Song Yuanming said in an unkind tone: "Who dares to move my son!"

Li Shuqin exaggerated sorrow, then rushed over, pushed Shi Qing and others away, and helped her son Song Zihao.

Song Zihao also hugged Li Shuqin tightly, and said in a trembled, "Mom, these people, they want to interrupt my hands and feet."

Like an old hen guarding her cub, Li Shuqin said angrily: "Who dares to touch a hair of my precious son? Whom I am going to die today."

Yash Nics's mouth raised slightly, and said sarcastically: "Hehe, your son is a treasure, and someone else's daughter deserves to be bullied and humiliated by your son?"

Song Yuanming, his wife and others, their eyes fell on Yash Nics. Body.

When Song Yuanming saw Yash Nics, he was a little surprised, and his eyes were complicated and said: "It's you, Yash Nics!"

Yash Nics had taught the Song Family, the provincial capital, before, and even Song Lutang, the former head of the Song Family, died in Yash Nics's.

If it was not because Yash Nics offended the Tianzhu warlord Bacher this time, Bacher would put Yash Nics to death, Song Yuanming and the others would not dare to come to Mannity to be wild.

Yash Nics said with a sneer: "Song Yuanming, I was looking for you, but I didn't expect you to provoke me first."

"Alright, we can just settle the accounts tonight."

Song Yuanming snorted coldly: "What do you want to do with me? "

Yash Nics pointed to the unconscious Tong Ke: "Your son secretly drugged my sister-in-law's drink and pretended to be her boyfriend, trying to take her away. How to calculate this account?"

Song Yuanming pouted. "How can you be sure that my son has given the medicine?"

Shi Qing said in a deep voice, "We have certification, and there are surveillance videos to prove it."

Song Yuanming and his wife knew they couldn't deny it.

Li Shuqin guarded her son and said disdainfully: "Even if the medicine is administered, what will happen to her. She is fine when she wakes up, and there is no loss at all."

"My son is still a child. Don't scare him. , Otherwise I will never end with you. "

Child?" !

Everyone at the scene was stunned by Li Shuqin's remarks.

This Song Zihao is more than 20 years old, she still has the face to say that her son is a child?

Everyone looked at Song Zihao who was hiding behind Li Shuqin, and then at Li Shuqin's extremely short-sighted appearance.

They finally understood that Song Zihao was a giant baby!

Song Yuanming only had a son like Song Zihao. He stared at Yash Nics at this time: "Although my son made a mistake, he didn't cause any loss. What do you want?"

Yash Nics said calmly, "I just said it, knock it off. His hands and feet, I still mean the same as before."

Li Shuqin said angrily: "You dare!"

Song Yuanming also said in a deep voice, "Yash Nics, don't deceive people too much, know that I am not a good person."

"Who are you? Dare to move my son, and ask the hundred elite Song family members behind me, do you agree?"

Song Yuanming just finished speaking, and the men behind him said murderously: "Who dares to touch the young master's hair and kill him? No pardon."

Yash Nics said with a smile: "Your provincial capital Song family doesn't have a long memory, and now you dare to be arrogant in front of me."

"The wind and the waves!"

Yash Nics's voice fell, and there were two coldness immediately. The figure came in from the door.

It is the wind and the raging waves!

Yash Nics smiled and said to Song Yuanming: "I will only send two of them to fight with you. If you can beat my two men, I will let you go."

Song Yuanming was shocked and angry.

This Yash Nics is really too arrogant and too pretentious.

He even sent two subordinates casually, just wanting to defeat a hundred of his subordinates.

Song Yuanming said angrily: "All the Song family's subordinates obeyed the order and abolished these two guys."

"Kill!" The

Song family's men immediately roared toward the violent wind and waves.

The violent wind raised his hand with a punch, and with a bang, it blasted an opponent's head!

An angry wave of lightning kicked out, directly kicking an opponent upside down, and knocked over a bunch of people.

Upon seeing this, Song Yuanming widened his eyes and showed a shocked expression.

These two guys are too fierce.

What he didn't know was that Gale and Fury were the two powerful heavenly kings under the Dragon King of East China Sea.

Not only is the violent wind and waves very skilled, but also very fierce. He doesn't like fancy moves, and wins with speed and strength.

The two are like two tigers smashing into the flock, walking through the enemy clumps, making strange moves and exploding power.

The elite members of the Song family screamed and fell.

In a short while, hundreds of masters in the Song family all fell in a pool of blood.

Only Song Yuanming, Li Shuqin and Song Zihao remained in the Song family, still standing.

Yash Nics looked at Song Yuanming coldly: "Now, I am going to break your son's hands and feet to show punishment. Do you have any comments?"

Song Yuanming looked at Yash Nics's indifferent eyes, deep in his heart. A wave of fear arose, and he felt that if he dared to say nothing, Yash Nics would definitely kill him immediately.

His mouth was bitter, and he said with difficulty: "I... have no opinion."

Li Shuqin was madly trying to stop, and was slapped by the slap of the wind.

Anger wave shot like electricity, and with a few clicks, all Song Zihao's hands and feet were broken.

Ah-

Song Zihao's scream resounded throughout the bar.

Several of Tong Ke's college girlfriends looked at Yash Nics in shock and admiration, and they all thought to themselves: Tong Ke's brother-in-law is so domineering and handsome!

Song Yuanming looked at Yash Nics with resentful eyes: "Yash Nics, this time I admit that we will not change the green mountains and the long rivers, everyone will walk and see."

After finishing, he helped his wife, and then ordered the injured men to talk to each other. Help and take away his dying son by the way.

However, Yash Nics calmly said: "Song Yuanming, our accounts have not been settled yet, are you so anxious to leave?"

Song Yuanming looked at Yash Nics incredulously after hearing this.

He was frightened and angry, and said bitterly: "You injured all my men, you also beat my wife, and interrupted my son's hands and feet. What do you want?"

Yash Nics said lightly, "I listen. Say you pitted the Mannity Song

family for one billion!" Song Yuanming was startled and said loudly, "That is their family's life-saving money. I took their family's money and will intercede with General Bacher for them, otherwise, wait. Tomorrow General Bacher arrives in Daxia, and you and their family will die."

Yash Nics smiled and said, "Hehe,

please don't bother you, Mannity Song Family and I will live a good life." "Mannity Song Family does not need to give any life-saving money, I want you to immediately take the 1 billion from Mannity Songjiakeng. , And return it to them intact."

Song Yuanming's face changed drastically: "You!"

Yash Nics's eyes were cold: "Why, don't you agree?"

Song Yuanming knew that if he didn't agree, he might not be able to walk out of this door alive.

He said aggrieved: "Okay, I will return the billions to

Song Qingsong's family immediately." Song Yuanming called on the spot to order the Song family's financial manager to make a payment and transfer the billions of funds back to Song Qingsong's account.

The cooked duck flew, let alone how uncomfortable Song Yuanming was.

Song Yuanming looked at Yash Nics: "Now, can we go?"

Yash Nics smiled and shook his head: "I said before that your provincial capital, Song Family, cannot step into Mannity. But you come to Mannity again this time to make trouble. Do you have to make up for it more or less?"

Song Yuanming clenched his fists, daring not to say anything, and said humiliatedly, "What do you want?"

Yash Nics said with a smile: "You come to Mannity to make trouble, which has caused a lot of impact Loss."

"Let's do it, you donate one billion to the Mannity City Government to build a Mannity City and make up for your mistakes."

Yash Nics said with a smile, "Thank you for contributing to the development of Mannity City. Now you can take your giant baby and get out."

Song Yuanming and his party left Mannity City overnight and fled back to the provincial city in embarrassment.

Yash Nics picked up Tong Ke, who was unconscious, and drove Tong Ke to the hospital.

After the hard work of the hospital doctors and nurses, Tong Ke finally woke up slowly after an hour.

In her sleep, she had a long dream, still a shameful dream.

She opened her eyes and saw Yash Nics, whose eyes were concerned and anxious by the hospital bed, and she trembled and said, "Brother-in-law, is it really you?"

Yash Nics was stunned when she heard the words: "What is really me?"

Tong Ke quickly shook her head and said nothing!

She dare not say that she dreamed of Yash Nics.

She found herself lying in the hospital ward, and quickly asked Yash Nics what happened.

Tong Ke widened his eyes: "Brother-in-law, you saved me again!"

Yash Nics said with a smile: "You are my cousin Pingting, and you are my sister-in-law. We are all relatives. It is okay to help each other if something happens."

Tong Ke said a little bit. Head, she remembered the humiliating dream she had just made when she was asleep, and immediately became nervous, bit her lip, her eyes wandering and asked: "Brother-in-law, when I was asleep, did she talk in dreams, such as calling out whose name? Kind of?"

Yash Nics was stunned: "No, whose name did you call in your dream?"

Tong Ke pretty blushed, and shook his head repeatedly: "No no!"

Yash Nics said angrily, "Somehow, it's okay to go home quickly, lest you Sister is worried."

... The

next day, morning.

Song Qingsong's family invited Zhong Ziqiang, wanting to ask Zhong Ziqiang to mobilize troops again to protect their Song family.

Song Pingting learned of her grandfather's family and asked Zhong Ziqiang to help deal with Bucher.

She also came to the Song family mansion and discussed with everyone what to do?

Song Qingsong's family, and Song Pingting, looked at Zhong Ziqiang eagerly, waiting for Zhong Ziqiang's reply.

Song Feifei also took Zhong Ziqiang's hand and said coquettishly: "Zhong Ziqiang, that day Zhu warlord Bacher, will arrive in Daxia today. You should greet your leader quickly and mobilize the troops to protect our family."

Zhong Ziqiang was full of heads. Sweating profusely and said embarrassedly: “Everyone is misunderstood. In fact, I am in the army. I am in the army. I can’t move the troops. Don’t embarrass me.”

Song Qingsong felt that Zhong Ziqiang was modest. He smiled and said:” Xiao Zhong, even the Chief Wang of the Mannity Military Region, he personally admitted that you speak more weight than him, so don’t keep a low profile.”

Song Zhongxiong also laughed and said, “Yes, good son-in-law, you just Just mobilize tens of thousands of troops to protect our family, and teach the warlord Bacher by the way.”

Song Pingting also politely said: “If you are willing to help Mr. Zhong, all of us in the Song family will be grateful to you. ”

Zhong Ziqiang said embarrassingly: “Miss Song, I really can’t do anything.”

“But don’t worry, there is a man who loves you deeply. He silently guards you and protects your Song family.”

“He is there. No one in the world can hurt you, you can rest assured.”

Song Pingting was dumbfounded!

Everyone in the Song family was also shocked!

Who, so powerful, silently guarding Song Pingting?

With him, no one in the world can hurt Song Pingting?

Song Pingting’s heart was beating wildly, wondering if the person Zhong Ziqiang said was Yash Nics?

In fact, what Zhong Ziqiang said was naturally Yash Nics.

However, Yash Nics’s identity is the highest-level military secret. He dared not tell everyone directly, otherwise he would have committed the crime of betraying state secrets.

Therefore, he can only imply that Song Pingting has a very powerful person around her to protect her.

Zhong Ziqiang added: "Last night the Song Family, the provincial capital, did not return the one billion funds that pitted your Mannity Song Family, the original amount honestly, and then fled back to the provincial city in a desperate night?"

"This incident ?" , It was also done by the person who secretly protected Miss Song you."

Song Pingting opened her eyes wide, and she remembered that Yash Nics had said that the Song Family, the provincial capital, would return the billions that had been pitted to Grandpa's house, obediently.

Could it be that the man Zhong Ziqiang said was very powerful and the man who secretly guarded her was Yash Nics?

Song Qingsong and the others couldn't help, and they asked, who on earth is the very powerful man Zhong Ziqiang said?

Zhong Ziqiang shook his head and smiled bitterly: "I can't tell who he is!"

Everyone in the Song family was stunned, and then they discussed who Zhong Ziqiang was talking about?

At this moment, a triumphant voice came from the door: "The one who secretly protected Miss Song, and the person who ordered Song Yuanming to return the billions of funds to your family last night, is me!"

Song Pingting and others looked in shock. To the door.

Then I saw a proud man in a white suit and gold glasses, walking in with a few of his men.

white suit man looked at Song Pingting triumphantly, his eyes were greedy, and he smiled and said, "Miss Song, long time no see!"

Song Pingting exclaimed, "You were in college. Wang Yu's senior, Wang Yu."

Wang Yu smiled and said, "Yes, it's me."

Wang Yu and Song Pingting had studied at the same university, but when Song Pingting was in freshman year, Wang Yu was already in his senior year.

Wang Yu had pursued Song Pingting, but Song Pingting refused.

Later, after Wang Yu graduated and went back to the north for development, the two never met again.

Song Pingting only knew that Wang Yu's father was the chief butler of a wealthy family in the north, and he was quite capable in the north.

Otherwise, she didn't know much about Wang Yu.

She looked at Wang Yu in shock at this time: "Senior Wang, you have been silently protecting me? You also taught Song Yuanming last night, and Song Yuanming obediently returned the billions that pitted my grandfather's family back?"

Wang Yu Nodded and proudly said: "I did it!"

Everyone exclaimed at the scene, and many people looked at Song Pingting enviously.

Unexpectedly, Song Pingting had such a powerful northern man who silently guarded her.

Zhong Ziqiang took a breath, staring at this guy who didn't know where he came from in disbelief.

This person dared to claim the merits of the young marshal as his own, really bold!

Wang Yu triumphed in front of Song Pingting, who was shocked. He smiled and said, "Song Xuemei, when I was in college, I already liked you."

“After graduation for a few years, I still have a crush on you .”

“Even though. Knowing that you are married to the trash Yash Nics you don’t love, but I still silently guard you.”

Having said that, Wang Yu put on an expression and said seriously: “Song Xuemei, Yash Nics’s trash is not worthy of you, please divorce him and marry me.”

“I will guard you forever, and we will work together.

Be stronger and bigger, and have a glorious future together.” The Song Qingsong family at the scene were all moved and applauded.

Wang Yu triumphantly waited for Song Pingting’s reply.

He has always done everything by unscrupulous means, and his father is the housekeeper of the Yash family, a wealthy man in the north.

This time he was ordered by Hai Xin, the mother of the Yash family, to teach Yash Nics.

But what he did not expect was that he had just arrived in Mannity when he learned that Yash Nics had offended the Tianzhu warlord Bacher and his death was approaching.

Wang Yu also discovered that Yash Nics’s wife turned out to be Song Pingting, the goddess in his mind when he was in college.

Even more unexpectedly, Song Pingting turned out to be the president of a 100 billion yuan group!

So he immediately started to care about it.

Yash Nics offended Bacher and his death was approaching, so he didn’t need to do anything.

Beauty has a double harvest in her career and has since embarked on the pinnacle of life.

"The first point, my husband Yash Nics is not a waste, he Very good, I am proud of him."

"The second point, I have a very good relationship with my husband, we will not divorce, and I am not suitable for you, please do not waste your feelings on me."

Wang Yu Dumbfounded at hearing this!

Song Qingsong's family was also stunned!

Song Qingsong was the first to be anxious and said loudly: "Song Pingting, what are you stupid, this Mr. Wang, who can make the Song family of the provincial capital bow his head and return the money to our family obediently is enough to prove that he has the ability to master the sky. "

You are actually willing to die with Yash Nics's little plague god, and you are not willing to remarry to this powerful Mr. Wang who is infatuated with you?"

Song Pingting said with a pretty face and calmly said: "I said If you have any difficulties, I will advance and retreat with Yash Nics. Don't talk about it anymore. I won't get a divorce."

Wang Yu frowned!

Song Qingsong's family all scolded Song Pingting as being stupid, not choosing Meiyu, holding Yash Nics's broken stone and not letting go.

At this moment, a familiar voice suddenly came from the door: "My wife, thank you, and never leave me."

Everyone at the scene was stunned, and then they saw Yash Nics walking away with two underlings, the violent wind and the angry waves. Come in.

Yash Nics said with a smile: "Mom said you are here, so I came over to take a look, but I didn't expect to see one. Jumping beam clown."

Jumping beam clown!

Of course it is Wang Yu!

Wang Yu's face changed drastically. He looked at Yash Nics in shock and anger, and said slowly, "Yash Nics, long time no see!"

Yash Nics said contemptuously, "Hehe, I was pouring tea and handing water back then, all day long around me. Flattery, now you are actually well-dressed."

"Wang Yu, you were nothing in my eyes."

"Now, you are not a fart in my eyes!"

Wang Yu said angrily: "Hehe, you've already been caught." Expelled from the Yash

family, do you still treat you as the young master of the Yash family?" "My dad is now the chief steward of the Yash family, and I am also an important retainer of the Yash family. I came to Mannity this time to pass a message to you on behalf of the mistress. "

The mistress said you dare to kill her cousin, she will take your life within a week." When

Song Pingting and others learned at this time that Wang Yu's father turned out to be the chief steward of the northern wealthy Yash family.

Wang Yu turned out to be Yash Nics's attendant, and now he is also the Yash family's retainer.

Yash Nics said indifferently: "I am alive or dead, and I don't care about the Yash family."

"But I let everyone in the Yash family kneel down at my mother's grave and confess within a month, only half the time left. Months."

"You go back and tell the Yash family, hurry up. Otherwise, the Yash family will be removed from the list of the northern giants."

Wang Yu laughed out loud when he heard the words, "You, the trash who was expelled from the Yash family, do you really think you can destroy the Yash family? How many fake wines have you drunk and become so drunk?"

Yash Nics raised his mouth slightly, and ordered the raging waves behind him: "Abolish them and send them back to the Yash family in the north. This is a wake-up call for the Yash family."

Song Pingting Hearing that, he said quickly: "My husband, he helped our Song family. Last night, he helped our Song family get back one billion funds from Song Yuanming. We are offset by our grievances with him, let them go!"

Yash Nics Wrong: "Who told you that he asked Song Yuanming to return the money?"

Song

Pingting was startled, "He said it himself, didn't he?" Zhong Ziqiang, who had endured it for a long time, couldn't help it at this time. They finally remembered. Yash Nics said yesterday that he would let Song Yuanming send the money back obediently.

At that time, everyone thought Yash Nics was running the train with his mouth full, just bragging.

Unexpectedly, Yash Nics actually did it!

Song Pingting clasped Yash Nics's hand tightly, and said excitedly: "Husband, the one who has been guarding me silently is really you. I'm so happy!"

Wang Yu's face was blue and white, and he was a little bit embarrassed.

He glanced at Zhong Ziqiang bitterly, and scolded his mother: When I walked in, I obviously heard that you can't reveal the identity of the person who secretly protected Song Pingting. How the hell can you say it now?

Don't fool me!

Yash Nics's gaze fell on Wang Yu, and he said coldly: "I haven't seen you for many years, but you have been working more and more."

"The wind and the waves, teach him a lesson." The

wind and the waves said yes, and then the big wind and waves . Step towards Wang Yu.

Wang Yu was frightened and said: "Want to move me, where is the black guard?"

Immediately, four elite men dressed in black clothes, with restrained aura and high temples, walked out from behind him and protected in front of him.

It took a long while for Song Pingting and Song Qingsong's family to recover from their shock.

Song Qingsong's family looked at Yash Nics with complicated eyes, but he didn't expect Yash Nics to be the young master of the Yash family, a giant in the north.

However, it is a pity that this young master has been expelled from the yash family and has no gold content.

On the contrary, it seems that after the yash family drove Yash Nics out of the family, they were still reluctant and wanted to kill Yash Nics.

Last time Song Pingting went back to her hometown with Yash Nics to pay her respects to Mother Yash, she knew better about Yash Nics's life experience.

At this time, she looked at Yash Nics with tender eyes and asked curiously: "Husband, how did you do it? You were able to get the Song family, the provincial capital, to return the money from the grandfather's house, obediently."

What, that's OK?

Song Pingting and Song Qingsong's family looked at each other!

However, you saw with your own eyes just now that several Wang Yu were beaten up by Yash Nics's men.

Everyone suddenly felt that the provincial capital of Song Family was beaten by Yash Nics for fear, and it seemed to be excusable to pay back the money obediently.

After all, Yash Nics is a lunatic!

Wang Yu dared to beat, even Abu, the younger brother of Tianzhu warlord General Bacher, dared to beat him.

It is estimated that there are no people like Yash Nics who dare not beat him!

Song Pingting couldn't laugh or cry, and then asked: "Zhong Ziqiang said you are very powerful. He said that no one can hurt me if you are there. What's the matter?"

Yash Nics laughed and said, "Captain Zhong probably thinks I am fighting. Very powerful, with me here, no one

dares to move you." Yash Nics finished speaking and looked at Zhong Ziqiang: "Captain Zhong, does that mean this?"

Zhong Ziqiang nodded repeatedly: "Yes, yes, that's what I meant!"

Song Pingting and Song Qingsong's family were stunned again.

Originally, Yash Nics was very good, but the fight was very good!

Song Qingsong was the first to contemptuously curl his lips and said: "I know how to use three-legged cat kung fu, I think he is very good. I really don't know what to

say ." Everyone in the Song family agreed, and Song Zhongxiong said: "Yes, he also beat the Tianzhu warlord Che's younger brother. Counting the time, Bacher will arrive in Mannity today. I hope he won't be a burden to our house!"

In addition, everyone began to accuse Yash Nics of mischief, which might have caused them the Song family to follow bad luck.

Seeing that her husband was accused by everyone, Song Pingting guarded Yash Nics, bit her lip and said, "Grandpa, uncle and uncle, don't blame Yash Nics anymore."

"This incident happened because of me, and I told Yash Nics. Ning will take the initiative to bear any consequences together."

Yash Nics looked pale, but with a firm attitude, Song Pingting, who vowed to live and die with him, couldn't help feeling a little distressed.

He comforted him softly and said, "My wife, don't worry. I said that Bacher is not easy to come."

"He doesn't have to come. If he does come, I will hold him responsible for his brother's extraordinary behavior. I

Ask him to come to Song's house on his knees and apologize to you!" Yash Nics's words made Song Qingsong's family gasp.

Not because of the shock, but because they felt that Yash Nics, this kid, was too dare to blow!

To even say that General Bacher, the warlord of Tianzhu, came to Song's house and knelt down to apologize to Song Pingting. This is nothing short of a fantasy.

Song Pingting also smiled bitterly and said: "Husband, I know you are very upholding me, but don't say such silly things."

"Batch, he is willing to let our family go, I am satisfied. He came to kneel down and give me. I don't even dare to apologize."

Yash Nics smiled convincingly: "Don't worry, I said he's coming to kneel and apologize to you, he must come!"

Song Qingsong's family shook their heads, feeling that Yash Nics was nothing short of it. Unreasonable, dare to brag when you die.

.....The

capital of Jiangnan province, the international airport.

A special plane from Tianzhu landed slowly.

Then, Bacher took more than a hundred escorts and stepped off the plane majestically.

Under the aircraft gangway, there was a long red carpet.

Song Yuanming took several hundred meters of his men, and shouted together: "Welcome to General Bacher, come to Daxia Jiangnan." Bacher

looked at Song Yuanming arrogantly, and asked coldly: "Mr. Song, the murderer who wounded my brother, Have you tied up to see me?"

Song Yuanming smiled bitterly and said: "Song is incompetent and could not help General Bacher to capture Yash Nics. On the contrary, I am ashamed that more than one hundred of my subordinates and my son were injured by that guy!"

Bacher heard this. Frowning slightly, then waved his hand and said, "It's okay, since you can't deal with him, then I will do it myself."

He said, glanced at it intentionally or unintentionally, and the murderous subordinates around him said triumphantly: "These are all fine soldiers and heroes that I have carefully selected and selected from the army."

"With their hundred people, they can defeat 10,000 regular troops and kill Yash Nics and destroy the Song family. It's just a matter of effort."

"In addition, I also secretly dispatched five thousand mountain soldiers, disguised as mercenaries, and sailed secretly to reach the vicinity of the Daxia Jiangnan waters. Although these five thousand soldiers can enter Mannity to support me."

Bacher said with a smile, "Okay, I have a lot of work.!"

Soon, that afternoon.

Song Yuanming accompanied Bacher and his party to Mannity City.

Song Yuanming arranged for Bacher and his party to stay at the China Overseas International Hotel.

He also ordered the hotel chef to make a hearty curry-style meal to entertain Bacher and his party.

Bacher was generally satisfied with Song Yuanming's arrangement.

But while eating, Bucher looked around the huge Peony Hall, and he was dissatisfied that there were no beautiful women dancing to cheer up.

He said to Song Yuanming: "When I was in Tianzhu, there would be beautiful women singing and dancing in the hall when I was eating. How come you didn't even give dancing beauties?"

Song Yuanming was stunned. He only knew that the people in Tianzhu were not moving at all in the movie. Like singing and dancing, I didn't expect it to be true.

He hurriedly said: "I'll find a few beautiful Tianzhu beauties, come and dance for you to show to General

Bacher." Bacher said angrily: "Where are you going

to find beautiful Tianzhu beauties now?" "No need to look, I will listen. Said that my brother Abu was beaten as crippled because of a very beautiful Daxia beauty."

"Go and call that beauty named Song Pingting. If she doesn't want to be destroyed, come and serve me. "

Song Qing said crisply, "Yes!"

Yash Nics nodded, and handed his daughter to Song Pingting, who was next to him, to hold him. He smiled and said, "Keep your eyes clear and see how Dad teaches this big villain."

Yash Nics, the father of Song Qingqing, is an omnipotent hero!

In her opinion, there is nothing that Dad can't do, and there are no bad guys that Dad can't defeat.

She clapped her little hand excitedly and said, "Okay, dad hurry up to teach this big villain and avenge the security uncle."

Yash Nics waved at Ali: "Silly big guy , you look down on our dragon's heirs. Come on, let's make gestures. "

"You angered me, I want you to die even worse!"

Ali finished, roaring like a beast, open his arms and pounce on Yash Nics, obviously wanting to screw off Yash Nics's head directly.

Everyone at the scene was stunned, and everyone was thinking: Tsk Tsk, this provincial capital Song family is really rich!

Yash Nics looked at Song Yuanming, whose expression was uglier than eating shit, and said coldly: "Hurry up and ask someone to knock the money out of the public funds account of the Mannity City Government, and then take the body of Tianzhu Asan, how far and far away."

Song Yuanming's eyes turned slippery, and he faltered: "Mr. Yash, five billion is not a small sum. I can't get it out without a few days of preparation."

Yash Nics said with a sneer: "If you sell five billion, you can sell iron. You can get it in a short time, but you don't want to give it, you want to play with me."

Song Yuanming paled with fright, and denied: "No, Mr. Yash, I really didn't procrastinate on purpose. I need a little bit. Time to collect money!"

In fact, Song Yuanming really intends to use drag-word tactics to recover the five billion losses.

In his opinion, Yash Nics's killing of General Bacher's guard captain Ali would only anger General Bacher even more.

Bacher led hundreds of elite soldiers to China, and even secretly deployed an army disguised as mercenaries in the waters near Jiangnan Province to sneak into Jiangnan Province at any time to provide support.

No matter how good Yash Nics is, it is impossible to compete with General Bacher.

Song Yuanming felt that he only had to verbally agree to Yash Nics and seek to get away.

Two days later, Yash Nics was killed by General Bacher!

The five billion he promised, naturally, he didn't have to give it.

His little abacus was very good, but it was a pity that Yash Nics could see through his thoughts at a glance.

The corner of Yash Nics's mouth rose slightly: "You think about the five billion, you don't have to give it to me when Bacher kills me?"

Song Yuanming looked at Yash Nics in shock, but he didn't expect Yash Nics to see his thoughts easily.

He shook his head quickly and said, "No, no, I haven't thought about it this way. Five billion is not a small amount. Any family will not be able to get it out for a while, and it will take time for me to raise funds."

At this time, holding Song Pingting Ren. He couldn't help but asked worriedly: "Tianzhu warlord Bacher, has he come to Mannity City?"

Song Yuanming lowered his head and said, "Yes!"

Song Pingting immediately asked, "What does Bacher want, he sent What is your purpose for coming here?"

Song Yuanming raised his head and glanced at the beautiful Song Pingting, lowered his head again, and said in a low voice: "I hosted a banquet to entertain Bucher. He said that in Tianzhu, there are beautiful women singing and dancing at the banquet."

"He ordered me to pick you up and let you serve him."

Yash Nics's face sank after hearing the words: "This Bacher is such a daring bravery!"

"Where is he, I will go with you and see him."
