A Man Like None Other Chapter 225

Chapter 225 Enhancement Pill

“Wake up! Stop lazing in bed! Rise and shine!”

Josephine pounded on Jared’s door.

Only then did Jared exhale and open his eyes.

Eyeing the Starry Compass that had dimmed slightly, he heaved a sigh.

I initially thought that I’d be able to cultivate without any worries after gaining possession of the Starry Compass, but from the look of things now, I was still too naive! The resources accumulated in it likely aren’t even sufficient to last me for a night’s cultivation. Oh well, it seems that I’ll have no choice but to rely on the meager amount of spiritual energy and cultivate little by little in the future. But then, if I want to level up my capabilities in such a manner, it’ll take eons!

“Are you still not up?”

Josephine hammered on door once more.

Thus, Jared got out of bed and opened the door, upon which she glared at him. “Why are you not out for breakfast when the food is ready?”

“Coming!”

After he had said that, he headed straight to the dining room, looking a tad gloomy.

“I might not be going to the office every day henceforth.”

Jared wanted to speed up his cultivation, so he couldn't possibly go to the office to work daily. Furthermore, he didn't need to do so since he was the Chairman then.

Upon hearing that, Josephine was taken aback and wondered if she had offended him somehow.

Clocking her expression, Jared hastily expounded, "I've got something exceedingly important to do, and it might take a long time."

"It's okay. The company is doing well anyway." Josephine flashed him a smile.

After breakfast, she left. After all, she couldn't possibly stay there perpetually when they weren't married yet.

In fact, they hadn't even confirmed their relationship, much less gotten engaged. All there between them was only a tacit understanding.

Following her departure, someone promptly delivered two bags of medicinal herbs to Jared. They were all items he asked her to prepare back then, including reishi mushroom and ginseng. On the whole, the two bags of medicinal herbs were probably worth millions.

As soon as Jared opened the bags, he immediately sensed intense spiritual energy filling the entire room.

All those rare medicinal herbs contained copious amounts of spiritual energy. When he sensed the rich spiritual energy, the urge to use all the medicinal herbs to concoct an energy condensing pill inexorably gripped him.

Then, a single energy condensing pill would be even better than him cultivating for the whole night.

Nonetheless, he stifled that impulse, for the medicinal herbs were meant to be concocted into pills to cure his mother and William. If he were to concoct an energy condensing pill for himself, there would be nothing left for them.

Nixing the idea of concocting an energy condensing pill for himself, he started gesturing as he recited a spell. A large amount of spiritual energy started circulating wildly in his abdomen. Soon, a faint blue light materialized at the tips of his fingers.

That was the technique of alchemy Draco taught him. Such a technique didn't require a pill furnace to concoct pills. However, it consumed substantial spiritual energy. The more valuable the pill one concocted, the more spiritual energy it would consume.

Since he had no pill furnace then, he was left with no other recourse but to utilize such a spiritual energy-intensive alchemy method to concoct pills.

About an hour later, three pills appeared in Jared's hand.

The tiniest pill was an enhancement pill he concocted with the remaining medicinal herbs. Such a pill had average value and was very common, but it would enhance one's capabilities and boost one's strength considerably upon consumption.

After deliberating for a while, he phoned Tommy, planning to give him the enhancement pill.

The man was his subordinate, so it would be embarrassing for him if Tommy were to be defeated by every Tom, Dick, and Harry.

When Tommy received the call, he swiftly offered to go and look for Jared at Dragon Bay.

"You don't need to come over. I'll go and meet you. Where are you right now?"

In truth, Jared didn't want the man to visit his place because it wasn't quite convenient with his parents there.

"I'm in Room 307 at Meadow Restaurant on Fortune Street," Tommy promptly answered.

"Okay. Wait for me there."

Jared then hung up the phone after saying that.

He knew of Fortune Street. It was considered the most sizeable food street in Horington, with plenty of restaurants and cafes.

He informed Hannah that he wouldn't be having lunch at home before leaving and taking a taxi to Meadow Restaurant.

Besides giving Tommy the pill, he also had some business to discuss with the man.

A Man Like None Other Chapter 226

Chapter 226 Class Reunion

The taxi came to a stop in front of Meadow Restaurant. After Jared alighted and paid the fare, it then drove off.

There were quite a number of luxurious cars parked in front of the restaurant. Just then, a Mercedes-Benz C-Class screeched to a stop before Jared.

“Hey, if it isn’t Jared! I heard that you were in prison! When did you get out?”

The car window wound down, and a young man with ear studs stuck his head out.

That was Jared’s classmate during university, Leroy Fletcher. Even during their university days, he had an above-average family background, with his family owning a small factory. It had just been a few years since they graduated, but he was already driving a Mercedes-Benz.

“Jared, don’t you think it’s a little too shabby to dress in such a manner when you’re attending our class reunion?” the girl sitting in the passenger seat questioned with a scornful expression, poking her head out as well.

That girl, Pamela Ingram, was also Jared’s classmate during university. She had been dating Leroy since then, and they were likely still an item at present.

That day, Jared didn’t wear the suit Josephine bought him. Although it was exorbitant, he found it constraining. Instead, his cheap casual clothes were far more comfortable.

“Cut that out! He has just gotten out of prison, so it’s good enough that he has his current ensemble. This is likely the best he has at home!”

After saying that, Leroy parked the car before he climbed out and turned to Jared. "Who informed you about the class reunion this time? I don't remember anyone giving you a call."

"I'm not here for any class reunion!"

Having said that, Jared strode toward Meadow Restaurant.

"Don't tell me you're here for lunch if not to attend the class reunion? But judging from your look, you don't seem like you can afford to eat here. Just admit it. Did you come for the free meal after learning about the class reunion? That's nothing embarrassing. We're all former classmates, so there's no shame. This meal is going to be Juliette's treat, and I heard that Sandy is coming as well. Sandy is now the daughter-in-law of the Scott family, so it's a rare opportunity to dine with her!" Pamela drawled with mockery written all over her face, blocking Jared's path.

"Have you really forgotten that Sandy is his ex-girlfriend, Pamela? Now that she has married into the Scott family, he wouldn't have the nerve to see her," Leroy remarked derisively, arching an eyebrow.

"Oh, I remember now! It was Mr. Scott who put him in prison. It would be bad if Mr. Scott misunderstood and sent him back to prison if he were to attend the class reunion. No wonder he doesn't dare do so!"

Subsequently, Pamela moved aside for him to pass. "Go on in and find a place to hide. We'll allow you to have the leftovers when we've finished eating!"

As Pamela and Leroy kept deriding him, Jared abruptly gave a bitter chuckle. "Let's go! I'll attend the class reunion with you both!"

He knew that they were provoking him, but since they were doing so, he decided to go and see how materialistic those former classmates of his were.

Upon seeing that he couldn't withstand the taunts and had fallen into their trap, Pamela and Leroy exchanged a look and smirked.

They were only expending so much effort in inviting him to trample all over him during the class reunion and leave a good impression on Sandy.

Sandy had married into the Scott family then. Coincidentally, Leroy's company had a collaboration with the Scott family. Therefore, he hoped to get some projects from the Scott family through Sandy.

The two of them brought Jared to the private room. Opening the door, they were greeted by the sight of seven or eight people there, including Juliette, who was the host that day.

"You're both late, Leroy! You'll have to down three glasses later!"

"I heard that you bought a Mercedes-Benz? How incredible that you're driving a Mercedes-Benz at such a young age!"

"Oh, you're really dating Pamela! I thought the two of you would break up after graduating!"

When they entered the room, many people greeted Leroy since he was considered a small-time big shot then.
