The Return of the God of War [The Protector]

Chapter 2899 - 2901

Chapter 2899

The ancestors who followed her were even more tearful, and finally waited for this moment.

Before, Levi Garrison gave Levilia the choice, either to continue to practice what was taught by a few ancestors, or to practice his basic exercises.

But in the end Levilia chose his own way.

She wants to create her own way!

Don't take the path specified by anyone!

To create your own practice!

During this time, Levilia traveled through the most dangerous places in the world to temper himself.

How many times has this kid almost lost his life.

But she really went out of her own way!

Combining nine natural elements with the unique martial arts of the East, he creates a martial art that destroys the world and destroys the earth.

She manipulates the natural elements differently from those superpowers.

It's not a class at all!

Now Levilia is considered to be a small success, but it is enough to kill the Quartet.

"It's ridiculous! So many of you want a child to guard!"

Mr. X sneered.

Although Levilia's appearance shocked everyone.

But the powerhouses in the kingdom of God did not put the king in their eyes at all.

"Take her down!"

Mr. X gave an order.

A dwarf strange creature next to it called Kill Xiang Levilia!

Just now, this dwarf alien even injured the god of underworld, god of wind and others.

"Boom!!!"

But the next scene is shocking.

Levilia displayed his own exercises, using the elements of heaven and earth, and a majestic force in the air blasted from side to side.

It actually squashed this dwarf alien from both sides.

There was only a scream from the dwarf alien.

Finally hang up!

This is Levilia's technique!

According to Levilia's vision, when she practiced to the extreme, everything in the world could be used by her.

Become a part of her practice!

It is so big that the thunder billows for her use, and it is so small that the vibration energy of mosquitoes and butterflies inciting wings can be used...

Therefore, the current king is as powerful as a god!

When faced with the general powerhouse in the Lab of the Gods, it is directly a spike!

Shock!

The coalition forces began to cheer.

Levilia is the first person who can kill the powerhouse of the kingdom of God alone!

This is tantamount to injecting a powerful heart booster into everyone!

First Ye Zhantian's sacrifice, and then Levilia's single kill, for a time, the morale of the coalition forces was greatly boosted.

They showed a terrible state one after another.

Chapter 2900

This is extremely unfavorable for the kingdom of God!

Furthermore, the kingdom of God was actually stopped by a child.

shame!

It is a great shame again!

The “god” of the kingdom of God was killed by a child.

This situation shouldn't happen!

“I don't like seeing her alive!”

Mr. X gave the order.

A god who is almost the same as him has made a move...This knot is on the bone.

They want to crush it directly.

All the gods shot at Levilia.

But he was alone, still a child.

So many people shot together, I'm afraid they will be laughed at.

They are gods!

God can't bully the less with more!

God can only be one enemy ten thousand!

A god crushes everything!

Therefore, you can only deal with Levilia one by one!

This time it's Robot Superman!

It is also the pinnacle of production of mechanical products in the Gods Laboratory!

Forcibly build the machinery to a state comparable to Mr. X!

Build all the machinery to the realm of the main gods!

No matter how strong it is, no matter how strong it is, you will not be able to control the machinery, but it will control everyone in turn.

Reaching the position of Mr. X is already the limit...

Now Mechanical Superman directly kills Xiang Levilia...

Sure enough, the mechanical superman is not comparable to the dwarf aliens just now!

After fighting with Levilia, it was almost an overwhelming advantage.

But Levilia showed his talent.

Her self-created exercise method combines nine natural elements.

Such as wind!

Such as natural forces!

...

Under her control, it was simply invincible.

Hard-bodied and mechanical superman stood in a stalemate.

shocked!

Everyone is dumbfounded!

This is the only one on the coalition side that can rival the strongest of the kingdom of God.

Of course everyone in the coalition is excited!

This is a historic moment!

On the side of the Kingdom of God, every face was black.

Chapter 2901

The strongest among them, can't even deal with a little girl?

This makes people laugh out loud!

shame!

What a shame!!!

Mr. X was angry and shy at first.

But then he frowned and his expression became serious.

"This, this..."

Seeing Levilia using natural elements and superpowers are completely different.

Levilia's current practice is like transporting things with Qi (natural elements)...

this!

Boom!

What did Mr. X think of? This seems to be the method of practicing Qi in the pre-Qin Dynasty in Daxia legend-the technique of Qi training!

Is she...

A terrible thought popped into my mind-Did Levi Garrison's daughter follow the legendary Summoner?

You must know that the legendary Summon Division is a pre-Qin qi-trainer...

This is the end of my thoughts.

Mr. X was startled in a cold sweat.

Putting this aside, it is impossible to explain how strong Levilia is.

Even if he is against Shang Levilia, he can't grasp it in a short time.

The daughters of ordinary humans are the same as their gods?

Do not!

In their view, Daxia two types of existence are also gods!

That's why I'm afraid!

Mr. X immediately sent this shocking message back to the chief priest.

Waiting for the decision of the main priest.

This time the main gods returned quickly.

The command is simple-capture this kid!

Because it's not sure whether.

therefore.

Let's take down Levilia first.

But Mr. X was embarrassed looking at the situation in front of him, and Superman and Levilia were basically evenly matched.

It is impossible for a single player to win Levilia.

Unless at least two people!

But in this situation, if two people are dispatched.

That detracts from the majesty of their gods!

But soon, he thought of a way.

“Give me a full offense!!!”

He no longer asked other people to stop, but let the army of the Kingdom of God fully attack.

Thus.

Taking advantage of the chaos, they can target Levilia.

soon.

The army of the Kingdom of God fully attacked.

Fight with the coalition masters...

The two sides are extremely confused.

At this time.

Mr. X immediately joined the battle group and confronted Levilia with Superman.

Three more “gods” of almost the same level as Mr. X joined.

Siege Levilia together.

Now the situation is in chaos.

Where can anyone care about how much they bully the less...

Under the siege of five strong men from Mr. X.

Soon Levilia was in danger...
