## Let me go mr hill chapter 2573 - 2574

### Chapter 2573

Ruan Yan looked at his gentle scum.

She couldn't help feeling that if Ji Ziyuan was so plain in front of her before, she would never have fallen in love with him.

"Okay." Ruan Yan bit her lip, "Then you can't sleep with other women during the time I'm with you."

"I never slept with other women." Ji Ziyuan pulled his lips, "I don't have the energy to deal with several women."

"Besides..."

"Are there any requests?" Ji Ziyuan became impatient.

Ruan Yan mocked, "I just said a lot, you only agree to one request, oh, it's not for me, it's just that you don't have the energy to deal with several women, Ji Shao, you are too much to me. Well, I'm not qualified to be your girlfriend, I'm afraid you haven't even given me the benefits of those lovers in the past, am I a fool, let you sleep in vain."

This sharp-edged appearance made Ji Ziyuan rise again. With a bit of interest, "Continue."

"Give me the money." Ruan Yan stretched out her hand, "I've been with you for so long, have you ever given me a card? When I was with Pei Mochen, at least they didn't have money. Leave me alone..."

"Don't mention Pei Mochen to me again." Ji Ziyuan's eyes narrowed, his face became ugly, and even the look in her eyes had a little more flavor.

Ruan Yan saw it clearly.

It's because she thinks she's dirty.

But since you want to find a woman in this circle, why bother with others, no matter how dirty you are, you can't be more dirty than yourself.

Ruan Yan kept these words in her heart, and did not dare to confront Ji Ziyuan head-on.

"If you don't want to give it, don't give it." Ruan Yan lay down and rolled the quilt, "Go outside and find out, which woman has no money, no house or car, and can let you sleep for nothing without a name and a share, not to mention entertainment. People in the circle."

Ji Ziyuan sneered, took out a card from the drawer next to it and threw it at her, "There are ten million in it, are you satisfied?"

"Ten million?" Ruan Yan pouted, "I can earn so much money for an endorsement."

Ji Ziyuan looked at her deeply for a few seconds, and finally said, "Find me when you're done."

"Okay, but I don't have a room in the capital yet..." As soon as Ruan Yan finished speaking, she received a cold call from Ji Ziyuan. Sigh.

"Ruan Yan, are you going to list the price clearly now?" Ji Ziyuan's handsome face was mocking.

"I'm not your girlfriend. Isn't what you're doing now clearly covering me? I don't know the price. Should you wait until you're tired of me?" Ruan Yan smiled, "Either you openly admit that I am Your girlfriend, either use material to satisfy me, a suite is nothing to you, I heard from the company that when Tang Qin was dating you, luxury cars, mansions, villas, and various resources were all available. Tang Qin, as well as the last female stars Tang Yiyi, Liang Qiyu..."

"You are quite clear." Ji Ziyuan's thin lips picked out a radian, "but you think your skills in bed are better than Have you ever met them?"

Ruan Yan reminded, "I didn't know who said that he almost died on me."

"That's right, you almost killed me, and you still want to ask me for a house and a car?"

Ji Ziyuan Bending down, staring at her eyes, with a gentle tone that could drown people, "Don't worry, I'm not a ruthless person, as long as you take good care of me from behind, I'll give you the house and car, and since it's sold, you have to sell it. The standard is up, understand."

Ruan Yan looked at the delicate and elegant face in front of her, and after a while, her eyelashes trembled and said, "Okay."

After that, the two did not communicate anymore.

Ji Ziyuan was lying on the bed and suddenly felt a little dull.

Maybe at first, he forced Ruan Yan.

But Ruan Yan's position was always different from those of the previous women.

Especially those eyes, as well as her character, are extraordinarily flavorful.

Tonight, the body is very happy, but other aspects are a little lighter.

Ruan Yan also noticed it, and it seemed that this method was extremely useful.

It looked like she had to keep going.

Chapter 2574 When the

next day was not yet fully bright, she woke up and secretly went to the bathroom to take a medicine.

Going back to bed again, after dawn, she took a deep breath and gathered up the courage to grope for Ji Ziyuan beside her.

Ji Ziyuan opened his eyes and saw a woman's charming face and figure lying on top of him.

He quickly woke up, held her waist, and teased, "So active today?"

"Will you send me a suite?" Ruan Yan hooked his neck, and the once cold snow-like face was now showing a hint of flattery .

"You want it so much?" Ji Ziyuan rubbed her waist, "You made a lot of money this year, right?"

"It's hard to make money," Ruan Yan buried her face in his neck, "I don't have Jiang Qingxin and It is Lin Fanyue's good fortune that he can find boyfriends like Huo Xu and Song Qingrui, and a prominent family like himself."

"Envy?" Ji Ziyuan's eyes were deep.

"..."

Ruan Yan didn't say a word, but it was equivalent to silence.

"Aren't you very aloof before, I thought you didn't care about that." Ji Ziyuan teased while kissing.

"Huo Xu directly gave Jiang Qingxin a set of more than 400 square meters of Jiangjing house." Ruan Yan sighed and answered irrelevantly, "One set cost hundreds of millions, I saved some money working in the entertainment industry, but I bought it. There's not much left after that."

Ji Ziyuan smiled lightly, looking at her without saying a word.

Ruan Yan gritted her teeth, leaned up, kissed his thin lips actively, and wrapped her hands around his neck like vines.

Ji Ziyuan's eyes darkened.

This morning, Ruan Yan took the initiative to act like a goblin.

The two exercised on the bed for an hour, and when Ji Ziyuan came down, he was refreshed.

On the other hand, Ruan Yan, as if she was drained, complained incessantly.

Fortunately, after coming down, the maid has already made breakfast.

When Ruan Yan was about to eat breakfast, Ji Ziyuan took a box of pills and put it in front of her, "Take it."

She was stunned when she saw the word "contraceptive".

In fact, Ji Ziyuan sometimes did wrong things before, and she did it when she didn't. It was the first time that she took out the medicine today.

"Why?" Ruan Yan was very happy, but she still had to do enough.

"Want to get pregnant?" Ji Ziyuan asked with a smile.

"No, I'm on the rise in my career, and I don't want to get pregnant, but..."

"Then eat it." Ji Ziyuan said lightly, "I have no plans to be a father."

Ruan Yan lowered her eyes and remained silent. He drank the medicine with water in a loud voice.

Halfway through breakfast, Ji Ziyuan's phone rang. After he answered, his face darkened slightly, "Okay, I'll be there later."

"What happened?" Ruan Yan asked deliberately.

"None of your business."

Ji Ziyuan didn't look at her, his tone was not very good.

More than ten minutes later, Ji Ziyuan changed his clothes and left.

He drove to the hospital, and at the door of the emergency room, his father Ji Zehao roared angrily, "I told you not to be so rude to Tang Qin, look, now she doesn't even answer
