## The One and The Only Chapter 521 - 530

Yash Nics, Song Pingting and others looked up, and then they saw a gorgeous woman.

This woman looks a bit of beauty and wears a famous brand, but she looks arrogant, and everyone seems to be inferior to her.

When Song Pingting saw this woman, she was also pleasantly surprised and said, "Xu Fengjiao, it's you, what a coincidence, are you eating here?"

It turned out that this woman was Song Pingting's best friend, but she hadn't contacted him for many years.

Xu Fengjiao showed an exaggerated expression: "Eating here? With my status, how can it be possible to eat in a place where migrant workers gather together!"

Yash Nics and a group of Blue Sky employees frowned upon hearing this.

Song Pingting smiled, did not care, and introduced Yash Nics to Xu Fengjiao: "By the way, let me introduce you, this is my husband Yash Nics... Yash Nics, this is my good sister, Xu Fengjiao. "

Yash Nics said faintly: "Hello!"

Xu Fengjiao looked at Yash Nics. Yash Nics didn't look very handsome at first glance, but the more he looked at it, the more flavorful he was, a very attractive man.

Xu Fengjiao was slightly jealous when seeing Song Pingting's husband so good in appearance and temperament.

She couldn't find any flaws in Yash Nics's appearance, so she looked for a breakthrough from Yash Nics's background.

She deliberately said: "Oh, it turned out to be Mr. Yash. I don't know what Mr. Yash's parents do?"

Yash Nics was originally a wealthy son in the north, but because his father insisted on getting a fox in the door, he and his mother were driven out. Home.

Later, his mother died of depression.

Therefore, in Yash Nics's mind, he is a person without his parents.

At this time, he replied coldly: "They are all gone."

"

Heh !" Xu Fengjiao chuckled softly.

Seeing Yash Nics's extraordinary temperament, she thought Yash Nics was the son of a family!

Unexpectedly, he was an orphan whose parents died!

How amazing an orphan can be, and it must be a poor ghost to eat in such a farmhouse restaurant.

When Yash Nics heard Xu Fengjiao's voice, his eyes narrowed, and the expression in his eyes became sharp.

My parents are gone, why are you happy?

Xu Fengjiao didn't notice the change in Yash Nics's face, even if she did, she wouldn't care.

She smiled and said to Song Pingting: "Xiaoting, why did you find such an orphan husband? You probably have a hard time."

"You can only eat farmhouse for dinner, and drink red wine without a trademark."

Bargain ." Song Pingting frowned upon hearing this, and hadn't seen her for a few years. How did her best friend become like this?

Xu Fengjiao said, recruiting from a short distance: "Xiao Nian, here, come here soon!"

A tall man in a suit walked over.

Xu Fengjiao introduced: "This is my boyfriend Xiao Nian, the young master of the No. 1 rich family in Jiangnan. When we get married, I will officially marry a rich family and become a rich wife,

hahaha ." Xu Fengjiao finished, covering her mouth proudly. When I laughed, the meaning of showing off was very obvious.

Xiao Nian is a child of the Xiao family. Although he was born as a concubine, he still has eyes above his head. He said impatiently, "Fengjiao, can we go now? We will have to attend the reception later."

Xu Fengjiao nodded again and again: "Okay ." , But Xiaoting is my good best friend. Seeing them eating here, you know that their life is terrible."

"Xiao Nian, let's pay them for

this meal ." "After all, this meal costs them. It may be a month's salary, but for us it's just a little change in our pockets."

Yash Nics said nonchalantly: "No, we will pay the bill for a

daily meal." Xu Fengjiao insisted: "Keep your hard money, Xiao Nian, ask the waiter to pay."

Soon, the waiter said. Coming over with the tray, he respectfully said to Xiao Nian and Xu Fengjiao: "Hello, the price of wine and vegetables all add up, the total is 1.035,000."

"Our boss said, just charge you one million. "

What!

One million for a meal!

The chic faces of Xu Fengjiao and Xiao Nian disappeared in an instant. The two of them were shocked, only feeling the thunder rolling.

What family, one million for a meal?

## Chapter 522

Xu Fengjiao was shocked: "Your hotel is not a slaughter, a meal of one million, I want to check the bill."

Xiao Nian snatched the bill from the waiter, and saw it was written on it. His Qingjiang frozen half-head abalone, ten catties of wild large yellow croaker, and red wine are all Kandi red wine. The cold sweat on his forehead is rustling.

He knew that there was no problem with the bill, and it was not surprising that these wines and vegetables were one million.

The problem is, he doesn't have a million in his pocket!

Don't think he is the son of the Xiao family, but he was born out of the concubine, and he is not comparable to the son of the direct line.

The monthly money is not much, only one hundred thousand.

And his girlfriend Xu Fengjiao admires vanity. He wants to buy a good car and good clothes and jewelry.

The money he receives from the family every month is not enough.

Now that he is asked to buy a million bills, he really has no money to pay.

Xiao Nian and Xu Fengjiao held the bills in embarrassment, sweating profusely, but they couldn't afford to pay for the bill.

The waiter frowned: "Do you have any money to pay the bill, and the rich

and powerful, are you sorry?" In a word, Xiao Nian and Xu Fengjiao flushed and their cheeks were hot.

Yash Nics cheered the waiter in his heart: Well said!

Seeing that Xiao Nian and Xu Fengjiao were going to be embarrassed and angry, Yash Nics took out a black card and a stack of red banknotes, placed them on the waiter's tray, and said with a smile: "Swipe my card!"

Black American Express, global Universal, unlimited!

The thick stack of red banknotes is naturally a tip for the waiter!

Xiao Nian and Xu Fengjiao were dumbfounded, and their eyes were about to fall to the ground.

The waiter is full of excitement, this is the real noble son!

"Thank you, sir. I am honored to be able to serve you. I will give you a credit card. Please wait a moment." The

waiter was particularly respectful to Yash Nics, not only because of the tip, but also because of Yash Nics's black card.

Anyone with a black card from American Express is a status symbol anywhere in the world.

Xiao Nian and Xu Fengjiao were dumbfounded, and their expressions were more ashamed than shocked. This time, they were really embarrassed and lost to grandma's house.

Song Pingting also recovered from the shock. She knew that Yash Nics had a black card, but she didn't know that the food at this table was so expensive.

She turned her head and stared at a group of executives of Blue Sky Company in sorrow!

She clearly asked for everything to be simple, but these guys actually obeyed it superficially. It is really unreasonable that these guys still use the best wine and food to entertain her.

Xiao Nian and Xu Fengjiao both felt dull on their faces, and looked at Yash Nics bitterly. He didn't even say hello, and left in a desperate manner.

Song Pingting looked at Xu Fengjiao's back and sighed secretly, her good friend, who hadn't seen each other for a few years, turned out to be like this.

Xiao Nian and Xu Fengjiao came out of the hotel and got in their Porsche 718.

Xu Fengjiao became irate boyfriend in front scolded: "your fault, dignified Xiao master, not even one million have not come out to let me lose face in front of my girlfriends, I'll have her ashamed.."

Xiao Nian said angrily: "How do I know that they are so rich that they

cost one million for a table of food." Xu Feng said bitterly, "I don't care. I will let them watch a joke this time. You must find a place for me. Come back."

At this moment, Yash Nics and Song Pingting also came out of the hotel and got into a red flag car.

Xiao Nian sneered when he saw this: "Heh, I thought I was rich. I didn't expect to drive a broken car worth 200,000 yuan. Since they like to put on big money so much, let's see how I misuse them!"

## Chapter 523

Xiao Nian took advantage of Yash Nics when he drove the car out of the parking space, he suddenly stepped on the accelerator and rushed up.

With a bang, he directly collided with Yash Nics's Hongqi car.

Yash Nics is a special vehicle for the head of the military. It is bullet-proof, shell-proof and mine-proof.

When Xiao Nian's Porsche collided with Yash Nics's car, the front of the Porsche was broken.

Soon, Yash Nics and Song Pingting, Xiao Nian and Xu Fengjiao both got out of the car.

The first sentence of Xiao Nian was: "Brother, how did you drive?"

Xu Fengjiao followed closely: "Song Pingting, will your husband know how to drive, and if you are drunk driving, you are all responsible for drunk driving!"

Yash Nics squinted his eyes. "I want to clarify two points. First, I didn't drink alcohol during the meal; second, you ran into it just now."

Seeing that both of them were acquaintances, Song Pingting couldn't help saying: "It's all friends. There is no need to do so. I'm arguing about this little matter, should I pay for the car repair?"

Xiao Nian sneered: "My car is a Porsche, and the repair cost is very expensive, one million, you give me one million."

Song Pingting's eyes widened: "Your Porsche 718 is only a few hundred thousand, right?"

Xiao Nian snorted coldly, "But I installed a lot of things, the whole car exceeded one million. This car crashed like this. , Of course I have to replace it."

"Do you think that in my capacity, I will continue to drive this accident car?"

Yash Nics had no good impressions of these two people. At this time, seeing Song Pingting give in, these two This guy is still pushing his nose to his face.

So, he sank his face and said coldly: "Wife, this is not our responsibility. We should pay for what we should pay, and we don't have a penny for what we should not pay."

Xiao Nian sneered: "Well, I'll call the police. , I hope you don't regret it later."

After speaking, he took out his mobile phone and called Liang Feihong, the captain of the traffic police brigade: "Captain Liang, someone hit my car. They are unwilling to compensate. Come over and take care of it for me."

Soon, a car The police car is here.

Liang Feihong took two of his men and got out of the car. He smiled and said to Xiao Nian: "Young Master Xiao, what's the matter?"

Xiao Nian raised a finger: "One million, my car must be replaced, he You have to pay me a million, or you can figure it out."

Liang Feihong turned his head and looked at Yash Nics: "Is it you driving the car?"

Yash Nics nodded, "Yes!"

Liang Feihong: "You drove out of the parking space. ?, do not pay attention there is no vehicle through the "

Ning shook his head:" he was hit over the sudden acceleration. "

Liangfei Hong angrily:" fart, who see the front of a car, but also accelerate hit over the "? "

to see that , It must be you who suddenly drove out of the parking space, ghost probe, and Xiao Shao's Porsche couldn't avoid it."

"You are all responsible, are you willing to go private?"

Song Pingting became anxious after hearing the words: "This captain, really It's not our ghost probe. There are cameras in the hotel parking lot. If you don't believe me, go to the hotel to get the video."

Liang Feihong shouted: "Presumptuous, you are teaching me how to work. Are you the traffic police captain or am I the traffic police captain?"

Song Pioting was choked to speak!

Yash Nics's eyes were cold: "Please pay attention to your attitude!"

Liang Feihong sneered: "Oh, you are quite arrogant, really if I can't cure you, don't you, take out your driver's license!"

## Chapter 524

Yash Nics gave Liang Feihong a cold look, then took out a red driver's license and handed it to the other party.

Liang Feihong opened his eyes wide and snapped his driver's license on the hood of the red flag car. He sneered and said, "The red driver's seat, what is this stuff?"

"Driving without a license, using a fake license, is a plus. It can be detained!"

Song Pingting became even more anxious when she saw this, and Xiao Nian and Xu Fengjiao were gloating for misfortune.

Yash Nics narrowed his eyes: "Why did I drive without a license?"

Liang Feihong picked up the red driver's license and said with a sneer: "You have a driver's license, this thing? Who told you this thing can drive on the road?"

Yash Nics Indifferently said: "My driver's license, military vehicles, armored vehicles, and tanks can be driven. Why can't even a car be driven here with you?"

Liang Feihong was shocked when he heard the words, and quickly looked down at the red in his hand. driver license.

It reads a line of red boys: Huaxia Northern Military Region.

Below the red boy are a few big red letters: vehicle driver's license!

Liang Feihong felt a bolt from the blue, his scalp was numb, and his hand holding his driver's license began to tremble.

Xu Fengjiao suddenly said: "Song Pingting, your husband is still a member of the army?"

Song Pingting replied subconsciously: "He has retired."

Xu Fengjiao suddenly became happy and sneered proudly: "Hehe, according to what I know, This kind of red driver's license is indeed a special driver's license for the army, and the traffic police are not qualified to check it."

"However, in general, when the red driver's license is retired, it must be replaced with a normal driver's license and it is not allowed to continue to be used."

"Since your husband has retired, he still uses a red driver's license. This is illegal and must be punished!"

Liang Feihong's eyes lit up, and he smiled triumphantly: "Yes, that's right, there are such rules. . ."

Liang Feihong shouted: "Fart, I haven't heard of such a thing, who allows you to keep this driver's license?"

Yash Nics finished speaking. , He reported a call to Liang Feihong.

"Your friend? Why don't you just ask someone to sing duo to play with me? When that happens, you can't finish eating!"

Liang Feihong said, dialing Yash Nicsbao's mobile phone number with his mobile phone.

The call was quickly connected, and a majestic voice came from inside: "Hello?"

Liang Feihong said loudly, "I am Liang Feihong, Captain of the Tianhai Traffic Police!"

The person on the phone was stunned: "What's the matter?"

Liang Feihong thought that the other party was frightened by his identity, so he sternly said: "Do you have a friend named Yash Nics? He retired, but still uses the driver's license of the army. This is illegal, he said. Can you prove to him that he is in a special situation?"

The person on the phone said with a smile: "Yes, his driver's license is

fine , you don't need to check him." Liang Feihong said angrily: "Who the hell are you? , You say you don't want to check, how old are you?"

That's right, the person on the other side of the phone, the leader of Jiangnan Province, the provincial chief Tao Donglin.

Tao Donglin sneered and said, "You call me, you don't know who I am?"

Liang Feihong was about to cry, he really didn't know that the other party was a provincial senior, otherwise he would not dare to speak like that.

He turned his head and looked at Yash Nics with a bitter expression on his face. He hated Yash Nics to death. Why didn't he say that it was the phone number of Mr. Shengzun earlier?

Yash Nics smiled, looking harmless to humans and animals.

Liang Feihong's voice trembled and kept apologizing to Tao Donglin.

Tao Donglin only said that you wait for a visit to my office, and then hung up the phone.

Liang Feihong held the phone in despair, as if the end had come.

Yash Nics said with a

smile, "Since it is no longer needed, can we handle this traffic accident now?" Liang Feihong nodded: "Yes, you can..."

He didn't dare to help Xiao Nian this time. He honestly went to the restaurant to check the video, and then sternly said to Xiao Nian: "You are suspected of driving dangerously and deliberately damaging other people's property. You are fully responsible for this traffic accident.

"Your driver's license is revoked, and you need to compensate Mr. Yash for the loss of the vehicle."

Xiao Nian opened his eyes wide when he heard the words, his face was aggrieved, and he was speechless for a while. He finally knew what it meant to shoot himself in the foot.

Liang Feihong on the spot gave Xiao Nian a penalty of 12 points deduction and the suspension of his driver's license.

The expressions of Xiao Nian and Xu Fengjiao were extraordinarily ugly, similar to those of Ji Xiang.

However, the two of them were shocked that Yash Nics had met Tao Donglin, Tao Donglin, the honor of the provincial government. At this time, Yash Nics could not understand the details of Yash Nics. The two of them did not dare to speak, and were aggrieved to bear the bitter fruit.

Of course, it is not Xiao Nian and Xu Fengjiao who are the worst, but Liang Feihong.

Liang Feihong will go to the provincial office to see Tao Donglin, thinking about it, his scalp is tingling!

After that, Yash Nics and Song Pingting Get in the car and drive away.

Song Pingting finally couldn't help but asked Yash Nics how to meet Tao Donglin, the respected Taoist?

Yash Nics smiled and said: "Did we not participate in the naval gala last time in Dongjiang City?"

"I participated as a veteran representative, and I also had a few conversations with Provincial Zun Tao Donglin at that time, so I met. "

Song Pingting was dubious when she heard the words, but Yash Nics's explanation was nothing wrong, so she could only believe it for the time being.

Song Pingting doubted Yash Nics's identity, and Xiao Nian was also investigating Yash Nics's details.

Soon, Xiao Nian found out the identity of Yash Nics, and learned that Yash Nics turned out to be the enemy who killed Tang Beidou and now could not live with their Xiao family!

Xiao Nian was taken aback, hurried home, and reported the incident to the old man!

## Chapter 526

13 Taibao!

Each of the thirteen masters raised by the Xiao family possesses very strong strength, one is worth a hundred.

Black robe, the most elite subordinate of the Xiao family, is qualified to wear black robe.

Master Xiao asked Xiao Yaoyang to dispatch Thirteen Taibao and Three Hundred Black Robes to kill Yash Nics, which was already the mainstay of dispatching the Xiao family.

Xiao Yaoyang heard that he was asked to bring hundreds of family masters to kill Yash Nics alone. He smugly said: "Yes, father, I will go to take Yash Nics's head."

Xiao Yaoyang quickly found out, Yash Nics and Song Ping Ting stayed at Moon Lake Inn in the provincial capital.

So, he took the thirteen Taibao and three hundred black robes, and rushed to the Moon Lake Inn with a murderous look.

Moon Lake is a well-known scenic spot in the provincial capital. There are many residential inns beside the lake, all of which are decorated in antique style.

This is an online celebrity check-in spot. Many men and women wearing Hanfu like to come here to take pictures.

Yash Nics and Song Pingting chose to live in a residential inn by the Moon Lake tonight.

The decoration of the inn is antique, and the window of the living room can overlook the beautiful view of Moon Lake, and there is a guqin in the living room, which shows that the owner of the inn is really attentive.

Song Pingting first took a few pictures of the night view of Moon Lake in the window, then sat in front of the guqin, then handed the phone to Yash Nics, and said with a grin: "Yash Nics, I am posing as if playing the piano, you take pictures of me."

Yash Nics smiled and said: "It's not easy, I teach you."

Song Pingting opened her eyes wide and said in disbelief: "Yash Nics, you can play Guqin?"

Yash Nics smiled and said, "Understand a little!"

After speaking, he opened his arms, hugged Song Pingting from behind, and taught Song Pingting to play the piano.

Song Pingting was held in her arms by Yash Nics, and she was in close contact with each other, and she could even feel Yash Nics's even breath, warming her neck.

Her pretty face turned red as if she had drunk alcohol, and her heart started to hop around.

"Zheng—" The

sound of the guqin sounded, very romantic and beautiful.

Song Pingting was nervous and shy, and said in a trembling voice: "Yash Nics!"

Yash Nics smiled and said, "Don't be nervous, relax, I will teach you how to play."

Song Pingting gave a shy hum.

In a trance, she felt that she was not learning to play the piano. In this antique environment and the romantic sound of the piano, she seemed to have traveled to ancient times.

It seems that she and Yash Nics are a newly married couple in ancient times. The newly married husband Yash Nics is drawing her eyebrows, very shy.

But at this moment, there was a bang from downstairs. It seemed that someone was kicking in, and then there was an exclamation.

Song Pingting raised her head and asked nervously, "What happened?"

Yash Nics rarely enjoyed a warm time with his wife, but was disturbed. An unknown anger rose in his heart. He stood up calmly, "It's okay, you I will continue to practice the piano here, and I will go downstairs and have a look." The

first floor of the folk house is usually occupied by the owner's family, and the second floor is rented out as an inn.

Yash Nics came down from the second floor, and then saw the house owner's family, knocked down to the ground, groaning in pain.

Xiao Yaoyang led a group of men and was forcing the house owner: "Where is Yash Nics?"

"I'm here!"

Yash Nics walked down the stairs with a cold face.

## Chapter 527

In the blink of an eye, three of the Thirteen Taibaos were under Yash Nics's hand. When Xiao Yaoyang saw the other men, they all showed horrified expressions.

Yash Nics's shots were as fast as lightning and erupted like thunder, bringing the power of fighting skills in the army to the extreme.

Punches and kicks, elbows and shoulder hits, every move is clean and sharp, and every blow is extremely sharp.

No one is Yash Nics's enemy of the Thirteen Taibao, who is rampant in the provincial capital on weekdays.

Every time Yash Nics took a step, he knocked down an opponent.

When Yash Nics took the 13th step, the 13 Taibao had all fallen into a pool of blood, dead and left.

Yash Nics stood in front of Xiao Yaoyang and said coldly: "You just said you want to kill me?"

Xiao Yaoyang was shocked, his face was horrified, and his voice trembled: "You, you..."

There were three hundred beside him. Heipao's subordinate, but he has a feeling that even three thousand subordinates may not be able to protect him.

Three hundred black robe saw Yash Nics kill the Thirteen Taibao as if killing him. It is as simple as a chicken but a dog, and they are also very afraid, but they have been cultivated by the Xiao family since childhood and are loyal to the Xiao family.

Hearing Xiao Yaoyang's order, three hundred black robes were preparing to bite the bullet and besiege Yash Nics.

But at this moment, countless armed off-road vehicles and military trucks suddenly appeared outside.

One after another, fully armed special forces fighters jumped off the military vehicle with agility and swift action, and then quickly surrounded the scene under the command of a tall colonel.

This special force is the Raptors Special Forces from the North.

And the commander is naturally Colonel Dian Chu!

Dian Chu sullenly shouted coldly: "Block the scene, no bird can fly out from here. If there are rebels, kill them."

Two thousand Raptors special fighters, holding submachine guns, responded in unison: "Yes!"

Wow!

Two thousand Raptors special fighters neatly took up their submachine guns and aimed at the Xiao family's subordinates at the scene.

The Xiao family's subordinates were so scared that they raised their hands and surrendered.

Xiao Yaoyang greeted Dianchu and said with a smile: "This sir, I am Xiao Yaoyang from the Xiao family, my own." Boom

!

Dian Chu raised the handle of the pistol and slammed it against Xiao Yaoyang's face, directly smashing Xiao Yaoyang's face with blood, and screamed and fell.

Dian Chu said, "What are you, who is your own?"

He finished speaking, put away the pistol, arranged his clothes, walked quickly to Yash Nics, and saluted: "It's too late to come down. , Please forgive the marshal! "

Marshal!

The people at the scene were stunned!

Especially Xiao Yaoyang, he forgot the sharp pain on his face, his eyes were round and his mouth opened, and he looked at Yash Nics in disbelief.

Young handsome!

Only the commander of the Northern Territory has this honor in China.

Xiao Yaoyang looked at Yash Nics with horror, and at the same time his heart was sinking rapidly, desperate.

At this moment, he finally knew Yash Nics's true identity.

He also finally knew why the Thirteenth Taibao was so vulnerable in front of Yash Nics.

He finally knew why the Sword God of Dongying was frightened when he saw Yash Nics.

Because Yash Nics is the young marshal of the North, the Chinese God of War!

Yash Nics calmly instructed Dianchu: "You came just right, and arrested all these people. I took advantage of this time to come to the provincial capital, just to settle accounts with the Xiao family." Dianchu said solemnly

: "Yes!"

Yash Nics took a look. Not far away, the family of the inn owner who was injured by the Xiao family said: "Send the inn owner to the hospital for treatment, and warn them not to reveal the secret of my identity."

Dian Chu said, "Yes."

Yash Nics waved his hand: " Move quickly, don't affect my wife's rest."

Dian Chu quickly said: "Yes, young commander!" The

Raptors Special Forces regiment came quickly and retreated quickly.

Xiao Yaoyang and others were all captured by the Raptors Special Forces.

The innkeeper's family was also sent to the hospital for treatment.

Even the blood on the ground on the first floor and the kicked door were all handled in the shortest time.

Yash Nics went upstairs calmly and returned to the second floor.

Song Pingting was worried. She just couldn't help but want to go downstairs to see what was going on, but she didn't expect Yash Nics to have returned.

She hurriedly asked Yash Nics: "What happened? I saw a lot of military vehicles on the street downstairs, and the troops were dispatched?"

Yash Nics said calmly, "A group of gangsters beat and smashed the inn, and the nearby special forces personally Come to arrest people, now the gangsters have been arrested and they are all right."

Song Pingting was relieved and couldn't help saying: "I didn't expect the public security to be messed up here in the provincial capital!"

Yash Nics smiled and said, "I." I think it's okay, at least the troops handled it in time."

Song Pingting nodded: "This is true!"

Late at night, the Xiao family mansion.

Master Xiao was sitting on the Grand Master's chair in the living room with a blue face. In the living room, in addition to a group of important members of the Xiao family, there were also Mitsui Takeshi and a group of Dongying people.

Master Xiao looked at a group of Xiao family members and said angrily: "No one can explain to me what happened?"

"In our Xiao family's site, Yaoyang, the Thirteen Taibao, and three hundred black robes, It just disappeared out of thin air?"

Everyone in the Xiao family looked at each other, and none of them could answer.

Because they don't know what happened?

It is obvious that Xiao Yaoyang brought a group of men down to find Yash Nics, but he was gone forever and just evaporated in the world.

With the strength of their Xiao family, they couldn't find out where Xiao Yaoyang and others had gone?

Master Xiao said angrily: "You really disappointed me!"

Just when everyone in the Xiao family was panicking, outside the door, suddenly a middle-aged man in a black jacket came in with a few entourages.

Even Takeshi Mitsui came over and said hello politely at this time: “Hello

, Mr. Xiao!” Before, everyone in the Xiao family pleased Takeshi Mitsui.

Now, it’s Mitsui Takeshi’s turn to please Xiao Jiankang respectfully.

Xiao Jiankang only slightly nodded in greeting Mitsui Takeshi.

After all, his identity as Kyōjozun is here, even if Mitsui Takeshi is the head of the famous consortium of Toyo, he does not take it seriously.

Master Xiao smiled and asked his son, when will the military be notified and let the military release?

Xiao Jiankang smiled slightly and said, “Yaoyang has been in good standing over the past few years. It has been a long time. It is estimated that it will be too much to bear. I will call General Liu Zhenping!”

Everyone looked forward to the words, including Mitsui Takeshi and his party.

Xiao Jiankang took the cell phone from the secretary and dialed Liu Zhenping’s private number in person.

Liu Zhenping hasn’t slept yet, he is playing chess with his staff member Guoquan.

Seeing that the caller ID was Xiao Jiankang’s number, Liu Zhenping did not rush to answer the phone, but looked at Wu Guoquan with a smile but a smile: “Oh, Xiao Jiankang called me.”

Wu Guoquan played with a black man and smiled: “When Yash Nics moved Tang Beidou before, I knew that the Xiao family had a conflict with Yash Nics sooner or later.”

“Now Xiao Jiankang personally calls you, the general. It is estimated that the Xiao family has been choked by Yash Nics during this period. Xiao Jiankang can’t sit still. I live in person.”

Liu Zhenping said with a smile: “How do you think I can deal with it?”

Wu Guoquan said: "The Xiao family is a local snake in the south. General, you sit in the south, and you often deal with the Xiao family. Xiao Jiankang is still the capital of the capital. , Has quite a status in Beijing, and is not suitable for evil."

"Yash Nics is the commander of the Northern Territory. He has a prominent status in the army. The general has a good relationship with the young commander, so naturally he can't offend it."

"Therefore, the subordinates suggested that the general only need to get out of business. That's fine."

Liu Zhenping smiled, without comment, pressing the answer button, and connected to Xiao Jiankang's phone.

Xiao Jiankang and Liu Zhenping knew each other, and they had a good relationship, so they didn't hide it, and just said it straight to the point.

His younger brother Xiao Yaoyang was arrested by Yash Nics using military-Chinese relations. He asked Liu Zhenping to release him and punish Yash Nics.

Liu Zhenping smiled and said, "Brother Xiao, what kind of friendship do you have with me? I will definitely handle your comments."

Xiao Jiankang's mobile phone is turned on and hands-free, and everyone next to him can hear it clearly.

Hearing General Liu's words, everyone showed a surprised expression and was proud of Xiao Jiankang.

When Xiao Jiankang saw that Liu Zhenping gave him such a face, he had a good face.

But after Liu Zhenping's voice fell, he immediately added: "It's just that this matter is a bit difficult to handle." The

smug smile on Xiao Jiankang's face instantly froze, frowned slightly, and asked: "General Liu, what do you say about this? "

## Chapter 530

Liu Zhenping explained: "In the Jiangnan

Army, I have the final say." "But the regiment that captured your brother Xiao Yaoyang does not belong to our Jiangnan Army, but belongs to the Northern Army."

Xiao Jiankang frowned: "How can the regiment of the Northern Army appear in our south?"

Liu Zhenping smiled and said, "I came here to participate in the joint exercise. You know that Yash Nics retired from the Northern Territory and has a close relationship with Wang Daofang Ok..." The

Xiao family had already checked Yash Nics's details. According to the information they found: Yash Nics was a soldier of Wang Daofang before, and Major General Wang Daofang took great care of Yash Nics after he retired from the army.

Yash Nics caused trouble several times in Jiangnan Province, but Wang Daofang sent troops to Yash Nics to relieve the trouble.

Xiao Jiankang: "General Liu meant that this time it was the Northern Army and was taking care of Yash Nics?"

Liu Zhenping smiled and said, "That's right, the person who captured your brother is the Northern Army. I only care about the Jiangnan Army, so it's not good.

Take care of it." "If I am a soldier in the North, they must think I am going to be a young commander in the North. Do you think that?"

Xiao Jiankang said, " But I and they arrested my brother, and Yash Nics would still fight. It hurt several disciples of our Xiao family. This matter must be dealt with."

Liu Zhenping said, "Well, I will not interfere in this matter. I only promise that the Jiangnan Army will be neutral. How about the two?"

Xiao Jiankang squinted and asked.

”

Where is Wang Daofang ?” Liu Zhenping smiled: “Wang Daofang used to be from the North, but now he has been transferred to Jiangnan and is already my subordinate. All of my subordinates are not allowed to participate in this matter.” Xiao Jiankang He smiled with satisfaction, Wang Daofang couldn’t help Yash Nics anymore.

Then a small corps that relies on the northern border to participate in the exercise can keep Yash Nics?

He thanked Liu Zhenping and had to contact Dian Chu, the commander of the Raptors Corps.

Then, he started calling Dian Chu and asked Dian Chu to let him go.

Dian Chu had just imprisoned Xiao Yaoyang and a group of guys, and when he saw a call from a stranger, he frowned and connected.

When the phone was connected, a majestic voice came from the phone: “I am Zun Xiao Jiankang in Beijing, you are the commander of the Raptors Corps, Colonel Dianchu?” When Dianchu

heard that he was from the Xiao family, the corners of his mouth rose slightly. But he

mumbled : “Yes, what’s the matter?” Xiao Jiankang said solemnly: “I just talked to General Liu Zhenping, the commander in chief of the Jiangnan Army, and General Liu said that my brother’s arrest has nothing to do with him. It’s you from the north. The corps from the border, arrested my brother without authorization?”

Dian Chu grinned and said, “Yes, what’s wrong?” What’s

wrong?

Xiao Jiankang’s eyes widened in disbelief. General Liu Zhenping was very polite to him. How dare such a small colonel like Dian Chu talked to him?

Everyone in the Xiao family, as well as Mitsui Takeshi and his party, looked at each other.

Xiao Jiankang's face sank, his face looked particularly serious, and he said coldly, "What's wrong? You're mischievous. I ask you to release people immediately, or you will be at your own risk."

Dian Chu said with a grin, "Release people, it doesn't exist. Unless Yash Nics says to forgive you Xiao family, don't even think about it. "

Damn!

A little colonel is so arrogant!

Xiao Jiankang's temple throbbed and said angrily: "This colonel, your corps is only two thousand people, and my Xiao family can pull out twenty thousand people casually."

"General Liu has already said that he won't help you, you. ? Believe it or not we xiaojia you have to win the whole corps to "

Code Chu smiles:"! I Again, Yash said release to release, what do you talk about it with Yash Nics "
