Mistaking a Magnate for a Male Escort

chapter 959

“Don’t cross the line, Charlotte!” bellowed Zachary as he frowned. “Respect your elders!”

“Respect should be mutual.” Charlotte shot him a cold glare before standing up and leaving.

“Stand right there!” yelled Henry furiously. “Since Ellie’s ill, I’ll allow you to stay for a few more days. However, please leave immediately after she recovers!”

“Allow me to stay? I can’t care less!” scoffed Charlotte mockingly. “However, I’ll definitely bring my kids along with me.”

“They won’t leave with you!” Henry warned intimidatingly, “If you dare to touch them, I won’t let you off easily!”

“Really?” Charlotte raised her eyebrows and smirked. “I’ll have to try it out, then.”

“You...”

“That’s enough!” interrupted Zachary exasperatedly. “I thought we agreed to talk this out? What can we achieve by exchanging harsh words here?”

"I can be reasonable if you want." Henry changed his attitude. "Since the children are already legally registered under the Nacht family, you'll be breaking the law if you bring them away forcefully!"

"We can bring this to court!" replied Charlotte calmly. "I'm already all prepared. Don't worry, I'll definitely win."

"Must you do this?"

This time, it was Zachary who asked.

"Either you let the children leave with me, or I'll file a lawsuit. Alternatively, we can resort to brute force! It depends on what you choose to do."

With that, Charlotte left directly.

Zachary felt extremely exasperated. At this point, he was helpless as there was nothing he could do to her.

Violence, scoldings, threats and coaxes were all futile.

"How dare she?" Henry was so furious that his face turned pale and his hands trembled.

"Your health is still poor. Why did you leave the hospital and come back all of a sudden?" asked Zachary in confusion.

"If I haven't returned, this family might be part of the Lindbergs already."

After being provoked by Charlotte, Henry was venting all of his anger onto Zachary.

“No wonder you kept stopping me from going to Northridge and interfering in the case concerning Lindberg Corporation! So it’s all because of her!”

“I’ll resolve this on my own. You don’t need to intervene.” Zachary reminded sternly, “Don’t commit the same mistake as you did two years ago.”

“You’re the one who committed a mistake!” Henry’s fury surged again. “If you had listened to me from the start, if you hadn’t been in a relationship with her, all of this wouldn’t have happened!”

Zachary was speechless. He initially thought that Henry regretted what happened two years ago, but he still had not come to his senses.

“That’s enough. Let’s stop arguing,” Spencer quickly diffused the tension between them. “I’ll wheel you back to your room to rest.”

“How can I rest? Do you think that I can sleep now?” scolded Henry in frustration. “There’s no peace to be found in this family. Not only does that woman dare to kill in my house, but she also opposed me so rudely! How can someone like her stay here?”

“You’re already so old and in poor health. Yet, you can scold someone with such fervor!” mumbled Zachary unhappily.

“What did you say?” Henry grabbed a cushion from the sofa and tossed it at him. “You rascal! You don’t even know what’s important now! Do you want the Nacht family to be ruined?”

“That’s it. I’ll deal with it properly.” Zachary did not want to provoke Henry further. “Go back to your room and rest.”

“Yeah, go and rest first!”

Spencer quickly pushed Henry back to his room.

Meanwhile, Zachary walked out briskly and caught up with Charlotte at the stairs. “Let’s talk.”

“There’s nothing for us to talk about.”

Charlotte refused to discuss anything with him. Instead, she returned to her room and sent a message to Danrique. She informed him about Ellie being poisoned and requested him to invite Francesco over to cure her.

If she was influential enough to invite Francesco, she would not have to stay in such a horrible place like the Nacht residence.

However, Danrique did not reply to her.

Mistaking a Magnate for a Male Escort

chapter 960

Charlotte was extremely flurried. At this moment, Morgan walked up to her and reported, "We've received news from Lupine that Sharon has escaped."

"What?" Charlotte's face turned somber. "No one managed to catch her?"

"According to Lupine, Sharon had some outside help. It was probably Zara's men who assisted her." Morgan let out a frown before she continued, "Ben and Lupine are going after her as we speak."

"This is preposterous!" Livid, Charlotte kicked the table over.

"The Nacht family is so incompetent. They should've let Mr. Lindberg take care of this. What are they going to do now that Sharon has escaped?" Morgan was furious.

"We'll talk about this later. Let's meet up with Olivia first. We need to locate Dr. Felch as soon as possible and give his whereabouts to Marino."

Morgan nodded and replied, "I've already informed Olivia. You should go get changed. I'll get the car ready."

"Okay."

Just as Charlotte was about to head out, Robbie walked up to her with a box in hand. “Mommy, I have something to tell you. It’ll only take five minutes.”

“Me too,” uttered Jamie, with Little Fifi behind his back.

“Okay, come here.”

Charlotte gave them a loving smile.

The two of them quickly sat down on the sofa.

Robbie opened his box and took out multiple credit cards as well as a few equity documents.

“Mommy, this card here contains all the earnings from the software that I’ve developed a few years back. Daddy was the one who gave me the money. There’s a total of a hundred and thirty million on the card.

This card here contains all the allowance given to Jamie, Ellie, and me. There’s about thirty million on the card.

This card over here contains all our prize money. That includes Jamie’s winnings from his martial arts competitions, Ellie’s winnings from her drawing competitions, as well as my winnings from invention competitions. There’s about a million on this card.

These equity documents here were gifted to us from Great-grandpa on our birthday. The assets that we got were the Fairytale Land, Apple Kindergarten, and the elementary school that we’re currently studying at.

These are all our properties. You can have them all, Mommy! I've already gotten Ellie's permission too."

"What? What are you..."

Charlotte was stupefied in place.

Robbie placed all the credit cards and documents in Charlotte's hands.

He then uttered in a serious tone, "We know you've sacrificed a lot for us. Not just you, Mrs. Berry also did her best to take care of us. She even got herself sick because of that. We are very grateful to the two of you.

"Don't worry, Mommy. You don't have to be scared of Daddy, Uncle Dan, or even Great-grandpa anymore. With this money here, we don't have to rely on anyone else. No one will be able to threaten us from now on.

"We'll be able to live happily together as a family of six, including Fifi of course.

"Mommy, we can return to the countryside and live with Uncle Judd. Or, we can even find a place where no one recognizes us and start our new lives there.

"Anyhow, we'll be the ones taking care of you from now on. You don't have to work so hard anymore, Mommy. You're free to do whatever you want!"

Jamie nodded profusely. "Yeah. Don't be afraid, Mommy. We won't let anyone hurt you. Here, take our possessions..."

Jamie scooped over to Robbie's ear and murmured, "Robbie, are we still short on money? I can sell my toys and figurines if need be."

“We have enough. Don’t worry. Not to mention, I’ll still be earning with my software. I’ll be able to earn at least ten million a year.

With that said, you don’t have to depend on others anymore, Mommy. If you’re worried about our safety, we’ll just hire a bodyguard, since we have the money to do so...”
