Zhu Lun smiled and said, "Don't be slow, I'll count it for you, three!" As

soon as the three characters were exported, the black dragon on the scene moved instantly, and the speed was extremely fast.

Zhong Ziqiang only felt that the figure in front of him flashed, and the black dragon had already arrived in front of him.

He was so scared that he quickly pulled the trigger!

But the black dragon had grabbed the gun body and forcibly raised the muzzle upward.

There was a bang, and this shot only hit the ceiling above his head.

Heilong punched Zhong Ziqiang on the chest, slamming Zhong Ziqiang so that he vomited blood and fell to the ground. He easily snatched Zhong Ziqiang's pistol.

Upon seeing this, several of Zhong Ziqiang's companions rushed up angrily.

These are all navy fighters, but they are not the opponents of the black dragon, and no one is even the enemy of the black dragon.

The black dragon threw out fists like electricity, sweeping and pushing like lightning, extremely domineering, and one move. In the blink of an eye, Zhong Ziqiang's several companions all fell into a pool of blood, and all were seriously injured.

Zhu Lun hugged Song Feifei and sneered: "Your boyfriend is not useful, so you might as well forget it with me."

Song Feifei said loudly, "Don't be proud, my boyfriend knows a lot of high-ranking officials. Able to mobilize a large number of special police, special forces, and regular troops. If you have the ability, you can ask him to call someone to make sure you regret it."

Zhu Lun looked at Zhong Ziqiang wearing a captain's costume, hehe sneered: "It's just a small captain, too. I dared to pretend to be forceful in front of me, and mobilized the three armies to deal with me, and did not brag about drafts."

"Okay, this son will convince you Song Family." After

he finished, he looked at Zhong Ziqiang proudly: "Don't say anything. I won't give you a chance. You can call now, whether it is a special police, a special forces regiment, or a regular army."

"You can use all your relationships and mobilize all the troops you can mobilize to deal with me."

When the Song family heard this, all of them were happy. They felt that Julen was dying.

Song Feifei said triumphantly: "Ju Lun, you are finished, my boyfriend is about to summon tens of thousands of people."

Everyone in the Song family is very confident in Zhong Ziqiang!

However, Zhong Ziqiang became extremely embarrassed, falling down in a cold sweat, hesitating, and did not call for a long time.

He wanted to make a call to mobilize tens of thousands of soldiers to clean up Julen's gang.

But he can't do it!

He is just a little captain, not a young commander!

Seeing Zhong Ziqiang's face full of embarrassment and sweating, Zhu Lun said with a sneer: "Why, didn't you brag about how good you are? Now I'll give you a chance, you won't be able to use it!" The

Song family was in a hurry, Song Qing Song anxiously urged: "Little Zhong, you are calling to rescue soldiers!"

Zhong Ziqiang was sweating profusely. He was bitter and desperate in his heart, thinking: I also want to call to rescue soldiers, but I am not the marshal Yash Nics. Where can I move to rescue soldiers?

and many more!

Marshal Yash Nics!

Zhong Ziqiang suddenly thought of Yash Nics, and of his girlfriend's sister's husband!

His eyes lit up for an instant

, and he got energized. He said loudly, "Okay, I'll call to rescue the soldiers." After that, he took out his mobile phone and called Yash Nics, and said in a low voice, "Mr. Yash, I There was an accident with the Song family at the White Swan Hotel. Come and save us."

Yash Nics's voice came from the phone: "Don't worry, I'm already at the door of the hotel."

Zhong Ziqiang was stunned when he heard the words and looked up at the door.

Then I saw Yash Nics walking in with his mobile phone, along with Song Pingting, Tong Ke, and Dianchu and Bahuwei in casual clothes.

Song Qingsong's family wondered, didn't Zhong Ziqiang call the chief for help and mobilize the army?

How to call Yash Nics?

Zhu Lun squinted his eyes and looked at Yash Nics and his party who came in through the door with a phone in hand.

Someone leaned over and told him in a low voice, "Zhu Shao, he is Yash Nics. The beauty next to him is Song Pingting, the goddess of the sea."

Zhu Lun's eyes fell on Song Pingting!

Song Pingting is wearing a white hip skirt, tailored to fit the skirt, which perfectly outlines her Miaoman's figure.

The whole person is sexy and elegant, like a noble white swan, making Julen look amazing.

Soon, Zhu Lun's gaze fell on Yash Nics again. He sneered and said to Zhong Ziqiang: "Haha, I thought you were calling which terrific leader, for a long time, your backstage is Yash Nics!"

Zhong Ziqiang, who had been particularly anxious, saw Yash Nics coming, but his whole body became extra determined.

He clutched his injured chest and snorted coldly: "Don't care who my backstage is, you just need to know that you will regret it tonight."

After that, he stopped paying attention to Julen, but Regardless of the pain, he strode forward towards Yash Nics, clutching his wounds, and shouted respectfully and

humbly: "Mr. Yash." Song Qingsong's family was all stunned and able to mobilize tens of thousands of troops to destroy the Deng's Zhong Ziqiang. Such respect for Yash Nics?

Also, it's a matter of life and death.

Why didn't Zhong Ziqiang call the chiefs for help, but called Yash Nics for help as soon as possible. Is it possible that Yash Nics is better than the chiefs?

Not only was Song Qingsong's family bewildered, but Song Pingting, who was next to Yash Nics, was a bit puzzled.

Yash Nics looked at Zhong Ziqiang and frowned slightly, "Is it okay?"

If Zhong Ziqiang's aggrieved soldier saw the chief, he complained angrily: "They bullied Feifei too much, not only insulted Feifei, wounded me and a few fighter brothers, but also interrupted Uncle Song's leg."

Yash Nics looked at Zhu. Lun said indifferently: "Ju Lun, you are the most deadly person I have ever seen. I originally planned to restrict you to get out of Mannity City before sunset tomorrow and leave you a dog."

"But now, I don't think you want to Live to see the sunrise tomorrow."

Julen laughed blankly: "You seem to be a serious person, why do you say all the big things that make me laugh?"

"Do you know who I am?"

"I am The young master of the largest family in Shanghang City, East China Sea, my father is still the president of the East China Sea Club."

"Our Zhu family is capable of reaching the sky, and even your Tao Donglin, the provincial honorable Taoist of Jiangnan Province, is also a classmate with my father, and we are brothers on weekdays. Appropriately, just because of your trash, you also want to move me?"

Everyone at the scene couldn't help whispering when they heard Zhu Lun's words.

Everyone said that it is no wonder that the Zhu family intends to take over Jiangnan. In addition to being strong, Zhu Tiansheng and Zuntao Donglin of Jiangnan Province are still classmates.

The powerful strength of the Zhu family is draped in Jiangnan, the provincial venerable Tao Donglin. Whoever opposes the Zhu family is simply seeking a dead end!

Song Pingting and Song Qingsong's family began to worry at this time.

Zhong Ziqiang hasn't called to rescue the soldiers for a long time. On the contrary, the strength of the Zhu family is so strong, maybe the Song family will be really out of luck tonight.

Zhu Lun looked at Yash Nics triumphantly: "If you still have time to regret now, kneel down and admit your mistakes and let your wife come over and drink with me."

"Perhaps I am in a happy mood and will spare you all to die."

Everyone looked at Yash Nics and Song Pingting were also nervous.

Before Yash Nics had spoken, Dian Chu coldly snorted: "What are you worthy of letting Mr. Yash kneel on you?"

When Zhu Lun saw that Yash Nics didn't take his words seriously, even Yash Nics's men dared to confront him.

He was completely angry and raised his voice: "Heilong, Yash Nics is unwilling to kneel, you help him."

"Yes!"

Heilong responded, his body abruptly, and he rushed towards Yash Nics like lightning.

Many people on the scene saw the black dragon erupting at such an astonishing speed, and they all became excited and watched with painstaking effort.

However, Yash Nics stood with his hand holding his hand, turning a blind eye to the murderous black dragon, as if he didn't take the black dragon seriously.

Heilong is a powerful man who has moved the East China Sea Province, and the masters of all walks of life in the East China Sea have changed his appearance after hearing him.

Unexpectedly, Yash Nics would be so big and ignore him so much.

This made him angry and determined to teach Yash Nics hard, so that Yash Nics would not die or be disabled.

Seeing that he was about to approach Yash Nics, but Dian Chu who was next to Yash Nics stopped in front of Yash Nics.

Dianchu coldly snorted: "You don't even have the qualifications to let Mr. Yash take the shot!"

Heilong said angrily: "Then I will kill you first!"

After speaking, Heilong punched out and hit Dianchu's chest.

Dian Chu didn't evade, but also threw a punch, hitting the opponent's chest.

The moves of the two were exactly the same, almost hitting each other's chest at the same time.

The black dragon's fist power is very terrifying, one punch can smash the big stone of the grinding plate, and one punch can kill a cow.

But his sharp punch hit Dian Chu's chest, just like hitting steel, with a solid bang, which shook his right arm.

Dian Chu's body is like a Yuanruiyue, standing still.

At the same time, Dian Chu's fist also hit the black dragon's chest.

boom!

Heilong's chest ribs were broken, and he snorted in pain. He stepped back seven or eight steps before he could barely stabilize his figure, and the corners of his mouth were bleeding.

He looked at Dian Chu in shock, and obviously couldn't understand, where did Yash Nics find such a strong subordinate?

Ning mouth slightly higher, faint, said: "Lun Zhu, it seems that your people just like you, are big idiot ah"

Zhu Lun tearing his hair out, angrily shouted: "Black Dragon!"

Heilong knew that Zhu Shao was really angry, and this was urging him to kill.

He bite, just from Zhong Ziqiang backhand out of the hands of more than that the pistol muzzle pointed at Ning, shouted: "This is a look at what I want to die young master knelt down and gave"

live crowd, while scared call.

Dianchu and Bahuwei quickly guarded Yash Nics and Song Pingting. This was the instinctive reaction of their young marshals.

The duty of the guard is to protect the marshal, and as long as necessary, they will sacrifice their lives without hesitation to protect the marshal's safety.

Heilong shouted sharply: "My pistol has 20 bullets. How many of you are you guys? Yash Nics, do you think they can keep you? I order you to get out now and kneel down for my young master."

Yash Nics He raised his hand and motioned to Dianchu and the others who were guarding him to let go. He walked out and said with a smile, "Banmen get an axe, dance a sword in front of Guan Gong, you are like you, dare you dare to play a gun in front of me." "

Heilong didn't expect Yash Nics to be so arrogant and arrogant when being pointed at by a gun at this time.

He was so angry that the hand holding the gun trembled, and he increased his voice: "I let you kneel down, I count three times, one...two..."

"Three!"

Yash Nics helped the black dragon shout out for this three. Yes, and when Yash Nics called three, he raised his hand and snapped his fingers.

Heilong obviously didn't expect Yash Nics to die rather than kneel, and he didn't expect Yash Nics to count him for the third time in advance.

He subconsciously wanted to pull the trigger!

But at the moment Yash Nics raised his hand and snapped his fingers, two sniper rifles were fired at the same time on the roof opposite the White Swan Hotel.

Two snipers fired at the same time, and two bullets broke through the air.

The first bullet hit the right arm of Heilong's gun. The sniper rifle has a huge power with a bang, directly knocking out Heilong's entire right arm.

Before the black dragon had time to scream, the second bullet had already hit his body.

With a bang, the black dragon had a thick blood hole in his chest, and the corpse was taken more than ten meters away before falling to the ground.

Julen, his men, and the people in the hotel lobby were all dumbfounded, their eyes almost falling to the ground.

Zhu Lun looked at Yash Nics in horror: "You!"

Yash Nics said coldly: "I have warned not to play guns in front of me. You are using amateurs to challenge our profession."

Yash Nics finished. , Told Dian Chu: "Let the brethren come in, let these dogs see what is professional gun play."

Dian Chu took out a walkie-talkie, turned on the channel and said: "Come in!"

da da da da ...

The sound of army boots running up and stepping on the ground is heard.

A large number of special soldiers, armed with guns and live ammunition, rushed in from the outside in an orderly manner.

In an instant, the scene was completely surrounded by armed soldiers.

A commander stepped on his army boots, strode over, and saluted Yash Nics: "Two thousand Raptors special fighters, all entered the scheduled combat positions, please command the commander."

Yash Nics said flatly, "The ammunition is loaded!"

The commander yelled loudly after hearing the words: "All soldiers, the ammunition is in the chamber!"

Click!

A crisp sound of bullet loading sounded, and the two thousand soldiers on the scene loaded all the bullets.

The sound of the bullet being loaded was like a thunder that exploded in the ears of everyone at the scene, making everyone's hearts tremble, and their hearts were like drumming.

Julen's face was pale, and his body was shaking.

Yash Nics looked at Zhu Lun indifferently, and said coldly: "Now, do you want me to kneel for you?"

All the powerful and powerful members of China Shipping on the scene were all stunned.

Julen's face was extremely ugly, but he was not intimidated by the scene before him.

He looked at Yash Nics with a green face, and said with a sneer: "Hehe, Yash Nics, it seems that I really underestimate you. You can actually mobilize a regiment to deal with me."

"However, you think you have a relationship and send one. The Corps, can you move me?"

"Hehe, Tao Donglin in Jiangnan Province, he is a classmate with my dad, and he is worthy of being a brother."

"Who dare to move me to try, guarantee you will not finish eating!"

Yash Nics faintly said: "You not only underestimated me, but also always overestimated yourself."

"Come here, take him down!"

Immediately, a pair of soldiers came forward like wolves and arrested Julen and his party.

When Zhu Lun was arrested, he was particularly angry and yelled: "Zun Tao Donglin of Jiangnan Province is a good friend of my dad, Jiangnan Governor Qi Shan is my father's old friend, Jiangnan Provincial City Military Commander Li Zilong and my dad are Alumni..."

"Yash Nics, you dare to arrest me, I tell you, you are dead, I will kill your whole family when I turn around."

Everyone on the scene looked at each other, this Zhu family is really powerful!

Needless to say, the strength of the Zhu family's contacts in Donghai Province. I didn't expect that the Zhu family would have so many contacts in Jiangnan Province.

It is not only closely related to the provincial governor, but also related to the military.

It seems that Yash Nics and Zhu Lun are the two who will kill them.

When Yash Nics heard Zhu Lun say that he was going to kill his family, his face sank and became very cold. Zhu Lun had already touched his bottom line.

Soon, Julen and his party were arrested.

The Raptors Special Forces also retreated.

Everyone at the scene was dispersed, those who should go to the hospital for information go to the hospital for information, and those who should go home to go home.

Song Pingting and Song Qingsong's family sent the injured Song Zhongxiong to the hospital for treatment.

Zhong Ziqiang and his navy companions did not go to the hospital with the Song family, but followed Yash Nics and left with the troops.

On the red flag car, Dian Chu asked Yash Nics respectfully: "Marshal, Zhu Lun has been arrested, what should I do next?"

Yash Nics said calmly, "The backstage list that was called when he was arrested just now, you ? all remember "

Code Chu Chen Sheng said:" I remember, he said, the southern province respect Tao Donglin was his father's friends, governor of the southern Qishan his father's friends or old, the provincial capital of the southern military region commander Li Zilong his father old friends

Code Chu reported more than a dozen names in one breath, these were the backstage that Zhu Lun clamored just now.

Yash Nics said coldly: "You call and call all the people mentioned by Zhu Lun to the China Shipping Military Base."

Dian Chu opened his eyes when he heard the words: "Now?"

It's night now, and these leaders are big. Most of them are in the capital of Jiangnan Province, 300 kilometers away from Mannity City!

Yash Nics said coldly: "Yes, I want them to appear in front of me within three hours." Upon hearing this, Dian Chu quickly said: "Yes!"

Although Zhu Lun was caught by the Raptors. Mannity Military Base, but he still didn't take it seriously. He felt that his Zhu family also had a lot of contacts in Jiangnan Province, and he knew all the bigwigs in the political and military circles.

There is no need to wait until dawn for Yash Nics to release him obediently and even apologize for mercy.

Sure enough, he had only been detained for three hours before Yash Nics came.

With a click, the iron gate of the prison was opened by the guard soldiers.

Then, Yash Nics, who was tall and tall and looked like a star, walked in alone.

Zhu Lun opened his eyes slightly, a sneer appeared at the corner of his mouth, and curled his lips: "Hehe, did my dad know that I was arrested by you and used our Zhu family's contacts to oppress you? Can't stand it anymore, can't wait for dawn to come and release me?"

Yash Nics did not answer Julen's words, but calmly said: "When you were arrested tonight, you said you're all right back, you want to kill my whole family?"

Zhu Lun squinted his eyes and sneered: "So you are scared!"

Yash Nics looked at Zhu Lun: "Tell me you are not serious, you are just a moment of anger, and you just said cruel words casually."

Zhu Lun grinned. "Hehe, who the hell is kidding you?"

"You probably don't know the style of our Zhu

family in Donghai Province!" Yash Nics calmly said: "I really don't know, let's just listen."

Zhu Lun Yin said with a sad sneer: "Our Zhu family said nothing, my dad has a nickname in Donghai Province called Miemen Magistrate."

Yash Nics: "What do you mean?"

Zhu Lun said, "It's nothing, it's just that I used to talk to my dad." The powerful enemies that can't get past are all killed by my dad."

Julen said with a smile but said with a smile: "I didn't mean to scare you. I said that if you kill your family, you will definitely kill your family. Wait for me from here. Go out, you and everyone in the Song family will have to die."

Zhu Lun became more and more proud, his expression became more and more savage, he looked at Yash Nics proudly, and said cruelly: "But don't be afraid, your wife is so beautiful. , I will not kill."

"And your daughter Song Qingqing, I heard that although she is still a little girl, she is the embryo of a peerless beauty."

"I will not kill their mother and daughter, I will stay and enjoy it, hahaha... "

Zhu Lun looked at Yash Nics and asked with a grin: "Are you scared, angry, and regretful now, but feel helpless and powerless?"

Ning shook his head: "No, but there is no doubt in my mind that the wire"

Zhu Lun stunned: "What do you mean?"

Ning did not answer, but toward the door told: "! You can come in,"

Akira when !

The iron gate was opened again, and Dian Chu brought a group of soldiers in.

Zhu Lun's eyes widened: "What do you want to do?"

Dian Chu coldly ordered his subordinates: "Take it away!"

Soon, Zhu Lun was taken out of the prison by the soldiers and taken straight to the back mountain of the military base.

On the way, Julen felt more and more uneasy, feeling more and more wrong.

He looked at Yash Nics suspiciously: "Did you not let me go because of the pressure of our Zhu family? Where are you going to take me?"

Yash Nics said flatly: " Here !"

Zhu Lun looked around and found that this was the shooting range behind the military base.

Moreover, under the moonlight, there are still a large number of heavily armed soldiers on the shooting range, and it seems that they have been waiting for a long time.

Zhu Lun's face suddenly turned pale, he looked at Yash Nics in horror, and said with a trembling, "You, you, you, don't you want to target me?"

Yash Nics smiled and said, "Haha, your Excellency is really forgetful, you Forgetting that I was at the White Swan Hotel, I told you that you would not live tomorrow."

"Also, if you want to kill my whole family, shouldn't the murderer have the consciousness of being killed?"

Yash Nics finished speaking and lifted up. hand.

Dian Chu immediately shouted: "Take the criminal Julun to the execution ground and prepare to be shot."

Immediately, several soldiers forcibly escorted Julun to the shooting position.

There are even soldiers responsible for executions checking guns and ammunition.

The soldiers of the troops who maintained order at the scene all stood with their heads high and their chests high, standing in the most standard military posture.

Zhu Lun thought Yash Nics would release him overnight, but he didn't expect that Yash Nics would not release him, but would kill him.

He couldn't help it anymore, struggling frantically and yelling: "Yash Nics, you really dare to kill me, do you know that our Zhu family is powerful in Donghai Province, and even you respect pottery in Jiangnan Province..."

Before he finished speaking, Yash Nics said indifferently: "Don't call me, I have called all the backstages you mentioned to watch the punishment."

What?

Julen is completely stupid!

Yash Nics raised his hand, and then a group of people appeared on the scene.

Respected Tao Donglin in Jiangnan Province, Changqishan in Jiangnan Province, and Li Zilong, commander-in-chief of the provincial military region.

A dozen people are exactly the backstage that Julen has been clamoring for!

Chapter 586 Read free Novel

people was actually called by Yash Nics from all cities in Jiangnan Province in just three hours.

Moreover, Yash Nics's purpose for calling these people is also very simple, that is, to observe punishment.

Let them see Julen being shot with their own eyes!

Boom!

Zhu Lun was hit by five thunders, his whole body disappeared, and he knelt on the ground with a thump.

He was trembling, sweaty, and his eyes were desperate.

In front of Yash Nics, the so-called backing and backstage clamoring in his mouth turned out to be nothing.

These people not only couldn't save him, but Starry Night came from all over and watched him be shot.

Zhu Lun was like falling into the ice cave, looking at Yash Nics in despair and horror, and asked in a hoarse voice: "Who are you... on

earth?" Yash Nics looked at Zhu Lun with a gray face and smiled without saying a word.

Dian Chu opened his mouth at this moment: "Young Marshal, the time is here, will the shooting start now?"

Yash Nics said lightly, "Send him on the road!"

Zhu Lun's pupils suddenly enlarged, and he finally knew Yash Nics's identity, which turned out to be. Young handsome!

The gunfire!

Julen, die!

... When

Yash Nics and Zhong Ziqiang came to Mannity City Hospital, it was already past 12 o'clock in the evening.

Song Zhongxiong was still undergoing surgery in the operating room. His right foot was kicked off by the black dragon, and he needed an operation to fix his bones.

Song Pingting, Song Qingsong and others waited anxiously in the corridor at the entrance of the operating room.

When they saw Yash Nics and Zhong Ziqiang coming back, they all beamed with joy, and they greeted them one after another, asking what's going on now?

Zhong Ziqiang stood beside Yash Nics, looking very restrained.

Yash Nics had a calm face and smiled and said to everyone: "Ju Lun has done a lot of evil and has been shot by the military."

Boom!

Everyone in the Song family heard Yash Nics's words, their scalp numb in shock.

When Zhu Lun was arrested, he was clamoring that the Zhu family was capable of reaching the sky. Even the top leaders of Jiangnan Province had an old relationship with them.

Everyone said that Zhu Lun was arrested and will be released soon, and the Song family will be the one who is unlucky then.

What? In just a few hours, Julen was killed directly?

Yash Nics smiled and said, "You cannot live by committing a crime. The Zhu family has already turned the case over and over again, and Zhu Lun is even more eye-catching this time

.

Song Qingsong's eyes fell on Zhong Ziqiang, and intentionally or unintentionally asked: "Little Zhong, your injury does not matter, why do you

keep silent?" Zhong Ziqiang was a little embarrassed when he heard that, and quickly said: "My injury is gone. In the meantime, Mr. Yash who should be talking about will tell everyone."

Mr. Yash!

Everyone in the Song family looked at each other again!

This Zhong is self-improving, why does he seem to be particularly in awe of Yash Nics?

Also, when he was at the White Swan Hotel, Zhu Lun was extremely arrogant, clamoring for Zhong Ziqiang to call to move the soldiers, when the clock Ziqiang called Yash Nics!

Song Qingsong squinted his eyes and asked the question that had puzzled him for a long time: "Little Zhong, why did you call Yash Nics when you called to move the soldiers at the hotel?"

Song Pingting, Song Zhongping, Song Haoming, Song Feifei, Ge Meili and others also focused their eyes on Zhong Ziqiang and Yash Nics. They also had this question in their hearts, and they always wanted to figure it out.

Zhong Ziqiang became more and more embarrassed. He hesitated and couldn't tell why. Finally, he bit the bullet and said: "This... Let Mr. Yash explain it to you."

Everyone in the Song family frowned upon hearing this. .

Song Pingting said suspiciously to Yash Nics: "Yash Nics, then you explain it to us?"

Yash Nics smiled and said, "It's very simple. Captain Zhong sent me a message before he went to the White Swan Hotel. I went to the Chinese Navy to relocate soldiers, and he had already said hello to the Chinese Navy."

"I was responsible for running errands for Captain Zhong to relocate soldiers, so of course he would call me the first time in an emergency. , Ask me if the rescuers have moved in."

Everyone in the Song family suddenly realized what they said.

Song Pingting squinted his eyes and said, "Really?"

Yash Nics blinked, "Of course, you can ask Captain Zhong if you don't believe me."

Zhong Ziqiang nodded, "Yes, that's what Mr. Yash said."

Song Pingting reached out and asked Yash Nics to hand over the phone.

Yash Nics had no choice but to pass the phone to Song Pingting.

Song Pingting turned on Yash Nics's cell phone, looked through Yash Nics's cell phone information, and searched for the message Zhong Ziqiang sent to Yash Nics tonight.

Zhong Ziqiang became nervous in an instant, because he didn't send a message to Yash Nics at all at night.

However, to his shock, Song Pingting exclaimed: "Hey, Captain Zhong really sent a message to Yash Nics at 7 o'clock in the evening and asked Yash Nics to go to Mannity.

The city military area moved to rescue soldiers, saying that he had already said hello to the military area leader."

Zhong Ziqiang was startled when he heard this, and secretly took out his mobile phone, and found that there was such an information record on his mobile phone.

This, this, what's going on?

He didn't send a message to Yash Nics tonight. The mobilization of the army was all done by Yash Nics, and he had nothing to do with him!

He looked at Yash Nics suspiciously!

Seeing Yash Nics with a sure smile, he suddenly understood that Yash Nics must have got the information.

Yash Nics is a young marshal in the north, so he only needs to tell the communications company to add such a text message record to his and Yash Nics's mobile phones, which is a piece of cake.

When Song Pingting, Song Qingsong and others read the text messages on Yash Nics's mobile phone, they were now willing to believe that Zhong Zi emphasized that the army again.

Yash Nics was just helping Zhong Ziqiang run errands.

Song Feifei said triumphantly: "Sister, what are you doing, what are you insisting on?"

"Don't you think Yash Nics was so prestigious at the hotel at the time, thinking that the army was transferred by Yash Nics?"

"Haha, sister you It's so naive. Brother-in-law doesn't have that kind of ability!"

Song Qingsong also nodded and said: "I also doubted at the time whether the troops were transferred by Yash Nics. After all, Yash Nics was commanding the army to clean up Zhu Lun and watched. The troops are as if they were transferred by Yash Nics."

Song Feifei said with a smile: "This is called a fake tiger. In fact, the really powerful person is my boyfriend Zhong Ziqiang."

Everyone in the Song family complimented Zhong Ziqiang. Without Zhong Ziqiang late, the Song family would be out of luck.

Zhong Ziqiang sweated profusely, and said with trepidation: "In fact, the biggest credit tonight is Mr. Yash."

Song Feifei

curled her lips : "He's just running errands for you, what's so great." Zhong Ziqiang was anxious when he heard the words, and opened his mouth to defend Yash Nics.

However, Yash Nics gave Zhong Ziqiang a look. Zhong Ziqiang had nothing but to shut his mouth and not speak.

However, he felt bitter in his heart and thought: Feifei, you should stop slandering Mr. Yash. In fact, I am not even worthy of supporting Mr. Yash.

You slandered Mr. Yash and praised me, I was as uncomfortable as being roasted on a fire by you!

The next day, Mannity City fried the pan.

Many powerful and powerful people in Mannity City thought that the Zhu family was powerful, and Zhu Lun was arrested and would be released soon.

But I didn't expect Julen to be targeted by the military!

Upon hearing the news, all the powerful and powerful in China Shipping felt that the sky was rolling, and they were all stunned.

So everyone asked what was going on.

Soon, everyone learned the “truth” from the Song family of Mannity: Miss Song Feifei’s boyfriend, although Zhong Ziqiang was a little captain, was appreciated by a group of military leaders.

Zhu Lun bullied the Song family, Zhong Ziqiang reported to the leader, mobilized the troops, and directly destroyed Zhu Lun.

Donghai Province, Shanghang City.

Zhu, Zhu Tiansheng was furious, he directed the full house families, men, retainers, his disciples growled: “Damn, mere Sea Song, a mere captain, even then kill my son, this is really outrageous.”

Zhu everyone , All bowed their heads and dared not speak.

Zhu Tiansheng asked ferociously: “The leaders in Jiangnan Province, what is the explanation?”

Zhu Tiansheng’s younger brother, Zhu Tianyang, stood up at this moment and said in a deep voice: “Big Brother, I called Jiangnan Province Zun Tao Donglin, he only said that he regrets this matter.”

Zhu Tiansheng was full of anger: “Tao Donglin used to call me brother and brother. My son is dead. He has this attitude?”

Zhu Tianyang said, “Big brother, Tao Donglin seems to be in office in half a year. He is now in a state of no matter what.”

“If you want him to severely punish Zhong Ziqiang, Yash Nics, and Song’s family, I guess it is impossible. To avenge my nephew, we have to take our own hands on the Zhu

family .” Zhu Tiansheng nodded: “Yes, revenge, it is still impossible to fake it. Other people’s hands!”

“Second brother, you go to Mannity accurately, that Zhong Ziqiang is not clear about the details, unpredictable, don’t

touch him yet.” “But Yash Nics, Song Pingting and others must be for the death of my son. , Pay the price.”

Zhu Tianyang clasped his fist and said: “Yes, brother!”

Zhu Lun is dead, Song Pingting and the Song family are very worried, worried that the Donghai Zhu family will retaliate.

But to Song Pingting’s surprise, the East China Sea Zhu’s house was calm and calm for several days.

Is it possible that because of Zhu Lun’s death, the Zhu family learned a lesson, became low-key, and stopped making trouble?

This thought made Song Pingting a little relieved.

However, the Zhu family did not retaliate against the trouble, and instead the Ningda Group had a problem.

Ningda Group has been ordering many liver cancer vaccines since it went on sale. So far, many vaccines have been produced.

It’s just that!

Many sellers paid a deposit and took the vaccine to sell, but the balance was delayed.

Ningda Group has sent people to collect payments several times, and these guys have been procrastinating again and again.

Today, President Song Pingting convened a meeting with a group of senior executives of Ningda Group to discuss this matter.

At the meeting, General Manager Xia Ping said angrily: "These sellers, with our vaccine products, earn a lot of money, but they owe a lot of money to our company, but they are still reluctant to settle the settlement."

Finance Director Peng Zhenqiang With a wry smile, he said: "Our financial statement data is good, but our company has not recovered a lot of the payment, and the funds cannot be returned."

"If this continues, sooner or later, we will get into a quagmire of funds, or we will have to make a big fuss on this. "

President Assistant Lin Wei also said anxiously: "Mr. Song, there are not a few companies that have closed down due to financial problems. We must deal with the problem of sellers owing us large sums of funds as soon as possible."

Song Pingting frowned, "These guys, follow We cooperate and make so much money. Why do we deliberately default on the payment?"

Xia Ping said with a bitter smile, "Mr. Song, there is too much money. Some bosses deliberately defaulted on payment of wages, let alone the payment. "

"In addition, these sellers, seeing that our Ningda Group is the head of a woman, deliberately bully us."

Song Pingting heard this, her pretty face covered with frost.

She is the president of Ningda Group and Xia Ping is the general manager of Ningda Group.

Both of them are women. It is correct to say that the Ningda Group is now in charge of two women, but seeing that they are women, they feel that they are bullies. Song Pingting couldn't accept it.

She asked

in a deep voice, " Who is owing the most money to our Ningda Group?" Chief Financial Officer Peng Zhenqiang said immediately: "The owner of Hengxing Company, Qian Kun, he took the largest vaccine product from us, and now he owes us ten. The one-million-dollar payment has not been settled."

“Moreover, this person is the most cunning and earns the most, but he just doesn’t settle with us. He is a rascal.”

Song Pingting slapped the table and said coldly, “It’s him. He is the one who needs to get things done. Who do you think is appropriate to ask for money from him?”

A group of executives thought that Ningda Group must solve the problem of sellers owed money.

But when it comes to who is going to ask for the money, all of them don’t say anything.

Nonsense, if the money is easy to come back, it will be back long ago, and it will be necessary for the Ningda Group to meet to discuss the solution?

Who wants to do such thankless work?

Seeing that no one was willing to collect the money, Song Pingting looked at Peng Zhenqiang, the head of the finance department: “Lao Peng, let you go to Qiankun and get back the money he owes. Can you do it?”

Peng Zhenqiang said embarrassedly: “Mr. Song, I have called him several times a long time ago, and I have also asked him to meet him, but he doesn’t

kill me at all, I don’t know what to do.” Song Pingting personally called the general, and Peng Zhenqiang didn’t even dare to go.

This made Song Pingting very annoyed, and she looked at the other supervisors: “Lao Peng has no confidence to get the account back. Who of you is confident?”

these supervisors lowered their heads and said nothing.

Qian Kun is a well-known rogue, and he also knows many people in society, and he has raised a bunch of vicious thugs.

Who dares to ask him for an account?

And this is the company's account, not your own money. Who wants to risk his life to collect money?

Production supervisor Song Zhongbin, seeing that no one wants to ask for the bill, Song Pingting, the daughter of the president, pales with anger.

He stood up and said, "Mr. Song, let me try it."

Song Pingting looked at Song Zhongbin in astonishment, and whispered: "Dad, can you do it?"

Song Zhongbin said with a smile, "Your dad." I used to be a sales manager and I often deal with sellers. I can still figure out their minds. I will talk to Qian Kun to make sure that I can get the money back."

Song Pingting sees that no one else is willing to go. , So I can only agree: "That's good, but dad, don't force it. It's best to get the payment back. If you can't get it back, don't worry, let's find another way."

Song Zhongbin said with a smile, "Okay." !"

In the morning, Song Zhongbin carried a briefcase and drove to Hengxing Company to find Qian Kun for money.

In the afternoon, Song Pingting just walked into the president's office.

The female assistant Lin Wei hurried in and said anxiously: "Mr. Song, the major issue is not good. Production director Song Zhongbin asked Qian Kun to ask for an account, but was injured by Qian Kun's people."

Song Pingting lost her voice: "What are you talking about, my dad was beaten by someone!"

Lin Wei said with difficulty: "Yes, Qian Kun not only didn't pay the money, but also indulged his subordinates to beat Mr. Song."

Song Pingting asked anxiously: "I Where is Dad now and how is his injury?"

Lin Wei quickly said: "Mr. Song is not badly injured. He has a skin injury. He is now in the production supervisor's office, rubbing alcohol."

Upon hearing this, Song Pingting immediately rushed to the production supervisor's office floor and came to Song Zhongbin's office. .

Song Zhongbin's weak voice came from inside: "Who, come in."

Song Pingting opened the door, brought Lin Wei in, and then saw Song Zhongbin with a blue nose and a swollen face.

Song Pingting said angrily: "Dad, that person with the surname Qian, did he label you like this?"

Song Zhongbin said embarrassingly, "I will ask him for an account. He lives in a mansion, and Bentley Law is parked in the garage. Slaughter was waiting for a few new luxury cars. He wore a famous brand on his body and a Rolex on his hand, but he told me that he had no money."

"I was a little excited, so I said a few radical words, and he immediately let him His men beat me."

"However, I didn't get serious injuries. They were all skin injuries."

Song Pingting said with a frosty face, and said indignantly: "This guy is so arrogant. I called him to reason. "

After speaking, Song Pingting took out her mobile phone and called Qian Kuntan in person.

Qian Kun is an old fried dough stick, and he is not afraid at all when he receives a call from Song Pingting.

He insisted that there was no money for the time being, and told Song Pingting not to send people to harass him, otherwise he would be irresponsible.

After Qian Kun finished speaking, he still squinted and said, "Haha, Mr. Song, next time you ask for an account, don't let other people come."

"If you really want to ask for an account, then come and talk to me personally. Let's go to the hotel to open a room and talk slowly together. I'm not allowed to talk about it overnight, and I'll pay you all the money."

Song Pinting couldn't understand Qian Kun's careless thoughts, she said angrily: "Qian Kun, don't go too far. Believe it or not, I will sue you and make you an old man?"

Qian Kun smiled and said, "You sue me?"

"Lu Pengyu, the chief prosecutor of Mannity City, is my iron buddy. We ate and drank together yesterday. Even if you sue me, it will be useless."

"As for the desire to turn me into an old man, it is even more impossible. Lu Pengyu will help. I'll do it, hahaha."

Song Pingting was trembling with anger, and said angrily: "Well, let's go and see."

After that, she hung up the phone angrily.

At this time, Yash Nics knocked on the door and came in.

He looked at Song Zhongbin with a blue nose and a swollen face, and at Song Pingting, who was trembling with anger, and asked in astonishment: "Dad, Xiaoting, what's the matter with you?"

Song Pingting didn't hide it, and told Yash Nics the situation.

After Yash Nics listened, his face sank and coldly said: "This Qian Kun is really arrogant!"

"He made a lot of money with vaccine products of our Ningda Group, but he deliberately owed his debts. I dare to beat people!"

In fact, Yash Nics was most angry with Qian Kun, who even dared to have nasty thoughts about Song Pingting.

Song Pingting said with a sad face: "I originally wanted to sue Qian Kun through legal means, but this guy has someone in the court and the procuratorate."

"Listen to him, he has a good relationship with the prosecutor Lu Pengyu, even if we prosecute. It can't help him."

Lu Pengyu?

The corner of Yash Nics's mouth rose slightly, and she smiled: "Wife, please go to the hospital with your dad. As for Qian Kun, let me take care of it."

"I promise that he will kneel down and apologize to his dad crying and crying.

Return the debt to our company." Song Pingting, Song Zhongbin, and Lin Wei all shook their heads, thinking it was impossible.

Who is Qian Kun, old fritters, and rascals.

Moreover, Qian Kun is very familiar with the people in the court and procuratorate. Yash Nics can get back some of the debt from Qian Kun, which is not bad.

As for Qian Kun paying back all the money, and crying to kneel down to admit Song Zhongbin's mistakes, that is nothing short of a fantasy.

Yash Nics smiled and said, "

Let's take a look." Song Pingting and Lin Wei accompanied Song Zhongbin to leave the company and go to the hospital to deal with the injuries.

He also came out of the company himself, came to call the teahouse opposite the company, and then made a call to Zun Zhou Ruoshu of Mannity City.

When Zhou Ruoshu received a call from Yash Nics, he was frightened and said in awe: "Mr. Yash, what do you want?"

Yash Nics smiled and said, "It's nothing, I invite you over for tea."

Drink tea!

Zhou Ruoshu shuddered all over, drinking tea is not a good word in their public department!

For example, going to the police station to drink tea or the Commission for Discipline Inspection is not a silly thing.

Now Yash Nics invites him to drink tea, directly scaring him pale.

Yash Nics added: "I'm in Mingxiang Teahouse. When you come, bring the Chief Prosecutor Lu Pengyu with him."

Zhou Ruoshu was stunned when he heard the words. He vaguely guessed that this matter must have something to do with Lu Pengyu.

Make sure it's Lu Pengyu who offended the marshal!

Zhou Ruoshu greeted Lu Pengyu's family all over, and respectfully said to Yash Nics: "Yes, Mr. Yash, his subordinates will bring Lu Pengyu to see you immediately."

Not long after, Zhou Ruoshu took Lu Pengyu to Mingxiang Tea House. Knock on the door and enter Yash Nics's box.

"I have seen Mr. Yash!"

" Hello, Mr. Yash!"

Zhou Ruoshu and Lu Pengyu were both panicked.

Especially Lu Pengyu, he was told by Zhou Ruoshu that Yash Nics was the young commander of the North.

Now, like a small animal seeing a tiger, he was so scared that he did not dare to lift his head.

"You two are here!"

Yash Nics was making tea. He did not ask them to sit. They stood tremblingly, afraid to sit.

Yash Nics poured two cups of tea, pushed it to the front, and then approached Zhou Ruoshu and Lu Pengyu, and reached out to ask: "Sit!"

Zhou Ruoshu and Lu Pengyu both sat down quickly, but only dared to sit half of their buttocks. The typical sitting is like a student. principal.

Yash Nics squinted his eyes: "Drink tea!"

Zhou Ruoshu and Lu Pengyu hurriedly said yes, and then both picked up small teacups.

Yash Nics said lightly, "I invite you two over today. One is to invite you to have tea, and the other is to ask Inspector Lu for something." Lu

Pengyu hurriedly said, "Subordinates are listening. Please Mr. Yash to show me something."
"

Yash Nics asked casually: "I heard that you have a good relationship with Qian Kun?"

Lu Pengyu opened his eyes wide when he heard this, his face full of suspicion.

He and Qian Kun are indeed good friends. Recently, Qian Kun was sued by Ningda Group several times to collect debts, but he rejected them all.

He helped Qian Kun a lot. Qian Kun invited him to dinner yesterday and said he was going to thank him.

Now the young marshal asked about his relationship with Qian Kun, what's the matter?

Lu Pengyu became anxious and quickly disassociated himself and said: "I know him, but I don't know him well."

Yash Nics smiled and said, "But Qian Kun didn't say that. He said he was an iron man with you."

Lu Pengyu was frightened, and he was in a panic . Denial: "No, no, I really only knew him, but I didn't have any friendship, let alone iron buddies."

Yash Nics smiled: "The Coning Group sued Qian Kun several times before for not repaying the debt. No success, it is said that it was rejected by you."

"In addition, Qian Kun also said that he had someone in the court and the procuratorate, and you were covering him."
