Mrs. Haixin waved her hand: “It will be the 50th birthday of the master in a few days. You don’t have to do these unhappy things. Tell him, so as not to ruin his mood.”

Song Chongshan nodded and said yes, and then asked again: “Then Yash Nics, what should I do?”

Mrs. Hai Xin said faintly: “Call my cousin Hai Pingchao and urge him to act a little more dexterously and get rid of Yash Nics as soon as possible.”

It turns out that the rich young man in front of him is the son of the Shanghai Hai Family and the youngest son of the East China Sea Dragon King Hai Pingchao, Hai Yang.

This world is really small!

The corner of Yash Nics's mouth rose slightly, and she smiled lightly: "No matter how powerful their Hai family is, Shanghang City will not have the final say about their family. Don't worry."

Song Pingting saw that Yash Nics was reluctant to escape and insisted on staying in this hotel. Eating West Lake sweet and sour fish, nothing, they can only follow Yash Nics into the hotel.

Yash Nics's family opened a private room and ordered local specialties such as West Lake sweet and sour fish.

Before the food was served, suddenly there was a knock on the door.

These men are not considered young, and some are even in their 50s or 60s.

However, everyone has an aura of majesty, and at a glance, he knows that he is a powerful figure who holds a high position in the military.

Song Pingting thought that Haiyang had come to retaliate against Yash Nics for these people, and her pretty face paled in fright.

Yash Nics also frowned slightly: "Why are you here!"

This group of people, the 60-year-old veteran wearing the costume of a lieutenant general, smiled respectfully and said: "Mr. Yash, I am the deputy commander-in-chief of the Donghai Military Region, Du Tianlin. Mr. Yash is coming to the East China Sea, come and say hello to Mr. Yash."

Song Pingting was stunned!

Tong Ke's face was calm. She knew Yash Nics's identity, and she knew that these people were here to cheat Yash Nics.

Yash Nics has always been low-key, but Du Tianlin and others came to greet him enthusiastically, and this group of people are the mainstays of the East China Sea Provincial Army, so it should not be neglected.

Yash Nics smiled and said: "Since everyone is here, if you don't mind, come in and have a drink together at the bar!"

Du Tianlin also smiled openly and said: "Mr. Yash, I also brought a special confession from the military. We must respect you two glasses of Mr. Yash today."

Song Pingting's pretty face was shocked, and she asked Yash Nics in a low voice: "Are they?"

Yash Nics smiled and said casually: "Didn't I say that I saved a leader before, they are the leader's subordinates, so I am very grateful. This time it is estimated that they came to entertain me when they learned that I came to the East China Sea. "

Song Pingting nodded, believing it was true.

Haiyang sneered: "110. No need to fight, because it's useless, just hit 120!"

After finishing speaking, he waved his hand and instructed his subordinates next to him: "Discount the legs of these two eyesless dogs!"

But this one in front of him is the youngest son of the Dragon King of the East China Sea, a well-known little overlord in Shanghang City.

Zhang Yuenian can't afford to offend!

He smiled and asked: "I don't know who offended the Hai Gongzi, I will hand over the man."

Haiyang squinted and said, "Half an hour ago, there was a young man and a couple who were very beautiful. Sisters, with a child. They entered your restaurant, where are they now?"

Naturally, Zhang Yuenian couldn't pay attention to every group of guests entering and leaving the hotel. He turned his head and looked at the lobby manager beside him.

Peony box!

Zhang Yuenian's face changed drastically when he heard this, because a group of leaders of the East China Sea Provincial Military Region had just arrived, and they all entered the Peony box.

The waiter tremblingly said: "Donghai

Xiaoba Wang Haiyang, brought a group of people to surround our hotel, saying that he was going to teach people who offended him!" Du Tianlin said angrily: "It's really presumptuous. Shouting and screaming outside has spoiled our interest in drinking... Zhou Tiecheng, please go out for me and let them get out."

Zhou Tiecheng, the commander-in-chief of the Trident Special Forces, immediately got up, ready to go out and drive away the troublemakers in Haiyang.

But Yash Nics said faintly at this time: "The kid named Haiyang came for me, so I don't bother everyone about this matter, I'll go out and solve it

Yash Nics shook his head: "No, you are wearing military uniforms, and your identities are not simple. If you come forward, you will not cause bad public opinion. Solve it!"

Du Tianlin immediately took off his lieutenant's jacket, wearing only a vest, and grinned: "I took off this jacket and went out to teach him."

Zhou Tiecheng and others all took off their jackets. Some people are wearing military green vests, and some people are naked and strong upper bodies, saying one after another: "Yes, we will take off this suit and go out and help Mr. Yash to clean him up!"

Song Pingting and Tong Ke were shocked when they saw this!

Yash Nics is also dumbfounded. These guys are usually very stable leaders. Why have they become passionate guys today?

Of course, he knew very well in his heart that the reason why these guys were so "impulsive" was entirely because of his identity.

He looked at Du Tianlin and his group and smiled and said: "Since everyone is holding injustice for me, and they have to give me a righteousness, then I will go out with everyone to have a look!"

Soon, Yash Nics took Du Tianlin and more than a dozen people from Come out of the box.

At the middle of the fever, he kicked Zhang Yuenian fiercely with his foot up, and kicked Zhang Yuenian's face with blood, while cursing: "Damn it, let alone Shanghang City, even in the entire Donghai Province, there are not many people who are me. If you dare not move, get out!"

Yash Nics saw this, and his face sank: "I heard you were looking for me!"

Haiyang saw Yash Nics and Song Pingting come out, and his picture was hollowed out by drinks. The blood-colored face showed a grinning smile: "Hehe, boy, you are finally willing to come out."

"You dare to speak rudely to me and hurt my men."

"Now I give you two ways, the first way I let My men will kill you now. The second way is for you to let your wife go with me. You can choose by yourself."

Yash Nics's mouth raised slightly, and said with a sneer: "Only you?"

Haiyang raised his head, arrogant. Said: "There are also the hundred of Haijia men behind me!" After

he finished speaking, he turned to ask the one hundred men next to him: "Brothers, this kid dares to humiliate me, and dare to hurt us. What do you guys say?"

A hundred subordinates were murderous, and they said in unison: "Kill, kill, kill!"

Yash Nics smiled and said, "So majestic, what do you think of

Although they are in a high position, their killing skills have not been pulled down.

In particular, Zhou Tiecheng, the commander-in-chief of the Trident Special Forces, had a combat skill in the army. Instead of falling behind, they were more adept. They could kill with just raising their hands.

Therefore, although Haiyang has many subordinates, they are not at all the opponents of Du Tianlin's group of middle-aged and elderly people.

As a result, Haiyang saw a scene that stunned him.

The elite men he brought were beaten up by a group of middle-aged and elderly people, and they not only screamed and fell.

Haijia mansion, inside the study.

Hai Pingchao was full of anger. He waited for Agui to wait for a group of men. He was frightened and said, "My son was captured by the troops?"

Agui, the hunchback butler, answered honestly: "Second Young Master and Yash Nics conflict in Jinfeng Hotel, two young master immediately called the gang went to New Haven restaurants trouble. " "

I did not expect that the East China Sea military leaders just eat a bunch of restaurants in New Haven. " "

Tianlin to arrest all Haiyang and others, he also ordered everyone on the scene to block the news.

Therefore, Haijia also didn't know what happened at that time.

Only knowing that Haiyang had a friction with Yash Nics, Haiyang went to trouble the crowd, accidentally ran into a group of leaders who were eating at the restaurant, and then they were all taken away.

Until now, the Hai family thought that Haiyang was unlucky and accidentally ran into a group of leaders in the military area.

They didn't expect that the leaders of the military region would be Yash Nics's helper.

Haiping Chaohuohuohuo said: "It's really a nonsense!" The

hunchback steward Agui and the others looked at each other. I wonder if the master is talking about the Second Young Master or the leaders of the military area.

Hai Pingchao groaned for two seconds, and then told Agui: "You can call the military area for me to communicate. Let them help, give me some thin noodles, and release my youngest son first."

Agui said: "Master, I have already fought."

Hai Pingchao frowned. "What did you say over there?"

Agui said, "General Wei Lin of the Eastern Navy District, he went to the capital for a meeting, and now Deputy Commander Du Tianlin is in charge."

Hai Pingchao squinted.

Keep your eyes open: "What did General Du say?" Agui lowered his head and whispered: "General Du said this is very simple. If Yash Nics says it's fine, then it's

fine ." Hai Ping said in a hot voice. : "Their military is going to give Yash Nics a head start,

why?" Agui accompanied carefully and said, "General Du and the others are leaders in the army, and their sense of justice is overwhelming. This time they encountered a group of people led by the second young master. He smashed the restaurant and shouted at Yash Nics.

I guess General Du and the others couldn't stand it, so they arrested the second young master." "I guess General Du didn't really want to make the matter worse, so I said that as long as Yash Nics didn't pursue it. Just let the two young masters go."

Hai Pingchao was depressed, and said slowly: "It seems that if you want to solve this matter, you have to find a solution from Yash Nics."

Agui nodded, "Master, or let's talk to Yash Nics first. Apologize. Yash Nics promised not to pursue the matter, the military released the second young master, and then we will settle accounts with Yash Nics?"

Hai Pingchao coldly snorted, "What is my status? What is the status of our Hai family. I apologize to him, no way!"

Agui said embarrassedly: "But what about the second young master?"

Hai Pingchao sneered, "I have my own means!"

After finishing speaking, Hai Pingchao's eyes fell on a tall, sharp-eyed middle-aged man with white sideburns, and said, "Hawkeye!"

The middle-aged man with white sideburns and sharp eyes said in a deep voice: "The subordinates are here!"

Hai Pingchao ordered: "Check out Yash Nics's whereabouts, send a few elite killers, and give Yash Nics some gifts."

"You don't want to kill him yet, first scare him and his family, let He knows how powerful it is."

Yingyan said

solemnly : “Yes!” The old butler Agui said in surprise: “Yeah, your master, your trick is so powerful that it scared Yash Nics half to death. He must take the initiative to tell the military if he is afraid. If the Second Young Master is not held accountable, the military will release the people when the time comes.”

“High, really high!”

Hai Ping said with a sullen look on the tide surface, “I will talk to Yash Nics when I understand this matter. True, in the north, my cousin Haixin is still waiting for my news!”

Yash Nics frowned, and Dian Chu and the other tiger guards were on the verge of an enemy.

It turned out that the black suitcase that Ah Qi was carrying was a multifunctional suitcase to protect the chief.

In addition to being used as a shield to resist bullets, the suitcase also contains pistols, emergency location trackers, bomb detectors, etc.

At this moment, the bomb detector rang in Aqi's suitcase.

There are bombs around, the detector will sound such a fierce alarm.

Yash Nics and his entourage stood far away, and Ah Qi cautiously got down to check the vehicle.

Soon, he was very cautious to take out a bundled time bomb from under the site of Yash Nics's Hongqi car.

As Yash Nics's guard, Ah Qi is naturally a master at dismantling bombs.

He quickly cut one of the wires on the bundled time bomb with a dagger to relieve the danger.

He turned his head and looked at Yash Nics: "Report, the danger of explosives has been eliminated."

"Yes!"

Yash Nics's family, by Dianchu's several very professional guards, Escorted back to the hotel.

Both Song Pingting and Tong Ke were in shock. Tonight it was a bomb and a laser shot from a suspected sniper rifle, which frightened them both.

After returning to the hotel suite, Song Pingting couldn't help saying to Yash Nics: "It should be the Hai Family who is warning us, Yash Nics, or we don't want to fight with them anymore. You can call General Du and they will let Haiyang go. That bunch of people?"

Yash Nics comforted: "It's okay, I'll take care of it. You and Xiao Ke and Qingqing will take a bath and rest first." As

soon as Yash Nics's voice fell, his mobile phone rang.

Caller ID is an unfamiliar mobile phone number!

Yash Nics answered the phone, and a triumphant voice came from inside: "Yash Nics kid!" Yash Nics frowned, chose to relax again, and said faintly: "The sea is calm!"

Hai Pingchao smiled and said, "Yes, it's me. Have you already received the little surprise I gave you?"

According to Hai Pingchao's plan, he planned to wait for Yash Nics's family to return to the hotel by car, and Yash Nics's family just got off. , He blew up Yash Nics's car and frightened Yash Nics.

Hai Pingchao laughed haha: "The people on the edge of death are your family!"
