After he finished speaking, he ripped open the zipper of her skirt behind her.

"Don't..."

Ruan Yan's face changed, this was in the crew.

By doing so, he was blatantly humiliating her.

"This is a lesson for you not to listen."

Ji Ziyuan pinched her chin and kissed her.

Ruan Yan's disgust and nausea in her heart were the same no matter how many times.

But this man didn't care at all, he forced her to accept all of him regardless.

"Ji Ziyuan, can I go to your place at night?" Ruan Yan backed down, she didn't want to have anything to do with him here, she still had a scene to shoot in the afternoon, and people would see the clues.

"You're not even afraid of quitting the showbiz, and you're afraid of being slept here by me?" Ji Ziyuan chuckled playfully, without the slightest warmth in his eyes, "Ruan Yan, I don't agree, I was in a bad mood last night, who told me You don't come to accompany me in the morning, huh?"

He said, and sat on the sofa in the lounge with her in his arms.

He didn't get much rest all night last night.

As long as you close your eyes, you will be Ning Xiaoxiao at the age of eighteen.

She shed tears in front of him and asked him if he didn't want to break up.

He mocked her and humiliated her.

He hates why his memory is so good, isn't he a woman, why he still remembers it now.

Ji Ziyuan took off his glasses and threw them to the side, revealing a pair of grim eyes.

Ruan Yan was stunned for a while. Ji Ziyuan like this was different from before. Although he was tyrannical before, he was also gentle.

But now, he is full of evil, and he treats her like a vent.

"Look at me, look at me." Ji Ziyuan held her face hard and looked at her forbearance but stubborn eyes.

Those eyes look very much like Ning Xiaoxiao...

"Are there any masks?" he asked suddenly.

Ruan Yan was stunned, not understanding what he wanted to do.

But she does have a mask in her bag.

Without waiting for her answer, Ji Ziyuan took off his T-shirt and covered her nose and mouth with clothes.

Ruan Yan's eyes widened in disbelief.

She really felt that Ji Ziyuan was insane.

After the long ordeal was over, she had no idea how much time had passed.

She is very tired, and Ji Ziyuan is particularly crazy today.

"Come to my side at night." Ji Ziyuan pulled her into his arms, not enjoying himself.

"Enough is enough." Ruan Yan trembled in anger, holding her phone, "It's been an hour and ten minutes, and the director only gave me an hour to rest."

"So what, he dares to be angry?" Ji Zi Yuan kissed her eyelid.

Ruan Yan only felt as if she had been kissed by a cold snake letter, except for disgust, there was only disgust.

"If you don't come at night, then I'll have to come back to you tomorrow." Ji Ziyuan chuckled and left first dressed neatly.

"It's okay, I'm not tired, get ready and start my show." Ruan Yan was not happy with being taken care of, because she didn't notice the strange eyes of those in the crew.

Originally, she could feel the respect of the staff, and many people praised her for her good acting skills and hardships, but after today, the crew will probably only say that she is so good in bed that she can climb up to Ji Ziyuan in order to keep resources.

This is why she has always been disgusted with letting others know about her relationship with Ji Ziyuan.

After the director went to work, Chen Qianhe said angrily: "Sister Ruan Yan, why didn't you wear that skirt before? It's very beautiful."

Ruan Yan couldn't hear the irony in her words, so she turned and left.

Chen Qianhe "cut" and said, "Pretending to be arrogant, it's not a good fate. I went to President Ji, no wonder so many good resources have come to you recently."

"Are you envious?" Ruan Yan turned her head and looked coldly. following her.

"It's rare that you have this kind of consciousness. I will tell Ji Ziyuan what you said. I believe that even if he abandons me in the future, he will not have any thoughts about you."

After Ruan Yan finished speaking with a half-smile, she turned around and left.

"Ruan Yan..." Chen Qianhe stomped his feet angrily.

Who asked her to tell Ji Ziyuan that in the company, who didn't know that climbing up to Ji Ziyuan was the best way out.

"The address, I'll go there."
