### Chapter 2591

Qiu Haolin's eyes lit up, but then darkened again, "I thought too, but it's too difficult, Ji Ziyuan has too many connections in the entertainment industry, when Ji Ziyuan didn't get involved in the entertainment industry, we were considered Fenghong in the industry. The film industry is the largest, but Ji Ziyuan's aggressive expansion in recent years has made it more and more difficult for our companies."

"Don't you think... Ji Ziyuan is too ambitious and wants too much?" Ruan Yan spoke warmly.

"Not bad." Qiu Haolin slapped his thigh, "Ji's family is already dominant in the medical field. The money Ji Ziyuan earns can't be spent in a few lifetimes, but he is not reconciled and spends his money to attack the entertainment industry." After a

pause, Qiu Haolin sneered, "Let me tell you, he probably wants to choose a concubine in the entertainment industry. Over the years, women have changed one after another, not only him, but even the vice president Zeng is not a good guy, where does he sleep only? One Du Qianhe, but no one dares to speak up, those reporters are afraid of Ji Ziyuan."

"The cake in the Huaguo entertainment industry is quite big, and Ji Ziyuan wants to be dominant, it's not an overnight thing."

Ruan Yan said lightly: " But if you don't stop it, you can only eat the leftovers that Ji Ziyuan doesn't want in the future."

"Miss Ruan, I know what you said, so this time your people let me expose Zeng Hengshu and Du Qianhe. I did the same thing, but as you can see, Fanyu put all the responsibilities directly on Du Qianhe, Zeng Shuheng is fine until now, and the Internet is still saying that he is responsible, bah."

Qiu Haolin After speaking, she became worried, "It won't take long for Fanyu to find out that the exposure of this news has something to do with me."

"So you must completely destroy Zeng Hengshu."

Ruan Yan threw the stack of photos in the bag. Go out, "Here are all photos of Zeng Hengshu sleeping with other artists. I know you have channels, so let them all out, so that Zeng Hengshu has no place to turn around. Zeng Hengshu owns 30% of the shares in Fanyu, and Ji Ziyuan can be in the entertainment industry. Today, Zeng Hengshu has contributed a lot, destroying Zeng Hengshu is equivalent to breaking an arm of Ji Ziyuan, of course, the most important thing is that this kind of thing happened, Fanyu is considered a stink in the industry."

Qiu Haolin was stunned, "Miss Ruan, you are also in the entertainment industry, this list came out, I'm afraid you too..."

"Do you think I need to rely on the entertainment industry to make money?" Ruan Yan asked back.

Qiu Haolin was stunned for a moment, then laughed at himself, "Yes, with your ability, you can help people earn hundreds of millions of dollars casually."

Ruan Yan was silent, just looked at him quietly, "You dare not Do?"

"I'm afraid of Ji Ziyuan's revenge." Qiu Haolin smiled bitterly, "He's very scary, it's easy to make a person disappear without a sound, and Ji's medical resources are terrible, who would dare to offend the doctor? "

Mr. Qiu, since you released the photos of Du Qianhe and Zeng Hengshu, we were already in the same boat."

Ruan Yan smiled lightly and sipped her red wine, "In the entertainment industry, it wasn't that Fenghong Pictures was acquired. Even if Fan Yu made concessions, you have to understand that when Ji Ziyuan's status in the entertainment industry is similar to that in the medical field, your Qiu family will not even think about turning over in the entertainment industry."

Qiu Haolin's body trembled.

"Don't worry." Ruan Yan said, "When you expose the information, there will naturally be a department to investigate Fanyu. Ji Ziyuan has something to do with me, don't I? He hates

you and doesn't dare to kill you. As for you The company's funds, how much is missing, how much I make up, I can buy shares, don't worry, I won't ask for management rights, you know that money, I don't care."

Qiu Haolin looked at her for a long time, raised his glass, "Since So, toast to our cooperation." The

red wine glass tapped in the air.

Ruan Yan sighed in his heart.

Originally, she only wanted to leave Ji Ziyuan and live a peaceful life.

But Ji Ziyuan didn't give her a chance, even Tang Qin bullied her.

Doesn't Tang Qin really want to come back, doesn't Ji Ziyuan really want to support Tang Qin?

She wants to see if Tang Qin, who was caught in a scandal, can make a smooth comeback.

As for her reputation, she doesn't really care at all.

...

The next day, Du Qianhe was completely cold, major brands were busy canceling contracts, and the TV series in their hands were replaced one after another.

Due to the temporary replacement of the crew, all the scenes in the past few days have been stopped.

Ruan Yanle was resting at home. When Zhao Xin came to see her, she said, "I came from the company just now. Several brand companies were arguing about terminating their

contracts. Du Qianhe was crying and kneeling in the company and begging to see Vice President Zeng. When he saw President Du, no one was there. Pay attention to her.”

”Get used to it, it’s very easy to fall from heaven to the ground in the entertainment industry.” Ruan Yan lightly slapped a melon seed, “Don’t believe if a man coaxes you.”

”Yes,” Zhao Xin He scolded softly, “Vice President Zeng is really not a thing. I heard that something happened yesterday, and he was playing with people at the bar, so he’s not worried at all.”

Ruan Yan ticked her lips when she heard the words. I’m not worried today, tomorrow will be enough He cried.

On the third day, when everyone thought that the affair between Du Qianhe and Zeng Hengshu was about to dissipate, someone on the Internet suddenly broke out the intimate photos and ambiguous text messages of Zeng He Hengshu and several artists of the company.

These artists include those who left in the early years, as well as newcomers, as well as those who are currently popular in the entertainment industry.

The person who distributed the photos deliberately made mosaics for the woman, but because of this, netizens were scrambling to be suspicious.

[Let me go, does this Vice President Zeng regard the entertainment industry as his harem? How many women have he slept with? ]

[Those text messages make me nauseous, is he just using resources to force people like this? ]

[Who is the female star with the surname T from Fanyu, Tong Shuxuan or Tang Qin? ]

[Tang Qin is more reliable, I said before that Tang Qin must have a backstage, otherwise there would not be so many resources for her to make a strong comeback. It turned out to be with Vice President Zeng. ]

[I also feel like it’s Tang Qin, I’m going to vomit. I recently watched “The Sound of Heaven” and fell in love with Tang Qin’s songs. I’m absolutely blind and my three views are ruined. ]
