

Returning from the Dead: His Secret Lover

Chapter 95

Matteo became quiet.

After two seconds, Matteo slowly changed his sitting posture into how the little bore, Ian, would.

I bet it was Daddy who taught the little bore to sit like that.

Matteo sighed.

Fortunately, his father didn't say anything else after he corrected his sitting posture. Then, the two finally returned to Frontier Bay.

"Hi, Mr. Ian. Are you hungry? I have made your favorite pastries! Do you want some?"

"Yay! Thank you, Ms. Dolivo!"

Smilingly, Matteo quickly agreed, and his bright smile stunned Wendy.

Did Mr. Ian smile at me? Good lord, he actually smiles at me! I didn't know that he would! He looks fantastic!

The surprised Wendy immediately went to the kitchen to get the pastries. After Matteo saw that she had left, he went back to his room on the second floor with his little backpack.

I gotta call Ian back. He called me when I was in the car just now, but I had to hang up on him so that Daddy won't know.

"Ian, where are you going? Aren't you going to change?"

"Huh?"

Matteo stopped heading upstairs and stared blankly at his father.

Change? Why?

Matteo didn't know why his father said that.

However, he would understand if he knew Ian was used to his father's severe mysophobia, and his brother was trained with good hygiene habits.

"What are you waiting for? Don't you know that you have to go to the disinfection room to change into clean clothes before going to your room? Have you forgotten?"

Sebastian felt strange. What's wrong with my son today? Why is he so unusual?

Matteo was shocked.

Disinfection room? That little bore actually made one in his house?

Defeated, Matteo could only come down from the stairs. "Sorry, Daddy. I forgot. I'll go right away."

Then, the little guy went to the disinfection room with his little backpack.

Sebastian sank into his thoughts.

At that moment, with the pastries in her serving tray, she saw the scene and asked, "What's the matter, Mr. Hayes?"

He frowned as if trying to say something. Eventually, when the little figure was nowhere to be seen, he kept quiet and went upstairs.

A few minutes later, Matteo called Ian with his smartwatch when he went back to his room.

“Hey, Ian?”

“Matt! Matt! This is bad! Mommy is taking us to Clear, and Ian is ignoring everyone now!”

Unexpectedly, Vivian answered the call, and she anxiously told her brother the situation in a childish voice.

Mommy’s taking them out of here? Why?

Matteo became worried too, and he quickly asked, “Why? Why is Mommy taking us back?”

“Because she mistook Ian for you! When Ian was taken to the hospital, an old doctor took him for a medical check-up and discovered many illnesses. So Mommy became upset and thinking he was you instead. Now, she wants to take us back to Clear to heal you!”

The little girl might look stupidly cute on the outside, but she could also explain things very clearly.

Matteo’s expression changed after hearing that.

“How did it turn out like this? I have to go back now if that’s the case.”

“Yeah, you have to! Ian has been locking himself up forever and ignored Mommy no matter how she tried to talk him out of it!”

Vivian turned to look at the locked door while agreeing with her brother.

At that point, there was no other way out except for Matteo to go back to solve the problem.

Hence, he let his sister soothe Ian for the time being, and he would go over and explain it to his mother when he got the chance.

Well, it seems like we can't hide it any longer.

Matteo hung up and he got frustrated thinking of the situation.

Unexpectedly, Sebastian came up at that time. When he saw the closed door, he strode toward it and knocked. "Ian, what are you doing?"

"Huh? Nothing, Daddy. I'm just playing inside."

As soon as Matteo heard his father's voice, he gathered himself and quickly opened the door.

"Daddy, why are you here? Are you looking for me?"

Sebastian went quiet as he was not used to this smiling, little face.

When did this little brat learn how to smile? Isn't his attitude usually frosty? It's so unusual for his five-year-old to show any signs of joy.

What's going on?

After staring at the bright face for a while, he scowled and added, "I'm just here to tell you that the lady doctor won't be here anymore from tomorrow onward."

Mommy won't be here anymore? Why not? Is she unwilling to do that, or did Daddy ask her not to come anymore? I think it's more likely to be the latter.

Sure enough, Sebastian, who was peering down at the boy, immediately became impatient. "If she's not coming, then so be it. Why do you ask so many questions?"

"Then, it must be you who don't want her to come over, right? Daddy, are you still angry about the thing that happened at the hospital? You can't really blame her because I was the one who called her. Since I assumed that you're too busy, I asked her to take me there. Don't be angry, Daddy," explained Matteo.

He thought that his father was angry because of that, and he only knew about it after Ian texted him. He also assumed that his father became jealous when Ian chose Sasha over him.

Unexpectedly, his father's face became even uglier after Matteo's explanation.

"Why am I angry? Alright, let me tell you this. From tomorrow onward, Mr. Scott will be taking you to school, and Ms. Wendy will be taking care of you at home."

"What? Mr. Scott?"

Matteo was not too happy with this news.

He's actually letting Mr. Scott take Ian to preschool every day now? So he's really not letting Mommy over anymore? How can he do that? This is so unreasonable of him!

I've tried so hard to let Ian spend more time with Mommy and even switched our positions.

Now Daddy banned her from coming just like that?

He has no idea how big of a misunderstanding he has caused her! She's feeling so guilty right now for assuming that I'm the one who's sick!

How can he be so thoughtless?

Matteo became furious as well. He tightened his tiny fists, and anger replaced his smile.

“Daddy, do you know that you are really annoying?”

“What did you say? Annoying?”

“Yes, I want to like you, but look at yourself. You lose your temper and bully others as you please. No one likes this kind of Daddy, and I won’t either!”

After the disappointed child had expressed his thoughts with teary eyes, he turned around and slammed the door shut.

Sebastian was dumbstruck as he didn’t see it coming from this little guy, and he hadn’t heard anything like it from him before.

What did he mean by wanting to like me? Did he not like me before?

Am I not his Daddy? What is actually going on with him today? Is he a different boy?

Sebastian was enraged again.

However, since his son had shut the door on him. Seeing that, he contained his irritation and thought of talking to him after he felt better.

Sasha, look at what you’ve done!

When the man left, he still assumed that it was her who changed his son’s temper.

—

Sasha was serious about leaving with her two children and started looking up flights on her computer as soon as she got home.

Remaining silent, Vivian would still check on Ian’s closed-door as told by Matt.

I have to make sure that Ian's fine.

The little girl stood guard loyally.

After looking for a while, Sasha realized there weren't many flights to Clear because of the cold weather, so she could only turn her computer off in disappointment.

"Vivi, what are you doing? Where's Matt?"

"Huh? Oh, Matt? He's still in his room. Mommy, are we leaving now?" Vivian was still concerned about this matter and immediately asked as soon as she saw her mother.

Sasha shook her head. "No. We will probably be in a day or two. Has Matt come out yet?" Sasha asked.

After Ian locked himself in his room, Sasha wanted to coax him. Why is my son acting strange? He didn't respond to me at all, even when I tried to call for him. Is he feeling guilty that I've found out that he's sick and tries to hide from me?

That thought stabbed her in her heart.

Vivian nodded. "Yeah, Mommy. Maybe Matt didn't want to leave. So please can we stay?"

"No, we have to. Matt's sick. Don't worry, Mommy will cook first, and I will talk to him later. I'm sure he'll be fine after that."

Sasha soothed her daughter and went to the kitchen to start cooking.

She had confidence in her son as he had always been very understanding. She believed that he would be fine after talking to him.

Unexpectedly, she found the room to be empty when she went to unlock the door after she finished cooking.
