After arriving in Mannity, Julen went to stay in the hotel.

Lin Hao, carrying a gift, went to the Chinese Navy District to see Wang Daofang.

Wang Daofang is in the living room, talking with Yash Nics.

Hearing the guards coming in and reporting that Lin Hao begged to see him, he frowned and said, "Didn't you see me talking to the marshal? No, let him come another day!"

Yash Nics smiled and said, "It's okay, we are almost done talking. Since someone is eager to see you, let him in."

Wang Daofang heard this, and then the guards brought Lin Hao in.

Soon, Lin Hao came in with a gift.

He saw Wang Daofang and called Uncle Wang affectionately.

He also noticed Yash Nics. Although he didn't know Yash Nics, he took the initiative to smile at Yash Nics as a greeting.

Wang Daofang said faintly: “If you have anything to say, there are no outsiders here.”

Lin Hao, upon hearing this, mistakenly thought that Yash Nics was Wang Daofang’s confidant.

So, he no longer had any scruples, and immediately said his intentions.

He said angrily: “Uncle Wang, Deng Hairong of the East China Sea Chamber of Commerce was bullied by a guy named Yash Nics in Mannity.”

“I’m here this time to beg for your help, let Deng Hairong be released, and the villain Yash Nics will be severely punished.”

Yash Nics’s mouth rose slightly when he heard the words, showing a playful smile.

Wang Fang strange expression: “? Ning villain,”

Yash Nics looked at Lin Hao and asked faintly: "Is Yash Nics really so bad?"

Lin Hao said plausibly, "Of course, it's the black-hearted radish that is so bad. I can't finish his evil deeds all day and night."

Yash Nics Smiled: "He is so bad, why don't I know."

Lin Hao frowned, looked up and down Yash Nics, and asked suspiciously, "Who are you?"

Yash Nics smiled and said, "I'm the one in your mouth. Bad guy, Yash Nics! "

What? !

Lin Hao was shocked when he heard this, and jumped up from the sofa like a cat stepping on its tail.

He looked at Yash Nics in shock, and said, "You, you, you, you are Yash Nics."

Yash Nics said indifferently, "Yes, I am Yash Nics. You don't know me, why do you spread rumors and slander me?"

Lin Hao is messed up!

He came to ask Wang Daofang to help get Deng Hairong out, and at the same time ask Wang Daofang to help teach Yash Nics.

No one thought that Wang Daofang's guest was actually Yash Nics.

He was shocked, embarrassed, and guilty.

He asked Wang Daofang difficultly: "Uncle Wang, why is he, he is here with you, what is your relationship with him?"

Wang Daofang hadn't spoken yet, and his guard captain knocked on the door and came in.

The captain of the guard reported loudly: "Report to the general and the marshal. Lunch in the cafeteria is ready. Are the two chiefs going to have dinner now?"

Chief!

Lin Hao's scalp was numb, and his face turned pale. He looked at Yash Nics in horror, and his voice began to tremble: "You...you are..."

Wang Daofang said coldly, "Yes, he is Beibei. Young marshal, my leader is also my mentor. "

Boom!

Lin Hao felt a thunderbolt on the top of his head!

Then his eyes went dark and he passed out in shock.

Under the scorching sun, at the entrance of the cafeteria.

Lin Hao knelt on the hot concrete floor that could scald eggs, shaking with sweat like syrup.

After he woke up from a coma, he had been kneeling at the entrance of the cafeteria for a full hour.

His feet were already numb on the ground, and his knees were bloody, and his pants were dyed red.

However, despite the extreme suffering, he did not dare to get up.

He even spread rumors and slandered the young marshal. This charge alone was enough for General Wang to shoot him ten times.

So he could only kneel at the entrance of the cafeteria, waiting for Yash Nics and Wang Daofang to come out after eating, begging Yash Nics to spare him his life.

Just when Lin Hao couldn't bear it and was about to faint again.

Yash Nics and Wang Daofang finally came out of the canteen, followed by a few guards.

When Wang Daofang saw Lin Hao, he coldly snorted: "Now that I know it was wrong, why did you go there early?"

Lin Hao saw Yash Nics and Wang Daofang, as if he had regained his energy.

He desperately kowtowed towards Yash Nics, and said with a trembling voice: "Marshal, the villain has no eyes and dashed against you, please forgive me once."

Yash Nics said flatly: "The Deng family and the Wang family asked you to come. ? "

Lin Hao shook his head cope, honestly, said: " No, though a bit Deng family with royal status, but I'm still not give them errands in the East China Sea "

." is the East China Sea Zhu, let me come "

soon , Yash Nics figured out what was going on.

It turned out that Zhu Tiansheng, the president of the East China Sea Chamber of Commerce, wanted to fish out Deng Hairong and Wang Yao, and Zhu Tiansheng had the ambition to take control of Jiangnan Province.

Wang Daofang snorted: "What kind of thing is the Zhu family, it is worthy to come to the south of the Yangtze River to go wild, but you dare to stand for the tiger."

Lin Hao cried and said, "Uncle Wang, I was wrong. If I knew that Jiangnan Province was the place where the Young Marshal developed the Song family, how could I dare to blend in."

Wang Daofang turned his head and looked at Yash Nics: "Chief, this kid. How to deal with it, can you just throw it to the northern border for labor reform?"

Yash Nics knew that Wang Daofang had a little friendship with the Lin family, and he didn't really care about Lin Hao. He said indifferently, "For your sake, spare him. Let's do it once, but he can't reveal my identity."

Wang Daofang said coldly: "Listen to me. If you dare to reveal the secret of the young marshal's identity, then your life will be over."

Lin Hao said in horror, "If I don't tell, I will definitely die. Don't tell me."

Wang Daofang snorted coldly: "Get off!"

Lin Hao really got off, and left Mannity City that afternoon like fleeing for his life, and fled back to the East China Sea in embarrassment.

White Swan Hotel!

Zhu Lun did not wait for Lin Hao's good news, but learned that Lin Hao left without saying goodbye and had returned to the East China Sea.

This made him surprised and angry: "Lin Hao, didn't he use his family's friendship with General Wang to help get Deng Hairong and his wife out? Why did he leave without saying goodbye?"

His entourage guessed, "It should be. Lin Hao has no ability to ask General Wang to get the people out. He has no face to see you, so

he left without saying goodbye." Zhu Lun coldly snorted, "I didn't expect him to be so unreliable. It seems that I have to do it myself."

"Black Dragon , Help me book the White Swan Hotel."

"Also, in the name of our Donghai Zhu's family, invited important people from all walks of life in Mannity City, black and white, business, politics, and military to come to my dinner."

"Tell them, if they don't come, it is. Don't give us the Zhu family's face!"

But Yash Nics and Song Pingting of the Ningda Group dared not come, which really didn't take him seriously.

Zhu Lun snorted coldly: "Look back and settle accounts with Yash Nics and Song Pingting!"

Zhu Lun walked up to the stage, looked around the crowd arrogantly, and then said: "Hello everyone, my name is Zhu Lun. I represent the Zhu

It is neither support nor opposition, at best it is neutral.

However, Zhu Lun's attitude towards the leaders of Zhou Ruoshu's gang is still acceptable.

He immediately asked other people!

Many people choose to be neutral!

Many people also felt that this was a good opportunity to climb the big ship of the Zhu family, and they all expressed their willingness to obey the Zhu family and follow the orders of the Zhu family.

"Zhu East China Sea, the strength of Hong thick, we are willing to Zhang after Zhu's lead."

"Yes, we are willing to follow Li Zhu, Zhu after eating meat, we followed the soup."

.....

The leaders of China Shipping have basically remained neutral.

Many wealthy families in Mannity City are willing to follow the Zhu family from now on, taking the Zhu family as their head.

In the end, only the underground circle of Mannity City did not make a statement.

Zhu Lun looked at Dong Tianbao, squinted his eyes and said, "Dong Tianbao, are you willing to surrender to our Zhu family?"

Dong Tianbao laughed wildly after hearing this: "Haha, what is your Donghai Zhu family, and you deserve Dong Tianbao to surrender?" "

I, Dong Tianbao, only surrendered to one person in this life, and that is Mr. Yash Nics !

Dong Tianbao said this, and everyone was shocked.

Many people looked at Dong Tianbao responsibly. Except for a few people who knew Yash Nics's identity, everyone felt that Dong Tianbao was really dead.

Dong Tianbao is at Mannity's level, and people can lift his fingers casually, so that Dong Tianbao can die without a place to bury him.

Sure enough, Julen's eyes were cold.

The black dragon behind him asked in a deep voice, "Master, do you want me to send him on the road now?"

Heilong said, the temperature in the restaurant has dropped a lot, and everyone feels like an ice cave.

The cold murderous aura that filled the black dragon was really terrifying.

Even Dong Tianbao showed a shocked expression in his eyes, capable of exuding such a terrifying breath of death, the black dragon must be a strong man who came out of the dead.

It is estimated that there are 800 lives in one thousand.

Zhu Lun naturally caught the subtle changes in Dong Tianbao's expression, and he saw Dong Tianbao's horrified expression in his eyes.

The corners of his mouth rose slightly, and he smiled triumphantly: "Hehe, don't be afraid, I'm such a gentle and easygoing person, I won't kill you in the crowd."

"However, after you walk out of this door, I won't guarantee it. "

Ju Lun said here, with a smile but a smile: "Now, I will give you another chance to choose, are you willing to surrender to me?"

"If you are willing to surrender to me, just kneel down and kiss my leather shoes." "

The rules of the Zhu family in the East China Sea, if the figures in the circle on the ground want to follow the Zhu family, they must kiss the back of the Zhu family's paternal hand.

If it is a figure in the underground circle who wants to follow the Zhu family, he must kneel and kiss the leather shoes of the Zhu family's head.

This means that people from the ground circle joining the Zhu family are the disciples of the Zhu family.

People from the underground circle join the Zhu family, they are the lackeys of the Zhu family.

Zhu Lun did not ask those who agreed to follow their Zhu family to kiss the back of their hands, but asked Dong Tianbao to kneel and kiss his leather shoes.

This is slaughter!

In the hotel lobby, almost everyone's eyes were on Dong Tianbao.

Julen has made it very clear just now, either surrender or die.

Everyone wants to see Dong Tianbao, are they willing to surrender?

What many people can't believe is that although Dong Tianbao was stunned by the cold death breath exuding from the black dragon, he still straightened his waist and said loudly, "Hehe, I said that I only If you serve someone, that's Mr. Chen."

"In addition, Zhong Hai is not a place where your Zhu family can go wild. I advise you to get out of Zhong Hai quickly, or you will soon regret it."

Zhu Lun squinted and said with a sneer. : "Dong Tianbao, I admire your courage."

"but unfortunately, you already see the sun tomorrow, god can not save you."

Dong Tian shrugged: "we'll see about that!"

Zhu Lun looked at Dong Tianbao's back and indifferently commanded: "Black Dragon, let the blood wolf and Sirius both wash the Mannity underground circle with blood tonight, and cut off Dong Tianbao's head to see me."

Black Dragon grinned and said, "Yes, Master! "

Everyone in the hall has different faces.

Except for a few people, most people were shaking their heads and sighing, thinking that Dong Tianbao was dead.

Zhu's masters are like clouds, and sending two Titans casually is enough to wipe out Dong Tianbao's army.

After Dong Tianbao left, Zhou Ruoshu and Ma Jiantao, a group of neutral factions, also left.

In the end, only the guys who promised to follow Zhu's family stayed behind, and the stars surrounded Zhu Lun and slapped Zhu Lun's flattery.

"Haha, Zhu Shaojun comes to Mannity, and Mannity will be Zhu Shao your world in the future."

"More than Mannity City, I think the whole Jiangnan Province will be our Zhu Shao from now on."

"Zhu Shao, my sister just returned from studying abroad. It's pretty pretty. Would you like to introduce you to it?"

Hearing Zhu Shao's words, everyone dare not introduce beautiful women to Zhu Shao casually.

However, someone exclaimed: "I don't think ordinary women will be able to enter Zhu Shaofa's eyes, unless it is our goddess Song Pingting, Zhu Shao will probably be interested."

Speaking of Song Pingting, Zhu Lun thought of Yash Nics and Song Ping. Ting, didn't come to his dinner tonight.

He squinted his eyes and said with a sneer: "So Song Pingting, is that so pretty?"

Soon, someone took out his mobile phone and looked up the previous news video of Song Pingting interviewed by China Overseas TV and showed them to Zhu Lun.

Zhu Lun's eyes were high, but when he saw Song Pingting, he couldn't help showing a stunning expression.

He unexpectedly felt a kind of throbbing, and he also had a strong desire to get Song Pingting.

Zhu Lun slowly said: "There is such a beautiful woman in the world!"

"Who can help me invite Miss Song?" As

soon as Zhu Lun's voice fell, a guy with a face full of flesh stood up and said loudly: "Zhu Shao, I am willing to help you."

This guy with a full face is called Du Qilin, a figure in the original underground circle of Mannity City.

But since Dong Tianbao dominated the underground circle of Mannity, Du Qilin was forced to retreat.

Although Du Qilin retired, he still had dozens of brothers who had been dreaming of overthrowing Dong Tianbao and replacing him.

Zhu Lun looked at Du Qilin with satisfaction: "Very well, you immediately invite Miss Song to see me."

"If you do this thing beautifully, after you destroy Dong Tianbao tonight, you will be the new underground emperor."

Du Qilin said excitedly: "Thank you Zhu Shao, I will summon my subordinates to invite Song Pingting."

Zhu Lun exhorted: "Be gentle, don't be abrupt and beautiful."

Du Qilin said hesitantly: "Zhu Shao, I I see."

... In the

Chinese Navy, Wang Daofang did not go to the capital for a meeting at all, but was playing chess with Yash Nics. They had already played chess for an afternoon.

Song Pingting and Tong Ke were a little surprised, and got on the car with surprise.

Not far away, a guy was making a sneaky call: "Brother Du, a few vans came and picked up Song Pingting and drove towards Jiangbin Community. You can stop them on Jiangbin Road."

Several vans passed by Jiangbin Road. Two cars were blocked in the middle of the road, and the bread convoy was forced to stop.

As soon as the bread convoy stopped, Du Qilin brought dozens of his men and surrounded them with machetes.

Du Qilin grinned and said: "Ms. Song, we invite Shao Zhu, do you obediently get out of the car and follow us, or should we pull you out of the car yourself?" The

seven vans were quiet, and no one got off the car.

The little gangsters carrying the machete looked at each other, and then looked at Du Qilin together: "Brother

Du, what should I do?" Du Qilin shouted: "Open the door, search, and take her over to see Shao Zhu anyway."

Immediately, a group of his men rushed up like tigers and forcibly opened the doors of several vans.

However, after these guys opened the car door, they were all dumbfounded.

"He is at the White Swan Hotel, I called for Miss Song Pingting to accompany me. I was ordered to invite Miss Song."

Zhu Lun hosted a banquet at the White Swan Hotel. Yash Nics knew about the expensive banquets in Mannity City.

Because he, Song Pingting, and Wang Daofang received invitations from Zhu Lun at noon.

Wang Daofang found a reason casually and rejected it.

As for Yash Nics, he didn't take Zhu Lun seriously and didn't go straight away.

Unexpectedly, Julen would dare to send someone to harass his wife. This is really unreasonable.

Zhu Lun's sharp gaze fell on Shi Qing instantly.

Shi Qing had a calm face and said loudly, "Mr. Yash said, this clock has already been set to 6 o'clock tomorrow afternoon."

"Mr. Yash said that Zhu Shao will get out of the East China Sea before sunset tomorrow ."

"Otherwise, when this alarm clock rings, it will be your death date for Zhu Shao."

Heilong said angrily: "Laughter, dare to be disrespectful to our young master, I will take your dog's life first."

Heilong finished speaking, and prepared to kill Shi Qing.

But Zhu Lun stretched out his hand to stop the black dragon, and said coldly: "The two armies have not killed the enemy before they are fighting. He is just a messenger for sending letters. Killing him has insulted my reputation."

Zhu Lun looked at Shi Qing and said sternly: "Go back and tell Yash Nics that you don't have to wait until sunset tomorrow. Before dawn tomorrow, if he doesn't come to me and kneel for mercy, then he will have no future."

As soon as Shi Qing left, someone came in again, and hurriedly said to Zhu Lun: "Zhu Shao, I can't contact Du Qilin and the others. Du Qilin and his gang seem to have evaporated."

Everyone at the scene immediately heard the words. Discuss.

Everyone said that Dong Tianbao had the final say in the underground circle of Mannity City. Dong Tianbao was the underground emperor of Mannity City. It must have been Dong Tianbao who killed Du Qilin and his gang and destroyed the corpses.

Zhu Lun was a little bit angry. He thought that with the strength of his Zhu family, his father was the president of the East China Sea Club.

When he came to China Shipping, people from all walks of life in China Shipping would bow down to him.

But I didn't expect to meet Yash Nics, Song Pingting and Dong Tianbao, a group of ignorant guys!

Zhu Lun squinted his eyes and said, "If the tiger doesn't show off his power, he really made our Zhu family a sick cat."

"Sirius, Blood Wolf!"

Zhu Lun's voice fell, and immediately two sturdy subordinates appeared in front of him. Qi Qi responded: "Subordinates are here!"

Zhu Lun said coldly: "You two will be dispatched immediately to bloodbath the entire Mannity underground circle. Kill all of Dong Tianbao's men, and mention Dong Tianbao's head to see me." A

burly, sly wolf with a fierce burn scar on his left face, and a blood wolf with scarlet eyes like a beast, the two sounded in unison with murderous awe. Said: "Yes!"

Everyone at the scene watched Zhu Lun send two Titans to bloodbath the underground circle of Mannity, thinking in their hearts: Dong Tianbao and his group are going to be finished.
