crazy cow finished speaking, he raised his right fist and punched the head of a stone lion in front of the ruins of the Song family gate.

Boom!

The head the size of a stone lion’s grinding disc was directly smashed by the mad bull with a punch.

The mad cow kept moving, swept out with one sharp kick, and kicked another stone lion in the head.

Holding Deng Hairong's arm, she sneered and said to Song Pingting and the others: "Heh, do you know that you are scared or desperate?"

"Why did you go early?"

"Aren't your Song family arrogant? Why aren't you arrogant anymore?"

Song Qingsong brought a group of family members and greeted him in fear. He put down his old face, walked in front of Deng Hairong and Wang Yao personally, and carefully apologized and said, "Mr. Deng, Mrs. Deng, everything is wrong. It's our Song family's fault."

"We know it's wrong. Please raise your hands high and give us a chance. We are willing to compensate you for the loss of the Deng family in any way."

Wang Yao raised his hand and slapped Song violently. Qing Song's face.

Snapped!

The slap was so cruel that Song Qingsong could not stand steady and retreated staggeringly. Fortunately, his family supported him in time, otherwise he would fall to the ground.

His old face flushed red, and he said in grief and angrily: "You, you, you, you hit me?"

Wang Yao sneered, "Heh, what happened to you, what I was hitting?"

"And I not only dared to hit me? You dare to kill you, even your whole family, do you believe it or not?"

Song Qingsong trembled with anger: "You!"

He wanted to say or not, but look at Deng Hairong with a sneer on his face, and the murderous people around him. The Deng family's four major warriors, there are already 800 Deng family athletes, he finally didn't dare to say or not believe it.

Because he was afraid, his words angered Deng Hairong and caused Deng Hairong to commit a murder.

Although Song Pingting's relationship with her grandfather has deteriorated recently, she is still a family.

She saw that her grandfather was slapped by Wang Yao, and Wang Yao was still aggressive after hitting someone.

She finally couldn't help but stepped forward and stopped in front of her grandfather. She angrily reprimanded: "Wang Yao, you actually beat an 80-something old man, you are too shameless."

Wang Yao's face became hard to look at after hearing this. , Said with a sneer: "Okay, I won't hit this old thing, I'll hit you."

"Today I won't slap your bitch's face, I am your daughter!" After

Wang Yao finished speaking, she raised her palm. It was about to pull towards Song Pingting.

But at this moment, there was an indifferent voice: "You are a vicious woman who is not worthy of being my daughter."

Wang Yao was startled when he heard the words, and looked at the direction of the sound with everyone on the scene.

Then, I saw a man with a tall figure and a star-like star, coming over with a cold face.

Tong Ke saw Yash Nics, she immediately clapped her hands in ecstasy: "Oh, my brother-in-law is here, you Deng family

Those of you are going to be unlucky." Song Qingsong's family saw Yash Nics coming, and if they saw the life-saving straw, they also showed a surprised expression.

However, Song Qingsong's family's surprised expressions quickly solidified.

Because they discovered that Yash Nics had come alone, without a helper around him.

The hearts of Song Qingsong's family sank again, desperately thinking: It's over, everyone knows that Donghai Deng's family is great, and Yash Nics has not invited a helper.

Even Dong Tianbao hasn't seen him, this time it's over.

Seeing Yash Nics appeared, Song Pingting, Tong Ke, Song Zhongbin, and Ma Xiaoli, who was holding Song Qingqing, greeted them with surprise.

Song Qingsong's family looked at Yash Nics responsibly, and said in a low voice: "Yash Nics, didn't you go to find a helper to fight against the Deng family? Helper?"

Song Qingsong's voice was not very loud, but was Deng Hairong, Wang Yao and others could hear clearly.

The corners of Deng Hairong's mouth rose slightly, revealing a mocking smile.

Wang Yao laughed exaggeratedly: "Hahaha, it's so funny to find a helper to fight our Deng family."

"Looking at the whole Jiangnan Province, how many daring to go against our Deng family?"

"In Mannity City, who has the courage to live with our Deng family?"

Wang Yao said here, looking at Yash Nics, Song Qingsong and others with a sneer, and mockingly said: "Liu Hong and Chen Ba who are heavily invited by the Song family The underground overlord of Lanshan City has not been

wiped out by our Deng family. Do you think there are people who dare to help you?" Song Qingsong's family looked dead after hearing this.

They knew that although Wang Yao's words were arrogant, it was undeniable that what Wang Yao said was the truth.

In the entire Mannity, no one can help them, and no one can help them.

They are dead today.

Deng Hairong's eyes fell on Yash Nics. He knew that his brother was killed by Yash Nics.

He wanted to see Yash Nics's regret, fear, despair and other negative expressions at this time.

But what surprised him was that instead of being as flustered and scared as the Song family, Yash Nics was also very determined, and seemed to not take the large number of people in the Deng family seriously.

This discovery made Deng Hairong very uncomfortable.

He sank his face, squinted his eyes, looked at Yash Nics, and said coldly: "You are Yash Nics?"

Before Yash Nics spoke, Wang Yao pointed at Yash Nics proudly and said, "Yash Nics, my husband. When I'm asking you something, I immediately roll over and kneel to answer my husband's words."

Yash Nics stood with his hand in his hand, without even looking at Wang Yao, but at Deng Hairong, and said faintly: "Your Deng family is originally a famous door in the East China Sea. If you stay and develop in the East China Sea, you have a bright future."

"Unfortunately, you made an extremely stupid decision to come to Mannity to provoke me."

"Now I give you the last chance of the Deng family, while my helpers have not yet When you arrive, you can run away quickly."

Yash Nics's voice fell, Deng Hairong's eyes widened, and everyone in the Deng family's eyes widened.

Song Pingting's family also showed weird expressions!

Song Qingsong's family is completely messy in the wind!

Song Qingsong knew that Yash Nics was crazy talking, but he didn't expect Yash Nics to be so crazy.

What's the situation?

Everyone in the Song family had their lives hanging by a thread, and Yash Nics even dared to pretend to be compelling.

He even said to give the Deng family a chance to let everyone in the Deng family escape quickly?

Song Qingsong couldn't stand Yash Nics anymore, and said angrily: "Yash Nics, you brag, don't make drafts, and be a jerk without brakes."

"If you want to die, then you die by yourself. , Why are you bragging to anger Mr. Deng, don't kill us!"

Deng Hairong, Wang Yao and others looked at Yash Nics sneer.

Yash Nics smiled and said, "Master, don't worry. I said that if you keep your Song family safe, you will be okay."

"As for their Deng family, I have given the opportunity, so they will cherish it. "

Do you think he should be awake? Let him know the cruelty of reality?"

Deng Hairong shouted: "Doctor!"

Among the four major warriors behind him, he was wearing a doctor-like gown and a pair of gold glasses on the bridge of his nose, which looked gentle. The doctor walked out with a smile: "

Patriarch , what's your order?" Deng Hairong played with Wang Yao's little hand and casually ordered: "Help him cut a catty of meat!" The

doctor looked at Yash Nics and said, "Okay!"

Deng Hairong He added: "Be careful that you can only cut him a pound of meat, and you have to cut it with one knife. Each cut one or two meat, a total of ten knives."

"Also, after the cut , he cannot die or pass unconscious, I It depends on how he can't survive."

Deng Hairong's words made everyone in the Song family pale.

However, the doctor was like magic, with a thin, shining sharp scalpel in his hand.

He grinned and said: "It must be done exactly as Patriarch your instructions, and I will never let him die or pass unconscious."

"Because I like to listen to the screams of others under my knife, this is the most beautiful voice in the world. "

Ning heard, his eyes showing a touch of Lengmang.

This kind of psychopathic demon shouldn't live in the world.

The doctor noticed the change in Yash Nics's complexion, and he smiled triumphantly: "He is scared, his complexion has changed. Haha, fear, scream, kid!" The

doctor finished, his body moved.

The speed is very fast, so fast that people at the scene can't see it clearly.

Only a vaguely overlapping white afterimage could be seen, rushing towards Yash Nics.

The scalpel in the doctor's hand sharply cuts towards Yash Nics's right arm.

After accurate calculations, he was able to cut a couple of pieces of meat from Yash Nics's arm with this cut.

But what he didn't expect was when his scalpel was about to fall on Yash Nics's arm.

Yash Nics dodged suddenly.

With this sharp cut, he finally cut on a sycamore tree trunk.

He snorted, increased his strength, and cut the sycamore tree directly with the blade as if cutting tofu.

The plane tree crashed to the ground!

The Song family was shocked, and with a small scalpel, they were able to cut a sycamore tree.

The strength of this doctor is too terrifying.

The doctor cut the sycamore tree with a knife, but suddenly discovered that Yash Nics had flashed behind him.

Without turning his head back, he slashed at Yash Nics's chest with a backhand.

This trick was his unique skill, and he called it back.

Unexpectedly, there is no disadvantage.

However, when dealing with Yash Nics, he lost again.

When the scalpel was a few centimeters away from his chest, Yash Nics raised his hand and grabbed the opponent's wrist holding the knife.

The doctor was shocked: "You!"

Yash Nics was already squeezing his palms and fingers before he finished speaking.

There was a cracking sound of bone fracture.

The bone in the doctor's right hand was crushed by Yash Nics abruptly.

"Ah—" The

doctor screamed.

Yash Nics made consecutive shots!

Click, click, click, and the sound of broken bones continued to sound.

The doctor's hand and foot bones were all crushed by Yash Nics, and even the lumbar vertebrae were kicked and broken by Yash Nics.

The doctor began to scream very screaming, and finally the screams gradually weakened.

But the bones of his hands and feet were all broken, and the bones of the lumbar vertebrae were also kicked off, making him fall to the ground like an old dog with a broken back, wailing in pain and despair...

Yash Nics looked at the doctor indifferently at the doctor who could not survive and said, "You are not Do you like to kill others and listen to others' screams?"

"Now let you taste this too, and appreciate your own screams!"

Everyone on the scene looked at Yash Nics in shock.

Obviously, no one had expected that the doctor, one of the four major generals of the Deng family, would be completely abused by Yash Nics.

Deng Hairong looked up and down Yash Nics, as if he wanted to get to know Yash Nics again.

He squinted his eyes and said, "Boy, no wonder you are so crazy. You are a little capable. I underestimated you." After

he finished speaking, he asked the three remaining fighters next to him: "Which one of you will take his life?"

Hook , Mad Cow and Ghost have not spoken yet.

Yash Nics has already said indifferently: "Let's go together, don't waste my time."

Deng Hairong said angrily: "Crazy enough, hook, crazy cow, ghost, you go together, let him regret coming to this world."

"Kill!"

Both hook and crazy cow, Pounced on Yash Nics first.

On the contrary, the ghost took a beat!

It's not that the ghost is inferior to the hook and the mad cow, but just the opposite.

The power of the ghost is the strongest existence among the four major generals of the Deng family, and he can defeat the other three by himself.

He didn't bother to join forces with Hook and Mad Bull to besiege Yash Nics, so he deliberately fell on the action to take a slow shot.

sharp hook on the right arm of the hook slammed into Yash Nics's neck.

Yash Nics collided with Crazy Bull's fists!

Crazy Bull's palm bones were all shattered in an instant, his entire hand swelled into a bun, and he pulled back with a mournful hum.

The hook was shocked, and he yanked the hook back forcefully.

But he exhausted all his energy, but he couldn't move a bit.

Yash Nics tugged slightly with his left hand, then pulled the hook over, flew a kick, and kicked the hook in the chest.

boom!

The hook flew upside down like a broken kite, spouting blood in the air.

When it fell to the ground, it was already a dead body.

Whoosh!

A black shadow swept towards Yash Nics, and it was the strongest ghost among the four generals who personally shot it.

The speed of the ghost is extremely fast, worthy of the name of the ghost.

The eyes of everyone at the scene couldn't even catch his figure, but could only see a vaguely overlapping phantom, rushing towards Yash Nics.

The ghost wore a black cloak, a white mask, and a dull but unusually sharp dagger in his hand.

The dagger spit out like a poisonous snake, struck Yash Nics's cervical aorta like lightning at an extremely tricky and deadly angle.

Yash Nics stepped back slightly, avoiding the ghost's blade just right.

The ghost followed like a shadow, chasing after him, and the dagger struck again.

Yash Nics still took a small step back, his neck kept a centimeter away from the ghost's dagger.

It was just one centimeter so short that the ghost's blade could never touch Yash Nics.

The ghost moves extremely fast, still attacking seven times in a blink of an eye, and the blade is dazzlingly fast.

Yash Nics only took a very small step back seven steps, and the seven ghostly viper attacks were all in vain.

Then, Yash Nics began to counterattack, kicking it high, shocking the world.

Snapped!

The white mask on the ghost's face was kicked to pieces, and there was red and white slurry splashing at the same time.

Yash Nics was kicked to death without being able to utter the ghost screams.

what?

Deng Hairong was dumbfounded. He couldn't wait to stare out his eyes. He wanted to see this scene clearly. Is it true or not?

The ghost is a super killer who was cultivated in the western killer base since he was a child!

Back then, there were countless murders in the West, and the Deng family was kind to the ghost, so after the ghost gave up being a killer, he returned to China and was willing to stay in the Deng family as a minister.

The Deng family had also encountered many powerful opponents before, but as long as the ghost took the shot himself, there was nothing wrong with it.

Unexpectedly this time, even the ghost was kicked to death by Yash Nics.

When Deng Yingjie came with Donghai Shuangsha, he killed the security guard of the Song family, killed Song Qingsong's grandson, and acted against Song Feifei in public.

This time Deng Hairong came, it was even more terrifying, and he directly threatened to destroy the Song family.

Yash Nics said coldly: "The death penalty is forgivable, and the living sin cannot escape. Let General Wang arrange for you. Let's go to the northern border for labor reform for three years!"

"Also, you have caused too much damage to Mannity this time, and caused too much loss."

"In addition to compensating the Song family by one billion, you also donated nine billion to Mannity. Do you have any comments on how to build a new civilized society in Mannity City?" The

Deng family has great strength, but the 10 billion fund is a very large sum, especially cash.

The Deng family's use of this tens of billions is going to hurt its vitality.

However, Deng Hairong knew that he had to use the money.

Yash Nics will definitely not spare him if things are so big today, it is inevitable to cut flesh and blood.

He drooped his head: "No objection!"

Yash Nics turned to look at Wang Daofang, Zhou Ruoshu, Ma Jiantao and others, and ordered: "After they compensate for their donations, General Wang, you will arrange for them to go to the northern border for labor reform. This matter must be implemented in place. "

Wang Daofang and the others said together: "Yes!"

Soon, the Deng family's compensation and donation funds arrived in the account.

Deng Hairong, Wang Yao and others were all arrested.

Dong Tianbao and them all went back one after another.

In the Song family, only Yash Nics and the Song family were left.

Song Qingsong and others looked at Yash Nics with complicated eyes at this time.

Song Feifei curled her lips and said with a sneer: "Credit? What? Credit, bragging credit?"

Song Pingting couldn't help standing up and defending her husband, and said in a deep voice: "Sister, why are you talking like this, let alone, how terrible the people of the Deng family were at that time."

"If it weren't for Yash Nics to defeat the four of the Deng family. Experts, maybe the special police and the officers and soldiers of the army have not felt that our Song family is about to be killed and injured."

"Yash Nics also took his orders to protect our Song family from danger. You are all right to be so sarcasm, what about your conscience?"

Song Pingting's words made the Song family's arrogance suddenly short.
