"Lin Fanyue, don't force me." Song Rongshi became annoyed, "I do it."

"I never suspected that you were cruel to me." Lin Fanyue was very weak. "Are you sure you won't leave today? If you don't leave, I might not be so cooperative next time. After all, to be honest, I have a lot of Not reconciled, if one day I see you and Ning Lexia are too affectionate, I can't think about it, the dead skin and the face are occupying the official position, and you will not be able to make up for Ning Lexia for the rest of your life."

"you."

Song Rongshi looked at the haggard and pale woman in the wheelchair, and the feeling in his heart was cruel and moved. His

eyes finally showed a trace of sadness, "Fan Yue, why bother with you, if you didn't hurt Le Xia, those No matter what, we will not go to this day. I am really tempted by you."

"Thank you, I'm so touched." Lin Fanyue was afraid that she would feel nauseous when she heard it. She said impatiently, "Whether you want to leave or not, one sentence is a matter."

"good."

Song Rongshi looked down and nodded.

Jiang Qingxin pushed Lin Fanyue into the Civil Affairs Bureau.

However, Song Rongshi has already found someone. The two of them didn't do it in the lobby, and it was a sign that the divorce was signed in the office of a leader.

The procedure for obtaining the permit was very fast, and it didn't take long before the two marriage certificates were replaced with two divorce certificates.

Song Rongshi looked at the divorce certificate in his hand, mixed feelings in his heart, and felt nothing but emptiness.

It was the day when he and Lin Fanyue got their marriage certificate, still fresh in their memory.

"Fan Yue, when I asked you to marry me, I really wanted to live my life with you." Song Rongshi said sadly, "Unfortunately, you never believed me. If there is more trust between us, maybe we won't come. Today."

Lin Fanyue rolled her eyes, "Why are you so tactful, why don't you just say Lin Fanyue, or you are stupid, I won't divorce you, you don't understand it is to cherish it."

Song Rongshi choked and said, "It's okay if you understand it. I promised you that I will give you three days as time. It will be the last day of tomorrow. If you don't send Yueyue over, I will call the police tomorrow."
."

After he finished speaking, he turned his head and strode away.

Lin Fanyue looked down at the marriage certificate in her hand, smiled, and cried as she smiled, "I am finally divorced, and my old lady will start again in the future."

"Well, congratulations, I will celebrate with you when you get better." Jiang Qingxin held her hand, "Go back to the hospital, I'm still hanging up in the ward to celebrate it is Henglian."

"I'm so touched." Lin Fanyue wanted to cry without tears.

Jiang Qingxin blinked playfully,
"Congratulations, climb out of the grave like me, and see how happy I am every day."

"I said yes. I almost forgot. You are not married either." Lin Fanyue felt much better.
"Then you have to wait for me to get married again before you can prove it. You can't leave me alone."

"no problem."

Jiang Qingxin snickered, only a certain man might be going crazy.

The next day.

After Song Rongshi fed Ning Lexia's breakfast in the hospital, the assistant walked to his ear and whispered a few words.

His face was fierce, and he got up and said, "Lexia's I am in a hurry to go to the company. What is the matter? Tell the caregiver."

"Is there anything wrong with the Rongshi company?" Ning Lexia was nervous, observing his face.

"I'll take care of it, don't worry about it." Song Rongshi comforted him and walked out of the ward for some distance and immediately took out his mobile phone.

Today, hot searches include the derailment of the heirs of the Song family group and the wedding of the president's daughter.

He clicked in and looked at the Internet. Many media released him in and out of Ning Lexia's apartment late at night. The photo was still after Ning Lexia and Lin Fanyue met and was injured by hot water that day, he

hugged Ning Lexia and hurried to the hospital. The photo is even a record of Ning Lexia's miscarriage.

It was a blogger who broke the news and posted a long online through an insider. The article according to the insider broke the news. When Lin Fanyue gave birth to a child shortly after Song Rong, the two people who came back from the old love quickly dried up together. It's not the Song family, but Song Rong who was opposed to the fact that Song Rongshi hid Xiaosan in the apartment was delicious and delicious. The couple who knew about it a few days fell out. It is said that Miss Lin has moved into the presidential palace and separated.

Netizens will always hate things for Xiaosan.

In particular, there are Lin Fanyue, the president, the goddaughter, and President

Song's success has been popular among the people.

Netizens scolded almost everything after the incident broke out.

It's too shameless. A few days ago, I saw Song Rongshi and Lin Fanyue's family of three. The child who was pictured in the full moon was less than three months old and went out to eat. Even Xiaosan was pregnant. It's too scumbag. Go to the scum of Song scum.

Can I still believe in love? The wives who said they were going to hold a century-old wedding were happily, but the husband who was arrogant raised a mistress outside who wanted to have mine and cut the couple of dogs with a knife.

I also have a woman whose husband cheated shortly after giving birth to a child. I

especially understand Lin Fanyue. In my mood, I cursed Song Rongshi and the slut for not having a good life.

""

Song Rongshi saw that his face was somber today that he gave Lin Fanyue the last time, and he didn't believe that it had anything to do with Lin Fanyue that something like this suddenly happened at this time.

He was angry and dialed Lin Fanyue. "Did you think that I would compromise if I announce these things?" Lin Fanyue's you are stepping on me. Since I give you a chance, you don't cherish it. Don't blame me for being polite."

"You are sick on the Internet, I don't have to let things go." Lin Fanyue also has just seen her being sympathized by so many people in the outside world.

"What I tell you is that you have been bullied by Ning Zetan before or you kidnapped Ning Lexia. I just take some fuss and ask the outside world of the Polish Army. People will think that you deserve nothing more than a man." Song Rongshi Speaking, the words are extremely vicious.

Lin Fanyue said with a chill to the extreme, "Song Rongshi couldn't find anything uglier than you in this world, ex-husband."

She "pop" and hung up the phone.

When Song Rong wanted to find someone again for public relations, he suddenly received a call from Song Ji, saying "Get me back to the group at 80% of the Song family. The director asked you to be removed. The position of the company is 9 o'clock. You who convened the board meeting should explain to the directors yourself."

Song Rongshi was slightly surprised, but the more urgent he knew, the more shocked he got.

Lin Fanyue, it seemed that Song Qingrui was controlling it from behind.

He wanted to see if Song Qingrui was a political messenger, and the one who intervened in the Song family group could reveal how big the waves were.

Go, he called Song Xingchen on the way, but Song Xingchen did not pick him up.

Song Rongshi frowned.

When I arrived at the company, almost the board meeting began.
