The reason why the Zhu family was able to dominate in Shanghang City, known as the Pearl of the Orient, was because of this terrifying Devil Legion.

As for Ksitigarbha, he is a peerless strong man who is specifically responsible for commanding the Devil Legion.

No one knows the origin of the Ksitigarbha, and no one knows how strong Ksitigarbha's strength is, because everyone who has fought with Ksitigarbha has died under his hands.

Jizo is the patron saint of the Zhu family, the most terrifying killing god under Zhu Tianyang.

This time, Zhu Tianyang is going to lead the Ksitigarbha, Niu Tau Ma Mian, and the Devil Army to Mannity, which shows that Zhu Tianyang must destroy Yash Nics's family.

...

Mannity City, a teahouse, is performing Peking Opera.

Yash Nics, Song Pingting, Tong Ke, and Song Qingqing are drinking tea and watching a play.

It turns out that today is the weekend, Yash Nics brought her daughter to the teahouse to listen to the opera, so that her daughter can be exposed to the ancient Chinese culture and cultivate sentiment.

The performance on the stage was Peking Opera empty city plan, and the guests drinking tea in the teahouse were all fascinated by it.

I only heard Zhuge Liang on the stage sing: "I was watching the mountain scenery at the top of the city, but I heard the chaos outside the city..."

Suddenly, two tall men with fierce faces came in from the outside.

A sturdy figure, with bull-eyed eyes, especially fierce.

The other has a full face, which is really scary.

As soon as the two appeared, they attracted the attention of everyone in the teahouse.

Niu Jin coldly said to the actors on the stage: "Stop singing, the babble is crooked, it makes me upset. Whoever sings another sentence, I will kill him." In

an instant, several Peking opera actors on the stage all shut up in horror and didn't dare to sing anymore.

When Niu Jin and Ma Yan saw everyone on the scene were scared to silence, they showed satisfied expressions.

Song Qingqing is a child, not knowing to be afraid, looking at the peculiar-looking Niu Jin and Ma Yan with interest.

She pointed to Ma Yan and whispered to Yash Nics in surprise: "Dad, that uncle looks like a horse!" In

an instant, Ma Yan's face was angry, his eyes were angry, and a terrible murderous aura was exuded all over his body.

Song Qingqing paled with fright, and hurriedly hid beside Yash Nics.

Yash Nics stood up, smiled at Ma Yan, and apologized: "Brother Ma Lian, my daughter is young and ignorant. She is nonsense. I will apologize to you instead of her..."

Brother Ma Lian!

The anger in Ma Yan's eyes was even worse. He clenched his fists and said angrily: "What do you call me?"

Although Ma Yan is known as Zhu Tiansheng's tauren, but he actually hates others for saying that he looks like a horse. Hate others for calling him a horse face.

Yash Nics was stunned when he heard the words, and realized that he was taken in by his daughter, and subconsciously called him brother Ma Lian, which was really misguided.

Before Yash Nics could talk anymore, Niu Jin said coldly: "Lao Ma, why are you talking nonsense with him? We are here to pass the war note to the master, not to talk nonsense with him."

Yash Nics frowned upon hearing the words: "War script?"

Ma Yan took out a war script like a trick, and said to Yash Nics with a sneer: "Yes, we are from the Zhu family. On the order of our master, we will hand you the war script. "

After that, he threw the battle book away, and the battle book was like a rotating blade, cutting it towards Yash Nics's neck whizzingly.

Yash Nics raised his hand and easily caught the battle book, which surprised both Niu Jin and Ma Yan secretly.

If Yash Nics comes, he can consider killing only Yash Nics.

If Yash Nics does not come, then he will bloodbath Mannity, kill Yash Nics and everyone in the Song family, and die for his brother and son.

Yash Nics threw the battle book into the trash can with a sneer, and said with a sneer, "You Zhu family, it's really endless."

Niu Jin and Ma Yan were both angry when they saw Yash Nics dared to throw the master's war book into the trash can. Up.

Niu Jin grinned and said, "Alright, anyway, he died early. If you die late, let's send him on the road now." After the

two said, they started to move, one left and the other right, and they came to Yash Nics with lightning speed.

The people in the teahouse all exclaimed!

Song Pingting was also so scared that she hugged her daughter tightly, and trembled: "Yash Nics be careful!" The

corners of Yash Nics's mouth rose slightly, and she was about to take the shot herself.

But just at this moment, a tall and stalwart figure appeared and stopped in front of Yash Nics, with a loud and powerful voice: "Dare to be rude to Mr. Yash, you deserve death!"

This stalwart tower man wore camouflage trousers. With the green vest, his muscles spurted, like a giant of steel.

If you are someone who knows the Northern Army, you will be shocked when you see this iron tower man.

Because this iron tower man is one of the three tiger generals under the command of the North Marshal, breaking the army.

Greed the wolf, break the army, seven kills.

All three of them were major generals in the north, and Yash Nics's three fiercest underlings.

At this moment, Yash Nics looked at Pojun's tall figure, and was slightly surprised, wondering why Pojun came to Jiangnan?

Niu Jin and Ma Yan don't know Pojun.

When they saw someone dared to stop them, they were both angry.

Ma Yan: ”

Kill this stupid man first!” The two rushed towards the Pojun, wanting to join forces to kill the Pojun first.

Breaking the army chuckled, avoiding Niu Jin’s fist, swept Niu Jin with his left arm, and directly pinned Niu Jin under his armpit.

At the same time, Po Jun stuck out his right hand, and Pu Shan’s big palm easily wrapped Ma Yan’s fist.

Ma Yan was taken aback and wanted to withdraw his hand.

Po Jun’s right hand pressed hard, squeezing Ma Yan’s hand bones to pieces.

“Ah!”

Ma Yan screamed!

Breaking the army’s right fist thrown out!

Bang, at the door of Mayan’s face.

Ma Yan’s face was instantly sunken, blood splashed, and his head fell to his knees, killing him on the spot.

Breaking the army killed Ma Yan, and at the same time threw the Niujin held under his left armpit to the ground.

Niu Jin didn’t move, but he was so angry that he was strangled to death by the broken army!

Everyone in the teahouse was shocked and screamed: “Oh my God, murdered, murdered...”

Po Jun took out an officer’s card, casually raised it, and said in a deep voice: “I’m a soldier, kill two gangsters. Don’t panic, gangsters.”

Everyone at the scene was not so afraid after hearing this, and some people secretly called the police.

The officer card of the broken army was just raised casually, and many people couldn't see it clearly.

But Tong Ke's eyes were good, and she was shocked to find that the rank of this person's military card was Major General!

Po Jun put away his credentials, tidied up his clothes, and walked to Yash Nics in a stride, saluting : " Hello, sir!" Song Pingting, Song Qingqing and the others were all stunned.

Song Pingting asked, "Yash Nics, how does he call you chief?"

## Chapter 603 Read free Novel

Yash Nics glared at Pojun, and then explained to Song Pingting: "When I was a soldier, I was a small platoon leader. This guy is one of my three squad leaders."

Yash Nics After speaking, he angrily said to Po Jun: "I'm retired, you

silly, you are not allowed to call me the officer." Po Jun scratched his head and smiled honestly, completely not as fierce as a raging tiger just now.

Tong Ke's heart was pounding wildly, her pretty face was excited, and she thought excitedly: Brother-in-law is so great, a major general who killed all quarters, was scolded bloody by him.

...

Soon, Wang Zhixing, the captain of the criminal investigation squadron, arrived with a few of his men.

However, when he saw Yash Nics present, and then looked at Po Jun's clothes, and the unabashed temperament of iron and steel, he knew that Po Jun must be Yash Nics's general.

So he asked for a while and took over the scene.

Yash Nics's family left the teahouse with Pojun.

When they returned home, Song Zhongbin and Ma Xiaoli were a little shocked when they saw Po Jun, a towering man who was more than two meters tall.

Hearing that Po Jun was Yash Nics's old comrade-in-arms, the two elders immediately started cooking and treated them warmly.

During the meal, Pojun ate very fast, the chopsticks swept in the bowl for a while, and a bowl of rice was gone.

The pickled vegetables are also sweeping the fallen leaves in the wind, and those who come are not rejected, and the food is especially delicious.

Song Pingting's family was dumbfounded, and Yash Nics couldn't help but smile.

Breaking the army has been in the army all year round and has formed the habit of eating quickly.

Because we must hurry up to rest, hurry up to train, and be ready to fight at any time.

Not only break the army, but also in the Northern Army, from Yash Nics to ordinary soldiers, they have this habit.

Yash Nics came to Song's house, and it took a long time to make corrections.

Song Qingqing's eyes were staring, her small face was full of shock, and she looked up at Yash Nics: "Dad, this Uncle Pojun, it's delicious!" Hearing this, Pojun

realized that everyone looked at him weirdly.

He was instantly embarrassed and scratched his head and said, "I got used to it in the team, and everyone laughed."

Song Pingting said with a smile: "How is it possible that you soldiers can eat enough to protect your home and the country, and we people have a good life." However, our family has always worshipped soldiers."

"Come on, Brother Pojun, I'll fill you with more rice."

Pojun said quickly, "Thank you, Madam!"

Song Pingting soon gave Pojun another bowl of rice. , This time the army did not dare to eat desperately, slowing down.

Seeing Song Qingqing looking at him with interest, he thought of something and immediately took out a small jade Buddha and handed it to Song Qingqing.

He smiled heartily: "Little Miss, my uncle came in a hurry this time and didn't prepare any meeting gifts. I got this little Buddha in Myanmar and I gave it to you as a gift."

Song Qingqing saw that the little Buddha was pretty, so he took it. Sweetly said, "Thank you, uncle."

Song Pingting saw that the little Buddha was very delicate, and when she took a closer look, it turned out to be an emperor green jade.

The price of such a small jade Buddha is at least tens of millions!

Song Pingting's face changed drastically, and she hurriedly said: "You can't do it, you can't do it, Brother Pojun, this gift is too expensive, we have nothing to do and cannot receive it!" After

she finished speaking, she said to Song Qingqing, "Quickly get the jade.

Return the pendant to uncle!" Although Song Qingqing liked the little Buddha very much, she still listened to her mother's words, and honestly returned the little Buddha to Pojun, and whispered: "Uncle, my mother said that she can't accept your gift. "

Breaking the army out of nowhere, looking at Yash Nics.

Yash Nics smiled slightly, and said to Song Pingting and Song Qingqing faintly: "Po Jun is our own brother, we were born and died together, this gift is clear to you, remember to thank uncle."

Yash Nics said, Song Pingting did not. What to say.

Song Qingqing re-accepted the Emerald Buddha happily and giggled: "Thank you, uncle."

The corpse of the Jizo, like a kite with a broken wire, flew out, and then fell to the ground.

Zhu Tiansheng looked at the corpse in the ground in disbelief, cold sweat fell on his forehead, his feet trembling.

His voice began to tremble, and he murmured: "Impossible, impossible, Jizo is so strong, how could it be dead like this..." There

are only more than 20 members of the Devil Legion around, all of them With horror, he kept moving back.

Then they turned around one after another, fleeing like Yan Luo dying behind.

Breaking the army frowned upon seeing this, ready to set off to hunt down.

His jungle hunting and hunting skills, although not as greedy as wolves, nor as seven kills.

But he was confident that he could chase and kill all these escaping guys within an hour.

Yash Nics was aware of Pojun's intention to pursue the attack, and said lightly: "A few hello, it's not worth mentioning, don't chase."

Pojun respectfully said: "Yes, Lord."

Although everyone ran away, but The culprit, Zhu Tiansheng is still there.

Zhu Tiansheng wanted to run, but he was bloated and didn't have the sturdy skills of those members of the Devil Army. He couldn't run even if he wanted to run!

Yash Nics's eyes fell on Zhu Tiansheng's skills, and he said coldly: "What's the last

word?" Zhu Tiansheng was desperate. He gritted his teeth and said loudly, "I only have one question!"

Yash Nics said coldly: "Say!"

Zhu Tiansheng looked at Yash Nics with complicated eyes, and asked with a hoarse voice: "Who are you, anyway?"

Yash Nics ordered Bro Jun: "Tell him, who am I?"

Bro Jun looked at Yash Nics with admiration, just like The devout believer is watching his faith.

Looking at the god in his mind, his face was shining with pride, and he said loudly: "He is the young marshal of the North, the Chinese God of War, the giant of the empire, Yash Nics!"  
The young man of the North

!

Chinese God of War!

Empire giant!

Breaking the army's words heard Zhu Tiansheng's ears, like a thunder rolling in the sky.

No wonder, the Zhu family will continue to be planted in Yash Nics's hands.

It turned out that Yash Nics was the young marshal of the North.

Zhu Tiansheng smiled sorrowfully: "No wonder Deng Hairong, Wang Yao and others will be sent to the northern border labor reform. I should have thought that I shouldn't mess with you..."

Yash Nics said coldly, "Unfortunately it is over. You came to Mannity and wanted to destroy my whole family from the moment you were doomed."

Yash Nics finished speaking, and turned away indifferently. His voice floated in the wind: "Break the army, give him a ride."

## Chapter 608 Read free Novel

Yash Nics and Po Jun returned to their homes in Jiangbin Community, it was already noon.

Song Pingting had been secretly worried about Yash Nics. She knew that the Zhu family of the East China Sea had come out and came to Mannity to fight with Yash Nics.

She also knew that Yash Nics and Po Jun went out this morning, and it was very likely that they had gone to see Zhu's family.

She had been worrying about Yash Nics all morning. At this time, seeing Yash Nics and Po Jun came back safely, she let go of her hanging heart.

She greeted Yash Nics and asked in a low voice, "Husband, did you go to Zhu's house for an appointment?"

Yash Nics knew that Song Pingting Bingxue was smart and couldn't help but smiled and said, "Everyone else is far away." Coming from the East China Sea to find the fault, I naturally have to meet the other side."

Song Pingting asked nervously: "They didn't embarrass you?"

Yash Nics said with a smile: "No, I will convince the army to convince people with virtue. After their education, some of them realized their mistakes, and some went back in despair." What

Yash Nics did not say is that many of them stayed in the abandoned cemetery in the eastern suburbs forever.

Song Ping Ting nodded repeatedly, saying that it should be like this.

Tong Ke, who was next to her, only rolled her eyes when she heard it, and thought: How can the bad guys be so easily frightened? The reason for being so honest is all due to her brother-in-law.

Alas, a man like brother-in-law is really nice.

Tong Ke sneaked a glance at Yash Nics, and the more he looked at him, he felt that his brother-in-law had a taste, and what little star on TV was completely incomparable to his brother-in-law.

At this time, Ma Xiaoli had already come out of Duan, and said with a smile: "Everyone is back, I have made a meal, hurry up and have lunch."

During the dinner , Pojun Company ate five bowls of rice, and said repeatedly: "Auntie The food is so fragrant."

shook his head: "I have no luck. I have a mission this time. I have to go today."

Yash Nics knew that Po Jun came to Jiangnan Province this time to go to the Jiangnan Military Region headquarters to exchange experience with Liu Zhenping and a group of southern generals.

But he didn't know that the broken army was leaving so soon!

However, the headquarters of his Jiangnan Military Region is in Dongjiang City, not far from Mannity, and it is only a two-hour drive to come.

He smiled and said: "It doesn't matter if you have a task, anyway, come here when you have time, and treat this place as your own home." The

army said with a simple smile: "Yes!"

Donghai Province, Zhu Ji, the old man of the Zhu family, learned that Zhu Tiansheng News of his death.

He let out a stern wailing: "My son, you have died so miserably!"

"Prepare the vehicle immediately, I am going to see the Dragon King. I want to ask the Dragon King to take action to avenge my two sons and grandson!"

Zhu Ji immediately added: "However, Yash Nics would have been expelled from the Yash family, otherwise, your cousin is still Yash Nics's stepmother!"

Hai Pingchao suddenly said, "It turns out. Yash Nics, your enemy of the Zhu family, is the evildoer that the Yash family expelled from the house."

"You can rest assured that Yash Nics was expelled from the Yash family a long time ago. The Yash family had already severed all relations with him. The Yash family won't

take care of him." Zhu Ji said, "Although Yash Nics's boy was expelled from the Yash family, his strength is not weak. We Zhu's family can't help him. Please let the Dragon King personally take revenge on us. Dragon King, you drive."

If it was an ordinary person, Hai Pingchao would never make a move.

But Yash Nics is the wicked son of the Yash family who was expelled from the house. His cousin Hai Qing has now joined the Yash family as the mistress.

If one day the Yash family suddenly missed Yash Nics, he would take Yash Nics back to the Yash family to inherit the family business.

Isn't his cousin going to be unlucky!

Hai Pingchao frowned, his thoughts flashing.

His cousin joins the Yash family, and the picture is the Yash family's large family business. If Yash Nics returns to the Yash family and takes over the Yash family, then his cousin will be exhausted.

Moreover, as far as he knows, Yash Nics and Yash Nics's mother were expelled from the Yash family, which was also planned by his cousin.

Even the death of Yash Nics's mother is inextricably linked to his cousin.

In a word, Yash Nics's immortality is always a big hidden danger to his cousin.

Over the years, his cousin has been secretly sending people to search for Yash Nics's whereabouts, trying to get rid of Yash Nics, but there has been no news of Yash Nics.

Hai Pingchao squinted his eyes and thought: Since Yash Nics is the cousin's serious problem, then I will take action personally to eliminate this hidden danger for her.

In this way, both the Zhu family and the cousin were helped, and both gratitude and remuneration could be obtained.

Thinking about this, Hai Pingchao squinted his eyes and smiled and said to Zhu Ji: "Since Mr. Zhu is so sincere, then I am disrespectful. I can help you kill Yash Nics, but I will pay 20 billion!"

Twenty billion!

Zhu Ji couldn't help but feel pain. Although their Zhu family's assets exceeded 100 billion, they could spend 20 billion in remuneration, which was still very distressed.

However, the enmity between two sons and one grandson must be reported.

He gritted his teeth and agreed: "Okay, 20 billion, the Dragon King will take revenge for us."

Hai Pingchao smiled with satisfaction and turned to ask the housekeeper: "Agui, who do you think is appropriate to send to Mannity to take Yash Nics's life?"

Agui respectfully said: "Master, your son Li Zhaolong has just returned from overseas experience and returned to the East China Sea to work for you. I think it is appropriate for Li Zhaolong to go to Mannity to deal with Yash Nics."

Li Zhaolong is an orphan adopted by Hai Pingchao since he was a child. To cultivate.
