Chapter 2561

"Ziyuan..."

Ning Lexia's lifeless eyes finally shone a ray of hope.

"Ziyuan, I was wrong. I really knew I was wrong during this time. You see we grew up together. Please help me. I don't want to die."

Ning Lexia grabbed the microphone and cried. When she came out, if it wasn't blocked by glass, she would have knelt down and begged him.

Ji Ziyuan just looked at her with indifferent eyes from beginning to end, his handsome and elegant face was thin and cold without any temperature.

Until a minute later, under the gaze of these eyes, Ning Lexia's heart became cold and desperate again.

She shouldn't be extravagant to Ji Ziyuan.

Among the three people, Huo Xu, Song Rongshi, and Ji Ziyuan, only Ji Ziyuan was cold from the bottom of his heart.

"Have you finished crying?" Ji Ziyuan asked warmly.

Ning Lexia was not reconciled and begged, "Ziyuan, I promise you, as long as you save me, I will definitely leave China far away, and I promise I will never fight against you again.

"Some things." Ji Ziyuan was too lazy to listen to her gossip, "On the day of the trial, Ning Zetan said that you targeted Ning Xiaoxiao a lot, what did you do to her, how many tricks did you play with her?"

Ning Lexia was stunned, her pupils stunned. Looking at the man behind the glass.

It seemed that after being quiet for a long time, she suddenly smiled nervously, "So, you came here on purpose for Ning Xiaoxiao, I really didn't expect it, I didn't expect..."

Let's talk." Ji Ziyuan raised his legs and reminded lightly.

"Yes, unless you find a relationship to save me, you can also lift the death penalty." Ning Lexia said, "I know a lot of things."

Ji Ziyuan smiled lightly, but there was no warmth in her handsome face, "Want to talk to me about conditions, are you qualified?"

"Don't you want to know about Ning Xiaoxiao, she really loves you." Ning Lexia said softly.

"Oh." Ji Ziyuan replied casually, "Some things, I'm just curious about an answer, and it's not to the point where it's absolutely necessary, your death is inevitable, I can't make Lao Huo's family unhappy because of you, But I hate others negotiating conditions with me over their own strength, I remind you that death can have many painful ways..."

Ning Lexia shivered coldly, looking at the man opposite, Also like a devil.

For a long time, she completely gave up.

Since she was destined to die, she wouldn't make the living too comfortable.

Didn't he want answers, she told him all.

"Okay, I'll tell you all."

Ji Ziyuan adjusted his sitting position and waited quietly, "You said she loves me very much?"

"Ning Xiaoxiao loves you very much." Ning Lexia was

suddenly curious about what she would say next. I won't let this indifferent man lose his temper, "When Ning Xiaoxiao was brought to our house by her mother, Ning Zetan and I secretly stumbled on her, and even in school, I asked someone to spread the word that her mother was a junior. As a result, no one in the school liked her at all, so from childhood to adulthood, she was often alone, until you came to my house to play with Song Rongshi, Huo Xu and the others..."

Do you remember, that time when she had leg cramps while swimming in the pool, you saved her..."

Ji Ziyuan didn't speak.

He had a good memory, and he remembered everything Ning Lexia said.

It's just that when she was picked up from the water, the girl's black and clear eyes were full of panic, and when her youthful but slightly bumpy figure hugged him tightly in the water, Ji Ziyuan in his youth had a man's instinctive reaction.

"Ziyuan, when you are ruthless, you are really ruthless, but when you are gentle with girls, you are also really gentle."

Ning Lexia said in a shallow voice, "You are so good-looking, young and handsome, so gentle, let me Ning Xiaoxiao, who is not familiar with the world, quickly fell in love with you. Later, every time you came to our house, you brought her delicious food and took great care of her. Even when we went out to play, you always reminded me, intentionally or not, to let me bring her, I can see that you have a good impression of her, but why, you are the friend I brought here, you are so good, but you like Ning Xiaoxiao, she is the person I hate the most."

Ji Ziyuan nodded, "Very good, let's talk." The

tone was so soft and unpredictable.

"After you dated, I always put eye drops in front of you intentionally or unintentionally. Huo Xu and Song Rong always believed in me, and you also believed in me because of them. After a while, I made you mistakenly think that Ning Xiaoxiao is a woman who is scheming and vain, just like her mother, likes to seduce men."

Anyway, she was about to die, and Ning Lexia didn't want to hide it any more. Since Ji Ziyuan came to ask, it means that Ning Xiaoxiao always had a different person in his heart. s position.

Unfortunately, Ning Xiaoxiao died.

What can Ji Ziyuan do when he gets the truth?

Ning Lexia is not happy, she also wants some people to live in pain and regret all their lives, "Have you always felt that Ning Xiaoxiao betrayed your feelings, she was with you just because of your identity as Ji Shao, she She is a feisty woman, isn't she?"

“ ... ”

Ji Ziyuan pursed her thin lips tightly, and stared at her with deep eyes behind the lens.

Ning Lexia shook her head, “Ning Xiaoxiao is not, the diary you found in her room that time was actually written by me imitating her handwriting.”

Ji Ziyuan smiled after a moment of surprise.

He always thought that Huo Xu and Song Rong were stupid and were being played around by Ning Lexia, but it turned out that he was no exception.

The diary was discovered by Ning Xiaoxiao when he was eighteen years old.

What was written on it was that Ning Xiaoxiao didn't love him at all, and only approached him because he was the son of Ji's family, plus he was a friend of Ning Lexia. Having such a boyfriend could not only hurt Ning Lexia, but also save face. .

As for the person she really loves, she is a classmate named Zhang Li in the third year of high school, but the boy's conditions are almost too low, so she doesn't like it very much.

At that time, he believed it, and even tore Ning Xiaoxiao's heart.

He felt like a fool, being played around by a woman.

Since she wanted to play with herself, he would play with her well enough.

A man is afraid of not being able to play with a woman.

He deliberately asked her out to play after her senior year exam, and then coaxed her to ask her for her first time that night.

His affectionate looks on the surface are no longer the same as before, he just treats her as a plaything.
