Mistaking a Magnate for a Male Escort

chapter 901 - 902

Raina whispered, "Mr. Robbie is the sole developer of the projector. He's also the sole owner of the patent."

"H-Huh?"

The rest were astonished as they never thought a six-year-old boy was capable of pulling such an impossible feat.

The owner of the restaurant was shocked. He repeated, "Are you seriously telling me this little boy is the one behind this magnificent creation? A few of my friends have purchased the projectors as well!"

Robbie remarked in a relatively calm manner, "It was merely launched around January, but I have designed it a year ago. Daddy has transferred the profit to my personal account as well."

The owner of the restaurant remarked, "Hahaha! It seems like I'm also one of your customers!"

Ellie showed her brother a huge thumbs up and complimented, "Robbie, you're awesome!"

Meanwhile, as impressed as Jamie might be, he was also overwhelmed by a sense of inferiority. "Magnificent, Robbie! Meanwhile, there are not many things I'm capable of—"

"You're unique as well! I'm not a match for you in terms of rock climbing!" Robbie tapped on his brother's shoulder and promised his sister, "Ellie, I'll get you one as well if you want it! You just have to ensure the decoration of your room goes along with the theme!"

Ellie responded with a nod and expressed her gratitude, "Thanks, Robbie!"

Charlotte was equally proud. She praised her little boy, "Robbie, you have finally grown up!"

Robbie announced with his chest held high, "Haven't I promised to keep you safe? I'm going to honor my promise and make you proud!"

Thrilled, Charlotte nodded in return. "Mmm! I'm sure you can do it! I have faith in you!"

All of a sudden, one of her subordinates showed up seconds after they heard a car pulling over at the entrance. "Ms. Lindberg, it's Mr. Nacht!"

Charlotte asked with a frown, "What brings him here today?"

"Sir, have you not informed others you're not serving anyone else apart from us?" Lupine asked in a callous tone.

"I couldn't inform Mr. Nacht beforehand since he mentioned nothing about his arrival today." Halfway through his speech, the owner stammered, "I-I don't think I can drive him away..."

"Y-You!"

"It's fine!" Charlotte remarked in a callous tone and instructed, "Switch off the projector and proceed to place our orders."

“Y-Yes! I’ll get going at once!” The owner instructed the waiter to take note of Charlotte and her party’s orders before making his way out to welcome Zachary.

When Zachary alighted from the car, he was astonished to see the car of the Lindberg family. He thought of leaving, but the security guard of the restaurant had announced his arrival.

“What’s wrong, Zachary?” Taylor expressed his concerns when he caught a glimpse of the young man’s look.

“Shall we head over to another restaurant?” Cynthia gestured her question since she was aware of Zachary’s concerns.

She could tell Charlotte was around when she saw the car. After all, she once ran into Charlotte at Ashenville Garden.

“That won’t be necessary!” Zachary marched in the direction of the hall as he thought others would misperceive him if he were to leave.

The owner of the restaurant greeted Zachary, “Welcome, Mr. Nacht! It’s an honor to have so many honorable guests today!”

Ellie, who was in the middle of running around, rushed in Zachary’s direction the moment she saw him. “Daddy! Has Mommy asked you to come over and join us?”

Zachary held his daughter’s hand and took a peek at Charlotte. Shortly after she exchanged glances with him, she had her eyes glued to Cynthia behind him.

Startled by Charlotte's indifferent look, Cynthia inched over in Zachary's direction, making it seem as if they were closely acquainted.

"Daddy?" Jamie, who was occupied with Jenga, turned around when he heard his sister. He brought himself to a halt instead of rushing over to his father's side when he caught a glimpse of Cynthia.

He turned around to look at Charlotte and Robbie. It was then he heard Robbie instructing, "Jamie, Ellie, come over here!"

Jamie brought himself back to Robbie's side and took a seat next to his brother, taking a peek at Zachary with a diffident look.

Ellie let go of her grip and returned to her seat next to Charlotte. She couldn't stop herself from taking a peek at Zachary.

Upon another glimpse at Charlotte, Robbie suggested, "Daddy, why don't you tend to the things you have on your schedule? Aren't you here to resolve the issue of your company with the aid of Mr. Blackwood and Ms. Cynthia?"

"Alright." Zachary was proud of his intelligent son as he had just done him a huge favor.

After Robbie took another peek at Charlotte, he suggested, "If that's the case, why don't you go ahead? We'll return and finish our meal with Mommy!"

Instead of losing her cool, Charlotte carried herself in an elegant manner since her children were around. She thought it wouldn't be wise to pick on Zachary in front of others as well.

"Alright, I'll drop by and check on the three of you once I'm done."

Zachary was glad his son was around to intermediate the situation. Shortly after they wrapped up the conversation, Zachary marched in the direction of their seats.

Lupine and Morgan were frustrated when Cynthia went after Zachary as if she was a defenseless woman in need of others to defend her.

Marino and Ben glared at the two ladies warning them to mind themselves. Then, they looked elsewhere and kept their emotions to themselves.

Robbie brought up something else to divert everyone's attention. He asked, "Mommy, are you sure we can get Jamie and Ellie's favorite dishes here?"

"I have already gotten in touch with the owner and asked for his help to prepare everyone's favorite dishes beforehand."

Charlotte beckoned Lupine to get the waiter to serve the dishes she had ordered beforehand and asked, "Robbie, have you any cravings?"

Robbie blurted his answer, "Me? I miss the dishes you used to prepare for us! There's nothing like home-cooked meals, but I guess I'll settle for less since you have brought us here!"

"Well, I'll make you something to eat, but it has been a long time since the last time I cook. I'm not sure if my culinary skills can live up to your expectations. Therefore, you can't blame me if it's not."

Thrilled, Robbie assured his mother, "No! It's completely fine as long as you're the one cooking the dishes!"

Unable to contain his excitement, Jamie announced, "I have been missing Mommy's cooking as well! It has been such a long time since our last meal! I can still remember the taste of the dishes you have prepared us!"

Ellie gulped and announced while leaning in Charlotte's direction, "Hey, me too! Mommy, I can't even stop myself from drooling anymore!"

Charlotte laughed and kissed her daughter on the forehead, pinching Jamie's cheek and touching Robbie's head.

Throughout the heartwarming session, Zachary couldn't move his eyes away from his family as he couldn't even recall when was the last time they spent some quality time together.

"I'll drop by the kitchen and see if I can get the owner to lend me his kitchen! I want everyone to behave yourself when I'm not around, okay?"

Charlotte made her way to the kitchen and asked, "Sir, have you any extra ingredients for me to make my children their favorite dishes?"

The astonished owner asked in return, "Ms. Lindberg, I'm so sorry, but we merely have a few raw ingredients left! Is that fine?"

Charlotte thought it wasn't a big deal. She asked, "It's fine! Can you get others to help me out?"

"I'll get the chefs to join you at once!"

"Zachary? Hello? Zachary!"

Taylor repeated himself for more than once until Zachary finally returned to his senses and stopped staring in the direction of Charlotte.

When Taylor saw Zachary turning around with his brows arched in confusion, he suggested, "Shall we go to another restaurant?"

Taylor thought it would be impossible for them to carry on with their discussion with others around them.

Upon another glimpse at his watch, he said, "Actually, we're merely to talk about the upcoming press conference. Why don't you guys go ahead and finish your meal before we get to business?"

He got up from his seat and walked in the direction of the kitchen shortly after he brought up the suggestion.

Staring at the man's departing figure, Taylor responded with a frown.

In the meantime, Charlotte had to prepare the dishes from scratch. Unlike her usual domineering self, she seemed to be just another mother throughout the process of getting the ingredients ready.

Leaning against the entrance to the kitchen, Zachary had his eyes glued to the woman with a gentle look.

The owner of the restaurant greeted Zachary the moment he saw him, "M-Mr. Nacth..."

Out of the blue, Charlotte turned around and asked with her brows furrowed, "What are you doing here?"

Zachary marched in her direction and said, "I think it's time for us to talk about our children-"

Halfway through his sentence, Charlotte turned around and warned him with the knife, "Zachary, I'm trying my best to stop picking on you since our children are around! You better get out of my sight with that mistress of yours as soon as possible! Otherwise, I'm afraid I'm going to lose control soon!"
