Xiao Jiankang felt that he was greatly insulted, to be precise, he was beaten in the face.

Liu Zhenping was very polite to him, and Dian Chu, the little colonel, didn't even give him any face.

He also showed off to everyone just now, saying that the military released people, and at the same time he tied Yash Nics to be punished.

Xiao Jiankang feels that his face is scorching.

Xiao Nian, an eye-opening child of the Xiao family, also said, "Uncle, this little colonel doesn't take you seriously?" Well

Master Xiao also reprimanded: "Here you have a place for juniors to talk. Get out."

Xiao Nian's face was pale and he hurriedly quit the hall.

Master Xiao looked at Xiao Jiankang: "My son, it seems that this colonel is trying to protect Yash Nics, what do you think?"

Everyone in the lobby of the Xiao family looked at Xiao Jiankang together.

Xiao Jiankang said: "This Dian Chu is probably a simple-minded man. He doesn't know how to live or die . Yash Nics should know how good it is." "I have ordered Yash Nics to release people immediately, and come to our Xiao family to take care of Jing personally. Please sin."

Master Xiao and the others nodded and said with a smile: "

After he finished speaking, he dialed Yash Nics's phone again and said majestically: "Yash Nics, I am Zun Xiao Jiankang in Beijing."

After speaking, he picked up his mobile phone and called Yash Nics again.

Soon, Yash Nics answered the phone.

Xiao Jiankang said coldly: "Yash Nics, this is the last chance I give you. Don't not cherish it, or you will regret it when the time comes."

Yash Nics smiled and said: "Hehe, I have never given others a chance, and no one else has given me a chance."

"Xiao Jiankang, you want me to let go, and you want me to kneel down and apologize to the Xiao family. That is impossible. "

If your Xiao family is willing to apologize for me, I can consider forgiving you once."

Xiao Jiankang suppressed his anger: "Hehe, young people, don't be so arrogant."

"General Liu Zhenping has already stated that Wang Daofang will not help you this time. " , Relying on Colonel Dian and his two thousand soldiers, you can't keep you."

"Believe it or not, our Xiao family will be able to summon 20,000 people and take you and Dianchu all?"

He squinted his eyes and said, "Tell them, let Yash Nics and Dianchu come out to answer."

Master Xiao was helped by his subordinates and walked over. He bit the bullet and said, "I'll let the old man come to admit the mistake. The Xiao family was wrong on the idea of not using the Blue Sky Company, and should not want to take Ningda Group as their own." The

first sentence of admitting a mistake is always difficult to say, but once the first sentence is said, then the latter It's much easier.

Master Xiao continued: "Our Xiao family is even more mistaken in that we should not send people to trouble the young marshal, should not harass the young marshal's family, should not gather a large number of subordinates, and attack the army station."

"Our Xiao family has no eyes, and it has caused the young marshals to be very troublesome. Big trouble, please marshal to convict."

Yash Nics smiled and said, "Your Xiao family's fault is more than this. You use Tang Beidou as white gloves to make money and monopolize all walks of life in the south."

"Which one have you seen? If the industry makes money, you will stretch out your black hands. If they don't agree, you will destroy them."

"Your Xiao family is really lawless!"

Master Xiao, Xiao Jiankang and the others, all bowed their heads and dared not refute.

Yash Nics's gaze fell on Xiao Jiankang, and said lightly: "Originally you didn't mess with me, and I also closed one eye to you, but you touched my bottom line."

"I punished your Xiao family very much. Simple, your Xiao family retired from now on and returned to Jiangnan to be clean. "

What? !

Master Xiao, Xiao Jiankang and the others were pale, and to let them retreat was to let them give up their status in Jiangnan Province and stop bullying and dominating the market in Jiangnan Province.

"Too much?"

Yash Nics's expression became cold. "Just let your Xiao family retreat. You think it's too much. Why didn't your Xiao family say too much when you wanted to kill me?"

"Since you are not convinced, then I will let you know what is too much!"

Yash Nics handed the phone to Xiao Jiankang, and said indifferently: "Let you listen to the phone!"

Xiao Jiankang answered the phone with a panic expression, his hands trembling.

"I am a very good person. If you are dissatisfied, I will satisfy you!"

Xiao Jiankang completely lost his temper and said weakly: "There is no dissatisfaction, our Xiao family will completely retreat according to your command, the marshal." In a

day.

All of the 20,000 subordinates of the Xiao family were assigned to the northern border labor camp.

The Xiao family, which originally monopolized all walks of life in the south of the Yangtze River, sold their properties wildly, thanked guests behind closed doors and began to retreat.

Because Yash Nics ordered the news to be blocked, the entire Jiangnan Province was baffled by the actions of the Xiao family.

There are gossips that Xiao Jiankang's life style is problematic and he is dissatisfied.

The Xiao family was afraid of being investigated thoroughly, so they caught their tails and became a man.

The Jiangnan Chamber of Commerce has also absorbed several of the most powerful underground powers in the provincial capital and acted as the minions of their three major families.

As for the purpose of establishing the Jiangnan Chamber of Commerce, it is also very simple.

That is to occupy this piece of fat in the south of the Yangtze River and not let the power of the provinces come in.

The president of Jiangnan Chamber of Commerce, Liu Zixiong, is talking with two vice presidents, Wang Rui and Zhang Hongming.

Liu Zixiong said angrily: "I originally planned to let Ningda Group join our chamber of commerce, but Yash Nics and his wife, without giving any face, refused our invitation."

Wang Rui said with a curled mouth, "Reject our invitation. Not joining our chamber of commerce is their loss, why should you care about it, the president?"

Zhang Hongming said with a smile: "Lao Wang, Ningda Group is thriving, especially their liver cancer vaccine, which is said to have made crazy money."

"According to the rules of our chamber of commerce. If you join the conference, you must devote 20% of the profit to the chamber of commerce as a daily operating fund for the chamber."

"If we can draw in Ningda Group, we can get a share of them!"

Wang Rui's eyes lit up, greedy. Said: "Then they must be forced to join our Chamber of Commerce!"

Liu Zixiong squinted his eyes and said: "Let's establish the Chamber of Commerce to defend Jiangnan Province from being stepped in by other provinces and protect the plate of Jiangnan Province. Yash Nics and Song Pingting are both in Jiangnan. Make money without joining us to resist intrusion from other provinces."

"Just thinking about making money, don't want to pay, how can there be such a good thing!"

“They have to join if they don’t join, otherwise don’t blame us for using extraordinary means.”

Wang Rui and Zhang Hongming were both interested, and asked Liu Zixiong if they had any good ideas?

Liu Zixiong sneered: “Ningda Group seems to be planning to build a second pharmaceutical factory in the provincial capital. Yash Nics and Song Pingting have been staying in the provincial capital these days.”

“I plan to bring the Panthers and go to Yash Nics and Song. Ping Ting talks. If they refuse to submit, then don’t leave the province alive.”

Chapter 538

Black Panther!

Among the Jiangnan Chamber of Commerce, among several underground circle bosses, the fiercest one.

He carried hundreds of lives on his back, and his men raised hundreds of desperadoes.

It is estimated that when Yash Nics and Song Pingting saw a ruthless character like Black Panther, they would be scared to face them, and they obediently agreed to join the Jiangnan Chamber of Commerce.

Wang Rui and Zhang Hongming both laughed and said, “Haha, it should have been so long ago. Don’t give Yash Nics and Song Pingting a little bit of color. They don’t know that Prince Ma has three eyes!”

Provincial government, reception room.

The military and political leaders of Jiangnan Province, including Liu Zhenping, Tao Donglin, Wang Daofang, Li Zilong, Zang Liang, Li Zilong, Liang Wenjian, are smiling and chatting with Yash Nics and Song Pingting.

Provincial respect Tao Donglin smiled and said to Song Pingting: "President Song, you can rest assured that your Ningda Group is one of the best private enterprises in Jiangnan Province, and we must support it."

"You Ningda Group intends to stay here this time. For the establishment of the second pharmaceutical factory in the provincial capital, we will definitely give the greatest support in terms of policy."

Song Pingting does not know most of the leaders present, but she does know Tao Donglin, the provincial chief.

She heard Mr. Shengzun's statement that he would support the development of Ningda Group, and said gratefully: "Thank you

Mrs. Shengzun, and thank you all for your support and encouragement." Tao Donglin looked at his watch, and then smiled at Yash Nics, "Mr. I have already ordered the guest house to prepare food and drinks. Let's go over and have a meal?"

Yash Nics smiled lightly: "Yes!"

Liu Zhenping said heartily, "Let's go, I can't wait to have a drink with Mr. Chen. "

So, Yash Nics, Song Pingting, and Liu Zhenping, a group of leaders from the military and political circles of Jiangnan Province, came out of the reception room and came downstairs.

There are already several Jinbei vans waiting.

It turns out that neither Liu Zhenping, the commander-in-chief of the Jiangnan Military Region, nor the provincial honor Tao Donglin, do not like high-profile.

So instead of driving a military vehicle or an official car, I opted for a few inconspicuous Jinbei vans for dinner in the guest house.

A group of people, in a van, went to the guest house.

What Yash Nics and Song Pingting didn't know was when they stayed in the hotel last night.

The hotel attendant was bought by the Jiangnan Chamber of Commerce with money, and secretly put a small mini location tracker in Song Pingting's handbag.

At this moment, people from the Jiangnan Chamber of Commerce are tracking the specific locations of Yash Nics and Song Pingting through the tracker.

Before Yash Nics and their vans arrived at the guest house, they were suddenly surrounded by dozens of vehicles and stopped.

Liu Zixiong, Wang Rui, Zhang Hongming, as well as the red sticks and black panthers of the Jiangnan Chamber of Commerce, as well as hundreds of thugs holding iron pipes and machetes, all got out of the car.

Liu Zixiong squinted his eyes, led a group of men, and surrounded several vans.

He squinted his eyes and said, "Yash Nics and Song Pingting, I know you are in the car."

"I am Liu Zixiong, the president of the Jiangnan Chamber of Commerce, and I am here to talk to you about joining the Jiangnan Chamber of Commerce."

Five Jinbei vans, Quietly, the driver did not get out of the car.

Liu Zixiong's face sank, and he winked at the panther beside him.

Panther knows, holding an iron pipe, walks to the front of a Jinbei van.

He raised the iron pipe and smashed a headlight of the van with a bang.

He threatened fiercely: "Fucking, our president made all the dog craps in your car roll down, didn't you hear it?"

"I counted three times. The people in the car didn't roll off the car obediently. Then let me brothers, lift you out of the car."

Panthers hadn't officially started counting, and the door of the first van opened with a crash.

A pair of handsome men and beautiful women got out of the car, it was Yash Nics and Song Pingting.

Yash Nics looked at Liu Zixiong and others, and said indifferently: "Jiangnan Chamber of Commerce, it's really crazy enough to dare to let us get off the car!"

Liu Zixiong grinned and said, "Haha, I'm sorry, now the Xiao family is retired. The provincial city is our Jiangnan Chamber of Commerce. In this world, we are so arrogant!"

Wang Rui, Zhang Hongming and Black Panther and other thugs, all of them screamed.

Yash Nics seemed to smile but not smile: "Are you really so good? Why don't I believe it? If nothing else, I feel that some of my friends in my car will definitely be unconvinced by what you said!"

Liu Zixiong sneered: " Friends in your car?"

"Hehe, tell all your friends to come down. In this part of the provincial capital, whoever I want Liu Zixiong to kneel down, he dare not stand." As

soon as Liu Zixiong's voice fell, there was a majestic voice . He snorted: "What a big tone!"

Then, I saw a middle-aged man wearing a black jacket on the first van, who was Tao Donglin, the provincial honorary Tao!

Liu Zixiong's scalp went numb when he saw Tao Donglin.

He was so startled that his eyes were about to fall to the ground, and

he trembled : " Master Sheng, Shengzun , why are you?" Not only did Liu Zixiong numb his scalp with fright, he trembled.

The Panthers, Wang Rui, Zhang Hongming and others all paled instantly, and they all showed horrified expressions.

Blocking the road, shouting, screaming, killing, unexpectedly stopped the car of Mr. Shengzun.

This is simply stealing a confession from the Hades table, seeking a dead end!

Tao Donglin said with a sullen face, "Liu Zixiong, you are really good enough to make me kneel down!"

Liu Zixiong wanted to cry and die at this time. He trembled and said with a trembling, "

Master Shengzun, listen to me. This is a misunderstanding..." Tao Donglin said coldly, "Misunderstanding, but I take it seriously."

"Come on." Come here, I want to see how you make me kneel down!"

Tao Donglin just finished speaking, and on the second van, a strong middle-aged man got out of the car and said loudly and forcefully: "I am the Provincial Armed Police Brigade. Commander-in-chief Zang Liang, count me!"

A tall figure in a major general's uniform followed up from the van: "I'm Li Zilong, commander-in-chief of the provincial military region, count me!"

One was wearing a black special combat uniform. The man also came down and said loudly: "I am Liang Wenjian, commander of the Dongjiang City Sharp Sword Special Forces Regiment, and I am counted as one!"

Another man in the major general uniform came down and said coldly: "I am the Mannity Military Region Commander Wang Daofang, count me!" The

famous leaders in the military and political circles of Jiangnan Province kept getting off several vans.

Every time a person came down to declare their identity, Liu Zixiong's faces paled, their cold sweats became more severe, and their bodies tremble more severely.

The last person who got out of the car was Liu Zhenping. Liu Zhenping was not angry and mighty, and said in a deep voice: "I am the commander-in-chief of 300,000 soldiers in the

Jiangnan Military Region. Liu Zhenping, count me, I want to see who dares to let us kneel down. !”

Plop!

Liu Zixiong, who was already crumbling, when he saw Liu Zhenping, the trace of strength left in his body completely disappeared.

The whole person was like falling into an ice cave, cold all over, and knelt down with a weak plop.

Plops, plops, plops...

Black Panther, Wang Rui, Zhang Hongming and others threw down their weapons one by one, and they knelt down in fright.

Many people are directly frightened and incontinent, and the smell and bashful smell fills the air.

According to legend, the unicorn is the king of beasts. Whenever the unicorn is hungry, he roars in the mountains and forests.

All the beasts were frightened and weak, one by one lying on the ground, waiting for the unicorn to eat them, they didn't even have the courage to escape.

Only when the majestic unicorn was full, the rest of the beasts dared to disperse and escape.

At this moment, Liu Zixiong and the others felt that they were the beasts who fell to the ground and died, and the people in front of them were all unicorns. Anyone who slapped their mouths would be able to destroy all of them.

Liu Zixiong knelt on the ground, kept knocking his head, knocking the concrete floor banging, knocking himself full of blood, and trembling constantly in his mouth, saying: “I am wrong, we are wrong, please adults Forgive us...” The

rest of Panthers and others also kowtowed together, crying and begging for mercy.

Chapter 540

Tao Donglin coldly snorted: "I just blocked the road and smashed the car, clamoring that you are the best in the provincial capital. Where is the arrogance that made us kneel down?"

"I want you to follow Yash immediately Mr. Song and Mrs. Song apologize!"

"If Mr. Yash and Ms. Song are not satisfied, I will take care of you myself."

Liu Zixiong and others hurriedly begged for mercy to Yash Nics and Song Pingting.

Yash Nics sneered and said, "Hehe, when you are the

bachelor, you have to be hard to the end. You make me look down on you even more." Liu Zixiong and the others just cried and begged for mercy, kowtow desperately.

Song Pingting saw these guys weeping bitterly, and they were bloody and soft from kowtow, so she whispered to Yash Nics, "How about a little punishment?"

Yash Nics smiled and said, "Okay, I." Listen to your wife."

Song Pingting's pretty face suddenly turned red, and she was both happy and shy in her heart.

Yash Nics looked at Liu Zixiong and others, and said faintly: "My wife is kind-hearted and doesn't want to be true to you. But you can forgive your death and your life."

"You people will surrender yourself when you are in the north." After three years of labor reform, do you have any comments?"

Liu Zixiong and others heard that if they were amnesty, where would they dare to have any comments, they all lay on the ground and thanked them: "Thank you, Mr. Yash, and Ms. Song. We are willing to accept punishment. No comments. "

Yash Nics nodded, and said coldly: "Go and surrender yourself. Remember that you supervise each other. If one person is

missing , all people will have to sit down and be punished more severely ." Liu Zixiong and others knew that. Don't even think about running away.

Whoever dared to escape, let alone run away, the rest will definitely get bad luck.

Everyone must supervise each other, and no one is allowed to evade sanctions.
