The One and The Only Chapter 461 - 470

Yash Nics said coldly: "I want to forgive you and give you a chance, but unfortunately you don't cherish it, but instead make it worse."

"If I were an ordinary person, then it should be me now. The family kneeled in front of you and begged for mercy."

"If that were the case, would you spare my family?"

Tang Beidou kowtowed harder when he heard the words, and kept begging in his mouth: "I'm wrong, please forgive me, Marshal. , I am willing to donate all the property to compensate for my mistakes, and only ask the marshal to save our family's life."

Yash Nics said lightly, "Your family is dead. Isn't this money going to the treasury?"

"However, you After all, I used to serve as the respect of Jiangnan Province, and now if it is destroyed by me, public opinion will explode if it spreads out."

"Well, you can only keep one hundred million, and the rest of your wealth will be donated to the Jiangnan Provincial Municipal Bureau to establish a special charity fund."

"Used for urban construction and poverty alleviation projects, improving urban environmental conditions, improving the problems of poor families and poor students, can be regarded as an opportunity for you to compensate the society. As for your family, go abroad to live, this is the way I give you a way to survive. "With a

net worth of 200 billion, only 100 million is left in the blink of an eye, and the whole family has to leave Jiangnan Province, leave China, and go abroad.

Tang Beidou seemed to be much older at once, but he knew that it was already very rare.

He thanked him again and again, and said with a trembling: "Yes, the old man will do it right away!"

Liu Zhenping brought a few of his men over and asked with a smile: "Young commander, what should I do with those guys on the shore?"

Yash Nics said lightly. "This kind of guy is banned by military force and cannot be lenient."

"Well, the northern border is building military facilities recently, which requires a large amount of labor. Brother Youlao Liu sent people to escort these guys to the northern border and let them be there. Three years of reform through labor."

Liu Zhenping: "Good!"

The punishment for three years of reform through labor is not severe!

However, the environment in the north is harsh, the terrain is steep, and half of the year is covered with ice and snow.

Re-education over there, and the construction of military facilities, must have many deaths. Whoever can come back alive depends on whoever is dead.

On the same day, Tang Beidou sold all his family property at a low price, leaving only one hundred million, and all the rest was donated.

Then the family took a flight overnight and left China.

Tang Beidou's tens of thousands of disciples were all arrested and sent to the frontier.

After the incident spread, the entire south was fried.

Everyone is talking about what is going on?

However, because Yash Nics ordered a complete blockade of news, no one knew that Tang Beidou's accident was related to him.

The rumor is that Tang Beidou took out one billion in an attempt to bribe General Liu Zhenping.

This behavior infuriated Liu Zhenping, and Tang Beidou summoned tens of thousands of his men during the naval ceremony with unruly intentions.

Liu Zhenping dispatched his fleet, dispatched tens of thousands of soldiers, and captured Tang Beidou and the Tang family's tens of thousands of disciples.

Tang Beidou is the Southern Hegemony, monopolizing many profitable industries, and none of his disciples are good things.

The king of Jiangnan had an accident this time, and the people clapped and cheered.

Yash Nics's family also started to return to Mannity after participating in the naval ceremony that day.

On the way back, Song Pingting complained to Yash Nics: "Where did you go with Qingqing and Tong Ke during the naval celebration?"

Yash Nics smiled and said, "I took my daughter on a boat and

strolled around." Song Qingqing Immediately and excitedly said: "Dad took me on board the warship, the ship is very big."

Chapter 462

Song Pingting, Song Zhongbin, and Ma Xiaoli all smiled and shook their heads.

They thought it was impossible for Yash Nics to get on a warship. It was very likely that Yash Nics took his daughter to board an ordinary ship and lied to her daughter that it was a warship.

The daughter was ignorant and was deceived by Yash Nics, who mistakenly thought it was a warship.

Song Pingting gave Yash Nics a blank look, then lowered his voice and said strangely: "How can you lie to a child!"

Yash Nics blinked, "I didn't lie to Qing Qing. I was on a warship with her."

Song Pingting simply said. I didn't believe it, and said angrily: "Come on, your kind of tricks can coax the children. Don't want to coax me, I'm not that stupid."

Yash Nics's family returned to Mannity City happily. .

But something happened to Tang Beidou, and some people were particularly angry.

That is the century-old wealthy family of Tianhai Provincial City, the Xiao family!

In the south, everyone knows that Tang Beidou is very beautiful and is known as the King of the South of the Yangtze River.

However, there is a saying in the circle of powerful and powerful people: The king of flowing water in the south of the Yangtze River, the Xiao family of iron strikes.

In other words, there are more people who dominated Jiangnan for a while, but only the Xiao family will always stand as the pinnacle of the powerful.

In fact, Jiangnan Wang Tang Beidou is only superficial, he is just the white glove of the Xiao family!

White gloves are the spokesperson.

In the 100-year-old Xiao family, there are people in every generation who hold important positions in the north.

In order to take into account the reputation, many money-gathering behaviors, and many ugly things, the Xiao family cannot do it personally, and must arrange for someone to handle these things.

People who are specifically responsible for helping to collect money, launder money, do ugly things, and help the owner manage the small vault are called white gloves.

Tang Beidou had a net worth of 200 billion yuan. In fact, most of his wealth belonged to the Xiao family, and Tang Beidou was just a manager.

Xiao Zhan, the master of the Xiao family, was particularly angry.

Xiao Zhan let go: Tang Beidou's 200 billion property, no one is allowed to move, all of them obediently returned to the Xiao family. Anyone or organization daring to use this money is waiting to bear the anger of the Xiao family!

On the second day after Yash Nics returned to Mannity, he received a call from Zun Tao Donglin in Jiangnan Province.

Tang Beidou donated 200 billion yuan and took his family away abroad in a desperate manner.

According to Yash Nics's intention, the 200 billion will be donated to the Jiangnan Municipal Bureau to build Jiangnan Province and solve the problems of poor families and poor students in Jiangnan Province.

Therefore, when Yash Nics received a call from Tao Donglin, he thought Tao Donglin was here to thank him at first.

After all, this is the great achievement Yash Nics gave to Tao Donglin.

With 200 billion, why can't Tao Donglin make any achievements in the past few years?

But what made Yash Nics feel wrong was that after Tao Donglin got on the phone, he froze, as if there was something hard to tell?

Yash Nics asked, "Old Tao, what's the matter?"

Tao Donglin said guiltily: "Mr. Yash, I'm sorry, Old Tao!"

Yash Nics frowned slightly, "What do you say?"

Tao Donglin bit his head and said something. He told Yash Nics that Tang Beidou was actually the white glove of the Xiao family, a century-old man in Jiangnan.

He specializes in collecting wealth and laundering money for the Xiao family, and manages the small vault for the Xiao family.

The two hundred billion actually belonged to Tang Beidou on the surface, but in fact most of the money belonged to the Xiao family.

There have been many generations of talents from the Xiao family, and each generation has held important positions in the north.

Now there are many children of the Xiao family who hold important positions in the military and political circles in the north. They are very powerful, and they are unmatched in the south of the Yangtze River.

The master of the Xiao family, Xiao Zhan, learned that the White Gloves had run away and donated 200 billion yuan to the Jiangnan Provincial Municipal Bureau. He was very angry.

Master Xiao let go that no individual or organization can use these property funds and demand that they be returned to the Xiao family immediately.

When Yash Nics heard this, his face sank: "You shouldn't be really afraid of the Xiao family, and really send the funds to the Xiao family honestly?"

Tao Donglin said with shame: "The Xiao family is the first family in the south. , A century-old giant, and now there are many family members holding important positions in the north."

"I will be transferred in half a year. I really don't want to provoke the behemoth Xiao family before I leave."

Tao Donglin's voice became smaller and weaker in the end. Say: "So I have returned 50 billion funds to the Xiao family."

Chapter 463

Yash Nics heard the words and said angrily: "Tao Donglin, you coward, I finally tried to teach Tang Beidou, I just wanted to use this money to compensate the people in Jiangnan.

It's okay. If the Xiao family threatens, you just put it. The money is sent back!"

Tao Donglin said tremblingly: "The young marshal calmed down, I just returned the funds to the Xiao family.

But the Xiao family's luxury real estate in the provincial capital, as well as Xiao's Blue Sky Pharmaceutical Equipment Group and Sihai The group, I have not yet returned."

Yash Nics scolded: "If you dare to give these properties to the Xiao family, then you don't have to sit in a provincial seat."

Tao Donglin knew that Yash Nics was really angry, and he hurriedly "But the Xiao family now calls me every day and asks me to return these properties to them. How can this be good?"

Yash Nics said coldly, "I wanted to give you a great achievement. I didn't expect you to be so useless."

"Forget it, you send the mansion real estate and the Four Seas Group to General Liu Zhenping and hand it over to General Liu for processing."

"As for the remaining Blue Sky Pharmaceutical Equipment Group, I will let Ning The big group bought it."

Tao Donglin heard the words repeatedly and said: "Yes, yes, I will do it!"

Tao Donglin hung up the phone relievedly, and a group of Jiangnan leaders around the office looked at him together. How was the inquiry?

Tao Donglin let out a long sigh of relief: "The hot potato is finally handed out. The properties of Tang Beidou and the Sihai Group, which is

engaged in the arms business, will be handed over to General Liu Zhenping;" "The remaining 80 billion Lantian Pharmaceutical Equipment Company , Madam Marshal's Ningda Group will be acquired."

A group of leaders were relieved after hearing this.

Office director Chen Hong said: "Yash Nics and Liu Zhenping divided the Tang Beidou cake."

“Liu Zhenping’s status is so prominent that the Xiao family probably wouldn’t dare to mess with it. But Yash Nics has been keeping a low-key concealment of his identity. After Ning takes it away, it is estimated that she will find Yash Nics moldy.”

Tao Donglin snorted: “The Xiao family relied on many of his family disciples to hold important positions in the north. This time, even our leaders of Jiangnan Province are not paying attention to them, forcing us to hand over the funds, so that we can’t get off the stage. Nothing.”

“You all remember, don’t reveal the secret of the young marshal’s identity. If the Xiao family really dares to trouble the young marshal, then we will just sit and watch their family unfortunately!”

Chen Hong and others nodded and said. It should be so.

Two hundred billion, would have allowed Tao Donglin and a group of Jiangnan leaders to make countless political achievements and become their springboard for promotion.

But because of the Xiao family’s threat, they could only return 50 billion of funds to the Xiao family, and the rest of the industry was thrown to Yash Nics and Liu Zhenping like a hot potato.

If they don’t hate the Xiao family, it’s impossible.

They are now anxious for the Xiao family to find trouble with Yash Nics, and then they get dusty!

...

At this time!

Tianhai City, Xiao Mansion.

The elder of the Xiao family, Xiao Zhan, was talking to everyone at home.

Xiao Zhan was wearing a black cloth and cloth shoes, sitting on the chair of the grandmaster, with long nails, holding a cup of tea, and taking a sip slowly.

Then, he glanced sideways at a group of family members and a group of retainers in the hall, and asked faintly: "The Municipal Council, obediently, have returned all the capital and property of our Xiao family?"

Old housekeeper Huang Cai said in a deep voice: "Report to the lord, the provincial honor Tao Donglin has sent someone to knock down the 50 billion funds in our designated account." The

corner of Xiao Zhan's mouth rose slightly and sneered: "This Tao Donglin is a little bit self-aware and knows it interests."

He asked again after he finished speaking, "The funds have been returned, but what about the industry? Tang Beidou's luxury residences, as well as the Four Seas Group and the Blue Sky Group. This is the most important thing. When will they return these?"

Huang Caibi respectfully said: "Master, this is what I just wanted to tell you. Those luxury houses, and the Four Seas Group, are said to belong to General Liu Zhenping now."

Chapter 464

Xiao Zhan was taken aback when he heard the words, frowned, and then dullfully said: "Tang Beidou offended General Liu this time and was destroyed by General Liu. General Liu destroyed Tang. Beidou, cut a piece of cake, this is understandable."

Xiao Zhan paused, and continued: "General Liu holds the military power and sits on the side. We should not oppose him. There is also the Four Seas Group in this district, so let's give it to him. "

However, for the remaining Blue Sky Group, our Xiao family must come back, otherwise we will lose a lot this time."

Huang Cai said in a low voice, "The Blue Sky Group was also bought at an ultra-low price. It fell into the hands of other people."

Everyone in the Xiao family was filled with outrage upon hearing this. Who the hell dare to grab food?

Huang Cai said: "It is the Ningda Group of China Shipping. Yash Nics and Song Pingting and his wife did not know what method they used to acquire the Blue Sky Group from Tao Donglin at a low price."

Xiao Zhan furiously: "How can this be true, we Xiao The family has retreated behind the scenes over the years, and let Tang Beidou stand in front of the stage and take care of everything for us. Now, what kind of dog, a cat, dare to jump out and fight against our Xiao family?"

Among the Xiao family, a man in his twenties The young man came forward and it was Xiao Zhuo, Xiao Zhan's grandson.

Xiao Zhuo raised his face and said arrogantly: "Grandpa, leave this to me. I will take someone to Mannity. I will definitely let Yash Nics and Song Pingting kneel on the ground begging to return the Blue Sky Group to us."

Xiao Zhan squinted his eyes and said, "Not enough, I heard that Ningda Group has acted as an agent for the liver cancer vaccine. The future is unlimited."

"I want you to go to Mannity and take the entire Ningda Group together!"

Xiao Zhuo said with a grin, "Grandpa" , I will definitely not disappoint your expectations. Just wait for my good news!"

...

Mannity City!

Ningda Group, President's Office.

Song Pingting has just returned from the inspection of Blue Sky Company, and now she is living in a dream.

The Blue Sky Company, which was making things difficult for Ningda Group, was acquired by Yash Nics at a super low price.

The market value of Ningda Group has soared, and the market value is close to 100 billion!

Dazedly acquired the Blue Sky Company, and stumbledly became the president of 100 Billion Group. Song Pingting felt that she was just dreaming.

Of course, the Ningda Group has a market value of 100 billion. But because the financing this time was too strong, Song Pingting's shares have been greatly diluted.

She has only 10% of the shares left. She is the second largest shareholder and still the president of Ningda Group.

But she is no longer the chairman of Ningda Group!

Ningda Group's largest shareholder, and also the new chairman of Ningda Group, owns 70% of the group's shares.

But Ningda Group, including Song Pingting, don't know who the chairman is?

Because of this new chairman, he has not shown up.

However, the new chairman seemed to trust Song Pingting very much and sent someone to pass a message to Song Pingting, saying that he would not interfere in any company affairs, so that Song Pingting, the president, would just let him go.

Song Pingting can decide on the size of the company.

Song Pingting was sitting in the office at this time, frowning, and muttering: "Who the hell is the new chairman, who actually trusts me so much. He will not intervene in the company's affairs, and he will give me all the right to make decisions, isn't it? Aren't you afraid that I will sell the company?"

Song Pingting couldn't think of it anyway. In fact, the Ningda Group's financing this round was all Yash Nics's money.

Yash Nics is the chairman who has not shown up for a long time, making everyone feel very mysterious.

Just when Song Pingting wondered who the new chairman of Ningda Group was and why she trusted her so much.

Suddenly, secretary Lin Wei knocked on the door and came in: "Mr. Song, someone wants to see you."

Chapter 465

Song Pingting came back to her senses and restored her usual capable appearance, and said crisply: "Who?"

Lin Wei: "His name is Xiao Zhuo, he thought he was from the provincial capital. !"

Is it the new chairman?

Song Pingting said quickly, "Quickly, invite him in."

Soon, Xiao Zhuo, who was dressed in a black Armani suit and had a greasy face, came in proudly with a few of his subordinates.

Seeing Xiao Zhuo, Song Pingting frowned slightly, wondering if this person is really the new chairman, and how could he be like a dude?

When Xiao Zhuo saw Song Pingting, his eyes flashed and his face was full of amazing expressions.

He exclaimed in his heart: Oh my god, this woman is too punctual, right?

Song Pingting is tall and she is wearing a bohemian dress today.

Tailoring a fitted dress perfectly showed her graceful curves.

The place that should be big is big, and the place that should be fine is fine. It has the purity of a young girl and the charm of a married woman. What's more rare is that it is very temperamental.

The female stars on TV are eclipsed in front of her.

Xiao Zhuo, a dandy, usually plays with a lot of women, but when he sees Song Pingting, he feels that the women he's had before are all pork chops!

Song Pingting is so beautiful. When Xiao Zhuo saw Song Pingting the first time he saw it, his heart was itchy, and a strong thought came up in his heart: I must get this woman!

Song Pingting didn't know the origin of this noble son, let alone the slanderous thoughts in the other's heart.

She smiled and said: "Hello, I am Song Pingting, the president of Ningda Group. I don't know if this gentleman is coming to me, what's the matter?"

Xiao Zhuo opened a chair and sat down, wearing a pair of brand-name leather shoes, directly resting on the desk, and said triumphantly: "I'm coming to you, of course something is going on. I'm here to talk to you about the Ningda Group.

Yes ." Song Pingting felt a little in her heart, wondering if this guy is really the new chairman?

She suspiciously said: "I don't understand what you mean very much, may I ask you?"

Xiao Zhuo said proudly: "I am the eldest grandson of the Xiao family, Xiao Zhuo, you can call me Young Master Xiao."

Song Ping Ting frowned her eyebrows: "It turned out to be Mr. Xiao, I don't know what you said you want to talk to me about the Ningda Group?"

Xiao Zhuo curled his lips: "Tang Beidou is the white glove of our Xiao family. The real owner of the Blue Sky Group is our Xiao family."

"I want you Ningda to return the Blue Sky Company to our Xiao family, and I also want to give the Ningda Group with both hands."

"Otherwise, your good days will end. "

Song Pingting was surprised: "So you are not the chairman of our group, you are here to make trouble."

Xiao Zhuo snapped his fingers, and the man next to him took out a contract and put it on his desk.

He sneered and said to Song Pingting: "You signed this contract. Ningda Group will belong to our Xiao family, and I will be your new chairman by then."

Song Pingting was frightened: "You have a word. , Let me give you a company worth hundreds of billions of dollars first. I think you are crazy about money, right? Please go immediately, or I will call the security or call the

police !" " Call the police, the police dare not control our Xiao family." The matter!" Xiao Zhuo said coldly, "I knew you wouldn't give in easily and show you something." As

he said, he took out a cell phone and handed it to Song Pingting.

Song Pingting didn't answer, and said coldly: "I don't want to see anything. If you don't leave, I will ask the security guard to come in and chase people."

Xiao Zhuo sneered: "Your daughter is going to school in Golden Apple Kindergarten. You don't care about her life or death?"

Chapter 466

Song Pingting's face turned pale when she heard the words, grabbed the phone, and saw that the phone was making a video call.

In the screen of the mobile phone, it is the end of kindergarten, and many children are coming out of the kindergarten.

At this time, his daughter Song Qingqing also came out of the kindergarten.

Song Pingting screamed: "No!"

Xiao Zhuo grinned and said, "If you don't want your daughter to be killed, then sign the contract immediately, otherwise you will watch the live video broadcast of your daughter being killed!"

Xiao Zhuo After finishing speaking, looking at Song Pingting, who was full of despair, she said with a squint: "Don't worry, our Xiao family will get back to the Ningda Group. I promise you are still the president."

"The only condition is that you want to be mine. Woman."

"I let you kneel and you can't stand, I let you sit on your stomach."

Song Pingting's tears rolled: "You are shameless!"

Xiao Zhuo grinned and said, "I hide with shameless means. , Especially in matters of men and women, you will see it soon."

"But you should sign the contract now, or I will let Da Hei drive your daughter to death."

Song Pingting cried. He said, "No, you devil!"

Xiao Zhuo grinned and said, "I count three, one...two..."

Song Pingting was forced to collapse a little, and was about to sign the contract at all costs and save it first. Let's talk about the lives of daughters and mothers.

Yash Nics stepped forward with a calm face, and said indifferently: "Who dares to bully my wife, who said to kill my daughter?" When

Song Pingting saw Yash Nics, she rushed forward and cried as if she had found her backbone. Yash Nics, they are going to kill our daughter!"

Yash Nics looked at Xiao Zhuo indifferently, and snorted coldly: "No one can touch our daughter, let alone delusional."

Xiao Zhuo saw Yash Nics coming, and he sneered. : "It seems that if you don't show you a little bit of color, you will not give up." After

he said that, he ordered his subordinates on the video side of the phone: "Da Hei, drove over and hit her mother to death first. Wait for her. If you still refuse to submit, I will let you continue to run her daughter to death!"

The desperado on the other side of the video, Da Hei, grinned and said: "Received, Master!" After

Da Hei finished speaking, he activated the throttle and prepared to move towards. Ma Xiaoli, who was pulling Song Qingqing in front, rammed it.

But at this moment, two figures quickly appeared in front of his car.

These two figures are the bodyguards responsible for secretly protecting Yash Nics's family, Aqi and Ajiu among the Eight Tigers.

Ah Qi hid his right hand in his suit, holding a pistol with a silencer, and banging two shots at Da Hei in the car, killing Da Hei directly in the car.

Ajiu pulled the car door, pushed the big black body from the driving seat to the co-pilot seat, and then he drove away by himself.

Ah Jiu picked up Da Hei's mobile phone that was streaming video, and said in a deep voice, "Mr. Yash, the murderer has been killed, and the danger of Ms. Qing Qing has been completely eliminated."

In the office of Ningda Group, Xiao Zhuo and several of his men were stunned by this scene.

When Song Pingting saw that her daughter was fine, the hanging stone finally fell.

Yash Nics walked towards Xiao Zhuo with a cold face: "The situation over there has been solved, and now it's up to me to settle the account with you."

Chapter 467

Xiao Zhuo lied and shouted: "I am Xiao's grandson, what do you want to do?"

Yash Nics said coldly: "Kneel down!" When the

voice fell, Yash Nics had already taken a kick. With a click, he directly kicked Xiao Zhuo's knee off.

Xiao Zhuo was unsteady and knelt down screaming.

When Xiao Zhuo was kicked off his knee by Yash Nics and screamed and knelt down.

Several of his bodyguards came back to their senses, shouting one by one that you dare to hurt our son, and then rushed towards Yash Nics.

Yash Nics snorted coldly, and his shot was as heavy as thunder.

With a few bangs, the bodyguards all screamed and fell to the ground, either breaking their hands or breaking their legs, which was extremely miserable.

Xiao Zhuoqiang endured the sharp pain in his right foot, staring at Yash Nics with a distorted expression, and said with a stern expression: "I am the grandson of Xiao, the number one giant in the South. You dare to hurt me. I declare that you are all dead."

Yash Nics seemed to think of something: "The Xiao family in the south of the Yangtze River, the city elder of the capital, Xiao Jiankang belongs to your family?"

Xiao Zhuo showed pride and said triumphantly: "Our Xiao family is the largest family member in the south. They hold important positions all over the country."

"And Xiao Jiankang, the city veteran in the capital, is my uncle. How do you know that my family is amazing?"

Song Pingting, and Lin Wei and a group of security guards who came just now, heard that Xiao Zhuo's uncle turned out to be the city lord of the capital, and everyone gasped.

Being able to serve as a city veteran in the capital is conceivable.

Most people, who can afford it!

Song Pingting hurriedly came over to pull Yash Nics, and said in a trembling voice: "Yash Nics, let them go, we can't offend them."

Xiao Zhuo grinned and said, "Now that I know I'm afraid, it's too late!"

"Even if you kneel on the ground to please me, you may not be able to spare your husband's life."

Yash Nics smiled but said faintly: "It seems that you are not going to give me a way to survive."

Xiao Zhuo laughed loudly. , Suddenly stopped laughing, stared at Yash Nics fiercely, and said loudly: "You obediently dedicate the Ning Da Group to our Xiao family, and your wife will be with me for three days and three nights."

"At the same time you want to be with me. Kneeling in front of the bed for three days and three nights, watching me play with your woman."

"Perhaps, I can spare you a dog, how about it?"

Yash Nics was not angry, and said coldly, "I think you made a mistake. For one thing, I didn't take your Xiao family seriously. As for your uncle Xiao Jiankang, he is nothing in my eyes."

opened his eyes in disbelief: "You!" Yash Nics raised his hand. , Calmly instructed the surrounding security guards: "Come here, knock off all his limbs!"

Since the Ningda Group has grown bigger and bigger, Yash Nics has felt that the company's security guards are unusable. So some time ago, he asked Dong Tianbao to assign a group of daring subordinates to join the Ningda Group as a security guard.

Several of the security guards at the scene were Dong Tianbao's brothers.

The other security guards heard that Xiao Zhuo was the grandson of Xiao's family and did not dare to do it, but these brothers of Dong Tianbao admired Yash Nics very much, and they obeyed.

Yash Nics's order came down, and Shi Feng's security guards immediately pulled out the swinging sticks, and began to act murderously.

Xiao Zhuo snorted inwardly: "Who dares?"

Then Shi Feng's several swing sticks slammed down, and with a few clicks, Xiao Zhuo's hands, feet, and limbs were all knocked off.

"

Ah— " Xiao Zhuo screamed like a pig, resounding through the office.

Shi Feng Xiao Zhuo, who knocked off the hands and feet, Han Han looked up and asked:. "? He is, you say to interrupt his five limbs we have broken limbs his hands and feet, as well as a limb is"

Ning unintentional Take a look at Xiao Zhuo's crotch!

Shi Feng instantly understood, I understood the sentence, then raised his foot in leather shoes, and trampled on the small earthworm under Xiao Zhuo's crotch with one foot!

"Ah!"

Xiao Zhuo let out another scream, and the scream became weaker and weaker.

Mrs. Li said with a sneer: "Since You are so useless, then you don't need to be the security captain." After

she finished speaking, she took out her mobile phone and called the general manager of the property.

Within a few minutes, Zhu Wei, the boss of the property, hurriedly arrived with a team of men.

After finishing talking, Zhu Kun took out his cell phone and made a call to the property finance department, instructing the finance to settle the wages of Liu Wanshun, so that Liu Wanshun could clean up and go.

Several security guards Liu Wanshun looked ugly. Although they were not convinced, they dared not speak.

When Song Pingting and Ma Xiaoli saw that Liu Wanshun's security guards acted fairly, they were retaliated by the villain and fired. They were very guilty and felt that Liu Wanshun had been involved.

Mrs. Li was very proud, and said arrogantly: "This is what offended me, Mr. Zhu, it is time to severely punish the murderer who killed my son."

Mrs. Li said with a sneer: "I don't need him to pay for his life or lose money now. He knelt in front of my dog's body, repenting. One day and one night!"

Zhu Ku turned his head to look at Yash Nics, and said coldly: "Have you heard Mrs. Li's words, if you don't kneel in front of Mrs. Li's dog to confess, then our property has a hundred methods for you
