Chapter 4339

Adam said helplessly: “Dad, this time we can not blame our intelligence personnel,”

“Mainly because the kidnapers are too cunning, they really did not leave a single clue,”

“Intelligence officers are good at following the vine to find the melon,”

“To strip the cocoon, but the premise is to have a vine to feel,”

“There are silk to draw, not to mention our intelligence personnel,”

“Even the officials have no clues about the case so far

Dawson suddenly remembered something, said off the cuff:

“Right! What did the police say? That Duncan Li is not a Chinese detective?”

“He has also been investigating, why is there no movement so far?”

“This” Adam said resentfully, “I didn’t contact Duncan, I can’t piss in the same pot with this guy.”

Dawson coldly asked, “Duncan seems to be very close to Marshal of the An family?”

“That’s right.” Adam nodded and said, “He has a good relationship with Marshal.”

Dawson instructed: “Make a phone call to ask him, see if the police have any findings,”

“If the police can find the kidnappers, then everything is okay,”

“But if not, we want Randal to live,”

We must first give out the two hundred billion dollars that the kidnappers want,”

“If the money is really handed over, and can not catch those people,”

“Then the money, to recover it will be difficult, that crypto thing completely anonymous,”

Adam said, “I know dad, I’ll give Duncan a call later.”

Dawson looked at him, hesitated for a moment, and said in a serious tone,

“Adam, this matter has developed to this point,”

“You and I should be prepared mentally enough.”

Adam expression stunned, busy asked, “Dad, what do you mean

Dawson also did not cover up, said seriously: “Be prepared for Randal not to return.”

Hearing this, Adam’s face instantly became miserable white, his lips trembled slightly, and said,

“Dad The other party is only seeking money, it shouldn't be enough to harm lives, right?”

Dawson sighed and didn't answer his question, instead, he looked at him and opened his mouth to ask,

“Adam, do you know what is the biggest negative impact on the Fei family,”

“Caused by your grandfather being in power for too long?”

Adam didn't know why his father was asking this and shook his head blankly.

Dawson lamented, “The biggest negative impact, from me to you, and then to Randal,”

“Our grandchildren's business ability is far from keeping up with the rhythm of this huge family,”

“If everything is running smoothly, it is the same as an airplane on autopilot,”

“I only need to sit in the pilot's seat to ensure that it moves forward normally,”

“But once the unexpected events, even I do not have a good ability to cope with it.....”

Speaking of which, he looked at Adam and said seriously:

“The question you just asked me is completely inconsistent with your identity,”

“Think about it, if you are a robber, you kidnapped for ransom to the tune of two hundred billion dollars,”

“And the whole process of your kidnapping is handled seamlessly,”

“And the cryptocurrency in hand can be slowly realized without risk, in this case, you will release the hostage?”

Adam was speechless for a moment.

Dawson looked at him and could not help but sigh:

“Still have to admit the gap ah

“If your grandfather were here, he would not be so passive as we are

Adam let out a lament and said, “Dad Grandpa and Stella are still missing,”

“We have invested a lot of manpower and resources to find them,”

“But we have not found a single clue I used to think that the overall strength of the Fei family,”

“Now can it be ranked in the top ten in the world, almost all-powerful,”

“But these two times in a row made me realize that our overall strength may still be far from

Dawson said with a serious expression, “When this matter passes,”

“No matter what the result is, we must improve ourselves as soon as possible,”

“Otherwise, it is difficult to ensure that the Fei family can be everlasting

Adam asked carefully, “Dad Then what do you think, what is the probability of Randal coming back safely?”

Dawson thought about it and said seriously, “Frankly speaking, it won’t be more than 10%

Chapter 4340

Just at this time, the butler quickly ran in and spoke,

“Master, Young Master, Inspector Li is here!”

“Duncan Li?!” Dawson frowned and asked, “What’s he doing here?”

The butler explained, “He said there’s something he wants to talk to you in person,”

“Master, it’s about the young master.”

Dawson nodded and said in a cold voice, “Good! I was looking for him, he came by himself, invite him in!”

Soon, Duncan walked into Dawson’s study alone.

When he saw Dawson, Duncan greeted him with a leathery smile, “Mr. Fei.”

Dawson nodded expressionlessly and asked him,

“Inspector Li, it has been more than 24 hours since my grandson got kidnapped,”

“May I ask if your police have any clues?”

“Not yet.” Duncan said very frankly: “I believe Mr. Fei should also be sending people to investigate this matter,”

“You should know that the other party’s clues are handled very cleanly,”

“As if they have evaporated, even if we bring in the FBI and NSA,”

“I’m afraid it would be difficult to find clues within 24 hours.”

Dawson questioned with some anger:

“You are a Chinese police detective, you can not find the person lost,”

“And still have the face to come to my home to see me?”

Duncan smiled and was not angry at Dawson’s attitude, but said,

“Mr. Fei, I came here to consult with you about something,”

“I think that in this situation, we both can exchange what we have and what we don’t have,”

“Maybe there is some kind of cross-clue in this case,”

“If there is, then this may be the key to our solving the case.”

On the side, Adam questioned, “What is a cross clue?”

Duncan explained, “It is two seemingly unrelated clues,”

“But after careful combing, you may find that they exist at a certain point of intersection,”

“Once you find this intersection, it is likely to find more clues.”

Said, Duncan added: “This is like I found a safe hidden in the dark by Randal,”

“But do not know the password of the safe, how can I crack it;”

“And you, although you don’t know the existence of this safe,”

“Nor do you know the password of the safe, but you know who Randal’s favorite woman is;”

“Let’s take these two clues and put them together,”

“Maybe we can use that woman’s birthday to open this safe;”

“In other words, it means that we all have to exchange clues so that we can have the possibility to go further;”

“Otherwise, I may not be able to open this safe for the rest of my life,”

“And you may not know about the existence of this safe for the rest of your lives;”

“This is what I mean by cross clues.”

Dawson subconsciously nodded and opened his mouth to ask:

“Since you said that, you should have found some kind of clue similar to a safe,”

“Right? Might as well tell us first.”

After a slight hesitation, Duncan said dryly,

“Okay! In that case, then I will speak first!”

Then, he looked at Dawson and Adam and said very seriously,

“I think that the kidnappers kidnapped Randal, most likely not for money.”

“Not for money?!” Dawson frowned and asked, “Not for money than for what?”

Duncan said seriously, “It should be for the purpose of unleashing a fatal blow to the Fei family!”

“A fatal blow?” Dawson was even more puzzled and asked after him,

“If someone really launched a fatal blow to the Fei family,”

“Then how could he do that if he just kidnapped Randal?”

“Even if I give them the \$200 billion ransom they want,”

“The Fei family will only be slightly wounded, far from a fatal blow.”

Duncan shook his head, looked at Dawson, and said word for word,

“I guess the kidnappers should have gotten hold of some kind of colossal scandal of the Fei family!”

Chapter 4341

When Duncan and Marshal were cooking and discussing,

The two of them had already analyzed the situation of the Fei family to an approximate extent.

According to the two men’s speculation, the mysterious man kidnapped Randal,

Not at all to extract out the money,

But to push the Fei family into the world’s spotlight, and then publicly execute them.

Only, Dawson and Adam, the father and son of the Fei family,

Were concerned only about the kidnapping and did not realize this.

Therefore, when they heard Duncan’s words, both of them had an incredulous look on their faces.

Especially Dawson, because his means to seize the position of the family head was a bit shameful,

And he was still searching for his father's whereabouts,

So he was instinctively a bit vain, and when he heard Duncan's words,

He angrily rebuked: "What a joke! My Fei family is upright and honorable,"

"What big scandal would be grasped by the kidnappers?"

"You detective, instead of trying to find the kidnapper,"

"You come to me and make a big speech, what is your intention? Do you want to see us laugh?"

Duncan shook his head and said seriously, "Frankly speaking,"

"Although I don't like the fact that you are forcing the palace to seize power,"

"I really don't have the intention of watching your jokes when you come here today."

Saying that Duncan looked at the two people and added:

"I think that the kidnappers are deliberately letting that scandal of Mr. Fei kissing a standing girl,"

"On the street came to light first, and then deliberately leaving the Fei family a good opportunity,"

“To open up the truth and turn around public opinion;”

Then, he turned his words and said in a cold voice: “But this may seem like a good opportunity,”

“But in reality, there are killing opportunities all over the world. Even the gods can’t save you!”

Dawson’s face turned red and white.

Everything is always about a righteous name, and since his position as the family head was dishonorable,

This matter became an extremely sensitive point in his heart.

When he heard Duncan say that he did not like the fact that he had forced himself to seize power,

He was so irritated that he did not even hear the second half of Duncan’s words and said to him angrily:

“Inspector Li, you are not welcome here, please leave now!”

Duncan said helplessly, “Mr. Fei, I know you are a decent person, decent people love reputation,”

“Love face this is right, but don’t let the love of face affect the judgment of the matter,”

“Avoiding the disease will only lead to the aggravation of the disease,”

“And the ultimate consequences, all personally have to bear.”

Dawson did not expect Duncan still seized this issue chatter,

Suddenly got angry and said: “You get out! Get out of here now!”

Duncan frowned slightly and wanted to say something,

But hesitated for a moment or gave up his intention and turned to Adam and spoke with an indifferent expression,

“Mr. Fei, let me tell you the truth, the real kidnappers,”

“All have one thing in common, that is,”

“They all try to reduce the attention of the incident as much as possible!”

“In the kidnapping cases, I have encountered in my decades of a police career,”

“One hundred percent of the kidnappers, all clearly warned the victim’s family not to call the police!”

“Moreover, the reason for more than half of the kidnapping cases is because,”

“The incident was exposed in transition and the kidnappers killed the victim to protect themselves!”

“But in the case of your son’s kidnapping, what is bizarre is that the kidnapper is not afraid of exposure,”

“But has been using his means in pushing the wave,”

“It seems as if he would prefer the matter to be known to the world,”

“And attract the attention of the world, which itself is against common sense.”

“As the saying goes, there must be a demon when things go wrong,”

“Your father’s judgment is now disturbed by subjective thoughts,”

“Unable to calmly and objectively make a judgment, so I hope you can calm down and think about it,”

“This scandal, it could happen to any one of your grandchildren,”

“If you can find clues, maybe Randal still has a chance to be saved.”

Chapter 4342

As Duncan spoke, he took out a business card, handed it to Adam, said lightly:

“If you think about it, willing to cooperate with me then contact me,”

“We do not have much time left, you certainly do not want to collect,”

“The body of your son after the 48-hour deadline, and I will soon retire,”

“Do not want to leave such a headless unsolved case before retirement.”

Adam’s expression was shocked and appalled, and subconsciously took Duncan’s business card,

And was organizing his language to say something when Duncan daintily said,

“Goodbye!” Then he turned around and left.

As soon as Duncan left, Adam panicked and said to his father Dawson:

“Dad that Duncan has a point! This matter is indeed too strange!”

Although Dawson’s expression was very hard to see, but also vaguely penetrated by panic,

He subconsciously asked: “What is the big scandal he said in the end?”

“Is it about your grandfather? However, the means by which I seized the position of family head is basically legal,”

“Even if I go to court, I will not lose, what is really illegal is that I did not allow him to return,”

“And quietly sent people to find his whereabouts,”

“Looking for opportunities to eliminate the root, but in this matter, we have not yet succeeded!”

“Even if it comes to light, I can deny it, what can be the big impact? It’s not a big scandal, right?”

Adam nodded gently, smacked his lips, and said,

“I also think not to if grandfather was really solved by us,”

“This matter would not be pestering us at the moment,”

“But we did not succeed ah, even grandfather’s shadow has not been found”

Dawson sat back in his chair and said with a few layers of panic:

“Then what exactly does Duncan mean Adam, do you have any scandal that I don’t know about?”

“Ah? Me?” Adam all of a sudden got a little nervous, stammering for half a day but could not say anything.

Dawson slammed the table and shouted angrily, “What time is it, still covering up! Speak up!”

Adam shivered in fear and said: “I I just have an ambiguous relationship with a few Hollywood actresses

“One of them is the wife of a well-known director

To say here, Adam hurriedly said: “But this is not much right in Hollywood,”

“This kind of thing is not very normal? There is this male star,”

“Who openly support their own wives outside looking for fresh boyfriends,”

“They are very open, very open, even if this thing gets known, the people wouldn’t care much.....”

The words just fell, Adam subconsciously looked up and asked, “Dad you?”

“I?” Even if there is a scandal, it is 20 or 30 years ago or even earlier,”

“Even if it is exposed, there is no point!”

“I think the big scandal that Duncan is talking about is not an ordinary male or female affair at all!”

“This kind of thing here is at most considered gossip,”

“Not really a scandal, think about it in another direction!”

Adam was at a loss: “I really can’t think of anything”

Dawson remembered something, suddenly awakened, asked him off the cuff:

“This scandal, will not be with Randal?”

“Randal?” Adam is even more puzzled: “Randal he has good character and good education,”

“There can not be any scandal, even if there is,”

“At most, it could be an affair with a girl, what else can it be?”

Dawson coldly snorted, with a little contempt spoke:

“I think Duncan is at the end of his rope if this case can not be solved,”

“He is sure to be late, so he imagined a lot, what a detective, but a vain name!”

As he was talking, the butler ran in in a hurry and said out of the blue,

“Master, Robbin said that there is a very important clue to report to you!”

“Robbin?”

Dawson was a bit surprised and asked, “Who is Robbin?”

The butler hurriedly explained, “Robbin Song is one of the supervisors of our business team,”

“You said yesterday that you wanted to purchase a Concorde,”

“And he was one of those responsible for pulling the strings.”

Dawson frowned and asked, “What leads does he have to report to me?”

“If the Concorde is available, he would have to ask the person in charge of the procurement to negotiate the price,”

“No need to report to me in person.”
