Mistaking a Magnate for a Male Escort

chapter 893

“Uh...”

All three kids were stunned upon hearing that. They tilted their heads simultaneously and stared at Charlotte.

“Uncle Dan?” blurted Ellie. Her big, round eyes bulged as her curly eyelashes fluttered in astonishment. She asked, “He’s our uncle?”

“Which means... Is he your brother?” asked Jamie.

The fear he initially felt had dissipated and was replaced by curiosity.

“Is he related to us biologically?” asked Robbie.

His question was rather rational because he could sense that his mother was terrified of the guy.

The man sitting on the sofa slowly turned his head over. His eyes exuded an icy aura...

“Uh...” All three kids were flabbergasted when they saw his face.

Danrique was also taken aback when he saw the kids. It didn't take long before a small grin appeared on his lips. "So they really are members of the Lindberg family!"

"He really is our uncle. He even looks just like us," blurted Jamie, who was no longer scared. The child let go of his mother's hand and rushed over excitedly to take a closer look.

"Jamie..." said Charlotte. She wanted to stop him, but the boy had already crawled over to the sofa.

What was strange was that Danrique, who had never liked children, didn't stop Jamie from approaching.

"They look so alike," agreed Ellie as she nodded profusely. She even added, "He is basically the adult version of Robbie and Jamie!"

"That is true."

Robbie was shocked too. He once used a computer to age his picture because he wanted to know what he'd look like when he's an adult. We're practically identical... except he looks grouchier and less approachable.

"Heehee!"

Ellie was no longer scared. She hopped over and leaned on the coffee table to examine the guy...

"Our family will always be able to find each other, even if we got lost. Anyone who saw us will know that we are a part of Uncle Dan's family."

Danrique shifted his gaze to Ellie. Her baby voice, innocent gaze, and bright smile. She is adorable.

He turned to Jamie next. This kid is lively and alert. He behaved like an innocent kid when he was afraid earlier, and he is still just as innocent as he tries to approach me now.

The kid in front of me, however, is obviously excited, surprised and curious as well, but he is careful and is holding himself back... He is trying to determine if I am a friend or a foe.

“Interesting,” commented Danrique while grinning. His gaze was no longer as distant but warm after that. At that moment, he didn’t just allow the kids to get close to him. He also tried to get to know them. “What’s your name?” he asked.

“I’m Jamie. Jamison Nacht in full,” answered Jamie excitedly as he waved his hand.

“I’ll Ellie...”

“Why is your last name Nacht?”

That voice was distant and carried a hint of murderous aura as he interrupted Ellie.

Those scary eyes destroyed the heartwarming reunion.

Ellie was taken aback. Her tiny lips pouted as tears threatened to escape her eyes...

Danrique slowly shifted his gaze to her.

That got Ellie so scared that she suppressed her tears right away. She was too afraid to cry, but her tiny figure was trembling.

“Ellie!” called out Robbie before he ran over to shield his baby sister. He frowned and demanded angrily, “Oy, why did you scare my baby sister?”

“Huh, so you’re the big brother, and you know to protect your baby sister. That’s good,” commented Danrique. His eyes glowed with a hint of approval when he asked, “What’s your name?”

“My name is Robinson Nacht,” answered Robbie. He looked right into Danrique’s eyes and stubbornly insisted, “My last name is and will always be Nacht!”

“That’s gutsy,” said Danrique. His smile was getting bigger, but his gaze remained distant when he added, “That expression you have on is definitely a match to that of the Nacht family.”

“That’s because I am a member of the Nacht family,” replied Robbie bravely.

“Robbie...” growled Charlotte quickly. She worried that Robbie would step on Danrique’s tail.

“Very well.” praised Danrique.

He wasn’t angry. Instead, he examined Robbie calmly while planning for something...

“Danrique, the kids are too young to know any better. Please don’t hold it against them,” requested Charlotte softly.

Mistaking a Magnate for a Male Escort

chapter 894

“Danrique, the kids are too young to know better. Please don’t hold it against them,” pleaded Charlotte softly.

Danrique smiled with his brow raised.

Just then, a black figure flew in from outdoors. Like a sharp arrow, it zipped over and landed right on Robbie’s head.

“Ah!”

Jamie and Ellie hopped away from the sofa and crawled into Charlotte’s arms right away.

Little Fifi screamed fearfully and flapped its wings before hiding away in Robbie’s arm.

Robbie’s tiny face turned pale. He was scared out of his mind, but he wore a calm expression on his face.

The eagle flew and stood in front of Robbie. It flapped its wings as its sharp eyes locked in on Robbie.

It was a huge eagle with enormous wings, so a gust of wind would mess Robbie's hair up every time it flapped its wings.

"Robbie..." said Charlotte. She wanted to head over to protect her son, but Danrique's men prevented her from doing so.

Robbie mustered up his courage and glared back at the eagle before demanding, "Go away!"

Screech!

The eagle let out a nerve-wracking screech and circled above Robbie's head a little before it flew away.

Danrique's eyes glowed with even more admiration when he looked at Robbie. He asked, "Aren't you scared of the eagle?"

"What's there to be afraid of?" challenged Robbie as he rolled his eyes at Danrique, then caressed the shivering parrot in his arms. Robbie pointed out, "That eagle is just like the parrot and they are both Mommy's pet."

"Good, I like your style," replied Danrique. He smiled, and to everyone's surprise, the icy aura in his eyes was slowly dissipating.

"I'll have the kids return to their rooms for now."

Charlotte had the maids take the kids to the second floor right away.

Raina held a medical kit and had her head down as she followed along.

Danrique shot a look over, but he never commented on anything. He simply sipped his wine.

Everyone hurried to the second floor.

Raina sighed a long breath of relief after the door was closed. She felt like she was walking on thin ice the entire time.

“Mr. Lindberg!”

Lupine, Morgan, and the others came over to report some matter.

It didn't take long before their agonized scream came. It only lasted a second before silence fell once more.

“What was that?” asked Jamie as he ran over to open the door.

“Jamie, it's nothing!” answered Charlotte, who ran over immediately to stop him.

“Uncle Dan is so scary, Mommy. I'm scared of him. I want to go home,” requested Ellie as she curled up on the sofa and hugged her doll. She pouted her lips like she was going to cry.

“I want to go home too. I miss Daddy,” added Jamie, who was pouting as well.

Charlotte felt terrible as she stared at her kids. She wanted to spend more time with them, but they were already scared out of their minds, even though everything had just begun...

“Mommy, this is for you. You're its rightful owner,” announced Robbie before he got something from his pocket and handed it over to Charlotte.

Charlotte held that black gold ring with her. When she first regained consciousness, her heart stung and a bad feeling crept up on her every time she saw it. Unfortunately, she didn't feel right throwing it away, so she tied it to her eagle.

Who would've thought that Robbie will stumble upon it and trace it back to me? This kid had it rough...

"Thank you, Robbie," replied Charlotte before she put it on and promised, "I will treasure this from now on because you are the one who got it back for me."

"Mommy, I will protect you from now on," promised Robbie softly as he hugged Charlotte.

"Silly boy," teased Charlotte who smiled upon hearing that promise, "You're only six, so how will you protect me? Besides, I am very powerful now, so no one can bully me."

"But Uncle Dan is so mean. Will he hurt you?" asked Ellie as she pouted her lips and frowned.

"He won't. I won't be here if it weren't for him. Two years ago, I got into an accident, and he rescued me. He is the only reason I am here now," answered Charlotte firmly.

"I see. No wonder you disappeared all of a sudden. We cried for so long back then," shared Jamie as the revelation hit him.

"Mommy, where is Mrs. Berry?" asked Robbie. He had been keeping that question to himself, but he could no longer suppress his curiosity.
