private room, Wei Mingxuan and Liu Bingbing were aggressively letting Yash Nics kneel and learn how to bark.

Unexpectedly, I suddenly saw Wei Kang with a group of troops coming down!

Wei Mingxuan opened his eyes wide and lost his voice: "Dad, why are you here?" At

this moment, Liu Bingbing, Liang Xiaomin, Song Pingting and others were all dumbfounded.

Especially Liu Bingbing, she did not expect that Yash Nics made a phone call, and her boyfriend's father, in her eyes, belonged to the most powerful person in Jizhou, unexpectedly rushed here.

She opened her eyes wide and looked at Yash Nics in horror.

Yash Nics suddenly became unfathomable in her eyes.

Wycombe is also a son away, a few steps to the front Ning, abnormal respectfully bent over to say hello: "He is, I did not know it was late so badly that you asked me to come over, what orders?"

Orders ?

Wei Shao and Liu Bingbing were stunned again.

Yash Nics looked at Wei Kang, who was full of sweat, and smiled and said, "Wipe off the sweat before speaking."

"Yes, yes!"

Wei Kang replied repeatedly, taking out the handkerchief, and wiping the sweat on his forehead indiscriminately.

Yash Nics said indifferently: "Nothing else to call you over this time. Your son insisted that I give him the private dining room, and he told me to kneel down to learn how to bark, before he was willing to let me go.

"I called you, just to ask you how to deal with this matter?"

Wei Kang heard this, rubbing his scalp, and it was completely numb!

My God, he, a son who knows nothing about life and death, dared to tell the North Realm Marshal to kneel down and learn how to bark a dog.

This birthday star hangs himself, and his life is too long!

Wei Kang's face was full of anger, and he suddenly turned around and glared at his son.

Wei Mingxuan has been loved at home since he was a child. The first time he saw his father's angry expression, he was so frightened that he shivered: "Dad..."

Fuck!

Wei Kang raised his hand and slapped Wei Mingxuan fiercely, and said with a stern voice: "Don't call my dad, I don't have a son like you."

"You little beast makes trouble everywhere. I personally beat you to death. It's good to be arrested and shot after the trouble."

Liu Bingbing and others were shocked when they heard the words, and at the same time they felt that Wei Shizun would be too harsh on their children.

Didn't it mean that Yash Nics was offended, as for the serious consequences of being caught and shot?

Wei Kang slapped his son, but his anger remained unresolved. He was usually gentle and known for his good temper, so he pulled out his belt directly and drew it at his son.

With just a few whips, Wei Mingxuan's skin was ripped apart and his head was bled.

While smoking desperately, Wei Kang cursed angrily: "I'll kill you little beast, I'll kill you little bastard..." In

the end, Wei Kang's men were really afraid that Wei Kang would beat his son to death.

They hugged Wei Kang and said hurriedly: "Master City, if you continue to fight, you will really kill him."

Wei Kang looked at the broken belt, panting, and facing Wei Mingxuan. He roared: "Did you die? I will apologize to Mr. Yash if he is not dead. If Mr. Yash doesn't forgive you, I will just kill you today." The

blood-stained Wei Mingxuan, struggling to crawl in front of Yash Nics, weeping bitterly. Said: "Mr. Yash, I was wrong, please forgive me, I won't dare anymore..."

Wei Kang also looked at Yash Nics blankly.

Yash Nics said lightly to Wei Kang: "Let's forget the matter this time. Wei Shizun will remember to take care of Linglang in the future, and don't let such things happen again."

Wei Kang heard the words, if he received an amnesty, repeatedly said: "It must be certain. Don't worry, Mr. Yash, I will definitely discipline him strictly in the future."

Everyone looked at this scene in shock, everyone couldn't figure out what exactly is Yash Nics's identity, and why does Lord Shizun respect him so much?

Especially Liu Bingbing, she looked at Yash Nics with extremely complicated eyes.

Only then did she know that Yash Nics was something she couldn't afford to climb, whether it was before or now.

Wei Kang taught his son, he still wanted to accompany the wine in person and make Yash Nics apologize.

But Yash Nics waved his hand, saying that he was eating with his family and did not want to be disturbed.

Wei Kang immediately understood, and took his son to say goodbye to his subordinates.

Yash Nics, Song Pingting, Tong Ke, and several Ningda Group employees went back to the private room for dinner.

Song Pingting couldn't help it anymore and asked Yash Nics suspiciously, why is Wei Shizun so polite to him?

Several Ningda Group employees also looked at Yash Nics curiously.

Yash Nics explained to Song Pingting with a smile: "Have you forgotten that I was from the Yash family in Jizhou?"

"Wei Kang was still an ordinary cadre, and the Yash family was kind to him, so he has always treated me extremely courteously. "

And I know that Wei's tutoring has always been very strict, so after knowing that Wei Mingxuan is Wei Kang's son, I called Wei Kang and asked him to come and solve it."

Song Pingting showed a dazed expression upon hearing this!

She couldn't help but said: "Wei Kang is now the respected Jizhou city, and he is so strict with his son. It's amazing."

Several Ningda Group employees nodded one after another!

Tong Ke secretly curled his lips and thought: If it wasn't for the brother-in-law identity, how could Wei Kang teach his son so severely?

Besides, if Wei Kang usually disciplines his son very strictly, how can Wei Mingxuan be so domineering?

Yash Nics and the others came out of the restaurant after eating.

He was about to drive back to the hotel where he was staying, when Song Pingting's cell phone rang.

Song Pingting frowned slightly when she saw that the phone call was an unfamiliar phone number.

She answered the phone and heard a few words, her pretty face instantly changed color.

Yash Nics noticed her anomaly and frowned: "What's the matter?"

Song Pingting looked ugly, and shook her head and said, "It was a call from Long Zuoquan. He said he wanted to buy our Ningda Group at a low price. Go over and sign later."

"Otherwise, all of us don't even want to leave this Jizhou city alive."

Yash Nics's eyes flashed a cold light when he heard the words, but he immediately returned to calm.

He comforted Song Pingting and said, "Let me solve this matter. You and Tong Ke will go back to the hotel first, and I will go to Long's house to talk to them."

Song Pingting's face changed drastically when she heard this, and said quickly: "No!"

"You injured Long Fei today, and the people of the Long Family probably hate you to the bone."

"You take the initiative to meet them at the Long Family. It's simply a trap. I don't allow you to take risks."

Yash Nics Smiling and said: "It's not that serious, and I don't know Wei Shizun!"

"I plan to find Wei Shizun to be a peacemaker. No matter how good the Long family is, I have to give Wei Shizun the face, right?"

Song Pingting heard the words. "Then I'll go with you!"

Yash Nics shook his head: "No, you are going with a woman. Some things are inconvenient."

Song Pingting frowned, what's inconvenient?

Could it be possible that Yash Nics had to bribe Wei Shizun before he could ask Master Shizun for help?

Thinking about this, Song Pingting could only nod her head and said: "Well, I'll wait for you in the hotel. You must be careful."

Yash Nics laughed and said, "Good!"

Soon, Song Pingting and Tong Ke will pay back Several senior executives of the Ningda Group drove away and returned to the hotel where they were staying.

Yash Nics watched Song Pingting and their vehicle leave!

Song Pingting and their vehicle just disappeared when three black SUVs suddenly appeared beside Yash Nics.

Dian Chu got off the first SUV and opened the back door respectfully.

Yash Nics got into the car calmly, and then ordered: "Go to Long's house, I want to see Long Zuoquan."

Long's mansion, in the magnificent living room.

Long Zuoquan was talking with Cui Weijiang, Buddhism and Dao Shuangxing, and others, naturally, how to deal with Yash Nics and his wife.

Long Zuoquan squinted his eyes, killing intent and said Ling Ran: "I checked. Yash Nics owns 60% of Ningda Group and Song Pingting owns 20%."

“If they don’t come to sign the contract tonight and don’t agree to sell the Ningda Group to our Long Family at a low price, they will not see the sun tomorrow. ”

Just as Long Zuoquan’s voice fell, he suddenly heard a loud bang outside, it seemed that the front yard gate was kicked flying.

Then, I saw a few domestic servants and ran in from the yard in a panic. It’s not good to yell in the mouth, and someone has come to make trouble.

Yash Nics walked in casually with his hands behind his back, Dianchu and Bahuwei.

Yash Nics's mouth raised slightly: "Who told you that I came to talk to you about this? I can tell you clearly that Ningda Group will not sell it, so don't be delusional."

Long Zuo Quan's eyes widened: "You!"

Yash Nics said lightly: "I know you can't get along with the Ningda Group everywhere because Long Zaitian died in my hands."

Long Zuoquan squinted his eyes and said coldly: "I thought you would deny it to the end, why did you admit it?"

Yash Nics said indifferently, "If you don't ask me or say it, how come I deny it?"

"Besides, there is a way for the dragon to die, I will kill. He is such a trash, there is nothing I dare to admit."

Long Zuoquan was once again caught up in Yash Nics's arrogance: "You!"

Yash Nics waved his hand, and said, "Your son's antagonism with Mrs. Haixin hurt . The majesty and reputation of the family. I am no longer Yash Nics's person, so I don't bother to care about it with you."

"But your son was instigated by the woman from Haixin and ran to the south to find me trouble, and wanted to treat my wife unruly. Do you think he should die?"

Long Zuoquan was shocked and angry when he heard this. He knew a little bit about his son fooling around with Mrs. Hai Xin, the mother of the Yash family.

No family can accept the mistress fooling around with men outside, and his son can be said to be dead.

He was even more shocked that it was Mrs. Hai Xin who instigated his son to deal with Yash Nics, which led to his son's killing.

Yash Nics looked at Long Zuoquan, who was uncertain, and calmly said: "You really want revenge, then go to the woman in Haixin to get revenge."

"But whether my son died under your hands, you too. You have to pay a price."

"My terms are still the same as before. You and Song Pingting, sell me your shares in Ningda Group at half price, and I can spare you not to die."

Yash Nics's mouth rose slightly: "If I Reject?"

Long Zuoquan did not speak, but looked at the two peerless powerhouses Tunfo and Ziyang.

Ziyang was still closing his eyes, not knowing whether he closed his eyes to rest up his mind, or fell asleep?

Tunfo picked up a cup of tea and said with a smile: "The guests have been here for so long, Mr. Long, you haven't served the guests with tea. It's really rude."

"Mr. Yash, watch the tea!"

Tunfo said, his wrists suddenly Flicked.

The cup of hot tea in his hand flew towards Yash Nics's face like a cannonball.

Amazing!

When Long Zuoquan and a group of Long Family's men on the scene saw Tunfo making a move, they all watched with great pains and secretly applauded.

Seeing the teacup whizzing out, Yash Nics was about to hit the door in the face.

The corner of Yash Nics's mouth rose slightly, fingertips picked up a small tea leaf floating on the tea water, and smiled and said: "Thank you for your tea, but there are tea leaves floating in the tea water. The tea-making skills need to be strengthened."

Yash Nics said. Flick your index finger at will.

Tunfo raised his hand and touched his face, before touching a hand of blood.

He and Ziyang both stood up abruptly and glared at Yash Nics.

Yash Nics put the tea on the table casually, with a smile on his face, calmly.

Tunfo's round head, full of anger, he stared at Yash Nics and said, "Your Excellency, you are looking for death!" After that, he suddenly moved. He was bloated, swish. He jumped towards Yash Nics, extremely fast, like a flying toad.

Dian Chu and the Eight Tigers want to stop!

Yash Nics sat on the chair and said slowly: "You don't have to stop him."

Tunfo's figure trembled like an electric shock, and then stepped back seven or eight steps, and the whole arm of his right hand was numb.

He looked at Yash Nics, who was light and breezy, and the shock in his eyes became even stronger.

At this time, Ziyang, who was wearing black clothes, had also taken action.

He lied to Yash Nics like lightning, flew a kick, swept towards Yash Nics's head, and shouted: "I will meet you."

Yash Nics raised his hand and swept away!

Yash Nics's face sank, and his eyes turned cold: "Oh, no matter if it was before or now, Jizhou still has no turn for your Long Family to have the final say."

Long Zuo Quan was even more angry when he heard this, and urged the double stars of Buddhism and Taoism: "Swallow Buddha Ziyang, please take down this guy quickly, so that he can rest."

Swallow Buddha and Ziyang looked at each other and said in unison: "Kill !"

As soon as the two spoke out, their bodies moved in unison, like two flashes of lightning, they swept towards Yash Nics.

The moment Ziyang approached Yash Nics, a light flashed in his sleeve, and a sharp knife slid out of the sleeve and fell into his hand.

He held a small knife and pierced Yash Nics's eyebrows sharply.

This move is his fame stunt, called the green dragon in the sleeve.

Finally, she resisted the embarrassment, buried her head in

Yash Nics's arms, and asked softly: "Did the problem of the Long family have been resolved?" Yash Nics smiled lightly: "It's done, Long Zuoquan said that he has realized his mistakes. Come to trouble again."

Song Pingting opened her eyes wide and said curiously: "When Long Zuoquan called, he threatened to buy the Ningda Group at a low price. Otherwise, he would shout and kill him. How could he suddenly become so talkative? "

Yash Nics naturally did not tell the story of his use of thunder to frighten the Long Family, but casually said: "I asked Wei Shizun to come forward, and the Long Family soon recognized it."

Song Pingting said in surprise: " It turned out to be thanks to Mr. Wei's help!"

Yash Nics took the opportunity to say: "By the way, the day after tomorrow, Wei Kang's son gets married. He invited us to his son's wedding, and I agreed."

Song Pingting nodded: "Mr. Wei is in a high position, but he understands the righteousness and is a good teacher."

"And he helped us a lot tonight. We will not only attend his son's wedding, but also prepare a gift. "

Yash Nics said with a smile: "Okay, listen to your wife."

Song Pingting heard the words, Xia Fei's cheeks, her eyes were both shy and joyful.

Song Piting snorted, her body tensed, her hands tightly hugging Yash Nics.

The two can't help but ask how affectionately together!

When Yash Nics was preparing for the next move, suddenly, footsteps came from his ears, accompanied by a low exclamation.

It was Tong Ke's whispered exclaim!

Yash Nics was stunned, Song Pingting hurriedly pushed away Yash Nics.

Tong Ke also looked at the two with a smile. She just came out of the shower, but she didn't expect that her brother-in-law had already returned, and she was still making out with her cousin.

Song Pingting's face was blushing, and she became a little flustered when she was not surprised, and said in embarrassment: "Xiao Ke, when did you come out?"

Tong Ke giggled and said: "Just came out of the shower Ah!" After

she finished, she smiled at Yash Nics and winked at Yash Nics: "Brother-in-law, you are back!"

Holding a bamboo fishing rod, Long Xie was fishing at night with a calm look.

Not far away, there were a few expressionless, clumsy hands, standing like stone sculptures.

Suddenly, an old servant arrived in a hurry and whispered: "Patriarch, Long Zuoquan, please see me."

Long Xie's face was calm, looking at the fish float in the lake, and said lightly: "I'm fishing at night and don't want to be disturbed. , There is something for him to see me again tomorrow."

The old servant stood there with a hesitation on his face, and did not immediately leave.

Long Xie raised his head and looked at the old servant with a cold look: "You didn't hear me?" The

Long Xie's pupils suddenly enlarged!

Immediately, it slowly returned to normal.

He returned his gaze to the fish float in the lake, and said indifferently: "Let Long Zuoquan come in and see me."

"He killed my family, wounded our men, and killed Tunfo and Ziyang!"

The fishing line of the fishing rod turned out to be like a sharp blade, directly cutting the calm lake into it, like Moses dividing the sea.

Wow!

The surface of the lake that had been cut open by the fishing rod's anger, merged again fiercely.

The waves on the lake are surging, and there are countless dead fish floating.

Long Xie put the fishing rod with a calm face and threw it to a man next to him. He turned and looked at Long Zuoquan coldly: "Yash Nics dare to kill my two proud students?"

Long Zuoquan climbed on the ground and said loudly, "Yes!"

"I dare to ask the patriarch to go out in person, punish Yash Nics, and avenge our Long Family."

Outside the pavilion, Cui Weijiang and other men brought by Long Zuoquan also knelt down and said in unison: "Please patriarch personally Go out and kill Yash Nics."

Long Xie stood proudly with his hands on his back, and said coldly: "I have been in hiding for ten years, I didn't want to be bloody."

"But now someone is looking for death, then I will fulfill him!" When

Long Zuoquan saw their Long family, the strongest and most terrifying patriarch, he actually agreed to take action personally to deal with Yash Nics.

All of them were excited, and they said that the patriarch had taken action and that Yash Nics's death date had arrived.

Everyone was very excited, and the young marshal in the north was a blessing to see.

If you can toast a glass of wine or have a meal together, going back and bragging will be enough for a lifetime!

Long Xie also asked excitedly: "Mr. Wei, what you said is true, he will really come?"

Wei Kang didn't know the conflict between Yash Nics and the Long family. He smiled and said, "Yes. Ah, I feel like it is a great honor!" After

The young marshal saw the calligraphy he spread out, went around and went back to him, he must admire the mystery of fate.”

Long Xie and the rich and powerful people on the scene understood!

No wonder Lord City Lord was so happy to see the calligraphy of the young marshal, except that the calligraphy of the young marshal is very precious.

Even more because the young marshal will attend the wedding of the Wei family!

Wellcome wants to use this calligraphy to please the young handsome!

Of course, the prerequisite is that this calligraphy must be the handwriting of the young commander in order to please him, otherwise it will be self-defeating.

Therefore, Wei Kang was anxious at this time and asked everyone to give him palms to see if this calligraphy was the calligraphy of the young marshal?

The people at the scene are all powerful and powerful, many people who have knowledge of calligraphy, or have studied antique collection.

But there are no people who have seen the original calligraphy of the young marshal.

Therefore, it is not easy for everyone to judge whether this calligraphy is the calligraphy of the young handsome.

However, everyone agreed with Long Xie’s view that with Long Xie’s status, merchants would definitely not dare to sell fake goods to him.

There is also this calligraphy, which is sharp and full of spirit.

In line with the young marshal’s status, status and temperament, everyone said it should be the young marshal’s authenticity.

At this moment, Yash Nics came in with Song Pingting and Tong Ke from outside the door.

When Yash Nics saw Long Xie holding a set of calligraphy in his hand, he triumphantly showed off that it must be the real work of the Northern Marshal.

The corners of his mouth rose slightly, and he said lightly: "This is definitely a fake, not written by the young marshal of the North."

Yash Nics's words suddenly attracted the attention of everyone on the scene.

When Wei Kang saw Yash Nics, he was happy and surprised.

The happy one is that Yash Nics is here; the surprised one is that Yash Nics said that this character is fake.

Wellcome hasn't had time to say hello to Yash Nics!

Long Zuoquan was already looking at Yash Nics with hatred, and the son of Long Xie in a low voice was Yash Nics.

Seeing Yash Nics's appearance, Long Xie said that his marshal calligraphy was a fake, and also learned that Yash Nics was the murderer who killed two of his students.

His eyes suddenly became gloomy!

He said coldly: "Young man, you can eat rice, you can't talk nonsense, you will die if you speak." When

Wei Kang saw that Long Xie dared to threaten Yash Nics, his face changed drastically, and cold sweat broke out in an instant. coming.

He hurriedly said: "Mr. Long, don't worry, Mr. Yash said that this picture is a fake, there must be a reason, you can calm down."

Looking at Wei Shizun's face, Long Xie suppressed his anger.

However, he still glared at Yash Nics, threatening in a bad tone: "Yash Nics, you moved my two protégés, and I haven't bothered with you."

"You dare to give me the calligraphy of Lord Mayor now, and say It's fake."

"You'd better be able to say why, otherwise, don't blame me for being rude to you."

Wei Kang's face changed again when he heard this, he couldn't wait to cover Long Xie's mouth and let the old guy stop talking.

The one in front of you is the young marshal of the North!

Whether this calligraphy is true or not, of course people know it well.

Yash Nics looked at Long Xie who threatened him and smiled and said, "I said this character is false, and it is false. This is the best proof."

Long Xie furiously: "Huangkou Zhuzi, what are you? , Don't you say it's not right?"

"Who do

you think , are you a young handsome?"

Everyone at the scene looked at each other when they saw that Long Xie and Yash Nics had a conflict.

Except for Wei Kang and a few people who knew Yash Nics's true identity, most people looked at Yash Nics with pity.

They all wondered who is Yash Nics, who dares to have trouble with Mr. Long, is this a court death?

Song Piting was also scared enough that Yash Nics dared to say that this pair of calligraphy was fake.

If it's true, wouldn't it offend Mr. Long and even the Northern Marshal?

Song Pingting pulled Yash Nics anxiously, and lowered her voice to persuade: "Yash Nics, you can say a few words, you don't know the young marshal, let alone the real story of him, how dare you just say others' calligraphy is fake?" When

Long Xie, Long Zuoquan and others saw that even Yash Nics's wife persuaded Yash Nics to do so, everyone felt that Yash Nics was just talking and coming.

Yash Nics laughed and said: "I didn't say it casually, I said it very seriously."

"His calligraphy was not written by the young commander of the Northern Territory. I promised

it with a human head." Of course Yash Nics can guarantee this, is it right? Of course he knew the words he wrote himself.

But stopping in the ears of others is a different feeling.

Song Pingting felt that Yash Nics was really unreasonable, and he didn't do it like that.

Long Xie was completely angered by Yash Nics. He was full of anger and said to Wei Kang in a deep voice: "Wei Shizun, you have also seen this kid's ignorance and arrogance."

"Long has the courage to ask Lord Shizun to be neutral. , Don't interfere with my grievances with him, I will settle accounts with him today."

Wei Kang was shocked and angry, and he was already scolding his mother: This one is really not caused by your Long Family, you are really looking for death.

Wei Kang naturally couldn't let Long Xie fight with Yash Nics, otherwise Yash Nics would be blamed at that time, and it would be bad if he was implicated.

He hurriedly rounded up the field and said with a sullen face: "Long Xie, today is a good day for my son to get married. I'm afraid it's wrong for you to make trouble here!"

Long Xie's face changed slightly when he heard the words, and he quickly said sorry: "Lord City Lord, I am not planning to make trouble here. It's just that Yash Nics walked out of this door today and I dare not guarantee what happened."

Wei Kang heard this and realized that the only contradiction between Long Xie and Yash Nics did not seem so simple.

He looked at Yash Nics, who was always full of light and wind, and at Long Xie, who was stubborn, and then slowly said, "I can't control the grievances between you and I'm not qualified to control it. But I hope it's in my son. At the wedding banquet, you can live together peacefully."

Wei Kang actually has a headache. Long Xie is a powerful figure in Jizhou, and Yash Nics is a young marshal in the north.

The two people really wanted to fight, he felt that it was a fight between gods, and it was impossible for him to persuade him to fight.

So he simply ignored it.

Let nature take its course, whose fault is the fault.

When Long Xie saw that Shizun chose to be neutral, regardless of his grievances with Yash Nics, he immediately showed complacency.

No way, the Long family is so arrogant in Jizhou!

Long Xie instructed Long Zuoquan next to him: "You summon the elite subordinates of our Long family and guard it outside the Royal Palace. When the wedding banquet is over, Yash Nics and the others come out of this door, and we will do it again."

Long Zuoquan sneered upon hearing the words . , Whispered: "Yes, patriarch, I will arrange it."
