# Mistaking a Magnate for a Male Escort

## chapter 883 - 884

After Raina left the ward, she secretly called Ben and told him what happened in the hospital.

When he heard that the children were sick, he rushed to the study room to inform Zachary, who was still working.

Upon hearing the news, Zachary immediately froze. "What happened? Did they get injured?"

"No." Ben shook his head. "Raina said that the children aren't injured. It's just that they had a high fever, which was probably caused by excessive shock."

"Get the car ready. I'm going to the hospital." Zachary grabbed his coat and dashed out.

"Marino, get the car ready."

"Okay!"

Meanwhile, in the hospital, Charlotte was hugging Little Fifi and leaning against the sofa.

She gazed at the three children silently.

Although they were in a deep sleep, they were frowning due to the discomfort.

At that moment, Raina knocked on the door and entered to take their temperature. She reported, "Their temperature is back to normal, so they are probably fine. I've already asked the others to clear out the room next to this. You should rest there!"

"It's fine. I'll keep the kids company here." Charlotte glanced at her watch and saw that it was already four in the morning. "Leave the room for my bodyguards. Tell them to rest there."

"Okay." Raina passed her a blanket before leaving quietly.

Charlotte draped a corner of the blanket over Little Fifi, who had just fallen asleep. Propping her chin up with a hand, she continued staring at the kids.

Although she was exhausted, she did not feel sleepy at all.

All she wanted to do was to gaze at them.

Just by watching them sleep peacefully, she felt extremely satisfied and at ease.

She hoped that time would freeze right then so she could spend more time accompanying them.

Suddenly, she saw a shadow emerge under the door. Turning her head around warily, she grabbed the gun on the table, stood up and crept behind the door.

The door opened slowly and in walked a slender figure...

Charlotte immediately aimed the gun at the person. However, the person snatched her gun away swiftly, choked her neck and pointed the gun at her head.

Everything was done within a second.

He was as swift as lightning.

However, when they saw each other's faces, they could not help but get stunned.

"Who's that?"

"How dare you?"

Outside, the eight female bodyguards from the Lindberg family and the eight male bodyguards from the Nacht family were pointing their guns at each other.

It was as if a battle would break out any time soon!

The nurse walking in between them immediately raised her arms. Trembling uncontrollably, she wailed, "Please spare me!"

Zachary released Charlotte. Twirling the gun on a finger, he returned it to her and instructed his men, "It's a misunderstanding! She's one of us."

The bodyguards from the Nacht family lowered their guns.

However, the female bodyguards still had their guns raised.

"Put them down!" ordered Charlotte.

Only then did the bodyguards place their guns down and step aside.

The corridor was flanked by eight male bodyguards on one side, and eight female bodyguards on the other. They glared at each other resentfully, as if a violent confrontation would occur at any moment.

The nurse was so scared that her legs trembled as she escaped frantically.

Zachary closed the door.

“Why did you come?” Charlotte glared at him coldly.

“To visit the kids.”

Zachary walked to the bed softly and touched the childrens’ foreheads. When he discovered that their temperature was no longer as high, he heaved a sigh of relief.

“Now that you’ve seen them, you can leave now,” said Charlotte curtly.

Zachary ignored her. Taking off his coat, he walked to the sofa and was about to sit down when he almost squashed Little Fifi.

“Hey!” Charlotte rushed over. However, her feet slipped and she collapsed into his arms.

When Zachary hugged her, his hands brushed against her breasts.

Frozen, he stared at her in a daze.

He suddenly felt something pressing against his chest. When he lowered his head to take a look, he frowned and released his grip.

# Mistaking a Magnate for a Male Escort

## chapter 884

“Sit there and stay away from me.”

Charlotte was pressing her gun against Zachary’s chest as she glared daggers at him.

Frowning, he moved to the single sofa on the other side.

Only then did she keep her gun and drape the blanket over Little Fifi again.

“I heard that you had an overwhelming victory today. That’s impressive!”  
Zachary tried to curry favor with her.

However, Charlotte ignored him. Sitting on the sofa, she patted Little Fifi gently and coaxed it to sleep.

Zachary reminded softly, “Although Shirley is Zara’s assistant, she’s quite mediocre in fighting. It’s only through sheer luck that you defeated her. If it were someone else, you’d be in danger. So, if you encounter such situations in the future, you have to be more careful.”

“It’s none of your business!” interrupted Charlotte curtly.

“How is it not? You’re my children’s mother.” Zachary inched closer to her shamelessly. “If you get into an accident, what’ll happen to the kids?”

“Speaking of which, I need to talk to you.” Charlotte glanced at the children on the hospital bed and whispered, “From today onward, they will come and stay with me. You’re not allowed to disturb them in the future.”

“No way!” He refused immediately. “The children have already adopted my last name and are registered under my household. Legally, they should stay with me. Furthermore, they are already used to living with the Nacht family...”

“Since they can change their last name from Windt to Nacht, they can also change it to Lindberg!” rebuked Charlotte. “If they can adapt to the Nacht family, they can also adapt to the Lindberg family!”

Zachary frowned. “Charlotte, don’t be reckless just for the sake of it! I am in full control of the Nacht family, but you can’t dictate what the Lindberg family does.”

“You are in full control?” Charlotte laughed mockingly. “So, are you the only one behind what happened two years ago? In that case, I don’t need anyone else to take revenge for me. I will go after you instead!”

“What happened two years ago was very complicated. When there’s a chance, I’ll explain it to you slowly,” said Zachary patiently. “However, this concerns the kids. You must approach it rationally!”

“I’m very rational.” Charlotte stared at him coldly. “That’s why I mustn’t let my children get affected by their stepmother.”

“What stepmother?” Zachary was rendered speechless. “The news is all fake! How can you believe them?”

“I’ve witnessed it personally and caught both of you in the act.” Fury rose within Charlotte when she mentioned it. “Do you think that I’m blind?”

“Haven’t you wondered why you had appeared there at that exact moment?” He frowned unhappily. “With your intelligence, you should understand what’s going on!”

“Even if it was the result of someone’s deliberate manipulation, you still have to fall into the trap willingly!” mocked Charlotte. “Did someone force you to go to the hotel, drag you into the room, take off your clothes and jump into your arms?”

Zachary was rendered speechless. It was hard for him to explain what happened and even if he tried to, he might make things worse.

“Are you at a loss for words?” She felt angrier at his silence. “Not only that, but you also tricked me by disguising yourself as another person! Is it addictive to put up an act? Are you experienced at pretending to be a gigolo?”

“Okay, just keep insulting me.” Zachary gave up on explaining. “As long as it makes you happy, just scold me however you’d like. If that’s not enough, you can beat me up too.”

“I’ll be letting you off the hook too easily by beating you up.” Charlotte scoffed coldly. “Don’t worry. I will not spare anyone who has ever bullied or harmed me!”

“I’ll give you a proper explanation of what happened that year.” Zachary suddenly became serious. “I’m collecting evidence now. When the appropriate time arises, I’ll pass them to the police and personally oversee the investigation.”

“You don’t have to trouble yourself,” retorted Charlotte disdainfully. “I have my way!”
