"What is there to be angry about in Ji Ziyuan?" The disgust in Ruan Yan's eyes almost need not be concealed.

She had never really hated someone so much.

Lin Fanyue rarely saw the look in her eyes so obvious, so she couldn't help but say, "Is Ji Ziyuan so annoying to you?"

"Please don't insult and hate these two words." Ruan Yan told the truth, "I It's disgusting."

Lin Fanyue: "..."

She especially sympathized with Ruan Yan, it was too painful to be with someone who felt disgusting to her.

Lin Fanyue said: "Qingqing, why don't we three think of a way to bring down Ji Ziyuan? You are so powerful, and there is a Cang family behind you."

"Cough"

Jiang Qingxin was almost told by Lin Fanyue's words She choked in shock, "Miss Lin, thank you for looking down on me so much, I'm very moved."

Ruan Yan said, "For the people of China, there are two mountains, one is the Song family and the other is the Ji family. There are many top mountains in China. Our medical system all depends on the Ji family. Most cities in the country have private hospitals invested by the Ji family. Every year, the Ji family selects many top doctors to study abroad. to object, and if there is no other person in the middle to take over the Ji family, many people will delay the treatment of the disease.”

Lin Fanyue said: “I’m talking about Ji Ziyuan, not Ji’s family . Ruan Yan smiled bitterly, “

You may not be clear, the reason why the Ji family is today is all thanks to one Ji Ziyuan. Since he took over, he has rectified the Ji family. Don’t look at his personal style, but in the medical field. The things he has done, whether it is cultivating medical school talents or donating money to treat diseases and save people, are very respected by people.”

“Not only that.” Jiang Qingxin said, “He is also the leader in the entertainment industry. He not only invested in film and television companies, but even invested in movie theaters. He also has a good relationship with major TV stations. Many famous directors have his influence behind them. In addition, he has a good relationship with international medical giants. In this world, many people are unwilling to tear up their faces with those who control medical resources, because everyone will get sick sometimes.”

Lin Fanyue was dumbfounded, she really didn’t expect Ji Ziyuan to be so powerful.

“Stop talking about this, let’s drink milk tea.” Ruan Yan didn’t want her good friend to worry about herself.

Half an hour later, Huo Xu called Jiang Qingxin, “He Chi has come to the capital, we are having supper, do you want to come over?”

He Chi shouted, “Little Qingqing, come here, It’s rare for me to come to the capital, let’s have two drinks, I heard that you and Fanyue are shopping, come together.”

It was He Chi’s words, Jiang Qingxin was not very easy to refuse, “Who else do you have?”

“Just us. You have met a friend,” He Chi said.

Jiang Qingxin understood, and most of the time Ji Ziyuan was there. After thinking about it, she said, “Let’s go shopping for a while and come later.” “No problem, we’ll eat late anyway.”

Ji Ziyuan sat alone in black clothes and white trousers, wearing glasses, and his temperament was more gentle and handsome.

In the eyes of this group of people, he seems to be the most gentle and elegant, but Jiang Qingxin knows that these men are no better than Ji Ziyuan.

"Wife, come here." Huo Xu dragged away a chair next to him and asked gently, "What did you buy at night, do you have enough money?"

Another friend said, "Ruan Yan It's the one who made the movie. It's very popular. My mother likes the TV she made, so let's get to know her."

"Hey, come first and talk later." He Chi warned deliberately.

"If you want me to say, female stars in the entertainment industry still have to ask our President Ji for introduction." Another college classmate said with a smile.

Ji Ziyuan, who has been smoking beside him, squinted his eyes, and said in a soft voice, "It's better to look for a woman or not to look for a star."

"That's right, maybe it's what we have left over from President Ji." Someone laughed .

After laughing, there was silence in the arena.

The man saw everyone around him looking at him.

The smile on Jiang Qingxin's face was gone, "Young Master Jiang, my friend is from the entertainment industry, what do you mean by that?"

The face of the person named Jiang Shao immediately turned red, "Sister-in-law, I'm not talking about Ruan Yan, who doesn't know Ruan Yan, pure and beautiful girl."

Hearing the last four words, Ji Ziyuan chuckled coldly.

The unintelligible laughter made everyone feel inexplicable.

Jiang Qingxin and Lin Fanyue could not wait to throw water on Ji Ziyuan's face on the spot.

Mad, you are laughing. If you hadn't threatened Ruan Yan with others, they would have looked down on you.

fool.

Jiang Qingxin smiled slightly, "Ji Shao, what are you laughing at, something is wrong with your nose?"

Everyone noticed that the atmosphere was not right.

Huo Xu pressed Jiang Qingxin's hand and stared at Ji Ziyuan with warning eyes, "Don't mind, Ziyuan has that character, yin and yang are weird, let's have supper."

Ji Ziyuan flicked the cigarette ash, pursed his thin lips and said nothing .

He Chi lowered his voice until he went to the bathroom with He Chi after drinking a bit of wine, "You have something to do with that Ruan Yan?"

Others don't know Ji Ziyuan's character, but He Chi still understands, just now Ji Ziyuan and Jiang Qingxin There was almost a conflict.

Ji Ziyuan took a cigarette and glanced at him lightly, "Brother, don't think of women in the entertainment industry, just play, you are different from me."

He Chi frowned, "It's not good for you, Ruan Yanneng. Playing with Qingqing and the others is definitely not a casual person."
