When Yash Nics's family walked into the Jiangnan restaurant, Ma Xiaoli was a little worried and said: "Yash Nics, there are so many guests in this restaurant, shouldn't we have no place to sit?"

Yash Nics laughed and said, "How is it possible, Xiao Ting has long been there? I booked a place."

Song Pingting took her mother's hand and said Yan Ran: "Mom, I booked a private room online in advance and paid a reservation fee of

Soon, Yash Nics and his party came to the peony private room.

Sure enough, the box was decorated in style and antique, with famous calligraphy and paintings hanging on the walls.

Yash Nics's family was very satisfied. They sat down to order, ordered a few signature dishes such as Drunken Goose, ordered a winter melon pork rib soup, and two bottles of Moutai.

Soon, the pre-dinner snacks were served.

Two bottles of Moutai were also opened and brought up.

Yash Nics poured wine for his father-in-law, mother-in-law, wife and sister-in-law, and the family was happily preparing to toast.

However, the door of the box was suddenly opened, and Wang Min, the hotel manager, entered without knocking.

Yash Nics frowned slightly: "What's the matter?"

Wang Min said apologetically, "I'm sorry, I'm afraid you are going to eat in a different place."

Yash Nics's family was stunned, and Song Pingting asked in surprise, "What do you mean?"

Wang Min With a straight face, he said in an official tone: "Ms. Tang Haixin, a distinguished guest of our hotel, is here to entertain friends."

"You quickly pack up and leave. This box is going to be used by our distinguished guest, Miss Tang. She has no patience."

Song Pingting heard the words anxiously, and said angrily: "Obviously I booked this box in advance, and I also paid the reservation fee. And our family has already ordered the wine and food, you are driving us away now, too much, right?"

Tong Ke also righteously said: "That is, Miss Tang Haixin in your mouth is your guest, aren't we your guests?"

Wang Min curled his lips: "What are you guys worthy of being compared to Miss Tang?"

Song Ping Ting said in a deep voice, "But everything should be first-come-first-come. The box we reserved, we came first, why should we vacate the space for others?"

Wang Min said coldly, "I planned to be in the lobby outside. Add a small table for you to sit. Now it seems that you are not going to move the place?"

Song Pingting said with a pretty face: "You have to be reasonable in everything. I can't accept your approach. We are determined not to move."

Wang Min nodded: "Well, wait for you to tell Miss Tang in person. I hope you can still be as sturdy as you are now, I'm afraid you will kneel and beg for mercy."

"By the way , I would like to remind you that Miss Tang is His father is Tang Beidou, Mr. Tang!"

Song Pingting's expression changed slightly.

Of course she knew Tang Beidou, Jiangnan boss, everyone said that Tang Beidou was the uncrowned king of Jiangnan, covering the sky with only one hand in the south.

The One and The Only Chapter 443

Wang Min saw Song Pingting's face changed, he smiled triumphantly, snorted, turned and left.

Both Song Zhongbin and Ma Xiaoli were worried, and the two elders came to persuade Song Pingting.

Song Zhongbin said anxiously: "Daughter, it is said that Tang Beidou is nicknamed Jiangnan King. Whoever wants to die in the south cannot live, and his strength is very terrible."

Ma Xiaoli also persuaded: "Yes, Xiaoting, we ordinary people, provoke me. I can't afford these people flying in the sky. Or let's give the box to Miss Tang, let's go?"

Song Pingting, who had already decided to calm down, heard Tang Haixin's aggressive words. , I couldn't help it anymore, and said

indignantly : "You deceived people too much, right?" Tang Hai's eyes were cold: "Bitch, dare to hit this eldest lady, palm!" After

she finished speaking, she raised her palms and slammed toward him fiercely. Song Pingting's face was pulled away, as if her grandmother hit her maid when she didn't agree.

Song Pingting was caught off guard, seeing that the slap was about to fall on her face.

At this moment, Yash Nics shot.

Yash Nics suddenly stopped in front of Song Pingting, raised his hand and grabbed Tang Haixin's wrist, causing Tang Haixin's palm to stop in the air.

Tang Haixin's wrist was grasped by Yash Nics. She was frightened and angry. She cursed inwardly: "Asshole, let go, believe it or not, I cut off your hand?"

Yash Nics's eyes were cold, and she slapped her backhand. Face.

Tang Haixin screamed like a wild cat whose tail was stepped on, "My dad is Tang Beidou, and you hit me... What are you bodyguards doing in a daze? Kill him for me, everything is up to me. "

The four bodyguards behind her, like waking up from a big dream, all recovered from the shock.

The four bodyguards roared at Yash Nics.

Yash Nics swept out with one foot high, sweeping the heads of four people in a row, and Yash Nics swept over all the four guys with one foot.

Tang Haixin gasped at the sight of Wang Min and the waiters next to her.

Yash Nics's icy gaze fell on Wang Min. Wang Min bit his scalp and said to Yash Nics with a sneer: "You dare to make trouble in our Jiangnan restaurant, and you dare to hurt our noble guest Miss Tang, you are done."

Yash Nics squinted his eyes and said, "It's not that I'm over, it's that your hotel is over. As far as your attitude toward guests is concerned, don't open your hotel!"

After speaking, Yash Nics took out his mobile phone and called Dian Chu: "I want the Jiangnan restaurant to close within ten minutes."

Wang Min and Tang Haixin both opened their eyes. This guy is not only a madman, he is fighting crazy; he is also a fool, right?

Who didn't know that Liu Lei, the owner of Jiangnan Restaurant, was the nephew of General Liu Zhenping, commander-in-chief of Jiangnan Military Region.

Yash Nics even dared to say that Jiangnan's restaurant should be closed down, which is ridiculously more ridiculous than a dream.

Tang Haixin couldn't help but sneer!

Wang Min even mocked: "Pig Ba Jie brags and speaks big words, just because you want to make our hotel close?"

Yash Nics smiled without comment.

Tang Hai wanted to block Yash Nics and came to teach Yash Nics.

Wang Min said, “Didn’t you say you want our restaurant to close for good, ten minutes have not arrived yet, why are you running away in a hurry?”

Tang Haixin and Wang Min’s group blocked the way of Yash Nics’s family. It depends on Yash Nics’s jokes, on the one hand, he is going to call people over to teach Yash Nics.

Everyone on the scene was in an uproar!

Tang Haixin was full of disbelief: "How could this be possible, the owner of this restaurant, but General Liu's nephew!"

Wang Min's face was gray, and he knelt down with a thump, crying in despair: "It's over, the owner's restaurant has been killed. I was sealed off, and the boss would definitely kill me personally..."

Song Pingting's family and the surrounding waiters and security guards looked at Yash Nics in shock.

Who is this man, and why did the Jiangnan restaurant with its magnificent background close its doors in just a few minutes?

It's horrible!

The Jiangnan restaurant was closed, and Yash Nics's family came out with other guests.

Yash Nics smiled and said, "Now we really have to change places to eat!"

After speaking, they drove away and went to eat elsewhere.

Seeing Yash Nics's family left, Tang Haixin was angrily chasing after him: "Asshole, don't want to

leave!" But at this time a middle-aged man appeared with a few of his men and stopped her.

Tang Hai said angrily: "Ahai, why are you stopping me, why don't you chase that guy? He beat me, I want you to kill him!"

The middle-aged man named Ahai respectfully said, "Miss, don't Chasing him, that guy is Yash Nics!"

Tang Hai angrily said, "Then why don't you take action, give My second brother takes revenge?" A

Hai said with a wry smile: "This Yash Nics is very skilled. Wu Chi, Butcher, Second Young Master, and the four heavenly kings are all dead under his hands. The subordinates are not his opponents."

Tang Haixin cursed. "Trash!"

Ahai lowered his head and said, "Miss, don't be angry, because the master has invited Tiancan out of the mountain. As far as I know, Tiancan has arrived in Dongjiang City, and Yash Nics will not survive tonight."

Tang Haixin heard that Tian Can has already arrived, and is here to kill Yash Nics.

She showed a hate-relief expression and sneered: "Very well, Tiancan was the first killer of my dad's back then. He used one as a thousand to kill the enemy. Yash Nics would be dead if he took the shot himself."

The One and The Only Chapter 445

This is absolutely abnormal!

Song Pingting and her parents already suspected Yash Nics!

Yash Nics looked at everyone in amazement and said, "Everyone is eating, why are you looking at me?"

Song Pingting raised her pretty face and interrogated: "Yash Nics, honestly explain, are you hiding anything from us? "

Tong Ke also deliberately yelled: "Yes, yes, just a phone call and within a few minutes will shut down the famous Jiangnan restaurant. Brother-in-law, you are too good. Is there any secret you are

keeping from us?" Song Zhongbin Although they didn't speak to Ma Xiaoli, their skeptical eyes clearly agreed to doubt Yash Nics.

Yash Nics glared at Tong Ke, who was afraid that the world would not be chaotic, and then smiled and explained to Song Pingting's family: "Wife, parents, I really have nothing to hide from you!"

Song Pingting: "Then explain, just now. What's going on?"

Yash Nics smiled: "I just pretended to call my friend, and I planned to scare the people in the hotel. I didn't expect that there was a problem with their restaurant, so they were unlucky."

Song Pingting didn't believe Yash Nics at all . Speaking, snorted coldly: "Take your phone out?"

"What for?"

Yash Nics handed her the phone!

Song Pingting dialed the last number that Yash Nics dialed, and soon Dian Chu was connected.

Song Pingting asked politely: "Hello, this is Yash Nics's wife Song Pingting. I want to ask him just now that he ordered you to close the restaurant in Jiangnan within ten minutes. What is going on?"

Dian Chu For a moment, he chose to smile and said: "Haha, Miss Song, you misunderstood, in fact, all this is just a coincidence."

"Mr. Yash called me, originally intending to scare Jiangnan restaurant, but they happened to be sealed up. What a coincidence!"

Song Pingting was skeptical: "Really?"

Dianchu smiled and said, "Yes, I was dumbfounded when I got the news that the Jiangnan restaurant was really sealed."

"I also called Dongjiang City in person just now . The political situation, their reply to me is that they have long discovered that there are many problems with Jiangnan Restaurant, and they have organized a joint law enforcement team to seal the restaurant."

"If you don't believe me, Miss Song, you can call the Dongjiang Municipal Bureau to ask. The hotline is..."

Song Pingting said hello, hung up, and actually made a call to the Dongjiang Municipal Government for inquiries.

The reply received is exactly the same as Yash Nics and Dian Chu said: The upper side has long discovered that there is a problem with the Jiangnan restaurant, and this joint law enforcement has been arranged long ago.

But Yash Nics was just a blind cat encountering a dead mouse, and the bragging thing happened by coincidence.

Song Pingting and her parents were convinced that the closing of Jiangnan's restaurant had nothing to do with Yash Nics.

Song Zhongbin laughed: "I had any brains, ten minutes to let the hotel closed down, how is it possible, is to prevent joint law enforcement team of the time it is not enough!"

Taxi driver: “Good!” The

taxi drove towards Ning’s Road without hurriedly, and Yash Nics looked at it. Looking in the rearview mirror, there is a long-haired beggar in ragged clothes on the side of the road not far behind the taxi.

Yash Nics glanced at the ragged beggar, then closed his eyes.

The taxi speeded all the way, half an hour past without knowing it.

When the taxi drove into the quiet road, Yash Nics opened his eyes from closing his eyes and rejoicing. He glanced at the rearview mirror of the taxi. Not far behind the car, the long-haired beggar in ragged clothes was still following behind!

In half an hour’s drive, this ragged beggar was able to keep following behind the taxi!

The corners of Yash Nics’s mouth rose slightly!

Yash Nics gave the money, then got out of the car, looked at the quiet and quiet road around him, and finally walked towards the front No. 95 compound.

This house has an antique style, a vermilion gate, and two stone lions on both sides of the gate, and you can see that it is not an ordinary house.

Yash Nics knocked on the door, and soon the door opened. Several men in suits greeted him: "Mr. Yash, you are coming soon, please come in, my host has been waiting for you for a long time."

Yash Nics walked into the typical Jiangnan style In the courtyard of the villa, walk through the front yard with two rows of plane trees, and then walk into a villa.

In the living room, there is a table of good wine and meat, the meat is cooked beef, and the wine is a special wine for the military.

Sitting at the table was only a tall man in his fifties. The man had white sideburns, but his eyes were very sharp, and his body showed a calm momentum.

It is the commander-in-chief of the Jiangnan Military Region, Liu Zhenping!

When Liu Zhenping saw Yash Nics, he smiled heartily: "Haha, Brother Yash, you can count it. If you don't come, my wine and food will be cold."

Yash Nics smiled and sat down: "Haha, I still think about Liu Brother, your Jiangnan special offer here is so soft and smooth, how could it not come?"

Liu Zhenping scolded with a smile: "Fucking, you clearly said that your special offer in the north is strong, our Jiangnan special offer is not strong!"

Yash Nics smiled and said, "Brother Liu, you said, I didn't say it."

Liu Zhenping waved his hand: "Come on, I drank you special wine from the North Territory last time. I am not your opponent. I was drunk by you. Now. Let's change Jiangnan special wine tonight, I have to get you drunk." As

It turned out that a ragged long-haired beggar knocked on the door, and was blocked by a few special bodyguards at the door. The long-haired beggar shot all the special bodyguards flying, and then strode in.

This long-haired beggar in ragged clothes is not someone else, but the murderous god and goddess of the Jiangnan Province that everyone talked about.

In the living room, Yash Nics and Liu Zhenping also looked at the Tiancang who was surrounded by soldiers outside the door.

Liu Zhenping: "It's for you?"

Yash Nics smiled and said, "It should be!"

Liu Zhenping ordered: "Bold killer, dare to assassinate Mr. Yash, the crime is unpardonable, without trial, shot on the spot!"

Liu Fengwen, the captain of the guard outside He said, he immediately shouted: "The general has an order, shoot the killer!" In

an instant, the soldiers on the scene were about to shoot.

But Yash Nics faintly said: "Wait, he is a rare master. It's just dead, it's a pity, let him come in for a drink!"

Liu Feng's group of guards were shocked when they heard this, and said hurriedly: "No, this person is extraordinary. He is definitely a terrible killer..."

Liu Zhenping said solemnly: "Did you not hear Brother Yash, let him in!"

Liu Feng's gang of guards had nothing to do, so they could only put them on guard. Tian Can comes in.

Tian Can walked in slowly, and every time he took a step, the distance was the same, which was more accurate than measuring with a ruler.

He approached the hall, came to the table, sat down on a chair, and placed a rusty broken sword on the table.

Yash Nics smiled slightly, raised his hand to hold the bottle, poured a glass of wine for Tian Can, and said at the same time: "You are such a strong man. You are rare. If you kill one, you will lose one. If you are willing to explain who sent you. Kill me, I can spare your life."

The One and The Only Chapter 447

Tian Can didn't answer Yash Nics's words, just picked up the wine glass, broke the messy long hair, looked up and drank it, and then put the wine glass on the table.

He finally spoke and said hoarsely: "Thank you for your wine, I am entrusted by others to come to kill you. Today is either you or I. There is nothing else to say."

Yash Nics nodded, "The last one. Question, you have been following me since Mannity. Why did you choose to do it at this time?"

Tian Can said hoarsely, "Because your child is here, I don't want to kill you in front of your child."

Yash Nics looked at it. Tian Can glanced at him: "You are worthy of another drink with you." As

soon as Yash Nics's words fell, Liu Zhenping thumped three bottles of wine in front of him, Yash Nics and Tian Can. He said loudly, "It's boring to drink from a cup, one bottle per person, after drinking, you should be on the road!" After

he finished speaking, he took the lead in picking up a bottle of wine.

Yash Nics also picked up the bottle of wine in front of him.

Tiancun is like a dead man in ancient times, and a man dies for his confidant.

He came to kill Yash Nics this time, just to kill Yash Nics.

As for who Yash Nics is, whether Yash Nics is very good, and how many people Yash Nics has to protect, he is indifferent to these.

Tian Can picked up the wine bottle, touched it with Yash Nics and Liu Zhenping, and then the three of them looked up and started drinking.

The three drank in a hurry, as if they were competing.

Yash Nics and Tian Can drank the fastest. When Liu Zhenping had a small bottle of wine in his bottle, Yash Nics and Tian Can drank both.

Yash Nics and Tian Can put the empty wine bottle on the table at the same time!

The moment Tian Can put down the bottle, he reached out to hold the hilt of the remnant sword on the edge of the table, with a scream, a flash of cold light, and a sword pierced Yash Nics's neck like lightning.

When Yash Nics put down the wine bottle, he reached out and picked up a pair of chopsticks on the table, raised his hand with the chopsticks, and clamped the sword stabbed by Tian Can.

Snapped!

The chopsticks made of ordinary chicken wing wood stubbornly clamped the sharp sword from Tiancan!

Tian Can's pupils suddenly enlarged, and for the first time he showed a shocked expression. He was once a thousand, and killed countless strong people in his life. No one could stop him with three moves.

But today, Yash Nics actually caught his sword with a pair of chopsticks!

Just when Tian Can was extremely shocked by Yash Nics's strength, gunshots sounded behind him.

It turned out that Liu Feng, the captain of the guard, fired the shot. Seeing Tiancun, Liu Feng dared to draw his sword at Yash Nics.

If there were any mistakes by the Northern Marshal, no one could bear this responsibility.

Liu Feng fired three shots in a row, all hitting Tian Can's back.

Liu Zhenping said angrily: "Who told you to shoot?"

Liu Feng did not dare to speak, but he did not regret it. He would rather be punished by himself than would allow the two chiefs to be injured.

Blood overflowed from the corner of Tiancan's mouth. He looked at Yash Nics and said hoarsely: "It's a shame to die from being injured behind your back. Please fulfill it..."

Yash Nics sighed, grabbed the opponent's broken sword, and pierced Tiancan's backhand with a sword. Heart.

Tian Can's body stiffened, blood constantly gushing from his mouth, looking at Yash Nics, he said with difficulty: "A strong man like you is definitely not a nameless person, can you tell me who you are?"

Yash Nics said lightly: "Northern Commander, Yash Nics."

Tian Can's eyes showed shock, and he immediately smiled: "I said, your excellency must be a man of leisure. It turns out that he is the Northern God of War. It's not bad that he died under your hands. !"

After speaking, Tian Can threw himself on the table and died.

Liu Zhenping looked at Tiancun's corpse and calmly said, "This guy is very strong. I don't know who came to kill you?"

Yash Nics said calmly, "Either the nobles in the north who don't want to see me, or foreign enemies, It may also be an enemy I offended in the south. There are too many people who want me to die, so it is difficult to judge."

At this moment, Liu Zhenping's soldiers came in with several men: "Report, how many have been caught The sneaky and suspicious person should be an accomplice of the killer."

Liu Zhenping was furious: "Tang Beidou is so presumptuous, I'll send someone to get him!"

Yash Nics waved his hand: "Brother Liu, don't bother you to do it, I already have an opinion."

After Liu Zhenping heard this, he gave up.

At 10 o'clock in the evening, Yash Nics returned to the Dongjiang Hotel where he was staying.

Yash Nics lived in a presidential suite with a living room, dining room, and three bedrooms.

Song Zhongbin and Ma Xiaoli and his wife lived in one room, Tong Ke lived in one room, and the remaining master bedroom was naturally occupied by Yash Nics, Song Pingting and Song Qingqing.

When Yash Nics returned, Song Pingting was telling her daughter a story and coaxing her to sleep.

Qingqing immediately shouted cheerfully: "Dad, you are back." Yash Nics smiled and said, "Well, Qingqing, why are you still asleep?"

Song Qingqing said plausibly, "No, dad never fooled Qingqing. He said that he brought Qing Qing's navy uncle's warships. The big ship will definitely take me up to play." After

Song Qingqing finished speaking, he raised his little face and asked Yash Nics seriously, "Dad, don't you say it?"

Yash Nics reached out and stroked his daughter's little head and laughed. "Yes, Dad always does what he says. If he says to take you on the warship, he will definitely take you."

Song Pingting was anxious when she heard the words, and she scolded Yash Nics in shame: "You guy, I do. I said that you can't brag to a child, she will take your words seriously, why do you promise her this impossible thing?"

"At that time, she will be disappointed, and it will affect your image as a father in her heart."

Yash Nics smiled and said, "It's okay. I promised Qingqing and I will definitely do it."

Song Pingting couldn't help rolling her eyes when she heard this, thinking that it was a navy ship, not a bus.

If you say you go up and visit, go up and visit, don't be caught by others!

She didn't want to talk about Yash Nics anymore!

In the early morning of the next day, Yash Nics's family woke up one after another.

According to the itinerary, today is going to visit the naval base near the sea.

Before departure, the family came to the hotel restaurant for breakfast.

“I heard that he is very young, I also want to see the heroic appearance.”

“Dad, you bring our family, let us also participate in the naval ceremony?”

Song Qingsong was unhappy, and coldly snorted: “Asshole, we these There are already enough people, and it’s still unknown whether you can all go in and watch the ceremony!”

“Also, are you able to participate in such occasions as the Naval Ceremony, and do not pee to find your own virtue?”

Song Zhongbin and Song Pingting and others , His face flushed.

“Just let him find a way to take you to the Navy Festival, and we won’t help you.”

Song Feifei’s words are clearly true. Deliberately taunting Yash Nics.

However, Yash Nics smiled slightly, and said to Song Zhongbin and Song Pingting, “Dad, wife, you want to participate in the naval ceremony. Don’t ask them, wait for me to take you in.”

After getting in the car, Tang Haixin respectfully said: “Dad, the second brother’s bones are not cold. Actually, I can attend this naval ceremony. Why do you bother to come here?”

Tang Beidou shook his head and said in a deep voice, “Kill you two.” Brother’s murderer is now in Dongjiang City, and even Tiancun was killed by him. I have to deal with him personally.”

Tang Beidou finished speaking and looked at the eldest son Tang Tianji beside him: “I will let you give my order and summon the disciples. How are things going?”

Tang Tianji proudly said: “Dad, you are the king of Jiangnan, and your disciples are all over the south.”

“After I issued your king’s order last night, countless disciples came from all over the world to gather in Dongjiang.”

“Until just now, I got the latest news. The number of disciples gathered from all over the country has exceeded 30,000!”

Tang Beidou was murderous. “This time, I have two things to do when I come to Mannity. The first thing is to gather tens of thousands of my disciples and destroy Yash Nics’s family.”

Tang Haixin nodded: “Yash Nics is very skilled, martial idiot, butcher, and the Big Four. Heavenly King and Tiancan and other masters, all died under his hand one after another. But no matter how strong he is, he is still a human, not a god.”

“We gathered tens of thousands of disciples this time, even if we stood still and let Yash Nics chop him, we could still kill Yash Nics. Exhausted to death.”

Tang Haixin said, looking at her father, wondering: “Dad, you have two things to do when you come to Mannity. Besides killing Yash Nics, what else is it?”
