until someone knocked on the door.

"Come in." A

cold voice sounded, until Mrs. Ji walked in with Tang Qin, who was wearing a mask and sunglasses on her face, and could not recognize anyone unless she looked carefully.

"Mom, why don't you stay at home and rest, what are you doing here?" Ji Ziyuan extinguished the cigarette, frowned, and glanced at Tang Qin impatiently.

"Come on, Qinqin, take off the mask." Mrs. Ji said.

Tang Qin immediately took off his mask and sunglasses, revealing a little red and swollen face, and cried with choked sobs, "Ziyuan, you have to call the shots for me."

Ji Ziyuan's eyes swept across Tang Qin's face, and the bottom of his eyes was Undisguised disgust, "It's ugly."

"Ziyuan..." Tang Qin lengthened his voice aggrieved, looking like he was deeply hit.

Mrs. Ji raised her face, "What did you say? Her face was beaten by your woman, Ruan Yan. You have to give Qin Qin this bad breath. It's too arrogant to beat people in full view."

It's just that there are too many things to do with fan entertainment, and he is too lazy to care. Now Tang Qin is pulling Mrs. Ji to run in front of him. Ji Ziyuan is really annoying.

Annoying Tang Qin is endless.

Annoying Ruan Yan's arrogant attitude.

These women, one or two, caused trouble for him at this juncture.

"If you don't believe me, watch the video yourself." Mrs. Ji took Tang Qin's mobile phone and handed it over, which contained a surveillance video of the conference room.

Ji Ziyuan didn't answer, but he landed on it lightly. There was no sound in the video, but it was true that Ruan Yan started first, and after the fight, he was full of arrogance.

There was a hint of displeasure in his eyes.

Seeing this, Tang Qin said: "I really didn't provoke her, everyone in the conference room saw it, she incited me to the ground without even apologizing, and then incited me again, she just pretended to be your woman casually. Bullying me."

Mrs. Ji said angrily: "This woman is too much. She is still looking for Hei Qinqin, a sailor on the Internet, saying that Qinqin is also a woman who was slept by Zeng Shuheng. The original plan of Qinqin's comeback was good, and now she has signed a contract. The crew is also delaying her joining the crew, maybe because they want to terminate the contract, Ziyuan, this time, this woman must be taught a lesson."

"What do you want me to do." Ji Ziyuan raised his eyebrows, "If we can come together, I must have a plan. Let's go."

Tang Qin's heart trembled when he stared at him, but fortunately, she wisely pulled Mrs. Ji over this time.

Mrs. Ji said: "You know best whether Qinqin is Zeng Hengshu's woman. If Qinqin hadn't given me blood transfusions one after another in the past two years, my life would have been lost. Ruan Yan beat her first, and then spread rumors to smear Qinqin. You have to pay the price. If you want others to forget about Qinqin, you have to break out more exciting

things to divert the attention of netizens. I heard that Ruan Yan had been with Pei Mochen before..."

Some The words speak for themselves.

Ji Ziyuan didn't look at Mrs. Ji, but stared at Tang Qin, her eyes with a cold luster, "Do you want me to shake things out about Ruan Yan and Pei Mochen?"

Mrs. Ji frowned and said, "You look at Qin Qin. What are you doing, Qin, this idea is what I thought."

"Mom, you two are a little more tender in front of me." Ji Ziyuan narrowed his eyes and said in a cool voice, "I know better than anyone what Tang Qin is."

Tang Qin was particularly embarrassed. "I...I'm also doing it for you. The company's artists have been discussed over and over by netizens in the past few days. Only Ruan Yan was the least affected. "..."

Ji Ziyuan's face became darker and more obscure.

The office was quiet for a while before he said, "Mom, I still have to work, take your people away, don't bother me."

Mrs. Ji opened her mouth in dissatisfaction, and Tang Qin hurriedly dragged her, "Auntie, we Let's go.

Mrs. Ji frowned, "In short, if you don't do this, I will do it. In any case, I will protect Qinqin. After saying that ,

he pulled Tang Qin away.

Ji Ziyuan tilted his head and put his slender fingertips on his temple to press gently.

Ten minutes later, he contacted Du Xuan.

Du Xuan was shocked when he heard it. , "If you really want to do this, Ruan Yan will be pissed. "

Ji Ziyuan said in a low voice, "Isn't entering the entertainment industry just for money? Any problem that can be solved with money is not a problem. "

Du Xuan didn't know what to say.

Based on his relationship with Ruan Yan, he felt that Ruan Yan was not the kind of person who could solve it with money.

"Otherwise, what other solutions do you have?" Ji Ziyuan asked.

Du Xuan sighed, "There are also other A-list stars in the entertainment industry and some black material, but those people have backgrounds, and they will offend some people if they are exposed. Only Ruan Yan, who has the least background, and the original family background is not very good, or It 's from a small place."

"That's it." Ji Ziyuan said.
