

Let Me Go, Mr. Hill! by Shallow South Chapters 2088

Chapter 2088

Lin Fanyue knew that Song Qingrui was going to go on a blind date the next day.

Lin Wei took six or seven photos and asked Lin Fanyue to accompany her to choose.

"Fanyue has which one do you think is more attractive" Lin Wei, already seeing the dazzling, "I just picked out such a few pictures for a long time."

" "

Lin Fanyue was ashamed.

This, it took a long time to pick out six or seven candidates. I'm afraid that's the case with the ancient concubines.

She leaned over and read the photos on Lin Wei's phone one by one. It must be said that

all the beauties were dignified and majestic, with delicate temperament, and with lotus flowers.

If she wants it, a man must be envious of Song Qingrui.

"There are godmothers and all have their own characteristics. It depends on what kind of daughter-in-law you want to find or what kind of girl Qing Rui likes." Lin Fanyue also couldn't pick out any of them, jokingly saying "If I, If a man has it, he will accept it."

Lin Wei was also amused by her, "Although you don't, men do, but you can accept the little fresh meat you like if you see it in your current identity."

"Huh?" Lin Fanyue stammered in horror.

"This is not very good. I am afraid that it will affect the reputation of the presidential palace."

"What's wrong with a man who gets divorced and can keep looking for young and beautiful women. Why can't women have?" Lin Wei said graciously. The eldest princess often changes boyfriends. Every one of them is young and handsome. The news of the country is often reported. No one said that the eldest princess' s no, some down, and many women are very envious. Now the women are very depressive. So I admire those women who live freely."

"Did you expect your godmother to be very broad-minded," Lin Fanyue quipped.

Lin Wei smiled and said, "I'm not so rigid. On the contrary, I often use Weibo, I keep up with the times, but I still have to focus on my career and I can never put everything into a relationship."

Lin Fanyue nodded in the same sympathy, "Godmother. Actually, I think Qingrui likes women who are fleshy and plump, as if I heard him mention it by chance last time."

"Whether there is one or not, there is a daughter of my old classmate who looks very blessed and has a need, and if he is not satisfied, just follow this one."

Two people discussed for a long time and finally decided on a candidate.

In a few days, Lin Fanyue's injury was also healed a lot. Although it was not completely healed, at least he was able to walk normally.

She drove to Yuexinyan Company in the morning.

It's been a long time since Jiang Qingxin is basically responsible for the company's affairs.

After she went in, she inspected and found that the company was better than what she had managed before, and the employees were very motivated.

After arriving at the president's office upstairs, Jiang Qingxin was working with a laptop, and Huo Xu stood behind and massaged her shoulders.

"How strong is the baby?"

Let Me Go, Mr. Hill! by Shallow South Chapters 2089

Chapter 2089

"Yeah, don't bother me, I'm thinking about it."

Jiang Qing didn't even look up, his attitude was extremely perfunctory.

""

Huo Xu was hit hard.

"Ahem, I didn't bother you." Lin Fanyue looked at the door, laughing and joking.

Jiang Qingxin immediately raised her eyes, and said with joy, "Fan Yue, here you are, my chest still hurts or not."

"Much better." Lin Fanyue nodded.

Huo Xuying raised her brows very much, "Since you are better, then come back to work quickly, lest you stay in the company all day long, and your husband doesn't care much anymore."

Lin Fanyue couldn't laugh or cry because of the grievances, but she could only bite the bullet and said under Huo Shaoze's nose, "I just talked with an employee outside. It is obvious that after she took over Yue Xinyan,

no matter if she was in the market In terms of management, they are much better than me. I think this position will be given to Qingqing in the future. I can serve as the vice president and general manager of the R&D department. It will soon acquire Oulansheng and become the largest beauty group in China."

"What?" Huo Xujun's face was as dark as the bottom of the pot, "No, she is not free, she has to manage He Song and Yue Xin Yan, where is my usual time to accompany me, we will make an appointment next month Take a vacation to the Maldives."

"You can go, and I will try my best to manage the company. I may be able to talk about work remotely by video."

Lin Fanyue persuaded her bitterly, "Huo Shao, Qingqing is still flourishing, she is in

her twenties, and she is the golden age to work hard. You can't let her indulge in love all day, you have to let her Love is a sense of happiness, and at the same time a career is a sense of accomplishment. Let me say that you should return to Huo' s work as soon as possible. Don' t try to make career development better than you at that time. You can just eat soft food."

Huo Xu didn't look at Lin Fanyue, only looked at Jiang Qingxin, "Qing Qing, what do you think?"

Lin Fanyue pouted, "Qingqin, you know my ability is, I can develop products, but there are management aspects."

Jiang Qingxin raised her hand to interrupt her, turned her head and said to Huo Xu, "Xu Xu, you see that the two of us have also played for several months. At first, it was

very happy, but every day, it was boring. Yue Xinyan's development momentum is now very good, and there is also my first investment. I really want to make Yue Xinyan good and bigger. In fact, I also hope that you can return to your career. To be honest, you always guard me like this, I am afraid I'm not old yet, you will be bored with me."

"How dare I be bored with you, it is obvious that I am bored with you," Huo Xu pointed at Lin Fanyue with a jealous expression, "She is more important than you."

Lin Fanyue raised her eyebrows, "Huo Shao, think about it, when you hurt Qing Qing in the first place, how did I stay and protect her? In the past few years abroad, without me, Qing Qing and the two children might not be able to persevere, man, he will abandon her, but I don't have any."

"You're enough. Which pot is not open and which pot is to be lifted." Huo Xu became nervous when he mentioned that dark history.

"Husband, I'll see you off."

Jiang Qingxin took his arm and sent him downstairs.

In the elevator, she put her small face on Huo Xu's shoulder, "Don't be unhappy, don't I accompany you every day after get off work? Besides, Fanyue just gave birth to a child and divorced again. She wants to earn money while taking care of the child. I don't have a man around me to rely on. I understand the feeling very well, so I want to help her. It's more difficult time to get through her period."

"Qingqing, don't say anything. I remembered something before. Actually, I am very

grateful to Lin Fanyue for being with you during that time."

Huo Xu held her hand, black eyes sullenly, "I only feel insecure after recovering my memory. I hurt you too much. I'm afraid you will leave me. That's why I want to stay with you more. Hello."

Let Me Go, Mr. Hill! by Shallow South Chapters 2090

Chapter 2090

"Fool, you lost your memory before, but I don't have what I am willing to return to you, it means that I will return it, and I am willing to give you a chance."

Jiang Qingxin squeezed his hand and looked up at him and smiled, "Huo Xu's, we work hard together. I like it now and also like it that year. When I met you in Tongcheng, you were so handsome. No matter what, when The lawyer also, when the president is very

handsome and charming, go back to the place where you belong. During the day, we will accompany you in bed at night when we are each stage long-sleeved good dancers."

The last few words of her whispered in his ear.

The woman breathed on his ear like a fairy.

Huo Xu's throat itchy "Qinqin."

The elevator happened to reach the first floor.

Huo Xu immediately pressed the close button and a hot kiss that he lowered his head was overwhelmed with force.

Jiang Qingxin hung his hands on his neck and tiptoes.

Huo Xu only let go of her hoarse after the kiss, "I don't want to go back to Huo's and want to be a lawyer."

"Huh?" Jiang Qing was stunned for a moment, "Why?"

"Actually, I prefer to be a lawyer, but I wanted to have a sigh of relief in Huo's family at that time." Huo Xu smiled. "My mother who has gone through so many things now manages Huo's is quite good now. The older one can take over from Huo's. Anyway, my wife is also very capable and I want to eat soft rice."

"Forget it, your lawyer can do any lawsuit, and tens of millions are also very profitable."

Jiang Qingxin lowered his head and straightened his shirt. "But I support you in doing what you like. Being a lawyer is also

very good. I like the way you look particularly handsome in a suit and litigation."

"Thank you very much for supporting me."

Huo Xu kissed her forehead before leaving.

Jiang Qingxin watched him go back upstairs only after walking away from his back.

Lin Fanyue glanced at her lips ambiguously, "Why did you lose the lipstick and convinced Huo Xu with a kiss."

"It's appropriate for a man to be harder and sweeter."

Jiang Qingxin made up her lipstick generously in front of her.

The moisturized, charming face and beautiful face made Lin Fanyue extremely

envious, "It looks like you have mastered Huo Shao with perfection."

"We are pretty stable now."

Jiang Qingxin smiled, "The one who called Ruan Yan to celebrate at night to have a meal together, how about you finally regaining freedom?"

"Okay." Lin Fanyue nodded, "but I have to go back after dinner and I want to accompany Yueyue more."

"I know now that it's cold, just eat hot pot. A new hot pot restaurant opened nearby. The business seems to be very good."

Six pm.

Jiang Qingxin and Lin Fanyue went to find a box first. Ruan Yan also came. She wore sunglasses, a hat, and a scarf. She was wrapped in airtight.

After taking it off, Lin Fanyue felt that she had lost weight, "Ruan Ruan, you have recently, no, you haven't had a good rest."

"Well, I'm a little tired." Ruan Yan thought to Ji Ziyuan's face every day, can she rest, she really wanted to die.

But she didn't want to talk to Lin Fanyue and Jiang Qingxin, or two that they were worried about, for fear of being looked down upon by them.

It is true that she even despises herself in such days.

"You don't want to be the one of Ruan Ruan. I and Qingqing who are thinking of Ning Lexia have already thought that revenge against her is a way to do it. You can wait."

Lin Fanyue picked up the menu, which she hadn't eaten for a long time, and ordered a lot.

However, after waiting for the dishes to come up and cooked, she felt that it was delicious hot pot that she did not eat with Song Qingrui last time.

Song Qingrui cooked meat, it was delicious and tender.

In fact, as long as the time is good, she can cook it herself, but when she eats, she will get old when she forgets the time and waits for the meat to come out.

Let Me Go, Mr. Hill! by Shallow South Chapters 2091

Chapter 2091

She suddenly realized that when he had hot pot with Song Qingrui before, he was very attentive to help himself iron the dishes.

By the way, he seems to be going on a blind date tonight.

It seems that he will be a girlfriend in the future.

I'm afraid he will eat hot pot with his girlfriend in the future. She is so hard to eat him that he has hot dishes.

For some reason, Lin Fanyue suddenly felt a little lost.

It's like having a dog with me and suddenly finding a bitch.

Song Qingrui, who was thinking, suddenly sent a "so boring" dynamic picture.

Lin Fanyue immediately replied that you are boring or something, aren't you on a blind date? My godmother and I choose some girls to look good.

Song Qingrui, do you and my mother choose?

Lin Fanyue is right, didn't you say you like it, you have a little sensuality.

Song Qingrui, you are so smart.

Sister Lin Fanyue has always been so smart, don't thank me too much.

Song Qingrui thank you that she is not as good-looking as you.

Lin Fanyue's mouth curled up when Song Qingrui was about to reply, and she threw it over again without you, sensuality.

Lin Fanyue is angry, why don't you just say that she is not as fat as me, can you stop saying that I am fat and some are not that fat, right?

Song Qingrui was angry, I didn't say you are fat, I said you, sensual, sensual, cute, there is that kind.

I don't believe you, Lin Fanyue, anyway, I am fat in your eyes, I want to lose weight.

Song Qingrui, don' t lose your health. The most important thing is that you look better now than before.

Will Lin Fanyue know how to speak? I look good now and also look good before.

Song Qingrui is right, the most beautiful person in the world is you.

Song Qingrui, I'm really boring, I've been talking awkwardly. After half an hour, you called me and I found an excuse to slip away first.

Will Lin Fanyue be too polite if it's not good?

Song Qingrui, I don't like people. Do you still want to remember them? I'm so handsome and handsome if she is deeply in love with me, you don't know how to deal with this trouble.

Lin Fanyue "poofed" and smiled.

On the table, Jiang Qingxin and Ruan Yan both looked at her with a faint smile, "Who did you talk to and laughed for a while and angry. Some are the same as being in love."

"Don't talk nonsense, I'm just chatting with Song Qingrui. The guy who got on a blind date today is narcissistic." Lin Fanyue explained quickly.

"Oh, it's a good relationship to talk to dinner." Jiang Qingxin raised his eyebrows.

"It's okay, although the mouth is a little bit cheap at the time, but I know he was joking."

Lin Fanyue looked at the phone and smiled.

Both Jiang Qingxin and Ruan Yan looked at each other, feeling strange.

Ruan Yan's mobile phone, half of his hot pot meal, has been kept, and people have sent WeChat messages.

She glanced at it and put it aside without paying attention.

But the phone rang soon after.

She took the phone and went outside to pick it up.

Jiang Qingxin blinked and said to Lin Fanyue, "It looks like Ruan Ruan, it's the situation."

"Isn't this normal? She is so beautiful and natural. The man chased her and hoped that she would not always think about Ning Lexia if she had a relationship earlier." Lin Fanyue grabbed a piece of vegetable and ate it and said, "This hot pot was not last time. It's delicious when cooked with Song Qingrui."
