# The Return of the God of War [The Protector]

## Chapter 2969

Agent Black Hawk took a deep breath: "Well, for today's plan, the route cannot be determined! So we can only rush to the destination to stop them before them!"

"Yes! Wrong! That's it! I can only know the approximate location, but the route I set is erratic! I can't capture it at all!"

Agent Black Hawk seemed a little confident: "Well, then I will use the fastest aircraft of the Sky Shield! There should be hope!"

Hearing this, Levi Garrison could catch his breath.

It is a double guarantee.

He can rest assured for the time being.

the other side.

Yanlongwei immediately organized a live broadcast of the emergency meeting for the whole world!

Doctor Dark appears as the protagonist!

This conference caused a sensation in the world from the beginning, and attracted everyone's attention!

After Doctor Dark entered the mirror, it attracted everyone even more. Especially the head of the game, Smith is watching everything.

"The situation is extremely urgent! I'll start!"

"I am the dark doctor you are looking for! As you can see, I am in Daxia! But Daxia is not in contact with the Gods Laboratory!"

As soon as this was said, the audience was in an uproar.

This is because the person involved directly said that Da Xia has nothing to do with the Lab of the Gods!

"A lot of people are wondering why Levi Garrison brought us to Daxia? That's because my revenge action has already begun! Levi Garrison brought me here, just wanting to ask what the method of revenge is? Otherwise, he would have killed him. I'm..."

After Doctor Dark explained, Levi Garrison and Da Xia were all washed away.

Instead, praise and cheers everywhere.

They are all saying that Daxia must not be able to do such things.

However, the next word of Doctor Dark broke them.

"Don't be happy! The revenge has already begun! The next is the countdown to the doomsday! Human civilization will be wiped out at that time, and the world will be greatly changed inside and out..."

Doctor Dark began to talk about his revenge.

Everyone was shocked to hear.

If this is true, it would be terrible!

After Doctor Dark said all this.

Representative Yan Longwei spoke-claiming that Levi Garrison had taken people to stop the catastrophe.

But the success rate is not high.

Maybe catastrophe will happen...

Therefore, Daxia called on all parties to initiate an emergency response to prevent the ensuing catastrophe.
