front of the Four Seasons Hotel, under the trees and on the bench.

Yash Nics was sitting on the bench casually, smoking a cigarette.

Dian Chu stood beside him and whispered: "Master, Chen Xiong's operation was very successful, and the blood has been removed. Old Qin said that he should be able to wake up within these two days."

Yash Nics looked a little lonely and calm. He said: "Very good!"

He suddenly noticed that on the street in front, many students were cleaning in an organized manner, and even the telephone poles on the street were spotlessly cleaned.

He couldn't help showing a hint of curiosity, and asked, "What are they doing?"

Dian Chu glanced at the students, then showed a simple smile, and said, "Tomorrow is September 30!"

Yash Nics was shocked by the words: "You Not to mention that I almost forgot. Tomorrow is Martyrs Memorial Day!"

It is precisely because countless heroes have given, even sacrificed their lives, that the years of today are peaceful.

Don't forget the national humiliation, don't forget the heroes, commemorate the martyrs, and remember the bitterness and sweetness.

Only then can we cherish the present and be able to encourage ourselves more.

Yash Nics asked Dianchu: "Tomorrow is the national martyrs' memorial day. There must be various commemorative activities all over the country. Are there any commemorative activities in Jizhou?"

Dianchu said: "Yes!"

"The school organized to visit the historical memorial, In memory of the martyrs, business people also have their commemorative activities."

"Shizun Weikang and Qiu Dayang, commander of the military region, led the military and political leaders to hold a public memorial in the Longtoushan Heroes and Martyrs Cemetery."

Yash Nics ordered: "Tell Weikang and Qiu Dayang that I will join them in the public memorial tomorrow. "

Dian Chu heard the words and said solemnly: "Yes!"

Yash Nics returned to the hotel, Song Pingting and Tong Ke greeted them.

When Song Pingting saw Yash Nics, she immediately said: "Where have you been, my husband, I have been looking for you for a long time."

Yash Nics smiled and said, "What's wrong with going out to smoke a cigarette?"

Song Pingting said sweetly, "Our Ningda Group The cooperation with the Long Family has been finalized. Tomorrow is the Memorial Day of the Martyrs. The leader of the city and other leaders will hold a public memorial in the Martyrs Cemetery. Let's go and participate!"

"Tomorrow we will also take people to participate in the public sacrifice, and after the public sacrifice is over, we will kill Yash directly. Mrs. Ning."

Mrs. Haixin's eyes lit up when she heard this: "The Martyrs Cemetery is a suburb. When the public sacrifice, our subordinates can pretend to be a large number of people who come to participate in the public sacrifice, making it difficult for Yash Nics and his wife to notice."

"But there will be many leaders at the public sacrifice tomorrow . , Will it be wrong for us to openly act on Yash Nics and his wife?"

Yuwenba sneered after hearing the words: "I want this effect!"

Mrs. Haixin was startled when he heard the words!

What is Yash Nics in front of the Yuwen family of the Millennium Royal Family?

Yash Nics killed Yuwenyuan before, and he has deeply angered Yuwenjia.

Yuwen's family estimated that they were suffocating enough energy to kill Yash Nics in public.

Let everyone know that in this land, this is the end of the fight against the Yuwen family.

Mrs. Haixin smiled: "Hehe, then I will also participate in this public sacrifice tomorrow. I want to see how the little bad guy dies."

Yuwenba sneered: "Tomorrow is not only Yash Nics's death, but Chen Xiong. During his death, the father and son are good companions on Huangquan Road."

Madam Haixin smiled openly: "Yes, I wish we can cooperate successfully."

Because there are too many political leaders and military leaders who came to attend the public memorial today, and there are also many respected seniors in Jizhou.

So the public sacrifice is divided into two areas!

Shizun Weikang and other leaders, Qiu Dayang and other heads, and a few distinguished people are eligible to board the Longtoushan Memorial Ceremony.

As for ordinary citizens, they can only participate in the public memorial together at the Martyrs Memorial Square under Longtou Mountain.

Fortunately, the Martyrs Memorial Square at the foot of the mountain is very wide and can accommodate 100,000 people at the same time to participate in the public sacrifice.

When Yash Nics and his entourage came to the Martyrs Memorial Square at the foot of Longtou Mountain, it was already crowded with people.

Didi!

Behind him came the harsh car whistle!

Yash Nics, Song Pingting and the others gave way while frowning.

Then I saw a Rolls Royce, followed by a few black cars.

When Rolls-Royce passed by Yash Nics and Song Pingting, they stopped, the window of the car dropped, and Yu Wenba and Mrs. Haixin sat in the back seat of the car.

With a touch of complacency at the corner of Mrs. Haixin's mouth, she said with a sneer: "Yash Nics, long time no see, why don't you go home and sit when you return to Jizhou?"

Song Pingting and Tong Ke's expressions immediately changed when she heard this. They realized that this was Yash Nics's stepmother.

Song Pingting quietly shook Yash Nics's hand. She knew the harm this woman had caused Yash Nics's mother and son, for fear that Yash Nics would be angry and would act impulsively.

Unexpectedly, Yash Nics still looked calm.

Yash Nics looked at Mrs. Hai Xin indifferently, and said calmly: "Okay, I'll go home and have a look tonight."

"You came back then and I left with my mother. Now I'm back, I'm afraid you left. It's time."

Mrs. Haixin sneered: "If you can live tonight, let's talk about it!"

Song Pingting and others heard this, and their expressions changed drastically again.

Hai Xin's words clearly meant that Yash Nics would not survive tonight, she was planning to kill Yash Nics today!

Yash Nics raised his eyebrows: "It's up to you?"

Yu Wenba, who was sitting next to Mrs. Hai Xin, said proudly at this time: "There is still me!"

Yu Wenba looked at Yash Nics coldly: "You know that I am today. How many people have you brought to deal with you?"

"Three thousand, three thousand athletes!"

"They have all arrived at the Martyrs Square now, and they are now lurking in the crowd. Today is your death date. Don't even think about any of you. Get out of here alive."

Song Pingting and others' complexions changed drastically again, becoming extremely pale, and they looked around in horror.

There are so many people around, it is impossible to tell who are from Yuwen's family.

Hai smiled proudly: "Haha, Yash Nics, today not only you are going to die, your wife is going to die, your friends are going to die, even your dead ghost father Chen Xiong will die."

"If I will come to the public sacrifice today next year . , I will burn two paper money for your family, hahaha."

Yu Wenba and Mrs. Haixin put the car in good condition, and then they went up the mountain with a group of men.

Song Pingting's pretty face is full of worry. She knows the grudge between Mrs. Haixin and Yash Nics, and she has also heard of the greatness of Yuwen family.

At this time, she asked Yash Nics with an ugly expression: "They said that a large number of people have been deployed here to kill us. What should we do?"

Yash Nics said with a smile, "It's okay, they just scared people."

"There are so many on the scene ." The city leaders and the military leaders are there. In which round will you get them to be arrogant?"

Song Pingting thinks about Yash Nics's right, remembering that Yash Nics also has some friendship with Shizun Weikang. If you really have anything, you can ask Shizun for help. .

Thinking about this, her hanging heart, let go a little bit.

Yash Nics also instructed Dianchu and Bahuwei around him: "Be careful and protect your wife closely."

Not long after, the public sacrifice activity was about to begin.

Yash Nics looked at the time, and said to Song Pingting next to him: "I feel a little sick in my stomach, so go to the bathroom first."

Song Pingting asked worriedly: "Will you bring two bodyguards together?"

Yash Nics smiled. Said: "It's okay, your husband and I have been a soldier, and I have better skills than their bodyguards. They don't need their protection."

Yash Nics left after speaking.

However, instead of looking for a public toilet, he calmly walked towards the uphill path of Longtou Mountain.

In the crowds of Martyrs Square, many people are Yu Wenba's subordinates.

These people were ordered to look for opportunities to destroy Yash Nics and his party when the public sacrifice was over.

At this time, many people secretly stared at Yash Nics!

When these people in charge of stalking saw Yash Nics leave, they immediately thought Yash Nics wanted to leave.

But when they found that Yash Nics was not straying, but going up the mountain, they were stunned.

Because in addition to political leaders and military chiefs, only a few distinguished and invited distinguished individuals are eligible to climb Longtou Mountain and participate in public sacrifices with the leaders.

How can Yash Nics be qualified to go up the mountain?

On the mountain, leaders gathered, the stars are like clouds, and the respected seniors from all walks of life in Jizhou.

Yuwenba and Mrs. Haixin were surrounded by many people, and they were even better than Shizun Weikang.

After all, a rich man of a thousand years, a city of flowing water.

The City Lord generally does not stay in Jizhou for too long, but the Yuwen family is a wealthy family that has passed on for thousands of years in Jizhou.

Therefore, in the eyes of many people, Yuwen Ba is more important than Shizun.

Yuwenba and Mrs. Haixin had already received a call from Shanxia's subordinates and learned that Yash Nics had gone up the mountain.

Both Yuwenba and Madam Haixin looked at each other, wondering at each other, what identity is Yash Nics even qualified to go up to the mountain to participate in the public sacrifice?

It stands to reason, shouldn't a guy like Yash Nics participate in the public sacrifice with ordinary people in the Martyrs Square under the mountain?

Mrs. Haixin guessed: "Ningda Group is going to invest in Jizhou recently. Perhaps because of this, the leaders gave Ningda Group a place to allow Yash Nics to come up and participate in the public sacrifice with everyone!"

Yuwenba nodded: "It's only This is an explanation."

At this time, Yash Nics had already come up.

When Yuwenba and Madam Haixin saw Yash Nics, they both sneered.

Mrs. Haixin smiled and said without a smile: "Oh, Yash Nics, you are even qualified to join us in the public sacrifice. How much did you donate to get this place?"

Yu Wenba also looked at Yash Nics with a sneer: "Yash Nics, knowing that when the public sacrifice is over, we will take your life. You still have the mind to come up to the public sacrifice. You really belong to you."

What?

Both Yuwenba and Madam Haixin opened their eyes wide when they heard this, and looked at Yash Nics in disbelief.

Yash Nics said indifferently: "I hope you can still laugh."

Madam Hai Xin curled her lips and said with a disdainful smile: "Not only can we laugh, but when your family is dead, we will still smile more happily."

Yuwen smiled grimly: "Boy, with your attitude, I will make you die worse later."

Yash Nics nodded, "Okay, I'll wait."

At this moment, suddenly a middle-aged man wearing a tunic suit came to Yash Nics and said respectfully: "Mr. Yash, you need to change clothes, please come here with me."

Change clothes?

Yu Wenba was shocked by Mrs. Haixin and others. What happened?

They looked at the casual clothes that Yash Nics was wearing, and then looked down at the suits and dresses they were wearing, all with a daze.

This kind of occasion must be dressed up!

This guy Yash Nics came to the public sacrifice in ordinary clothes. Some leader must have been dissatisfied with it and ordered Yash Nics to change his clothes.

Both Yuwenba and Mrs. Haixin looked at Yash Nics with mocking eyes, with their expressions as if they were saying: Haha, they don't even have the consciousness to attend in costumes, it's really zero EQ.

No wonder you are not afraid when you die, it turns out that there is no EQ!

Yash Nics ignored the ridicule between Yu Wenba and Mrs. Hai Xin, and said to the man in the tunic suit lightly: "Okay, please lead the way."

Looking at Yash Nics's back, Yu Wenba mockingly said, "Haha, it is estimated that the upper leadership will look at him. Pleasantly, naming him and letting him change his costume to participate in the public sacrifice!"

Mrs. Hai Xin said disgustedly: "Don't you even have a decent suit? It's really embarrassing!"

Suddenly, there was a commotion at the scene, which attracted everyone's attention.

Then I saw Wei Kang an excited announcement: "To tell everyone an exciting news, the Great War God, the young marshal of the North, will be dressed up to attend the martyrs ceremony with us."

Everyone on the scene heard this, and there was an uproar. Everyone was very excited.

The marshal came in person, and it was a great honor to have the honor of participating in the martyrs' memorial with the marshal!

Even Yuwenba and Madam Haixin were stunned. Yuwenba couldn't help asking, "Really?"

General Qiu Dayang, the commander-in-chief of the Jizhou Military Region at the scene, glanced at Yuwenba intentionally or unintentionally, and said affirmatively: "That's right, the marshal has arrived at the scene, and he will come out to meet everyone immediately."

Everyone was so excited, they were gearing up, thinking about how to salute and greet the marshal when I saw the marshal?

Everyone looked at Yash Nics in admiration, this is the legendary invincible Daxia God of War!

This is the commander of the North, who is known as the jade of the country and is unparalleled in the world!

This is the belief in the minds of countless soldiers, the No. 1 God of War in Daxia, Marshal Yash Nics!

Almost everyone at the scene was ecstatic, except for Yu Wenba and Madam Haixin.

Yuwenba looked at Yash Nics in horror. He repeatedly confirmed that the marshal in front of him was Yash Nics.

He didn't dream, everything he saw was real.

Oh my!

Yash Nics turned out to be a young marshal, and the Yuwen family actually offended such a big man.

Yu Wenba felt his blood pressure soar, and a puff of blood rushed to his head. He was dizzy and almost passed out on the spot.

Mrs. Haixin next to him is not much better!

Mrs. Haixin's face was gray, her lips were white, and the smug color in her eyes had long since disappeared, and she was replaced by a deep shock, fear, and despair.

She couldn't believe the facts she saw, because she was too scared to face it, and kept trembling to herself: "This is not true. This is not true. How can he be a young man in the north? , This must be fake..."

However, Qiu Dayang, commander-in-chief of the Jizhou Military Region at the scene, already said loudly and powerfully: "Next, please give me a lesson."

Yash Nics looked around the scene of political leaders and military chiefs. There are respected seniors from all walks of life on the scene, said in a deep voice: "Hello everyone, I am honored to join the ranks in remembering the martyrs."

"We must never forget the national humiliation, do not forget the heroes who sacrificed their lives for the country. Row!"

Yash Nics's speech was very concise, but everyone felt the heaviness in Yash Nics's tone, and they seemed to feel the heaviness of responsibility on their shoulders, and they couldn't help applauding.

Wellcome officially announced the start of the public sacrifice at this time!

Three peace bells rang, and thousands of white doves were released.

Immediately afterwards, the air defense sirens sounded, and everyone in Jizhou City began to close their eyes in silence.

From beginning to end, Yash Nics didn't even glance at Yu Wenba and Madam Hai Xin, let alone say a word to them.

However, Yuwenba and Madam Haixin felt extremely terrible pressure invisibly. Both of them were sweating, as if they had been fished out of the water.

At this time, everyone was mourning for the public sacrifice, while Yuwenba and Madam Haixin were mourning for themselves.

There is only one thought in both of them: it's over, this time it's over.

Soon, the public sacrifice ended.

Yash Nics said indifferently: "Guests from all walks of life who are looking forward to going down the mountain are given priority. The military and political leaders will stay until the end."

"There are also people on the Martyrs Square under the mountain . They must also send troops to maintain order. They are not allowed to leave the field in an orderly manner. Unexpected incidents such as chaos and stampede have occurred." People

from all walks of life at the scene were excited to say that the marshal is really for the country and the people, and all details are considered carefully.

Even the people of the public sacrifice are carefully reminded of the order of exit and the safety of exit.

And let the people go first, and the military and political leaders will stay until the end.

Yuwenba and Mrs. Haixin heard their hands and feet cold, like falling into an ice cave.

The heart is sinking and desperate.

The two of them knew very well that Yash Nics was deliberately leaving the military and political leadership, and he wanted to keep them until the end.

This is to settle accounts with them after the venue is cleared!

Sure enough, when Yuwenba and Madam Haixin wanted to go down the mountain with other social guests, a group of heavily armed soldiers stopped them.

A colonel coldly said to Yu Wenba and Mrs. Haixin: "The young commander has orders, you are not allowed to go down the mountain for the time being."

On the contrary, after the people on the scene gradually decreased, the army on the scene began to act, quickly and accurately began to arrest the elite men of Yuwen's house.

Song Pingting, Tong Ke and others were shocked to see many people around being arrested.

She was shocked: "What's going on?"

Dianchu said calmly: "It should be some ulterior motives who mixed into the public sacrifice crowd and were arrested by the soldiers. We didn't do bad things and have nothing to do with us, so don't panic. "

Song Painting concern, said: "Yash how not come back, he should not have any dangerous, right? "

Dian Chu immediately said: " he is all right, he had diarrhea, so we wait, "

Song Ping Ting Wen Yan was stunned, and his pretty face flushed immediately, and said a little embarrassed: "This guy is really not good." On

Longtou Mountain, the leaders of Wei Kang also said goodbye.

In the end, Yash Nics and Qiu Dayang were left on the mountain with a group of generals, as well as a large number of soldiers at the scene, as well as Yuwenba and Madam Haixin.

Yash Nics stood with his hand and looked at the square on the mountain. Those Yuwen family members who had been arrested coldly said, "Yuwenba, Haixin, didn't you just say that you will kill my family when the public sacrifice is over?"

"Now The public sacrifice is over, you can do it now. "

Plop! thump!

Yuwenba and Haixin finally could no longer stand unsteadily. They knelt in front of Yash Nics and climbed directly on the ground.

Yuwenba didn't have the demeanor of the former king, and cried like a prisoner: "Marshal, I know it's wrong. I don't know Taishan, and I ran into you. Please let me stay alive!"

Yash Nics was indifferent. Looking at Yu Wenba, "Half an hour ago, you threatened to kill my whole family."

"If I am not a young marshal in the North, but just an ordinary person, then the person kneeling on the ground now begging for mercy should be me. ? " "

if I ask forgiveness of you, you will be spared me with you? "

Owen pulled pale, whole body shivering, lips Zhang a long time, but could not say a word.

He wanted to lie that he would let Yash Nics go, but would Yash Nics believe that he said that?

Yash Nics looked at Yu Wenba indifferently, and said slowly: "You stayed at Yash's house for these two days, and you have a nice little life. But Yash's Shangxia and Shang are probably ashamed of it."

Boom!

Yuwenba felt the sky billowing. He stayed at Yash's house overnight and had a squabble with Mrs. Haixin. It was just for fun. What he coveted was the trillions of wealth in the Yash family.

However, the scandal between him and Mrs. Haixin caused the entire Yash family to be ashamed!

Although Yash Nics was expelled from the Yash family, Chen Xiong was his biological father.

The biological father was humiliated, even if the relationship between the father and the son was stiff, it is estimated that Yash Nics would not be able to stand by!

Yash Nics's words, like a bullet, hit Yu Wenba's heart, making him froze and despairing.

Yash Nics beckoned: "Come here, send Mr. Yuwen on the road!"

Madam Hai Xin raised her head and looked at Yash Nics incredulously: "Are you really not killing me?"

Yash Nics said flatly: "I won't kill you!"

Madam Hai Xin heard the words. There was ecstasy in her eyes, she thought about going back for the first time, transferring the funds in the Yash family's account, and then escaping abroad, which is enough for her to live a happy life!

Yash Nics looked at the back of Madam Hai Xin who fled down the mountain in embarrassment, and calmly said, "I won't kill you, but if he can kill you, I don't know."

Madam Hai Xin fled down from the mountain and came to the parking lot.

Several bodyguards greeted him and asked quickly: "What's wrong with Madam?"

Madam Haixin tremblingly said, "Hurry up, get in the car, and we will leave here immediately."

However, the few bodyguards stared in shock. Behind Mrs. Haixin, she froze in place.

Madam Hai Xin turned her head and said uncertainly: "What are you doing in a daze, what's behind me?"

When she turned her head, her whole body shuddered and her whole body was shocked.

I saw Wang Fu pushing a wheelchair with a middle-aged and elderly man in a hospital gown sitting in the wheelchair. This man turned out to be Chen Xiong, the elder of the Yash family.

Chen Xiong also followed Sui Peng, Zhang Shun and other Yash family officials who had disappeared for a while!

Madam Hai Xin showed an expression of disbelief when she saw Chen Xiong. A trace of panic flashed in her eyes, and she looked at Wang Fu who was pushing the wheelchair in surprise, obviously not understanding what was going on?

Didn't she tell Wang Fu to find a quack doctor to perform surgery on Chen Xiong and let Chen Xiong die on the operating table?

Why now Chen Xiong has succeeded in the operation and has recovered!

Wang Fu watched his nose and mouth, carefully pushing the wheelchair, pushing Chen Xiong over.

In the entire parking lot, only Mrs. Hai Xin and Chen Xiong in a wheelchair were left.

Mrs. Hai Xin squeezed out a surprised smile and walked towards Chen Xiong: "Master, you succeeded in the operation. How come I don't know when you woke up?"

Chen Xiong looked weak, but his eyes , But very sharp.

He stared at Hai Xin hard and said coldly: "Of course you don't know, you have been busy using your looks these days to hook up with wild men from all walks of life, busy finding someone to kill Yash Nics!"

There was a horrified expression in his eyes, and he said with a trembling: "Master, did someone tell you bad things about me. We have been together for so many years, don't you believe me?"
