“What

counts as a captain of the guard?” Yash Nics’s words shocked everyone at the scene. Many people didn’t understand what Yash Nics’s words meant.

Could it be that Yash Nics has served as a soldier, fought against Tianzhu’s mountain troops, and beheaded the generals of Tianzhu’s mountain troops?

Otherwise, why did Yash Nics say this?

Bacher sneered: “Nonsense, what are you talking about, dare to brag that you have killed countless generals of our Tianzhu Mountain troops!”

“Come here, take them all down, let them see and see the talents of our Tianzhu Mountain troops. The strength of

Jiang !” Bacher’s voice fell, and the subordinates around him immediately drew out cold weapons such as daggers, and killed Yash Nics and his party.

When they came to Daxia this time, they didn’t dare to be too public, so they didn’t dare to enter Daxia with guns. They were only equipped with close combat weapons such as military daggers.

When Yash Nics saw Bacher’s disagreement, he acted. He smiled slightly, beckoned, and signaled Dianchu to attack Bahuwei.

Dian Chu and the Eight Tigers took one step in a neat and uniform manner, and shouted together: “Come to fight!”

Although there are nine people, the momentum is like a thousand horses!

Bacher and his men were shocked, and someone noticed that Dianchu and Bahuwei’s special marks on the backs of the Northern Territory Army’s Ace Troops screamed: “Oh my God, they are North

The marshal ‘s pro-army, and he is also the ace soldier in the pro-army!” With this exclaim, all of Bacher’s subordinates were fried in an instant.

"My God, how come I met Daxia God of War here? Huwei?"

"Mom, Daxia is terrible, I want to go home..."

Butcher was also taken aback!

However, he quickly calmed down, and furiously cursed at a group of elite soldiers: "You all give me calmness!"

"What North Marshal Marshal, what Great Xia War God Tiger Guard?"

"It's ridiculous. "

This is Jiangnan Province, not the North at all, neither is it under the jurisdiction of the North Marshal. How could the North Marshal Tiger Guard appear here?"

Bacher's arrogant roar analysis made the scene. The elite soldiers who helped the Tianzhu Mountain Troops calmed down one by one.

Everyone thinks about it, yes, this is Jiangnan, not the north.

How could Tiger Guard, the young marshal of the North, appear here!

The North Marshal is the God of War of the Great Xia, and there should be countless admirers of Great Xia. There are people in the society who are enthusiastically worshipped. It is reasonable to have the mark of the Marshal Tiger of the North Marshal on the back of their hands.

As for Song Yuanming and his men who were hiding by the side, they were all confused, a little bit confused about why Tianzhu Asan were so shocked?

Bacher was dissatisfied with the performance of his team, which was really shameful.

Isn't it just that I have been slaughtered several times by the Northern Marshal's troops before, but there is no need to be afraid of it?

He angrily urged: "Go on, give me all of their fakes, don't be ashamed!"

"Kill!"

Then I saw this general Tianzhu, like a zebra hit by a rhinoceros, his body twisted and flew out, falling heavily to the ground, half dead.

Batcher and others were all surprised when they saw this scene.

Because this general Tianzhu, who was knocked down by Dian Chu as soon as he met, was not weak under Bacher, and even considered a titan.

Unexpectedly, when he met each other, he would be put down by Dian Chu directly.

Bucher looked at Dianchu and Bahuwei, with an expression of uncertainty on his faces, and an ominous premonition rose in his heart.

Dian Chu Bahuwei, and a group of elite soldiers and Titans of the Tianzhu Mountain Troops, the battle is about to start.

The two sides collided fiercely and launched a storm-like offensive.

It's just that the batch of Bucher's men seemed a bit messy, and the battle was not systematic, not much better than the mob.

On the other hand, Dianchu and Bahuwei, the typical fighting style of the Northern Army.

The movements are open and close, the moves are simple and rude, and the gestures are all rushing to the opponent's vitals. There is no fancy, and the victory is completely based on strength and speed.

The number of Bacher's gang is ten times as many as Dian Chu.

However, they were killed by Dianchu Eight Tigers, and people kept screaming and fell under Dianchu's hands.

There was also a brave guy who took the time to rush towards Yash Nics recklessly, holding a dagger and slamming it towards Yash Nics's chest, and shouted angrily: "Go to death!"

Yash Nics raised his foot A high kick in an upright position, a kick in the opponent's chest.

The opponent flew out directly like a ball, banging against the wall, smashing the wall into a huge spider web crack, and then slowly sliding down from the wall, there was a shocking blood mark on the wall!

In less than two minutes, nearly a hundred of Bacher's subordinates have already been killed and injured more than half!

The rest of the people have already begun to react.

What kind of counterfeit is this, it is obviously the real God of War, Tiger Guard!

How can counterfeit goods be so powerful!

"They are not fakes!"

"They are really the tiger guards of the God of War!"

"Oh my God, it's terrifying!"

"Forgiveness, I give up resistance, I am a prisoner, please forgive me!"

Bacher's remaining surplus After discovering that Dianchu and Bahuwei were genuine war gods, they couldn't help it anymore. They all cried and yelled to throw away their weapons and knelt down to beg for mercy.

What a joke, the God of War Tiger Guard is one of the trump cards of the Daxia Northern Territory Army.

The Tianzhu Mountain troops invaded the territory of Daxia several times, and they were all killed across the country by the northern border.

After Bacher's men were offended to be the God of War Tiger Guard, they were so scared that they had no fighting spirit.

Bacher was stunned!

Song Yuanming and his gang of Song family members were also dumbfounded!

Yash Nics looked at these elite soldiers and heroes of the Tianzhu Mountain Forces crying and begging for mercy, and said coldly: "When your Tianzhu Mountain Forces invaded our Daxia territory before, I said that those who violated my Daxia will kill without mercy. "

"You guys are courageous, and dare to openly enter Daxia and dominate our land in Daxia?"

The soldiers of the Tianzhu Mountain troops on the scene crawled on the ground one by one, crying for mercy.

Bacher was also in a trance, and he felt the sky spin.

His face was gray, his eyes were desperate, and his voice trembled: "You, you, you, you seem to be the young commander of the North, the God of War!"

Boom!

Bacher's words sounded like a thunderstorm in the ears of Song Yuanming's group of people, shocking their faces with horror.

Song Yuanming only felt that the sky was rolling, he looked at Yash Nics in horror, and thought in fear: Yash Nics is the young commander of the North Realm?

Yash Nics stood with his hands behind, looking at Bacher with a calm face, and said faintly: "You only recognize me now, is it a bit late?"

He also dispatched five thousand mountain soldiers, disguised as mercenaries, sneaked into the waters near Daxia Jiangnan Province, and entered Jiangnan Province to support him at any time!

If the secret forces in the Jiangnan waters can be notified urgently, they can quickly reinforce them.

The helicopter should be able to get here in half an hour at the earliest to support the battle!

If you are not sure, you can still kill Yash Nics, turning it into a textbook-like deep beheading operation behind enemy lines.

With this in mind, Bucher wanted to secretly use a special communication device to notify the secret forces of rapid reinforcement.

However, when this bold idea just came up in his heart.

The phone on his body has been remembered!

He was stunned!

Yash Nics smiled and said, "Just answer the phone. It should be your army that secretly sneaked into the Jiangnan waters. It called to contact you."

What?

Bacher looked at Yash Nics in shock. Yash Nics actually knew about the existence of his secret army!

Bacher took out his cell phone with a look of uncertainty, hesitated for a moment, and connected to the phone.

Divi, the commander of his secret force, really called on the phone!

Divi said with a trembling voice: "Reporting sir, our whereabouts were exposed, and we were attacked by the Daxia Northern Army Raptors Special Forces and the Northern Eighteen Cavalry."

“Our troops suffered heavy casualties, and I followed the survivors. More than a thousand subordinates have now become their captives.”

“They asked me to call you...”

Pop!

Bucher’s phone dropped to the ground, his hands trembling.

He raised his head and looked at Yash Nics desperately.

His secret army was also destroyed, and it was now the fish on the chopping board, let it be slaughtered.

Yash Nics smiled but smiled: “Bacher, now you want to kill me and destroy my whole family?”

Plop!

Batcher knelt heavily on the ground, banging his head: “I was wrong, I shouldn’t have stepped into Daxia, and ask the marshal to spare me a dog!”

Song Yuanming watched this scene, his mouth opened in shock. Open, can’t close for a long time.

Yash Nics looked at Bacher and others who were trembling on the ground and begging for mercy.

He said indifferently: “Look up and talk to me!”

Bacher raised his head with difficulty, and his desire to die was gone.

He had known that his brother had offended the young marshal of the North, so he didn’t dare to come to Daxia to make trouble when he was killed.

Yash Nics's words fell, and Bacher, Song Yuanming and others looked at each other for a while.

Yash Nics said indifferently: "Now, I want you to get out and kneel down for my wife, and apologize for your brother's behavior with you, is it okay?"

Bacher said hurriedly, "No problem, no problem."

Song Jiazuo House!

Song Qingsong's family, and Song Pingting's family, dozens of people are sitting in the living room.

In addition to the people in the Song family, Song Feifei's boyfriend, Zhong Ziqiang, also sat with a weird expression.

Song Pingting asked Zhong Ziqiang to emphasize that he should mobilize the army to rescue Yash Nics. Zhong Ziqiang was like sitting on pins and needles, with an unnatural expression of rejection, saying that he was really powerless.

Song Pingting begged Zhong Ziqiang for a long time to no avail!

She could only turn around, looked at Song Feifei, and begged: "Cousin, please help me to persuade Captain Zhong to ask him to ask his leader for help again, mobilize the army again, and save your brother-in-law, right?"

Song Feifei rolled her eyes: "Cousin, although my boyfriend is highly valued by the military leadership, we can't just go to the leader if something happens!"

Song Qingsong’s family also spoke up, saying that this was the trouble between Song Pingting and Yash Nics, and their family could do nothing, and they said that they should not be involved in their home.

“I beg you to say

Moreover, their family hated Yash Nics a long time ago, and they wished Yash Nics would die soon.

Song Qingsong sat on the Grand Master’s chair, curled his lips, and said coldly: “Hehe, Yash Nics said that Bucher is not afraid when he comes. He has the ability to let Bucher come to kneel and apologize for you.”

Song Feifei and others all gloated and said, "Yes, didn't Yash Nics have already gone to see Yash Nics, you can't be sure, Bacher has come to apologize to you now? It's on the way, hahaha."

Song Pingting's eyes were tearful, and her heart felt bitter.

It is impossible for Yash Nics to ask Bacher to apologize. She is even more afraid that Yash Nics will meet with Bacher now, and it is almost unexpected.

She saw a grandfather so cold, nothing about them, hand wipe his eyes with tears, with her parents, as well as Tong Ke Song Qingqing said: "! Since my grandfather they do not want to help, then we go."

"Mom and Dad Tong Ke You bring Qingqing home, I will go to the China Overseas International Hotel and live and die with Yash Nics."

Tong Ke was anxious when he saw the situation, his eyes rolled twice, and he quickly stopped and said: "Cousin, don't worry, just Bacher. Brother-in-law can definitely handle it, but Bacher is really coming over to apologize to you."

When Tong Ke said this, Song Qingsong's family couldn't help but sneer.

Song Haoming said with a sneer: "Oh, don't anyone really think Yash Nics can deal with the warlord Bacher of Tianzhu?"

Song Feifei sneered and said: "Oh, Yash Nics is blind and arrogant, and it doesn't matter if I like to brag, but I Unexpectedly, there is really a fool who believes in Yash Nics."

Song Zhongxiong grinned and said: "This is called like to gather together. Yash Nics, this braggart, doesn't it just get along with them without brains?"

Song Pingting's family heard this, and was surprised. Angry again, I didn't expect the grandfather's family not only didn't help, but also said some cool things.

Song Feifei said loudly, “Yes, What I said, I have the ability to make Bacher come to kneel and apologize!”

I saw Bacher walking with the wind, and soon brought a gang of fierce men into the living room, Song Yuanming, Bacher whispered in his ear, this is Miss Song.

Then, a staggering scene appeared.

With a plop, Bacher knelt down in front of Song Pingting, speaking in blunt Mandarin, and tremblingly begged for mercy: "Miss Song, I am Major General Bacher of the Tianzhu Mountain Forces."

"I am here to apologize for your guilt this time. Yes, please forgive me and my brother!"

Dozens of Bacher's men also knelt down, kowtow one after another: "Miss Song, please forgive us..."

Song Pingting's face was full of shock and her mouth was open. It opened and couldn't close for a long time, obviously stunned.

As soon as the voice fell, Yash Nics brought Dian Chu Bahuwei, and a large number of soldiers, including Wang Daofang, commander of the Chinese Navy, walked in.

Yash Nics smiled and said, "My wife, don't worry, I'm fine. They look like a San, but they can't help me." When

Song Qingsong and others saw Yash Nics and General Wang Daofang, they came in with a large number of soldiers. Have to greet you quickly.

"General Wang, why are you here!"

Wang Daofang said lightly: "I am ordered by the North Marshal to deal with Bacher and his party."

North Marshal!

Song Qingsong and the others looked around, and couldn't help asking one after another: "Excuse me, General Wang, where is the young commander in the North?" The

whole room looked around, but no one looked at Yash Nics.

The reason is simple, no one would think that Yash Nics is the young marshal of the North.

Even Song Pingting couldn't help coming to Yash Nics's side, holding Yash Nics's hand tightly to express her nervousness and concern, and at the same time, she asked quietly, "Yash Nics, where is the Northern Marshal? "

Yash Nics smiled and said astonishingly: "I'm the young marshal of the Northern Territory..."

Before Yash Nics's voice fell, Song Pingting hurriedly covered Yash Nics's mouth and looked at the Wang Daofang group next to him in horror. The soldier, anxiously criticized Yash Nics: "Why are you talking

nonsense again, do you know that you are pretending to be the chief, but it is a crime!" Song Qingsong's family was shocked when they heard Yash Nics's words just now.

Yash Nics smiled bitterly and said, "Well, I won't talk nonsense anymore."

Song Pingting glanced nervously at Wang Daofang next to her, and saw that Wang Daofang was pursuing Yash Nics's responsibility, and she was a little relieved.

Song Pingting looked at Yash Nics, and Yash Nics smiled and said, "I won't forgive him. You can make up your mind if you have a word."

Song Pingting boldly said, "Bacher, your subordinate Ali is hurt. A group of security guards in our community. Although the medical expenses are out of our house, I ask you to compensate the security guards for their losses!"

Yash Nics squinted and said to Bacher, "My wife's request, is there no problem?"

Bacher: " No, no problem."

Yash Nics said coldly: "15 security guards were injured, each one million, a total of 15 million."

Wang Daofang said: "Okay!"

Soon, Bacher and his gang were arrested by Wang Daofang.

After Bacher was captured, Song Yuanming became embarrassed.

Song Yuanming said quickly, "I can, I can. "

Yash Nics nodded: "I hope you don't play tricks, or I will find you." One

sentence scared Song Yuanming enough.

He already knew that Yash Nics was the young marshal of the North, so where would he dare to play tricks?

He squeezed out a smile that was more ugly than crying: "Don't worry, Mr. Yash, I don't know how to play tricks."

"Tomorrow I will raise all the money and donate it to the Mannity Municipal Government for charity."

"Mr. Yash, I am now. Can you go now?"

Yash Nics nodded: "Please go back, you are welcome to come back next time to contribute to the development of China Shipping."

Song Yuanming staggered when he heard the words and almost fell.

He spent twice with Mannity twice, and for the first time he ransomed one billion for his life to contribute to Mannity.

For the second time, 5 billion was used to redeem lives to contribute to Mannity.

The family of the Song family in the provincial capital will be tossed over by him!
