## **Chapter 4435**

A few moments later, the entire Fei family, led by Douglas and Stella,

Walked out of the Fei family villa together and respectfully escorted Charlie out.

At this moment, a helicopter had been waiting on the lawn outside the door for a long time.

Surrounded by the Fei family, Charlie came to the helicopter and turned to Stella, and said,

“All right, go and do your own thing.”

Stella nodded gently and said respectfully, “Mr. Wade, have a safe trip.”

Charlie looked at her and instructed in a low voice,

“Miss Fei, I’ll ask Joseph to keep some men to help you through this period of transition,”

“You should also be alert to potential threats from within the Fei family,”

“Although dogs can bite, they are still good to use if they can be tamed.”

Stella was incomparably grateful and said seriously,

“Thank you, Mr. Wade, I will definitely pay attention .....

Charlie nodded slightly and smiled, “In that case,”

“Then I’ll leave first, call me if you need anything.”

After saying that, he took a step and boarded the helicopter.

Immediately after that, the helicopter slowly took off amidst Stella’s reluctance,

And the Fei family’s annotations, flying towards the northeast.

Once Charlie left, many Fei family members finally breathed a sigh of relief.

Dawson at this time also has a feeling of survival after the robbery,

The whole person instantly relaxed, as if all the pressure on his body was removed at once.

His son Adam was also the same.

At this time, they have almost left behind the death of Randal, grateful that they still survived.

Douglas was also infinitely emotional in his heart.

Although he did not get back the Fei family headship today,

He had harvested the most desired Rejuvenation Pill,

So the ending of the matter could be considered super successful for him.

To him, nothing is more important than the Rejuvenation Pill.

The death of Randal was now irrelevant to him, after all, to some extent,

He had to thank Randal if he hadn't messed with Charlie,

He wouldn't have had the chance to return to New York, let alone get Charlie's Rejuvenation Pill.

What Stella missed most at this time was her parents,

So she immediately asked her eldest uncle Dawson, "Where are my parents and family now?"

Dawson looked tight and said: "Stella, your parents have moved out of the Fei family,"

"If I remember correctly, they should have gone to Miami,"

"Where your father has a villa by the sea, they have gone there for a vacation .....

Stella frowned and said, "If my parents went on vacation,"

"I could believe it, but my brother and sister have actual positions in the group,"

"How could they go to Miami for vacation? Don't they need to work anymore?"

Dawson's heart was suddenly disturbed.

Stella's parents and relatives had been driven out of the family the first time he seized power.

And her older brothers and sisters who had actual positions in the group,

Were all dismissed outright without exception.

And in order to prevent them from posing any threat to himself,

Dawson explicitly forbade them from participating in any public activities,

And would only give them freedom after he knew that his kingdom was secure,

And the old man had completely returned to the West.

Therefore, Stella's family, so to speak, was forced by him to Miami under house arrest.

Now that Stella has become the head of the Fei family,

And has the backing of Charlie and the Cataclysmic Front,

Dawson is worried that she will settle accounts after his fall,

So deep inside he is extremely nervous and can only say with a stiff upper lip:

“Stella ..... truth be told ..... let your family going to Miami was my intention.....”

“I was thinking that they leave New York, for I would relatively be more at ease  
.....”
