At this point, Yash Nics changed the conversation and smiled: "But in my opinion, my dad was tricked by someone this time."

"You must tie the bell to untie the bell. Let's find a trick for this. My dad's people can solve it, and there is no need to sell the company's shares."

Song Pingting's family was stunned, and Song Pingting couldn't help asking: "The owner of the Royal Entertainment Club, Xiao Bin, has cheated on Dad. Will he promise to let Dad go? ?"

Ning laughed: ". way more than difficult, there is always a way of "

Song Ping Ting Ning know the boss is going to talk about the royal entertainment clubs.

She worried that Yash Nics's impulsive personality would cause more serious consequences.

So she resolutely said: "Okay, you go to the Royal Entertainment Club, I will go with you, and we will take

care of everything together!" Tong Ke also said, "I will go with my brother-in-law and cousin!"

Night fell. , Hua Deng is on.

Yash Nics drove a BMW M760Li xDrive and brought Song Pingting and Tong Ke to the Royal Entertainment Club in high profile.

"Welcome!"

The two rows of cheongsam beauties standing in the Royal Entertainment Club shouted together.

Yash Nics, Song Pingting and Tong Ke walked into the splendid Royal Entertainment Club.

Tong Ke looked around curiously, while Song Pingting was worried and asked Yash Nics's plan in a low voice.

Yash Nics smiled and said: "My plan is very simple. Let's win back the money Dad lost here."

Song Pingting and Tong Ke opened their eyes when they heard this.

Yash Nics actually wants to win back the 10 billion that Song Zhongbin lost here. Is this possible?

At this time, in the monitoring room of the Royal Entertainment Club.

Xiao Bin, wearing a black suit, was watching Yash Nics and his group with some interest.

Especially when his gaze fell on Song Pingting, looking at Song Pingting who was wearing a business uniform and a hip skirt, his eyes showed a touch of amazing.

He decided to sacrifice his marital happiness, take Song Pingting, and use Song Pingting to become the pedal of his career.

Now seeing Song Pingting so bright and moving, he suddenly felt that this is not a sacrifice, it should be said that it is a double harvest in the beauty industry!

At this moment, a subordinate wearing a croupier's costume came in: "Boss, Song Zhongbin's son-in-law Yash Nics is here. I heard him say just now that he wants to win back the money that Song Zhongbin lost."

Xiao Bin sneered: "Everyone who walks into the casino thinks that he is a gambler, but in the end even his wife loses, I have seen a lot."

Chapter 482

According to the rules, all guests entering the Royal Casino must redeem their chips first.

The smallest chip value is 50, and the largest is 2 million.

Song Pingting asked Yash Nics how much bargaining chip Yash Nics should change?

Yash Nics smiled and said, "Let's change 2 billion!"

2 billion!

Both Song Pingting and Tong Ke opened their eyes wide, showing expressions of disbelief.

But when Tong Ke remembered Yash Nics's identity, she immediately didn't find it surprising.

Song Pingting was obviously shocked at why Yash Nics had so much money, and immediately remembered that when Yash Nics had bought a car and a house before, he had said that he had saved a rich man.

In order to repay Yash Nics, the rich man gave Yash Nics a black bank card.

At that time, Song Pingting's family thought that Yash Nicscari had at most 100 million, but he did not expect it to have more than 2 billion.

At the scene were the staff of those royal entertainment venues, each with their eyes wide open and surprised.

There are a lot of people throwing millions here, and I have seen people who lost tens of millions of real money overnight, but there really is no one who really used 2 billion to gamble.

As for Song Zhongbin's kind of trapped, no money to borrow, and 20 billion lost, it doesn't count.

Soon, the staff at the scene exchanged 20 billion chips for Yash Nics.

When swiping the card, there is a beep, indicating that the swiping is successful!

In an instant, the audience was shocked.

Everyone looked at Yash Nics. This gentleman is really amazing. He can swipe his card for 2 billion, which is too arrogant.

The staff at the scene directly regarded Yash Nics as the god of wealth, and personally helped Yash Nics hold the bargaining chip.

Song Pingting and Tong Ke both recovered from their shock.

Song Pingting asked Yash Nics: "They have a lot of games here, which one do we play?"

Yash Nics said with a smile, "It doesn't matter, what do you suggest my wife?"

Song Pingting can play very little, but is a college student. At that time, for a while, she often played Texas Hold'em in the mobile game hall and won a lot of game beans.

She feels that Texas Hold'em relies on not only luck, but also wisdom.

So she said: "Let's try playing Texas Hold'em?"

Yash Nics nodded: "Okay!"

So they went straight to a Texas Hold'em table.

At this table, there was a beautiful lady in a red dress playing with a few gamblers, but the chips of a few gamblers were all won by the lady in red skirt. At this time, several gamblers stood up and left in a curse.

It turned out that the beauty in the red dress was called Chu Hong. The casino manager came to play with the guests on behalf of the casino.

Chu Hong just won the money of a few small gamblers, and then saw Yash Nics, Song Pingting and Tong Ke sitting opposite her, and 2 billion chips were placed on the table by the staff.

Chu Hong's eyes widened, she glanced at Yash Nics, and thought: It seems that a certain rich kid is showing off money in front of beautiful women!

Chu Hong looked at Yash Nics's eyes as if a butcher saw a fat sheep!

She said sweetly: "Are you all going to play Texas Hold'em?"

Yash Nics shook his head: "No, she plays!"

She said, naturally, Song Pingting!

Song Pingting was dumbfounded when she heard this, she was not sure if she wanted her to go to battle in person!

Yash Nics smiled and said: "It's okay, it doesn't matter if you win or lose."

Song Pingting bit her scalp and went into battle in person.

However, although she knows a little bit of Texas Hold'em and can count cards, how could she be the opponent of a professional manager like Chu Hong?

She lost more and lost less, and soon lost 100 million!

Song Pingting's face was pale, her hands were shaking, and she didn't dare to gamble.

Chu Hong was very happy to win. Seeing Song Pingting stopped gambling, she was a little surprised at Song Pingting's restraint, because most gamblers lost so much money, they would have lost red eye long ago.

Song Pingting's ability to maintain her sanity is really commendable.

Chu Hong deliberately looked at Yash Nics next to Song Pingting, and said with a smile but a smile: "Mr. Yash, this big beauty by your side has lost so much money to you. Wouldn't you feel distressed?"

Yash Nics said with a smile: "King Zhou You plays with the princes for praise, King Shang Zhou would rather bear the people of the world for Daji."

"Although I, Yash Nics, are not as good as King You and King Shang Zhou last week, how can I feel distressed if I have a little money? "

Everyone at the scene looked at Yash Nics in shock.

Tong Ke looked at Yash Nics, with boundless envy in her heart: What is the meaning of petting a wife without a degree, brother-in-law is called petting a wife without degree!

Yash Nics loves his wife indescribably, but Song Pingting remains sensible. After all, she is not a good compliment. If it were not for winning back the money that her father lost, she would never have come to such a place.

Now that she has lost so much money, she feels that the bargaining chips are extremely heavy.

She didn't dare to play anymore, and whispered to Yash Nics, "Husband, she is very powerful. I am not her opponent. Would you like to come?"

Yash Nics laughed and said, "Okay!"

After that, Yash Nics personally played. .

But at the same time, a young man in a black suit appeared with a few of his men, and it was Xiao Bin.

Xiao Bin motioned to Chu Hong to step aside, then he sat down in Chu Hong's position and said with a smile: "I am the boss here, Xiao Bin, since there are distinguished guests coming, don't you mind if I play two games with you?"

Yash Nics He glanced at Xiao Bin and said faintly: "Are you from the Xiao family?" Xiao

Bin smiled, "Yes, I am a child of the Xiao family."

Yash Nics nodded, "Let's start!" The

croupier took out one. A new set of poker, shuffle the cards, and then said to Xiao Bin: "In this round, it is Mr. Xiao's turn to

take the banker ." Xiao Bin's hole card is an ace of spades and a pair of JJs.

He sees that Yash Nics's hand is a pair of 10s, and his card is pressing against Yash Nics's. In terms of probability, he will win slightly.

So, he threw 10 million chips, squinted his eyes and said with a sneer: "Ten million, will you follow?"

Yash Nics's mouth raised slightly, and he said astonishingly: "Stud!"

Stud!

Not only Xiao Bin's pupils dilated, his face was shocked.

Even Chu Hong and other on-site personnel, and even Song Pingting and Tong Ke almost jumped out of their hearts when they heard this.

Yash Nics still has 1.9 billion chips on the table, and there are still a few cards. I don't know what it is, he actually studs directly!

1.9 billion blinds!

Xiao Bin's forehead was sweating slightly. He had a pair of JJs, which was bigger than Yash Nics's pair of 10. On the surface, he had the advantage.

But he didn't dare to fight with Yash Nics, and finally said aggrieved: "Fold, don't follow!"

Song Pingting cheered with Tong Ke. Yash Nics won Xiao Bin's 10 million in the first hand.

In the next few games, Yash Nics always studs directly.

Whether it was a good hand or a bad hand, Xiao Bin hesitated, and finally chose to give up and dare not follow.

Yash Nics's face was relaxed from beginning to end, and he hummed two small tunes from time to time.

Xiao Bin was already sweating and his face was anxious.

Although Yash Nics and Xiao Bin have not yet distinguished the winners or losers, they have decided on their own merits.

Song Pingting and Tong Ke looked at each other, and both admired Yash Nics a little.

Texas Hold'em is obviously a contest of luck and wisdom, but Yash Nics broke the game with his strength and abruptly turned the game into a contest of luck!

In another game, this time Xiao Bin's cards were an ace of hearts and a 3 of hearts, and his hole card was the ace of hearts.

Yash Nics's card face is a K and a 3!

Yash Nics has a pair of Kings at most, but Xiao Bin holds a pair of Aces steadily. This is already a very, very big win.

Do you want to fight Yash Nics?

Fight 1.9 billion in one hand!

Xiao Bin gritted his teeth, his face hesitated, and his head was sweating profusely.

Yash Nics smiled and said, "Hey, Xiao Bin, Xiao Bin..."

Yash Nics called Xiao Bin's name twice, and then Xiao Bin raised his head and looked at Yash Nics blankly.

Yash Nics smiled and said, "Xiao Bin, you have already lost, do you know?"

Xiao Bin looked at Yash Nics in confusion, obviously not understanding what Yash Nics meant.

Yash Nics smiled and said: "Actually, you know that the blinds competition is luck. Even in terms of the odds of winning, you have several times better than me, but you back down every time."

"Wife, Xiao Ke, leave 10 billion chips, exchange our 2 billion principal chips back, let's go."

Song Pingting and Tong Ke both looked at Yash Nics with admiration. Yash Nics is really too good. incredible!

He actually won back all the money Song Zhongbin lost.

Song Pingting leaned over excitedly, kissed Yash Nics's cheek, and said, "My husband, you are amazing!"

Soon, Yash Nics exchanged back the principal of 2 billion.

When the 2 billion principal was returned to his account, he handed the remaining tens of millions of chips to the croupier next to him, and said lightly, "You are divided!" The

croupier and the others opened in an instant. big eyes!

It is very common for winning guests to tip, but it is the first time they have met with tens of millions of tips.

Every moment, I thanked Yash Nics a lot of kindness.

There are only one or two hundred employees in the casino. Everyone can get hundreds of thousands of tips, which is worth their salary for a year!

Just when Yash Nics took Song Pingting and Tong Ke, ready to leave.

Xiao Bin, who had lost his red eyes, finally came to his senses.

Yash Nics turned his head and looked at Xiao Bin, who was so embarrassed and angry, and said with a sneer: "Why, you If you lose, you want to

cheat ?" Xiao Bin said grinningly: "Your father-in-law owes me 10 billion, but he owes me 2 billion in interest for half a day!"

Song Pingting and Tong Ke exclaimed when they heard this. Song Pingting said angrily: "You are deceiving too much. You dare to ask for 2 billion in interest in half a day. You are not a loan shark. You are eating people without spitting out bones."

Xiao Bin smiled cruelly: "We It's such a rule in casinos. As long as you borrow money, whether you pay it back in half a day or within a month, it's 20% interest."

"You either continue to gamble with me or just give me two. One billion, otherwise, you don't want to go out of this door."

Yash Nics smiled: "What if I insist on leaving?"

Chapter 485

Xiao Bin sneered, "Then you don't blame me for being impolite. Let's go together, interrupt his hands and feet, and destroy him!"

Immediately, the twenty people behind him were taken from the Xiao family. The elite men who came were immediately ready to act on Yash Nics.

Song Pingting and Tong Ke both became extremely nervous in an instant!

As he walked in, Dong Tianbao looked at the magnificent Royal Entertainment Club, cursing and saying: "Damn, I said long ago that no one in Mannity City can open a casino anymore. I didn't expect that there is such a large-scale casino here! "

Xiao Bin's pupils suddenly enlarged: "Dong Tianbao, I'm from the Xiao family, you dare to move my place."

Dong Tianbao curled his lips: "I care who you are, and all those who engage in pornography, gambling and drugs in Mannity are not good.

Get off the court and smash this place for me." Dong Tianbao's voice fell, and Shi Qing and others behind him raised iron pipes and smashed them, instantly messing up the ground.

Xiao Bin's men rushed up angrily and fought with Dong Tianbao's men.

But obviously Dong Tianbao brought more people, and Xiao Bin's men were quickly knocked to the ground.

Ignoring the surrounding fights and killings, Dong Tianbao came to Yash Nics and said respectfully, "Young Master, Young Lady!"

Yash Nics said flatly: "Tianbao, good job!"

Dong Tianbao received Yash Nics's praise and smiled. Very happy.

Xiao Bin saw that his place was smashed, and he was shocked and angry, with a stern expression: "Yash Nics, you dare to ask someone to smash my place, I want you to die!"

Yash Nics's eyes were cold: "Pop!"

"Accepted!"

Dong Tianbao replied, the figure flashed, and he had come to Xiao Bin, raised his hand and crackled and gave Xiao Bin a slap in the face.

Dong Tianbao was still angry. He pressed his hands on Xiao Bin's shoulders, and roared, "Kneel down to my young master!"

Dong Tianbao was a strong figure. He was a guard of Yash Nics back then. His arm strength was terrifying, so he pressed Xiao Bin directly. With a sound, both knees knelt heavily on the hard ground, and the kneecaps made a crisp click, and they all knelt.

"Ah!"

Xiao Bin let out a scream.

Dong Tianbao turned his head, and respectfully asked for instructions: "Master, how to deal with this

servant?" Yash Nics said lightly: "Teach a lesson, so as to be effective."

Dong Tianbao said solemnly: "Yes!"

Yash Nics and Song Ping Ting and Tong Ke turned and left. Penetrating sound of broken bones and Xiao Bin's screams were heard behind them.

When I got home, it was already past nine o'clock in the evening.

Song Zhongbin sat drooping on the sofa, and Ma Xiaoli was holding Qingqing with a worried expression on her face.

When they saw Yash Nics who had come back, Ma Xiaoli hurriedly asked, "Yash Nics, how's it going?"

Yash Nics smiled and said, "Mom, it's okay. Dad's money has already been

Ting, is what Yash Nics said is true?" Song Pingting nodded and said, "The matter is resolved, but dad, you absolutely can't gamble anymore. Thanks to Yash Nics this time, otherwise our family will be miserable. "

Chapter 486

Song Zhongbin's family was ecstatic and asked how the matter was resolved.

Song Pingting did not conceal it, she told the story honestly, and finally blushed and said: "I also lost 100 million at the time. Fortunately, Yash Nics and Xiao Bin fought wits and bravely, and finally won all the money back. "

Song Zhongbin said excitedly: "My son-in-law is amazing. He won 10 billion, which is too good."

Ma Xiaoli warned: "Lao Song, I am here to warn you. I will never bet on any money in the future, if I know you. If you bet any more, then we will get divorced."

Song Zhongbin said quickly, "My wife, I definitely don't bet. This time I was scammed by my dad and his family and Xiao Bin. Otherwise, you know, I never gamble. . "

MA Xiao said bitterly:" your father is not really a thing, and even their relatives are victims "!

Repairation finished, turned around and asked with Ning Song Painting, Tong Ke several earnestness:" this year, although Ning I was lucky to win the money back, but you can't gamble anymore, know?"

Yash Nics smiled together: "Yes!"

Song family's ancestor house, Song Qingsong's family, and Song Lutang's party just learned about Xiao Bin's accident.

Song Qingsong's family has complicated expressions. They cooperated with Xiao Bin and Song Zhongbin, with the goal of driving Song Zhongbin's family to a dead end and forcing Song Pingting to remarry to Xiao Bin.

But what they didn't expect was that Yash Nics actually won the money back.

Ten billion!

How did Xiao Bin lose to Yash Nics?

Moreover, Xiao Bin is also known as the Jiangnan Little Gambling King. Was this a hawk all day long, but was blinded by a pigeon?

Song Lutang also had a pale face, and slowly said: "Bin Shao is stealing the chicken and not eroding the rice this time. Not only did he not drive Song Pingting's family to a dead end, but his royal entertainment club was smashed by Dong Tianbao, and he was also smashed by Dong Tianbao. He interrupted his hands and feet and sent him back to Xiao's house."

Song Lutang paused: "Master Xiao was very angry and called me to urge me. I must fix Yash Nics in the remaining two days!"

Song Qingsong and the others hurriedly heard this. Said: "Our Song family, we must obey Mr. Song's arrangements and cooperate fully."

Song Lutang's eyes were like electricity, and said coldly: "Dong Tianbao dared to help him be abused, then I will take Dong Tianbao's operation first!" "Song Qingsong, you guys ." The family waited for me to kill Yash Nics and tried their best to persuade Song Pingting to remarry to Xiao's grandson."

But tonight, a group of uninvited guests came here.

Song Lutang, dressed in black and with sharp eyes, hid his left hand behind his back, playing with two iron balls in his right hand, leading a group of men, strode in.

He looked around at the waiter who was full of fear, and said coldly: "Send Dong Tianbao to come out and die."

Soon, Dong Tianbao took Shi Qing and other subordinates with him, and came out with a frightened expression on his face.

Dong Tianbao looked at Song Lutang in astonishment: "Who are you?"

Song Lutang coldly snorted: "With eyes and no beads, you are stupid!"

A brother beside Dong Tianbao stepped forward angrily, pointing at Song Lutang and cursing: "What are you? Dare to insult our Tianbao brother!"

Song Lutang's eyes suddenly cold: "The dog barks harshly, it's a good way to kill!"

After speaking, the two iron balls rotating in the palm of his right hand, one of them whizzed out like a cannonball.

Dong Tianbao exclaimed: "Be careful!"

It was a pity that it was too late, and the hand was hit by an iron ball before the hand came down and dodged.

With a bang, he was directly headshot and died on the spot!

Dong Tianbao is still standing behind a bunch of men. If he avoids, the iron ball is likely to kill his men.

As a result, he could only catch the iron ball with his bare hands.

He forcibly caught the flying iron ball with his right hand, and his entire arm was paralyzed.

Song Lutang rushed all the way, and a series of shallow footprints appeared on the marble floor!

Dong Tianbao clutching his injured Chest, said with difficulty: “You can insult me, but you can’t insult Mr. Yash, Mr. Yash is here, you have to regret coming to this world.”

Song Lutang laughed wildly: “Haha, I’m sorry, I came to Mannity, the first task is to kill Yash Nics, destroy you, just do it casually!”

He finished, pointing at the injured Shi Qing, and shouted: “You, tell Yash Nics to die, if Yash Nics doesn’t come, just wait for you to collect the body!”

Yash Nicszheng Ready to sleep, suddenly received a call and learned that Dong Tianbao had an accident.

I heard that it was the head of the Song clan, the first master of Jiangnan Chuanwu, Song Lutang, the master of artillery boxing.

Yash Nics frowned slightly, then said, I will come over immediately.

Then he put on his clothes and went out.

At the Bandung Clubhouse, Song Lutang was sitting on a chair, and a group of his family members stood majestically on his left and right sides.

On the ground lay Dong Tianbao’s dead and wounded!

Yash Nics walked in unhurriedly. When he saw the miserable situation of Dong Tianbao and others, his eyes were cold.

Song Lutang squinted his eyes, playing with a pair of iron balls, and looked up and down Yash Nics: “Are you Yash Nics?”

Yash Nics did not answer, but asked coldly: “You wounded them?”

Yash Nics said indifferently: “I don’t like to take the path others give me. I prefer to walk a path by myself!”

Song Lutang’s eyes widened, and Dong Tianbao’s group was miserable. In the end, he was already placed in front of Yash Nics alive. Yash Nics was still so hard-spirited?

Are you confident?

Or is the ignorant fearless?

Yash Nics looked at Song Lutang coldly and said, “As you are my wife’s clan, I also give you a chance to survive.”

“You apologize to Dong Tianbao and apologize for their crimes and compensate them for medical expenses and compensation. Their loss. Then roll out of Mannity, and you will never be allowed to step into Mannity for half a step.”

Song Lutang laughed when he heard the words: “You give me a chance, but I don’t agree with my artillery fist!”

He finished speaking, with two iron balls in his hand. Whistled out.

The first iron ball uttered a howling and breaking through the air, and the momentum was frightening.

Yash Nics raised his hand, and Yash Nics caught both iron balls and threw them on the ground.

Song Lutang shouted: "When death is imminent, you still dare to scream. I really want to live and die. Look at it!" There was

a loud noise at Song Lutang's feet, and the marble on the ground shattered. , His whole person was like a cannonball, flying towards Yash Nics, with a cannon fist facing him.

The body is like a dragon, fists like a cannon, and full of power.

Yash Nics looked at Song Lutang's corpse indifferently, and said coldly: "Look, I like to get out of my way by myself." All the

children of the Song family were shocked and their faces pale.

The Patriarch of the Patriarch of Cannon Boxing was killed by Yash Nics casually!

They feel the sky is falling down!

At this time, Dian Chu arrived with a group of plainclothes men.

Yash Nics calmly said: "Dian Chu, you came just right, send someone to send Tianbao and the others to the hospital. And control all the people from the Song family at the scene."

"Song Lutang's body is 20 million, and the rest are each. One million, tell Mannity Song Family to redeem people!"

Dian Chu said

solemnly : "Yes!" Dian Chu waved his hand and motioned to his subordinates to tie up all the Song family children on the scene.

These children of the Song family are far inferior to Song Lutang.

Song Lutang, a faithful figure, fell, and they had no desire to fight in the face of the murderous Yash Nics.

One by one, they were like defeated soldiers, their heads drooping, letting Dian Chu's men tied up.

Yash Nics handed the mess to Dian Chu Shan, and he drove home.

When I returned to the Jiangbin Villa community, I found that my living room was brightly lit, and I could still vaguely hear the voice of a group of people.

Ma Xiaoli was pointing at the door, and angrily said to Song Qingsong's family: "You will all leave me, our family does not welcome you."

"You first caused my husband to owe tens of billions of gambling debts, and now cursed my son-in-law for death. I also persuaded my daughter to remarry. What is your peace of mind?"

Song Qingsong said coldly, "I don't need to say more about the strength of the Xiao family. You also know how powerful it is."

"The Patriarch of the Song Family, the provincial capital, is strong. I know, now Yash Nics may have been beaten to death by Mr. Song."

"It's for your good that we persuade Xiaoting to remarry."

Song Pingting heard this, with tears in her eyes, and she trembled and said, "No. Yash Nics will not die."

Song Qingsong said with a sneer: "Hehe, Tai Chi is not successful in ten years, but cannon fist kills in one year."

"Mr. Song Lutang from the Song family in our provincial capital, has practiced cannon fist for 30 years and can be called the master of cannon fist. A fist can kill a buffalo. Killing Yash Nics is as simple as drinking water."

Song Pingting's tears kept streaming out, and she kept shaking her head: "No, no, you lied to me, I am here."

"Go find him..." Song Pingting said, crying and rushed out to the open door.

But as soon as she rushed to the door, she ran into someone, hitting the other's broad and solid chest.

She lifted her teary face, but found that the person she hit was actually Yash Nics.

Yash Nics looked at Song Pingting's teary eyes, stretched out his hand to wipe her tears in distress, and said softly: "Fool, why don't you sleep in the middle of the night and run out crying?"

Song Pingting did not answer his words, but instead. Opened his arms, hugged him tightly at once, and said excitedly: "Yash Nics, you are not dead. It's great, it's great."

Yash Nics stretched out her hand and stroked her black hair, gently comforting: "How could I die? The person in the world who can kill your husband hasn't been born yet." After

Yash Nics finished speaking, his eyes fell on Song Qingsong's family in the living room. On the human body, his eyes became cold.

Song Qingsong's family looked at Yash Nics in shock, especially Song Qingsong himself. They were dumbfounded, and said, "You, you, how are you still alive, Mr. Song Lutang?"

Song Qingsong was shocked and angry: "Our Mannity Song family, why should we give you so much money, and why should we redeem them?"

Dianchu said coldly, "It's okay if you don't redeem it. I will feed the dog directly to Song Lutang's corpse. The remaining 80 children of the Song family were all arranged to go to black mines in Africa and dig to death."

"When the Song

family, the provincial capital, asks about it, I will say that your Mannity Song family is not willing to redeem it." Song Qingsong heard the words, cold sweat instantly fell Up.

Song Lutang is the Patriarch of the Song Family in the provincial capital. If the Patriarch's body is fed a dog and all 80 Patriarch's children are sent to Africa to dig to death, it would be a great shame to the Song Family.
