

Let me go mr hill chapter 2571 - 2572

Chapter 2571

"You don't like this, you don't like me touching you." Ji Ziyuan's hand that was wandering around her waist gradually became cold, and his voice was attached to her ears and lips.

Ruan Yan froze and bit her lip, as if she had been struggling for a century, her body relaxed and her tone softened a lot, "No, I sweated while filming today, and I ate hot pot again. My body was sticky and uncomfortable. Could you let me take a bath, I won't run away, so what are you doing in such a hurry."

She rarely explained aloud, she used to it is unabashed indifference and resistance.

Ji Ziyuan noticed her change, stood up straight with rare curiosity, and looked at her with deep eyes, "Really?"

"Really." Ruan Yan nodded, but her head was lowered, revealing her neck. A snow-white neck at the back.

"Go."

Ji Ziyuan stared at her for a few seconds, then said, "When you're taking a shower, don't close the door, I'll come in later."

"...Okay."

Ruan Yan walked from the bar. Get up and down, grab your bag and go upstairs quickly.

In the dressing room, she opened the small bottle, took a pill from it, and choked it dry in her throat.

Less than ten minutes after entering the bathroom, she finished washing her long black hair, and the door was suddenly pulled open.

Ji Ziyuan leaned against the door frame, his eyes fell on her casually, under the shower, the woman's long black hair was pasted with a beautiful and refined face, and the hot water washed over the crystal lips.

A visual scene pierced into his pupils.

Ji Ziyuan slowly took off Sven's glasses and went straight in.

At ten o'clock in the evening, Ji Ziyuan came out of the bathroom with the woman in his arms, and when he put it on the bed, when his eyes met the woman's charming eyes, he lost control again.

Ruan Yan's body seemed to be crushed by several wheels, completely unlike herself.

She was unfamiliar with this strong feeling.

In the past, Ruan Yan's body did not belong to her. When Ning Xiaoxiao was only eighteen years old, she experienced greenness and pain in her youth, but she also experienced happiness.

After it was over, she stared blankly at the ceiling.

Ji Ziyuan was still gentle, took a towel to help her wipe it, and then changed into a new clean sheet before taking her into his arms again.

He was leaning against the head of the bed, a cigarette in one hand and an arm around her in the other.

"So enthusiastic tonight?" Ji Ziyuan took a breath, and the tobacco-flavored blue-white smoke slowly spewed out from under the bridge of his nose, "Tsk, I almost died on you."

Ruan Yan's body trembled, bowed her head, and said nothing. It was just that the head on his chest was squirming, and the small face was facing down.

"Why don't you say anything." At this moment, Ji Ziyuan was in a good mood.

He has been too tight for the past two days, and he has been in a bad mood.

It all came out tonight.

Especially the woman who used to be like a dead fish seems to have finally been developed by him. As a man, there is still a sense of accomplishment in my heart.

"I don't know why I am like this." Ruan Yan said suddenly.

Ji Ziyuan smiled, touched her little face lightly, and said mean words in her beautiful thin lips, "What are you pretending to do, it's not like you haven't done it with Pei Mochen before."

Ruan Yan: "... "

Let me go mr. hill chapter 2572

Chapter 2572

Well, if he didn't mention it, she almost forgot.

It's just that she's not really Ruan Yan, how do you know.

"He also thinks I'm like a dead fish, so he doesn't want me soon."

She vaguely thought of an excuse.

Ji Ziyuan smiled, but his eyes were inexplicably cold.

Although he is not a person who insists on a woman being the first time, but when he thinks of the places he has touched, Pei Mochen has also touched them, and he feels a little disgusted.

But those things in her past are not only known today.

"It's normal, not all men don't dislike you and dead fish like me." Ji Ziyuan's voice was gentle, "But it's not that I've taught you well now."

"...I didn't. " Ruan Yan replied in a stern voice, after all, he is an actor, and the three-point unhappy, three-point shy, three-point embarrassed acting is a three-pointer.

"Tsk, I don't want to admit it yet." Ji Ziyuan bent down and kissed her little face, "I don't know who has been pestering me, so I have to change the sheets."

"Ji Ziyuan..." Ruan Yan gritted her teeth, raised her head, a small face like a hibiscus emerging from clear water was moistened with white and flushed.

Ji Ziyuan raised his eyebrows with a hint of interest in his eyes, "Is something wrong?"

"I hate you." Ruan Yan scolded softly.

"Really hate me?" Ji Ziyuan pressed the cigarette into the ashtray, then turned over and pressed her down again.

Ruan Yanmei looked at him for a few seconds, then turned

her face away, "Ji Ziyuan, don't be like this, I'm afraid that if I stay with you for a long time, I will fall in love with you." Disgusting to say.

But acting, who can't.

She is an award winner.

Ji Ziyuan was stunned for two seconds, then turned her face and looked at her seriously, "Are you Ruan Yan, you won't be transferred."

"I'm serious, I accepted my fate, and I figured it out." Ruan Yan whispered, "I can't escape your Wuzhishan anyway, and I slept even when I slept. Actually, it's nothing to lose if you think about it, you look good. , and powerful and powerful, how many women in the entertainment industry want to climb on your bed, you see after you went to my crew today, the director was very respectful to me, and Chen Qianhe, who was in the same company, looked envious of me, and no one in the crew dared to bully me "

Ji Ziyuan didn't have too many emotions on his face, "Shouldn't you have known these things earlier, you used to take me very seriously, and suddenly you are so conscious?"

"Can I promise you before, you Changing women is the same as changing clothes. Besides, you and Tang Qin are going to get married at that time. No matter how stupid I am,

I won't be stupid enough to be a mistress. Isn't that self-destructive." Ruan Yan suddenly hugged his neck, "Now , I accept my fate, but I want you to grant me some requests."

"Some?" Ji Ziyuan grasped the point and smiled meaningfully, "Tell me about it."

"I have a habit of cleanliness, when I am with me, You are not allowed to find other women." Ruan Yan said coldly, "Also, I am your girlfriend, so you should give me the best film and television resources."

"Girlfriend?" Ji Ziyuan pondered, " Have you misunderstood, when did I agree that you are my girlfriend?"

"..."

Ruan Yan's pretty face turned white with embarrassment, then she pushed him away, and turned to leave.

Ji Ziyuan grabbed her wrist, pulled her into his arms, and teased, "It's all like this, where are you going, eh?"

"Let me go." Ruan Yan sneered, "So I'm just a solution to your needs in your heart. A plaything."

"Not really," Ji Ziyuan said lightly, "I gave you a chance before, but you didn't cherish it, but don't be discouraged, let me sleep for a while, maybe it will turn you into a regular."
