, and he doesn't dare to blast him out.

What?

Hearing this, both McGrady and the people around were all dumbfound.

Mr. Kunning, actually took the initiative to make friends with this door-to-door son-in-law?

Hmm...

Darryl pondered, and said indifferently: "I don't like to make friends, but Mr. Kunning is so enthusiastic, then let's make friends!"

This...

At this moment, the faces of everyone around him were very wonderful.

This kid is crazy, Mr. Kunning took the initiative to make friends with him, and he was reluctant to do so.

"Great."

Kunning was very happy, and quickly asked the narrator's maid to bring two glasses of wine, and said to Darryl: "I am so happy to make friends like Mr. Darryl, come, let's have a drink together!"

Darryl nodded, and touched the glass with Kunning.

Sigh!

At this moment, everyone around them changed their expressions, and their eyes looked at Darryl with jealousy and envy.

## **Chapter 3271**

At the same time, Lolita was also there for a long time, she couldn't take her breath away.

In an instant, Darryl, who was mocked by everyone, became friends with Mr. Kunning.

It's incredible.

Feeling this, Lolita couldn't help but look at Darryl, and suddenly felt that this man seemed to be less annoying than before.

At this time, McGrady looked extremely ugly.

This Darryl turned out to be Mr. Kunning's friend? How can he get such courtesy from Mr. Kunning?

No, Mr. Kunning just admitted the wrong person. In order to alleviate the embarrassment, he would take the initiative to make friends with this rubbish. Yes, it must be so.

Thinking of this, McGrady smiled again.

In the next second, McGrady said to Darryl: "Hey, you who ate soft rice, and drunk, go quickly, when we are going to talk about business, you are not interested here."

This idiot.

Darryl chuckled lightly, glanced at McGrady, and ignored him.

Kunning's face changed, and his heart was angry, and she gave McGrady a fierce look.

Huh(?), the young master of the Mcway family, is he mentally ill, this Mr. Darryl, but Olena's friend, dare not even sneer himself at all, so he dare to speak insultingly?

At this time, seeing Darryl not speaking, thinking that he was guilty of conscience, McGrady shouted again: "Can't you understand human words? Hurry up."

"Pop!"

Just as the voice fell, Kunning was furious, and suddenly lifted up. Hand, slapped McGrady's face with a slap!

With this slap, Kunning almost exhausted all his strength, only to hear McGrady's yell, he staggered back, and sat down on the ground.

hiss!

At this moment, everyone around couldn't help taking a breath.

McGrady covered his face and was almost beaten up: "Mr. Kunning, why...what's the matter?"

"So rude to my friend, McGrady, do you treat me as air?" Kunning scolded coldly, speaking. Falling down, rushed over and kicked McGrady violently.

McGrady was completely dumbfounded, and was kicked and rolled all over the floor.

The people around were all dumbfounded. Soon, a few guests couldn't stand it and came up to persuade them.

"Mr. Kunning, don't be impulsive!"

"Calm down!"

However, Kunning couldn't listen at all, looked around and shouted angrily: "Shut up all of you! I tell you, this Mr. Darryl is my friend. , he is disrespectful to him,

Hearing this, everyone looked at each other and didn't dare to talk nonsense.

At this time, McGrady couldn't help shouting: "Mr. Kunning, I was wrong, I was wrong, I won't be like this anymore."

At this time, McGrady was almost crying without tears. He didn't expect Kunning. Will beat myself in public because of a friend I just met.

"McGrady!"

Kunning sneered, and said angrily: "It's not that I didn't give you a chance. You relied on that you were the young master of the Mcway family. There is no need to cooperate with your family in the brewing company!" After the voice fell, Kunning waved his hand: "Come on, blast him out for me."

What?

Hearing this, McGrady's heart trembled, and he slumped on the ground, completely confused.

Soon, a few servants walked in quickly and kicked McGrady out involuntarily. Huh...

Seeing this scene, everyone around was completely stupid, staring blankly at Darryl speechless.

Kunning actually stopped cooperating with the McWay family for this door-to-door son-in-law?

quiet!

For a while, the whole hall was silent.

## **Chapter 3272**

"Friends..."

At this moment, Kunning squeezed out a flattering smile, and apologized to Darryl: "I'm really sorry. The first time you attended my private banquet, you encountered such a lack of quality. People, but you can rest assured now, this McGrady has been blasted out by me! "

This!

Seeing this scene, everyone present was stupid!

This, what's the situation? !

The dignified Mr. Kunning was so polite to Darryl, didn't they just meet?

What can this door-to-door son-in-law have? Can make Kunning so humble.

Lolita was also stunned.

To be honest, she was very worried before, and she was afraid that Kunning would drive Darryl out under the instigation of McGrady. At that time, the entire Dumen family would be embarrassed, but she did not expect that everything that happened before her was completely worried. On the contrary, McGrady was kicked out, while Darryl was left behind like a VIP.

Shock!

At this time, Lolita was completely shocked.

Darryl smiled without saying a word!

"Friend!" Seeing that Darryl didn't speak, Kunning suddenly became nervous and quickly said, "Is it my banquet? What makes you dissatisfied..."

This person is Olena's friend. , If you neglect today, you will not have a good life.

Darryl smiled and said to Kunning, "Mr. Kunning, you don't need to be too polite.

I'm only accompanying my wife for this banquet. Now that McGrady's annoying fly has gone, I'm relieved. "

As he said, Darryl smiled at Lolita: "I'm going back first. about the plantation, please explain the situation to Mr. Kunning, I believe he will not embarrass you."

After that, Darryl Turned to leave the hall.

Huh...

Watching Darryl's back left, Lolita reacted and couldn't help but breathe out in secret.

In the next second, Lolita walked to Kunning and bit her lip and said: "Mr. Kunning, I..."

Before she could finish, Kunning waved her hand and said politely: "Miss Lolita, I have heard about your grape plantation. Everyone understands what happened

suddenly. Don't worry, I will not be held accountable to your Dumen family, let alone demand liquidated damages..."

Hearing this, Lolita's body trembled and she was very happy, and her mood improved a lot.

.....

On the other side, a high-end pub in Pearl City.

In the luxurious box on the second floor, McGrady sat there with a gloomy face, accompanied by two sexy beauties, but at this time McGrady was in no mood.

The thought that at the private party just now, Kunning taugt herself publicly and drove herself out for the door-to-door son-in-law, McGrady couldn't stop trembling and almost exploded with anger.

Huh(?), today is too frustrated.

Opposite McGrady, sat a gloomy middle-aged man with a centipede tattooed on his neck, and a powerful breath filled his body.

The middle-aged man is called Manxiong, the leader of a gang of bandits, cruel. A year ago, Manxiong and McGrady met, because they were equally lustful and like-minded, they became friends.

At this time, seeing McGrady look depressed, Manxiong couldn't help but smile: "Master McGrady, the two beauties are not tempting?, what makes you so unhappy."

McGrady smiled bitterly: "Don't mention it. Thinking about it makes me angry."

Huh?

Hearing this, Manxiong was a little surprised: "What the hell is going on? Let's me know."

McGrady groaned, he stopped talking, and finally said: "Huh(?), that is the Son-in-law of the Dumen family., at Mr. Kunning's private banquet today, I was so embarrassed and kicked out!"

## Chapter 3273

"Huh?"

Manxiong looked indignant when he heard the situation and couldn't help but pat the table: "A door-to-door son-in-law, who dared to offend Master McGrady, is almost killing him, but he can know Mr. Kunning like that. Big shot?"

"Haha!" McGrady sneered, disdainfully said: "He knows a fart, but he was admitted to the wrong person by Mr. Kunning. He is just lucky."

Barbarian nodded suddenly . , Then patted McGrady on the shoulder, and comforted: "Okay, just a door-to-door son-in-law, make you frown? So, wait for me to let my subordinates find a chance to teach that guy and help you out. ."

Barbarian, do not take it lightly, that guy with no holy power, but the fight is very powerful! " could not help but reminds him.

At the wedding before, McGrady had learned about Darryl's greatness.

Barbarian looked confident and said proudly: "Don't worry, my subordinates are not vegetarian!"

Seeing him say that, McGrady showed a slight smile because Manxiong was right. They have been doing evil in recent years, even, naturally it was more than enough to deal with a Darryl.

At this time, McGrady suddenly became happy, and smiled: "For this matter, I will ask Barbarian brother. Today . a glass of wine.

"Haha, Master McGrady just wait for my good news!"

... on the other side.

Darryl returned to the Dumen family, watching the time is still early, sitting on the balcony, relaxing in the sun.

After a while, Lolita returned after attending the banquet.

"I'm asking you!"

Seeing Darryl, Lolita couldn't help concealing the doubts in her heart, and asked: "What is going on with you and Mr. Kunning?"

At the wedding banquet, Mr. Kunning told Darryl His attitude is really unpredictable.

"I just met, didn't you look at it by the side at the time?" Darryl's expression was indifferent.

Lolita was full of disbelief, and she had to ask again. Just then, Dumen walked in, followed by the butler Launa.

"Lolita!"

Dumen smiled and looked at Lolita: "I heard that you attended Mr. Kunning's private banquet. What did Mr. Kunning say about our plantation? Did he embarrass you?"

Lolita bit her lip and responded: "Mr. Kunning expressed his understanding and didn't embarrass me." When

she said this, Lolita couldn't help but glance at Darryl.

She knew that Mr. Kunning was able to show such generosity today, which had a certain relationship with Darryl.

"That's good! That's good!"

Hearing this, Dumen let go and smiled: "You have to worry a lot about the family business in the future. By the way, you can talk to Darryl if you encounter any problems in the future. , after all, he is your husband now."

Lolita's expression showed a trace of complexity, and she couldn't help looking at Darryl.

Darryl scratched his head: "Lolita is very capable of doing things, so she don't need my help!"

Seeing Darryl becoming humble, Dumen smiled.

And Laura, who stood by, couldn't help but mocked: "The family industry doesn't bother you. This is because you want to eat soft food for the rest of your life."

Although Darryl taugth McGrady publicly at the wedding, in Launa's heart, he still looked down on it.

## **Chapter 3274**

At this time, Lolita also gave Darryl a disappointed look.

Ben still had some expectations of him, but he didn't expect that this Darryl was so unmotivated.

Disappointed, Lolita left with Laura.

Ugh!

As soon as the front foot left, Du Men sighed slightly, and said to Darryl: "Mr. Darryl, I really wronged you. Lolita's personality is a little bit colder, but her heart is kind."

Darryl smiled slightly, "Master, don't worry. Since I have promised you, I will take good care of Lolita within the agreed time limit." After talking a few words, and seeing that it was still early, Darryl went to the beach to find Adolf and his grandson.

In the past few days, Dumen used his relationship to search for news about Yuri and Bonnie in the entire Roland mainland, but there was no clue. Darryl couldn't wait, so he wanted to go to Adolf to investigate some situations.

You know, Adolf is a well-known pharmacist in Pearl City. He knows many people and is well informed. Maybe we can get some clues about Yuri and Bonnie from him.

As a result, when he left the manor, Darryl noticed that he was being followed.

Darryl noticed that several burly men followed sneakily, with fierce gazes and bad looks. Moreover, each of them is not low in strength, they are all around the holy king.

interesting?

Aware of this, Darryl didn't panic at all, instead of for Pearl City, he went directly to the barren hills in the outskirts.

"Hey!" When he arrived in a forest, Darryl stood on his feet and said to the people behind him: "Why are you following me?" The men looked at each other, showing a fierce look, and quickly surrounded Darryl.

The leader was a Cyclops, and at this time he looked up and down Darryl: "Boy, are you the son-in-law of the Dumen family?"

Darryl nodded: "It's me."

Hearing the answer, the Cyclops stopped talking nonsense and said coldly. :  
"That's right, your kid provokes someone who shouldn't be offended. If you don't want to die, he will break an arm."

break an arm?

Darryl wind frowned, just laughed: "If I guess right, you are sent McGrady, right now I feel good, do not want to embarrass you, get out of here!"

Hearing this, whether it was Cyclops or the surrounding companions, they were all angry.

A mere door-to-door son-in-law, a waste of soft food,, and he was looking for death.

"Fuck him."

Cyclops couldn't help howling in anger.

Wow.

When the voice fell, several companions rushed over thinking of Darryl directly.

Looking at the few people who rushed up, Darryl gave a light smile, urged by his internal force, and directly greeted him.

Bang Bang Bang...

Although the strength of the Cyclops companions is not weak, in front of Darryl, it is not worth mentioning. In a few blinks, he easily knocked down a few people to the ground.

What?

Seeing this scene, the Cyclops heart trembled, staring at Darryl blankly, extremely frightened.

This guy has no sacred power at all, so he is so powerful? Before he could see clearly, several of his companions fell down.

How did he do that?

Snapped!

Just when Cyclops was stunned, Darryl's body flashed, and he rushed over quickly, slapped a slap on Cyclops's face.

With a miserable Cyclops cry, the whole person flew out and fell heavily to the ground. Before he got up, he was stepped on by Darryl.

At this moment Darryl, with a relaxed expression, clapped his hands and said, "Let's say, did McGrady send you?"

"You..."

Stepped on by Darryl, with Cyclops grief and indignation, he shouted: " I'm telling you, I'm the boss of the Wild maless, you dare to do something with us, you are dead!" The voice fell, and the surrounding companions who were knocked to the ground also clamored.

"Boy, Barbarian boss won't let you go!"

"You wait to die..."

## **Chapter 3275**

Barbarian?

Hearing this, Darryl frowned secretly. This stubborn male was an out-and-out wicked man who heard Dumen talk about it before.

But, don't you know this barbarian? Why send someone to follow yourself?

Muttering in his heart, Darryl was too lazy to think, and said coldly at the Cyclops: "Go back and tell you the boss, if he want to trouble me, just come, I will teach anytime."

After speaking, Darryl turned and left in a big stride. .

As soon as he returned to Pearl City, a man hurried up to meet him, with a unicorn car parked next to him.

"Mr. Darryl!" When he arrived, the man spoke very politely: "Mr. Kunning has something to do. I want you to go to the manor to talk about it!"

Kunning? What is he looking for me for?

Darryl frowned, but got into the car anyway.

Soon, when he arrived at Kunning's private manor, Darryl was invited directly to the second floor.

Sigh!

When he reached the meeting room on the second floor, Darryl was stunned, and he saw a graceful and sexy woman sitting there, wearing a red dress, which was very eye-catching.

It was Olena.

"Mr. Darryl." At this moment, Olena hurriedly stood up with a trace of respect on her delicate face: "Excuse me, it is inconvenient for me to come forward for private banquets during the day !" Yes, Kunning held private banquets during the day. At the time, Olena was also in the manor, but it was inconvenient to show up because she was the leader of the bloodhand organization.

Darryl smiled: "You are specifically looking for me, don't you just talk about this? I asked you to find someone for me before, anything about it?" When he was in Alantis before, Darryl told Olena, to help him find Yuri and Bonnie.

"I have sent someone to look for it, but there are no clues yet" Olena bit her lip and said with some shame: "But don't worry, Mr. Darryl, I will do my best to find the two women!"

Phew!

Hearing this, Darryl was a little disappointed, but he still nodded.

"! Mr. Darryl"

At this point, Ao Olena came hesitantly: "You've seen my sincerity, can ... Can I get antidote to ..."

At the time, Olena's eyes were full of expectation.

During this period of time, the efficacy of the heaven cult Pill slowly began, and Olena clearly felt that her body was obviously weaker than before. This time she specifically sought out Darryl, just to get the antidote.

Haha...

Seeing Olena's expression, Darryl couldn't help laughing.

Thinking about it, Darryl took out an antidote from his body and handed it to Olena's hand: "I happen to have one on my body. You will take it first, but I have to tell you that this one can only last for half a year. After half a year, if you ask me to get another antidote, you will be able to heal!" While saying this, Darryl looked serious, but his eyes flashed cunningly.

Darryl lied to Olena. After taking this antidote, Olena was cured. There is no saying that it is more than half a year. By doing so, Olena has some worries about herself.

Speaking of it, Darryl didn't want to give Olena an antidote so quickly, but after thinking of relying on her for help, he simply took it out.

"Thank you, Mr. Darryl!"

Olena took the antidote and hurriedly stuffed it into her mouth.

Darryl nodded, not forgetting to say: "You have to hurry up when looking for someone!"

"I see, Mr. Darryl!"

Then Darryl said a few more words and said goodbye to Olena.

.....

At this moment, the other side.

In an abandoned house northwest of Pearl City.

Barbarian sat in front of the campfire with a gloomy face.

In front of him, there were several subordinates standing in fear and trepidation, each with a blue nose and a swollen face, very embarrassed. It was the Cyclops and others who followed Darryl during the day.

"Huh!"

At this time, Barbarian glared fiercely at the Cyclops people and cursed: "Are you all a rice bucket? So many people dealt with a door-to-door son-in-law, you guys are even more useless!"

## Chapter 3276

The barbarian at this time is very hot tempered.

I thought I could show off my strength in front of McGrady this time, but I didn't expect a few of my men to be so useless.

Facing the Wild maless anger, the Cyclops couple wanted to cry without tears.

In the next second, Cyclops cautiously said: "Barbarian boss, we are not to blame, that kid is too evil!" The

voice fell, and several companions behind him nodded in agreement.

"Yes, that kid doesn't have holy power, but he shot quickly..."

"I didn't even see how he shot it at the time."

Listening to the words of a few of his men, Barbarian gradually calmed down and frowned, "That kid" Is it really so powerful?" The one-eyed couple hurriedly nodded.

"Pop!" quite suddenly took a male under the table, look grim, his eyes reveals a bit of yin and brutal: "No matter how scary this kid, dared to touch me, is to court death!"

Then, quite directed at male Cyclops commanded: "You should prepare immediately, tie up the eldest lady of the Dumen family, and then lure this kid out!"

No matter how powerful Darryl is, as long as he catches his wife, he will definitely be subdued.

"Okay, boss!" Cyclops nodded quickly.

Immediately, Cyclops thought of something, scratching his head and said: "Boss, we have tied up the eldest lady of the Dumen family, can that kid come out? He is a door-to-door son-in-law!" The

voice fell, and Barbarian cursed in an annoyed way: "You special No brains, his wife has been arrested, can he still eat soft food with peace of mind?"

Cyclops suddenly realized, and quickly flattered: "Understood, the boss is still thoughtful."

When the voice fell, several people around also echoed.

"bad boss!". "This approach wonderful ah"

look of impatience, urged:. " act quickly."

"Yes, boss ..."

...

On the other hand, Darryl returned to the Dumen family and saw the lights in Lolita's room from a distance.

Rested so early?

Darryl muttered in his heart, without thinking too much, walked over and opened the door!

Damn it!

The moment he opened the door, he saw the scene in front of him, and Darryl stiffened, and his whole body was stunned!

I saw a wooden barrel in the room, filled with herbs, steaming, and Lolita was soaking in it, not half hidden, the charming curve was looming...

During this time, Lolita has been insisting The medicinal bath used to be during the day, but today there were too many things, so it was delayed until the evening.

hiss.

At this moment, Darryl stared blankly, his head was blank!

At this time, Lolita also saw Darryl, and she suddenly trembled!

"Ah!"

Soon, Lolita reacted and couldn't help screaming. At the same time, she pulled a bath towel and wrapped herself up, shy and angry: "You...when did you come back?"

He wasn't. Are you out? Why did you come back so soon?

"I..." Darryl was also dumbfounded, scratching his head and said: "I didn't mean it, you...you continue..." He said, he quickly walked out the door.

Fuck!, I thought that Lolita was resting. She was in the medicinal bath... After a

while, Lolita got dressed and opened the door. At this time, the blush on her face had not completely subsided.

Seeing Darryl standing outside, Lolita was even more embarrassed.

For a while, the atmosphere is very delicate.

"I..."

After more than ten seconds, Lolita bit her lip and said softly: "I'm going out for a walk." It was really embarrassing just now, so I have to calm down.

Darryl reacted: "Would you like me to accompany you..."

"No!" Lolita resolutely refused, speeding up her pace at the same time.

Ugh!

## **Chapter 3277**

Seeing Lolita walking away, Darryl couldn't help shaking his head and smiling bitterly. This eldest lady still resists herself in her heart.

Thinking about it, Darryl returned to the room to rest. After a day of tossing, he was really tired.

Darryl didn't worry about what happened to Lolita, after all, she was the eldest lady of the Dumen family.

...

As a coastal city, Pearl City is also very lively at night.

Lolita strolled in the street for a while, and finally calmed down.

Thinking about it carefully, this Darryl seemed to have little ability, but before he knew it, he also helped himself a lot, and he saved his life.

Is it too cold to be so indifferent to him?

I thought, Lolita was going home.

However, as soon as he reached an intersection, several men suddenly stopped Lolita, with ill-intentioned smiles on each of their faces.

Yes, it was Manxiong's subordinates, a few Cyclops people.

At this time, Cyclops looked up and down Lolita: "Miss Lolita?" She

deserves to be the most beautiful rich lady in Pearl City. This look, this figure... is so sexy.

Lolita was taken aback, and said vigilantly: "Who are you? Why are you blocking my way?"

"Hey!"

Cyclops smiled and said: "Don't be afraid, our boss wants to see you!" Just take out a sack and directly cover Lolita!

Oops, I was kidnapped!

Lolita was taken aback, before she could react, she was quickly taken away by a few Cyclops people!

Ten minutes later, Lolita was taken to the outskirts, where the man was hiding.

"You..."

The moment the sack was taken off, Lolita became nervous when she saw the situation in front of her, and couldn't help but cried out: "Who are you? Why are you arresting me? Tell you, I am the Dumen family. Missy, let me go!" When she said this, Lolita tried to struggle, but her hands and feet were tied, and she couldn't use her strength at all.

"Tsk tusk."

Barbarian walked slowly over, smiling and said: "I have always heard that the eldest lady of the Dumen family is a famous beauty, and I saw it today."

While talking, Manxiong looked up and down. Lolita.

Beautiful, so beautiful.

After watching for ten seconds, Barbarian reacted and smiled at Lolita: "Miss Lolita, my name is Barbarian, you should have heard of me!"

What?

Hearing this, Lolita's heart trembled, and she suddenly panicked.

Barbarian is a famous mountain bandit in Pearl City. He has a cruel heart and has escaped the encirclement and suppression of the guards several times.

However, the Dumen family seems to have no grievances with him.

Thinking about it, Lolita couldn't help but said: "Why are you arresting me?"

Barbarian smiled and slowly said: "Don't panic, I won't hurt you for the time being. Your husband and I have a bit of grudges, but This kid has been hiding in your Dumen family, I can only catch you, and then lure him out!" With

that, Barbarian asked his subordinates to lock Lolita.

At this moment, Lolita was nervous and inexplicably angry.

When did this Darryl provoke a villain like Manxiong and hurt himself?

... the other side.

Seeing that an hour had passed and Lolita hadn't returned yet, Darryl had a vague premonition.

"Mr. Darryl."

At this moment, a servant stood outside the door and said: "Someone sent a letter just now and said it was for you!" He said, he handed a letter over.

Darryl opened the letter, and after reading it, his expression suddenly changed.

Fuck!, Lolita was kidnapped.

The letter was very clear. If Darryl rushed to the barren mountain outside Pearl City within an hour, only one person was allowed to come. Otherwise, Lolita would be killed.

## Chapter 3278

Holding back his anger, Darryl quickly left the Dumen family to find Olena.

To be honest, no matter who the other party is, Darryl didn't pay attention to it at all, but for Lolita's safety, Darryl felt that he should be more cautious.

When I arrived at Kunning's private estate, I saw Kunning and Olena both here.

Darryl didn't talk nonsense, and directly told the situation.

What?

Knowing the situation, both Kunning and Olena were extremely furious.

Soon, Olena reacted with anger on her exquisite face: "During the day, that barbarian's subordinate followed Mr. Darryl, and Miss Lolita was kidnapped at night.!"

"It's just a group of bandits, and they are so courageous. Let me send someone to destroy them." When the voice fell, Olena was about to summon her men.

At this

moment, Darryl waved his hand and said: "Don't be impulsive, Lolita is in their hands, you can't be hard." With that, Darryl thought about it, and continued: "Well, I will meet that barbarian. To attract his attention, when the time comes, you will take your

subordinates and secretly investigate where Lolita is locked up !" "Understood!"

Olena nodded quickly.

After the discussion, Darryl and Olena bid farewell and went to the barren mountain outside Pearl City.

...

At this moment, Barbarian is here.

After locking up Lolita, Barbarian sent his men to call McGrady over.

After a while, McGrady hurried over.

"Brother Barbarian!"

Entering the wooden house, McGrady couldn't wait to ask Manxiong: "How? Did you teach that Darryl?"

Barbarian's face showed a trace of embarrassment, and he smiled: "Of course, not only that, but I also tied up. Miss Lolita!" Of course, I couldn't tell the story of my subordinate being abused by Darryl, it was too shameless.

What?

McGrady was stunned: "You tied Lolita? What are you doing?"

"During the day, I asked my subordinates to teach that Darryl, but the kid was too cunning. Seeing that he couldn't beat a few Cyclops, he ran away." Explain: "I felt puzzled, so I tied Miss Lolita so that he could be drawn out."

It turned out to be the case.

Hearing this, McGrady nodded suddenly, then showed a slight smile, and continued: "Since you caught Lolita, it happens that I can act as a hero to save the beauty. When the Darryl comes, you can use Lolita. threatened him, that kid must be subdued, and then you tie him up and humiliated him."

"When you finish teaching Darryl, you will send me firework signals. At that time, you will pretend to be unable to beat me and make me perfect. Save Lolita away." When

he said this, McGrady was proud of his face.

Haha...I'm so smart. I can think of such a perfect plan. At that time, I rescued Lolita from the hand of Barbarian. Lolita must be grateful to me.

Perhaps, back to Dumen's family, Lolita and Darryl broke off their engagement, and then passed on to herself.

For a time, McGrady wanted to be more and more beautiful.

Hearing this plan, Manxiong couldn't help but exclaimed: "Master McGrady, really smart, this plan is wonderful."

"As long as this is done, I will definitely repay Big Brother Barbarian."

"Haha... ."

After the agreement was reached, McGrady left quickly, hiding in the distance, waiting for the firework signal from the wild hero.

...

On the other side.

Half an hour later, Darryl rushed to the place Barbarian said.

Sigh!

When he reached the dilapidated house, Darryl took a deep breath and walked in directly.

## Chapter 3279

At this time, the Cyclops ones guarding the door suddenly spotted Darryl and immediately surrounded them.

"Boy!"

At this time, the Cyclops, with a cold face, smiled at Darryl and said: "You are quite courageous, you are really here alone!"

Fool!

Darryl didn't bother to pay attention, and walked in directly.

Inside, he saw a pile of bonfires burning vigorously, Barbarian sitting there, playing with a delicate dagger in his hand, his face was a bit of abusive expression, and his body was full of powerful aura.

Huh!

Seeing Darryl coming in, Barbarian's gaze locked him instantly.

Barbarian clearly felt that the person in front of him had no holy power on his body, but during the day, none of the Cyclops ones could beat him!

interesting!

After looking at it for a few seconds, the Wild maless jokingly said: "You are the son-in-law of the Dumen family? I heard that you are good at hitting!"

Darryl was too lazy to talk nonsense, and coldly said: "where is Lolita?"

"Haha!"

Man-hung cold smile, eyes flashing a hint of cruelty, full of interesting tone: "it really is eat soft food, you are so worried about Miss Lolita, she is afraid of a thing he can not do door-law of the voice down , The Cyclops men also mocked one after another."

"This kid looks like a waste to eat soft food!"

"Boss, don't talk nonsense with him."

"Huh(?), this kid punched me several times during the day, and I must get it back tonight. ."

Listening to the yelling of the Cyclops people, Darryl didn't panic at all, chuckled lightly, and sat on the chair opposite to Barbarian, with his legs tilted, without the slightest panic of being in danger, but incomparably indifferent.

Mad!

Seeing this scene, whether it was a male or Cyclops man, his expression changed and his heart became angry.

"Huh(?), when we arrive at our site, dare to show off?"

"Get up, who let you sit?"

"Life and death!"

At this time, the Wild maless also had murderous intent in his eyes.

But I don't know why, looking at the indifferent Darryl, Barbarian suddenly felt indescribable.

The person in front of him didn't have any sacred power in his body, but this calm and calm demeanor didn't seem to be pretended.

While Manxiong was thinking secretly, Darryl said indifferently: "Barbarian is right, we have no grievances, so I don't want to say more nonsense, and

immediately release Lolita, otherwise, you will regret what you did today. Because." When

saying this, Darryl looked serious, but he was a little worried.

Yes, Darryl was delaying time, because at this moment Olena was leading her men, secretly searching for the location where Lolita was locked up. It's just that the environment here is complicated, and I don't know if Olena can succeed.

Huh!

Hearing this, Barbarian's expression changed, and he immediately turned back and laughed.

I have been in the Pearl City area for so many years, not even the guards are afraid, but at this time, he is threatened by a door-to-door son-in-law? If this matter spreads out, you still won't be laughed out of it?

"Boy!"

Finally, Barbarian reacted, staring at Darryl with his eyes like a poisonous snake, and sneered: "You are a kind, dare to talk to me like this. I think you are really tired of living?" With

that, Barbarian lifted his hand. Let your subordinates do it.

"Boom!"

But at this moment, only a loud noise came from outside.

Hearing the loud noise, Manxiong and his surrounding men were shocked.

## **Chapter 3280**

Immediately after, I saw a subordinate rushing over in a panic, with a face full of horror: "Boss, it's not good, the mountain suddenly came...a lot of people!" When he said this, the subordinate almost To collapse on the ground!

Hearing this, Barbarian's expression changed and he hurried out. The Cyclops few quickly followed.

hiss!

When I got outside and saw the scene in front of me, whether it was a male or a Cyclops crowd, I couldn't help taking a breath!

I saw hundreds of people in black, swarming around the wooden houses. These men in black, uniformly dressed, holding a machete in hand, are bullying.

And the head is a beautiful and sexy woman, wearing a black and red long dress, like a blooming rose in the dark night, but with an icy breath permeating her body.

It was Olena and her men.

Gudong!

At this moment, Barbarian and Cyclops and others, their eyes fell on Olena, and they all secretly swallowed their saliva, their eyes straightened.

What a sexy woman!

And then, feeling Olena's strength, Barbarian's heart suddenly tightened.

Austrian, One of Olena's men interrupted.

"A little bandit is also qualified to ask our chief's name?" The subordinate's face was full of arrogance, and he said coldly at Manxiong: "Did you see the logo on our clothes? We are the blood hand organization," This is our great leader! "

What?

Blood hand?

Hearing this, Manxiong's heart was shocked, and he suddenly felt that his legs were soft.

In the entire Roland Continent, who doesn't know the blood hand organization? That is the existence that even the six major Province are afraid of. The people are scattered all over the place, and there are hundreds of thousands of people in total, and the power is very terrifying.

According to the rumors, the leader of the blood hand organization is a sexy beauty, but he did not expect it to be true.

It's just that there is no grudge between himself and the bloodhand organization, why surround his hiding place?

Thinking about it, Barbarian panicked inexplicably.

"Mr. Darryl!"

At this moment, Olena walked slowly and respectfully said to Darryl : "Miss Lolita, we have successfully rescued her, but she was too frightened and she is still in a coma."

When Darryl was negotiating with Barbarian just now, Olena secretly led people to search the barren hills, successfully found the place where Lolita was imprisoned, and rescued it. After that, she directly led people to enclose the wooden house where Barbarian was hiding. .

"Yeah!" Darryl nodded approvingly: "Good

job !" When he said this, Darryl finally breathed a sigh of relief. He thought that tonight's plan was a bit risky, but I didn't expect Olena to do things quite efficiently.

What? !

Seeing this scene, whether it was a Wild maless or a Cyclops couple, they were completely stupid.

The man at this moment looked at Darryl blankly, speechless.

This... This door-to-door son-in-law has something to do with the leader of the Bloodhand Organization?

The Cyclops ones next to each other had their legs weakened, and they almost couldn't stand firmly.

They clearly saw that the legendary leader of the bloodhand organization, standing in front of this Darryl at this time, was extremely respectful and polite.

How can this be?

Isn't this Darryl just a pharmacist, the son-in-law of the Dumen family? How could there be such a terrifying network?

Puff!

Finally, Barbarian couldn't hold it anymore, he knelt in front of Darryl, panicking:  
"Mr. Darryl, this...this is a misunderstanding, please listen to me to explain..."
