

Let me go mr hill chapter 2565 - 2566

Chapter 2565

Ji Ziyuan lowered his eyes, turned the wine bottle in his hand, and pulled his lips lightly, "You are like a wife slave."

"Ziyuan, I don't believe you love Ruan Yan, at most one I didn't get it at the beginning, and I'm unwilling, now, didn't you get it too."

Huo Xu touched his glasses with him.

Ji Ziyuan lowered his head and laughed.

Yeah, he's got it.

At eleven o'clock in the evening, Ji Ziyuan returned to his residence full of drunkenness.

When I pushed the door and entered, I saw the empty room, and my heart scorched by the wine seemed to be scratched by countless ants.

He took out his mobile phone, dialed Ruan Yan's number, and issued an order in a lazy tone: "Come here."

"Ji...Mr. Ji," Ruan Yan's assistant answered the phone, tremblingly, "I'm sorry, Ruan Yan had a dinner party with the crew tonight and fell asleep after drinking too much..."

"Let her wake up tomorrow morning and roll over."

Ji Ziyuan threw the phone away after a cold fire.

...

On the other side, the little assistant Zhao Xin put down the phone and glanced timidly at Ruan Yan who was sitting in front of the dresser and slowly removing her makeup.

It's over, she actually lied to President Ji without knowing her life or death.

The person who ordered her to lie still had a calm expression on her face. She really didn't understand how Ruan Yan was so bold. She had to know that those women in the company usually tried their best to please President Ji, even the former sister Tang Qin. No exception.

"Ruan Ruan, President Ji asked you to come over tomorrow morning."

"Understood, you can go back and rest." Ruan Yan stood up and went to the bathroom with her bathrobe as if nothing had happened.

Zhao Xin blinked and finally left obediently.

Ruan Yan, who came out of the bath, took out a bottle of wine from the wine cabinet, unscrewed it, sat on the high stool, and slowly drank wine cup by cup.

I don't know since when, when she slept alone, if there was no alcohol to numb herself, she would have insomnia.

Although drinking regularly makes her stomach worse by the day, it is difficult for her to change.

Except for the people around him, no one knows that Ruan Yan, the most popular little flower in the film and television circle, is actually just a plaything of Ji Ziyuan.

Ah.

...

the next day.

Ruan Yan slept until nine o'clock, and there were two calls from Ji Ziyuan on her mobile phone. She simply ignored it and turned it off. Until one o'clock in the afternoon, she drove to the studio to shoot.

Since she followed Ji Ziyuan, now she has been involved in modern dramas, and the scenic spots for each drama are filmed in the capital, and the farthest film and television base is an hour's drive away from the capital.

She was very tired of this, and she didn't know when Ji Ziyuan would get tired of her.

After the first scene, when she turned around and wanted to rest for a while, she saw that there was a handsome and noble man on the set. There is no modification, but the aura of the whole body cannot be concealed.

The director was leaning over to light a cigarette for the man.

Not only the director, Zhou Junyu, the male lead of the play, and Chen Qianhe, the second female lead, all leaned over to curry favor.

"Ji Shao, why are you free to come to our crew today?" Chen Qianhe looked at Ji Ziyuan's eyes, and she and Ruan Yan both belonged to Fan Entertainment Films. This time, Fan Entertainment Films invested in the film. She is one of the investors, so she is qualified to appear in this play with Ruan Yan, but she does not have Ruan Yanhong. If she can get into Ji Ziyuan's bed, then her resources will increase.

Let me go mr. hill chapter 2566

Chapter 2566

"Come and see someone."

Ji Ziyuan held a cigarette in his hand, and a pair of charming eyes behind the lens stared at Ruan Yan who was standing not far away.

The crew took a deep breath.

After a long time, it turned out that Ruan Yan was Ji Shao's woman.

Zhou Junyu had originally been so careful about Ruan Yan, but now he was dismissed as clean, but he was a little contemptuous in his heart.

The director thought that he should not scold Ruan Yan.

Chen Qianhe's teeth were sore from jealousy. Usually, when she saw Ruan Yan's aloof face, she thought there was a lot of mud and no stains. It turned out that she was also desperately crawling on the man's bed behind her back, and she was no different from her. .

Ruan Yan did not speak, but stopped at a distance, and a faint coldness flashed in the depths of her eyes.

When we were together, he promised that he would not disclose the relationship between the two. As a result...he actually came to the crew, lest others not know her relationship with him.

"Come here." Ji Ziyuan hooked his fingers, and his voice was so hoarse that it could fascinate people.

Ruan Yan walked over and smiled lightly, “Young Master Ji.”

“I didn’t answer your call in the morning.” Ji Ziyuan fluffed the hair from her ear, “Why didn’t you go to my place last night, are you too tired from filming? It ‘s over.” The

director said quickly, “Certainly not. The filming was over at seven o’clock last night. Don’t worry, Ji Shao, we will never dare to tire Ruan Yan.”

“Director Liu, I’m not that expensive, since I decided to become an actor. , I’m not afraid of suffering.” Ruan Yan explained with a smile, “Besides, the salary is much higher than the average person’s work, so I have no right to complain.” The

director nodded embarrassingly, “Ruan Yan’s consciousness is really high. , no wonder it is in the eyes of our young master.”

“That’s natural, I have always had a good eye.”

Ji Ziyuan gently hugged Ruan Yan’s waist, obviously smiling, but his deep eyes were cold, “Come, accompany me to the lounge for a while.”

“I...”

“Quick Let’s go, go, let’s shoot the Qianhe scene first, you can come over in an hour.” The director is very interesting.

In an hour, it must be over.

Ruan Yan’s pretty face froze, but Ji Ziyuan was in a good mood, “Thank you, Director Liu.”

“It’s our honor that Ji always comes to our crew.”

Director Liu flattered and sent people away.

Ji Ziyuan pulled Ruan Yan into the lounge with force, the door slammed shut, she leaned against the door, and the man's hands were on both sides of her.

"Ruan Yan, you are quite capable. You ignore my words and don't even dare to answer the phone." Ji Ziyuan freed up a hand and grabbed her chin, "You are so ignorant when you are a woman. The first one."

Ruan Yan looked at him with cold eyes, "Ji Shao, have you forgotten why I was sleeping with you, because you threatened me, now Song Rongshi is stupid, Ning Lexia has already been sentenced, Aunt Ning's revenge has also been avenged, and I don't need to deal with you anymore."

Ji Ziyuan narrowed his eyes, "Whether your subordinates are dead or alive, or you are not afraid of notoriety for kidnapping people?"

"If you can't be a star, you can't quit the circle." Ruan Yan said indifferently, "Ji Shao, I don't know how many times you've been in it, are you still tired of it? In the entertainment industry, there are beautiful women everywhere, you can't be in bed. Always laugh at me like a dead fish?"

Ji Ziyuan looked down at her cold eyes.

Ning Xiaoxiao's eyes flashed in his mind a long time ago, plus the words Ning Lexia said yesterday.

His heart tightened a little.
