In front of him, there were dozens of embarrassed men kneeling. These were all the devil warriors from the Zhu family who were running away.

Li Zhaolong said coldly: "Send this group of waste on the road!"

His words fell, and a group of suits around him started to work together.

When the hand raised the knife and fell, the heads of dozens of devil warriors were chopped off in an instant, and blood was covered in the ground.

Li Zhaolong indifferently ordered his men: "Send all the heads of these people to the Zhu family. The first batch of people that the Zhu family wants to kill, I have already killed them."

Immediately there was a stern voice: "Yes, Shao Li!"

Li Zhaolong looked towards the city, the corners of his mouth raised slightly: "Next, it's Yash Nics and Song's turn."

Zhang Jun is the blind date that Tong's family introduced to Tong Ke!

However, Tong Ke has always refused to meet Zhang Jun for a blind date on the grounds of busy work.

Zhang Jun liked her very much. He came directly to Mannity to meet her this time and invited her to have a meal.

Tong Ke didn't like Zhang Jun, but it was difficult to refuse, so he could only call Yash Nics's family and accompany her to the dinner.

Ma Xiaoli smiled and asked Zhang Jun: "Zhang Shao, where did you go to work?"

Zhang Jun smiled: "My dad is a real estate company, and I work in the financial industry."

Ma Xiaoli exclaimed: "

I am from a well-known family, and I am young!" With a net worth of 10 billion, it's not a good name. As for me, I have an annual salary of 10 million, so I can barely count it."

Zhang Jun spoke modestly, but his face couldn't hide his pride.

Song Zhongbin and Ma Xiaoli nodded their heads and said, "It's already very powerful!"

Zhang Jun heard the words and became more proud, and even sneaked a glance at Tong Ke, wanting to see how Tong Ke reacted?

But to his disappointment, Tong Ke was approaching Yash Nics, talking to Yash Nics with a smile, without paying attention to his conversation with Song Zhongbin and Ma Xiaoli.

Although Zhang Jun knew that Yash Nics was Tong Ke's brother-in-law, he saw that Tong Ke was so close to Yash Nics.

He still couldn't help being slightly jealous, looking at Yash Nics's gaze, there was also a hint of hostility.

He deliberately raised his voice and said to Tong Ke, "Miss Tong, this restaurant can sing. I'll sing you a song."

And they think this Jun is quite good, and they deliberately matched Zhang Jun and Tong Ke.

So they all smiled and said, "Well, Zhang Shao, go and sing a song to Tong Ke."

Zhang Jun smiled and got up and walked towards the restaurant stage.

He took out a few hundred tips and handed it to the band in the restaurant, instructed the band to change the music, and he wanted to sing.

Soon, according to Zhang Jun's instructions, the band began to play a piece of popular music.

Zhang Jun held the microphone and looked at Tong Ke. He smiled and announced in public: "I gave this song to Miss Tong Ke to express my feelings for her." There was

sparse applause at the scene.

Yash Nics looked at Tong Ke with a smile, and said with a smile: "This is a good-looking man, Xiao Ke, you consider it."

Song Pingting also smiled: "Yes!"

Tong Ke looked at Zhang on the stage with disgust. Jun, curled his lips: "What's not bad, you look at him showing off everything, just pretend to be a crime, and you hate me when you look at it."

Yash Nics smiled when he heard this, and Song Pingting's family was dumbfounded.

At this time, Zhang Jun, who was on the restaurant stage, was already holding a microphone, looking at Tong Ke, and singing affectionately. It turned out to be Huang Jiaju's famous song "Really Love You".

The name of this song seems to be a love song, but anyone who pays close attention to the lyrics knows that it is a song to thank mother and praise her mother.

Zhang Jun actually sang this song to express his feelings for Tong Ke!

Everyone at the scene covered their mouths and laughed!

Tong Ke covered her face, embarrassed and resentful, and said bitterly: "Look, this guy is really clever, is he confessing to me, or is I his wife?"

Yash Nics and Song Pingting's family , Couldn't help it anymore, all laughed.

Soon, Zhang Jun finished singing and came back.

He saw Tong Ke with a dark face, and when he sang just now, he saw Yash Nics laughing all the time, as if laughing at him.

He seriously doubted whether Yash Nics had spoken ill of him in front of Tong Ke.

He sat down again and said with a smile: "Hehe, singing skills are so good, everyone laughs."

Yash Nics smiled and said: "Singing well."

Yash Nics didn't say anything, that is, the song that he sang shouldn't be the scene.

Zhang Jun noticed that Yash Nics was laughing at him just now on the stage, so now Yash Nics praised him for singing well, and he didn't believe it either. He felt that Yash Nics was running against him.

He squinted his eyes and asked intentionally or unintentionally: "Mr. Yash, what do your parents do, where do you work?"

Yash Nics said flatly: "I don't have parents. I only hang one in my wife's company now. Unemployed, busy."

"Heh!" Zhang Jun couldn't help but chuckle when he heard the words. Yash Nics's parents are dead, and that is an orphan. What kind of family background can an orphan have?

This sound!

Yash Nics's face sinks, and her heart is angry: My parents are dead, how happy are you?

Song Pingting and the others also frowned, feeling that this handsome is too bad.

Zhang Jun didn't notice the changes in Yash Nics and the others' faces, and said triumphantly: "Yash Nics, you are a few years older than me. It's a shame if you don't want to be motivated."

"Look at me, I came from a wealthy family, so I went out on my own.

"It's not that I'm bragging. The powerful people I know are all over the north and south."

"Don't say anything else, just say you Mannity, the owner of Dong Tianbao, who walks through the clouds. Mannity food tycoon, Mannity underground emperor, how good is it?

I, too, have to hand me a cigarette, and respectfully call me Zhang Shao!"

Song Pingting and the others had weird faces, because they knew that Dong Tianbao was Yash Nics's subordinate and he was very obedient to Yash Nics.

Yash Nics asked with a smile, "Do you know Dong Tianbao?"

Zhang Jun was startled when he heard this. He was just bragging.

Although he has some money, he really can't make it to a big boss like Dong Tianbao.

However, the bull has blown it.

In front of Tong Ke, there is absolutely no reason to slap himself in the face.

Zhang Jun smiled and said: "Haha, of course you know, don't you think Dong Tianbao is very majestic in your middle sea. He is in front of me, I told him to stand, he dare not sit, I told him to cry, he dare not laugh!"

Yash Nics Smiled and said, "Is that right, then you are pretty good."

At this moment, the restaurant manager personally delivered a bottle of Kande red wine worth 100,000 yuan, and respectfully said: "Hello everyone, this is our boss Dong Tianbao.

Knowing that his young master is drinking here, let me personally send a bottle of red wine to show respect."

Zhang Jun opened his eyes wide. He said that he knew Dong Tianbao very well, and Dong Tianbao was very respectful to him, but just bragging.

Unexpectedly, Dong Tianbao really asked people to return a top-quality red wine worth 100,000 yuan.

He became excited for an instant, and thought: Long face, really long face.

He arrogantly said to the manager: "Hehe, I didn't expect Dong Tianbao to know that I was here, and he sent me such a good bottle of wine. You tell him that Zhang Jun takes his mind." The

manager heard the words. A bit stunned!

Zhang Jun already stared: "Did you hear what I said?" The

manager put down the red wine with a weird expression, and glanced at Yash Nics. Seeing Yash Nics smiled and said nothing, he said embarrassingly: "Okay, I will definitely say what you say. Will reply to our boss."

Zhang Jun waved his hand: "Go, don't disturb us eating here. If you are stupid, I will let Dong Tianbao fire you later."

After Zhang Jun finished speaking, he picked up Kangdi red wine and poured it to Tong Ke. He also showed off to Yash Nics, "Isn't it? That's what you can do. Everywhere you go, there

Before his words were over, the restaurant manager had gone and returned.

Zhang Jun frowned: “Didn’t you tell Dong Tianbao that Zhang Junxin took his mind? Why are you here?”

Yash Nics and others looked at the restaurant manager.

The restaurant manager said: “Your words were my boss called to tell us.”

Zhang: “how can he say?”

slapped his face!

It's so slapped!

The words of the restaurant manager made Zhang Jun's face fierce, and he couldn't wait to find a way to get in and hide.

The restaurant manager said seriously: "Mr. Zhang, could it be that you knew my boss, and my boss accidentally forgot you?"

"Or tell me what friendship you have with my boss, I will check with him again Verify!" Yes

, this make up the knife.

Zhang Jun felt like his face was slapped!

If it weren't for Tong Ke to occupy too important a position in his mind, he couldn't help but turn his face on the spot, and then left the scene angrily.

He bit his head and said: "No, since he doesn't remember my friend, then I don't have to make friends with him. My friends are all over the country. There are not many more than one." The

restaurant manager's eyes flashed. With a look of contempt, I thought that if I didn't know our boss, I would say that I didn't know him. It's really unreasonable to have to pretend to be something.

He stopped talking to Zhang Jun, but leaned slightly at Yash Nics's family, and said respectfully: "Mr. Yash,

Yash Nics smiled and said, "You can save face. It was given by someone else!"

Zhang Jun heard Yash Nics's words, and his heart burst into flames. He thought to himself: What do you mean by these words? The face is given by others, and the face is lost by himself?

Is this saying that I am ashamed of myself?

Thinking of this, Zhang Jun hated Yash Nics more and more.

At the same time, he noticed that Tong Ke looked at him with more disdain, and he knew that the pretense had been messed up just now.

Zhang Jun was secretly anxious in his heart, thinking about how he could get his lost face back, so that Tong Ke looked at him with admiration.

At this moment, the door of the restaurant was suddenly kicked open with a bang.

Li Zhaolong smiled and seemed to disdain to answer.

A burly black dragon with dragon tattoos tattooed on her neck, whizzed forward and kicked the restaurant manager's chest.

With a bang, he kicked the restaurant manager so that he spurted blood, and knocked over several security guards behind the manager.

Everyone at the scene exclaimed.

The old demon with a small hair braid and a gloomy expression raised his finger at the table of Yash Nics and the others. Jie Jie sneered and said, "We are from the East China Sea. Except for the people at this table, everyone else can roll. ."

The diners at the scene looked at each other, and then all got up and fled. Everyone could see that these people were not good.

Several security guards looked at Li Zhaolong and his group in horror, helped the injured manager, and retreated to the side, not daring to intervene.

The Song Pingting's family was panicked, and they obviously didn't understand who they were provoking.

Yash Nics's face was calm, but she didn't dare to have a anger from the bottom of her heart. The people in Donghai are really endless!

Haixin!

Li Zhaolong's words made Yash Nics's calm eyes slightly cold.

He remembered that his father had driven his mother and son out of the house in order to marry the saucy fox in Haixin, causing his mother to become depressed and sick, and eventually died of illness.

When Dian Chu and others saw Li Zhaolong coming over with murderous aura, they were going to stand up against Yash Nics. They were going to intercept Li Zhaolong.

But Yash Nics had spoken without any emotion in his voice: "Let him come here!"

Li Zhaolong was overjoyed when he heard this. He had been trained in various fighting techniques since he was a child, and he was also a mercenary when he grew up.

Yash Nics even dared to agree to single-handedly challenge him. This is really a long-term life for Shouxian Weng who eats arsenic!

Dian Chu was shocked when he heard this!

Based on his years of experience following Yash Nics, the Hai Family obviously angered Yash Nics.

Maybe in addition to the people on the East China Sea who have been reluctant to make trouble lately, it is also because of the grievances between Yash Nics and the Hai family.

This time, the Hai family angered Yash Nics.

It is very likely that Yash Nics is ready to clean up the Hai Family.

Killing Li Zhaolong this time was just a small appetizer before the feast started.

Dianchu said solemnly: "Yes, I will send someone to do it."

Yash Nics waved his hand: "Go, and order people to clean this place quickly. Don't scare my family later."

Dianchu: "Yes! "

Dong Tianbao suddenly said, "Master, what should I do with this guy?"

Yash Nics looked in the direction Dong Tianbao was pointing, and then saw Zhang Jun who was still kneeling on the ground.

Yash Nics was stunned, this kid Zhang Jun actually kneeled from the beginning to the end!

When Zhang Jun saw Dianchu, Dong Tianbao and others, their eyes fell on him with unkind eyes. He remembered the rude behavior to Yash Nics during the meal, and the cold sweat on his forehead instantly fell.

He ignored the numbness of his feet, and hurriedly knelt and climbed in front of Yash Nics, and said with a trembling: "Mr. Yash, I have eyes but no knowledge of Taishan, and I have offended you so much. Please don't care about me, forgive me once.

Right ." Zhang Jun was really scared. He had seen Yash Nics's greatness just now.

Li Zhaolong and his gang were all killed!

If Yash Nics wanted to kill him, he just raised his hand.

Yash Nics looked at Li Zhaolong who was kneeling in front of him and crying bitterly, smiled slightly, and reached out to help him up: "Mr. Zhang, what are you talking about? Don't say anything else. I should just tell you that I want to keep our family safe. Say thanks to you."

Zhang Jun really wanted to pretend at first, and first tried to protect Yash Nics's family.

However, after learning that Li Zhaolong was the prince of the East China Sea, he immediately persuaded him and knelt in fright to beg for mercy.

Now Yash Nics said thank him, his face was sultry, and he said slyly: "I didn't help, it's shameful."

Yash Nics smiled and said, "Haha, but you have done your best, haven't you?"

"Go," Let's go into the box and continue to drink two glasses."

Zhang Jun was a little flattered when he heard that, and said again and again: "Good, good!"

Yash Nics and Zhang Jun walked towards the box and laughed: " Right , actually Tong Ke doesn't catch you cold. , I think it's a bit difficult for you to be with her. I suggest that you don't force your relationship."

Yash Nics can see that Tong Ke really doesn't like Zhang Jun, and Tong Ke even hates Zhang Jun.

So I can't help but persuade Zhang Jun that the twisted melon is not sweet.

I didn't expect Zhang Jun to be wrong!

Zhang Jun looked at Yash Nics with weird eyes, and then said with a smile: "I understand that I understand that Miss Tong is Mr. Yash's food..."

Yash Nics was stunned when he heard this: "What my food, what are you talking about? , She is my sister-in-law!"

Zhang Jun nodded: "Yes, yes, she is your sister-in-law..."

Yash Nics was really depressed when he heard this. Doesn't this Jun really think he has something to do with Tong Ke?

He couldn't help but want to explain to this guy, but after thinking about it, he and Tong Ke were innocent.

And Zhang Jun is neither Tong Ke's boyfriend nor Tong Ke's family, so why should I explain to Zhang Jun?

And, to explain this stuff, sometimes it gets darker and darker.

Simply, Yash Nics didn't bother to talk nonsense with Zhang Jun.

Yash Nics pointed to Zhang Jun next to him and smiled: "All this is much thanks to Zhang Shao, Zhang Shao is still very good in the East China Sea. He made a call to the big guys on the East China Sea side, and then he stunned the guys who were making trouble."

"Finally, the guys were photographed by Zhang Shao's strength and left dingy one by one."

But now, he was embarrassed and didn't dare to expose Yash Nics's lies, he could only bite the bullet and accept everyone's thanks, embarrassingly said: "Nothing is nothing, I can help as long as I can help."

Chapter 620 Read free Novel

Yash Nics and his entourage climbed to Wutong Mountain, but did not find Yash's mother's tomb.

Yash Nics was uncertain, and immediately ordered Dian Chu to find out what was going on quickly.

Soon, Dian Chu found out the reason, and reported to Yash Nics: "Master, I called the county magistrate of Wutong County, and I have checked it out."

"The Yash family said Wutong Mountain was the back mountain of their Yash family's hometown. The Yash family thought that your mother was not qualified to be buried in the back mountain of their Yash family and moved your mother's grave away."

Yash Nics was furious: "The Yash family is looking for death. Where is my mother's grave now?"

Dian Chu: "It is said to have been moved to Wild Dog Hill!"

Wild Dog Hill, Mother Yash's tomb, a pile of small graves.

Barren weeds grow everywhere, similar to the unowned graves.

"Mom, the unfilial son brought your daughter-in-law and your granddaughter to see you."

Yash Nics knelt before the grave, and said with a choked voice.

Song Pingting followed Song Qingqing and Tong Ke to bow down.

Throughout the afternoon, Yash Nics knelt at his mother's grave, feeling sad like an abandoned child.

And just when Yash Nics and his party were immersed in sorrow.

Suddenly came a discordant clamor: "Ouch, this is not what we were thrown out of the waste Yash Nics Well, Yash has the effrontery to return home."

"Gee, is still grave grief was like to be a Abandoned dog, hahaha."

Yash Nics, Song Pingting and others turned their heads together.

Found a group of uninvited guests!

The speaker was a middle-aged man with a moustache, followed by a large group of bad-looking men.

It turns out that this mustache is Yash Nics's cousin, Chen Zhi.

Chen Zhi heard that someone inquired about Yash Nics's mother's grave and guessed that it was Yash Nics, so he immediately rushed with a group of men.

Yash Nics looked at Chen Zhi coldly: "You came just right, I ask you, who moved my mother's grave from Wutong Mountain to this place?"

Chen Zhi grinned and sneered, "Hehe, it's Mrs. Haixin. Tell me to do this!"

It turned out that Yash Nics was expelled from the house.

But Hai Xin has always felt that Yash Nics is a hidden danger!

She told Chen Zhi from her hometown to pay close attention. Once she found any clues about Yash Nics, she immediately reported to her, and she was rewarded with great rewards.

Today, Chen Zhi learned that someone inquired about Yash Nics's mother's grave.

He guessed that Yash Nics might be back, so he hurriedly brought people over to check.

Unexpectedly, it was really Yash Nics. He was so proud that he reported the news of Yash Nics's appearance to Mrs. Hai Xin, and he could get a big reward.

However, he had just been proud, and a figure flashed in front of him.

Yash Nics actually arrived in front of him, and he was shocked: "What do you want to do?"

Yash Nics did not speak, but responded with action.

Yash Nics raised his foot and kicked both feet like lightning.

Click! Click!

Two scalp-numbing bone fractures sounded almost simultaneously.

Yash Nics directly kicked Chen Zhi's feet off!

Ah-

Chen Zhi let out a scream and knelt before Yash Nics heavily.

All of Chen Zhi's subordinates looked horrified. Yash Nics was too ruthless. He interrupted his uncle's feet as soon as he shot it.

Yash Nics coldly ordered Dianchu: "Send someone to move my mother's grave back to Wutong Mountain for burial."

Dianchu said solemnly, "Yes!"

Yash Nics glanced at Chen Zhi, whose face was distorted in pain, and the Yash family's men who were scared around him.

He said indifferently: "I want Yash's family to go up and down, whether they live in their hometown or in the north, all come to my mother's grave and kneel for three days and three nights, confessing their mistakes."

"Especially Chen Xiong and Haixin pair. Dog men and women, if they don't come to our mother's grave and kneel and confess, then the Yash family will wait for it to be destroyed!"
