

# Let me go mr hill chapter 2559 - 2560

---

## Chapter 2559

"Why did you come down with a fruit again?" Mother Lin glared at her while feeding Yueyue the fruit.

Lin Fanyue pouted, "Oh, let's not disturb their world for now."

"..."

Mother Lin understood in seconds.

If this kind of thing falls on someone else's son, she thinks it's normal, but if it falls on Lin Fansen, it's weird.

"Hey, I used to think of your brother as being cold-hearted. In the future, he will find a wife and be afraid that he can't stand it. Now, it seems that I don't understand him."

"Mom, men are like this now."

Lin Fanyue thought of Jiang Qingxin's Huo Xu, her husband, is as cold as ice to outsiders, but towards his wife...well, he is as passionate as a little wolf dog in private.

My brother, it's almost the same.

In fact, as a woman, she also likes this kind of contrast.

It doesn't matter if you are cold to others, it is enough to be good to your wife.

However, Song Qingrui was not that kind of person. He smiled at everyone and was amiable.

Thinking of this, Lin Fanyue felt a little regretful, and when he talked to Song Qingrui on the phone at night, he snorted coldly, "My brother is such a good man, I don't think any other woman has ever touched her hand except Sister Junyue. Unlike you, it's like the central air conditioner to everyone."

"..."

Song Qingrui, who was also shot while lying down, was inexplicable, "You forgot how Brother Fansen scolded Sister Junyue before, you also want to try?"

"...I don't want to." Lin Fansen suddenly remembered that Jiang Qingxin had been tortured to death by Huo Xu's cold words before.

Thinking of this, Song Qingrui has always been gentle, considerate and considerate towards her.

Ahem, she asked too much.

Song Qingrui explained to himself, "I don't have a central air conditioner either. You see, I was studying at school recently. Many girls asked me out, but I politely declined. I didn't give them a chance. Everyone handles it differently. I'm the son of the president. , if I have a cold face all day like your brother, others will say that I am arrogant and conceited."

"...Yes." Lin Fansen knew that he had done something wrong, and quickly changed the subject, "Yes, my brother and the others. I'm going to get married in country M next month, you know."

"It's so sudden, I haven't heard of it." Song Qingrui was surprised, and then he sounded a little envious, "Look, they've only been together recently, and it's all about getting married. The wedding is over, we... are still standing still."

"How old is my brother, how old are you." Lin Fanyue replied with a smile.

Just kidding, she just escaped from her marriage and didn't want to go in so quickly.

"Although I don't have your brother, it doesn't prevent me from having a heart that wants to have a wife." Song Qingrui sighed faintly, "Look, it's another sleepless night for me alone.

"I'm with you."

"I want you to accompany you every day." A certain man coquettishly.

"Dream."

Song Qingrui could only comfort himself with a sad heart, "It's okay, wait for you slowly anyway, as long as you don't make the person I'm waiting for old pearl yellow enough."

Lin Fanyue smiled "puchi", and her heart was sweet.

This good mood continued to the company, "Remember to take time next month, my brother and Junyue get married, and then remember to come to my son and daughter to come to M country for wedding wine."

Sitting in the office chair Jiang Qingxin raised her head, her beautiful eyes stared blankly, "Your brother, Song Junyue?"

"Yes."

Lin Fanyue hehe, "You have the Cang family as the backing, and I will have a sister-in-law as the backing in the future. In the future, if Song Qingrui dares to bully me, I will ask my sister-in-law to cut him."

"I can't think of it." Jiang Qingxin said It took a long time to digest the news, "But your brother is indeed a good man, and Song Junyue has a good eye."

"He is a good man. When I said I introduced my brother to you, you didn't like it." Lin Fanyue snorted. Humph.

"The way your brother looks at me, is it okay to treat me like a sister." Jiang Qingxin helplessly spreads his hands, "Just right, do you need me to chat with your future sister-in-law, there have been countless times that you wanted to compensate your brother to me. What happened, eh?"

"...I was wrong, Sister Jiang."

Lin Fanyue suddenly lay on the desk and was about to cry.

"Sister Jiang?" Jiang Qingxin grabbed her ear, "We are the same age, you have the guts to call me that, Sister Lin."

Sister Lin and Sister Jiang seem to be half a pound.

Lin Fanyue decided not to hurt each other with Jiang Qingxin, "Just let the past go with the wind, Qingqing, don't talk nonsense."

"So afraid of your new sister-in-law?" Jiang Qingxin laughed.

"No, I'm afraid of my brother," Lin Fanyue sighed, "Don't look at my brother's cold face, but when facing Sister Junyue, I can't wait to hold people in my hands, I want to destroy them both My brother may drive me out of the house."

Jiang Qingxin is not surprised, people like Lin Fansen don't care about the affairs between men and women, but he is very clean, once such a person loves When you get on a person, you will be very serious.

"Then I have to prepare a present for your brother."

The smile on Jiang Qingxin's face slowly subsided, "By the way, the day for Ning Lexia's execution has been finalized, and it will be the third of next month."

"Ah, isn't she dead yet?" Lin Fanyue was stunned, "I always thought she died early."

"...It will take some time from being sentenced to death to execution. Ning Lexia is already fast enough." Jiang Qingxin said speechlessly.

"Oh, well, I thought she died long ago."

Lin Fanyue really didn't care much about this person.

After all, she is very happy now.

Even her brother was getting married, and she felt that their Lin family was also lucky.

Jiang Qingxin could no longer see a trace of the past sadness on her face.

She smiled and was fine.

I just hope... Ruan Yan can be as optimistic as Lin Fanyue, although she really doesn't understand Ruan Yan's young age, why her eyes can't help but show so heavy after such a beautiful age sad.

Prison.

Ning Lexia was locked in the innermost room.

When she came, she cried, made trouble, even collapsed, despaired, and regretted it.

If she could do it all over again, she would never try to get close to Huo Xu back then, nor would she become increasingly greedy and vicious if she had never contacted the three men on the pyramids in the capital.

She was shrouded in the fear of death that counted down to her life every day. In just a few months, she had been mentally tortured and her whole body was as thin as skin and bones, and even her hair was falling out in large batches. Women are getting older.

"Ning Lexia, someone came to see you."

Suddenly someone opened the door and she was taken out.

Until entering the interview room, through the special glass window, Ning Lexia could see the man outside clearly. He was wearing white clothes and black trousers. He was so handsome and looked carefully, the corners of the man's lips were thin and cold.
