“You must be sure to help me pay attention to whether they have mentioned the ninja,”

“If so, and if there is a good opportunity,”

“If the word gets out, we both will be under great pressure;”

“So, my plan is to ask Young Master Fei to help me when the time comes,”

“So that he can erase all your history and file of having worked as a servant in the Fei family,”

“And then I will give you a new identity, and then get you a degree from a famous university,”

“And package you as a lady from a bookish family!”

“This way, in the future, if you follow me in and out of high society,”

“No one will look at you with tinted glasses!”

“However, if this matter is leaked in advance when the time comes,”

“In case others expose your identity of having been a servant,”

“I am afraid that my parents will not agree to the two of us, and you will also face great pressure.”

“So, before young master Fei returns safely,”

“This matter must be kept secret, and must not let anyone other than you and me know about it, do you understand?”
