Let me go mr hill chapter 2605 - 2606

Chapter 2605

"You are not my fan at all." Ruan Yan interrupted her coldly, and then looked at everyone sharply, "I don't care who tells you my address, and who among you are My true fans, which ones are deliberately found by others, but please remember that rabbits will bite people when they are anxious. Today is only one hand of this person. I am not sure that I will do other impulsive things tomorrow. As for some information about me on the Internet, I can only say that Ruan Yan has not done anything wrong."

After speaking, she followed the police into the police car and left all the way.

Because she hurt someone, this time she was taken directly to the police station by the police.

Half an hour later, Zhao Hong hurried over and asked a lawyer to bring Ruan Yan out.

The two met in the police hall. Zhao Hong looked at Ruan Yan with a complicated expression.

Ruan Yan turned her head and asked the lawyer, "Is the matter of hurting people resolved?" The

lawyer was embarrassed, "Not yet, the other party offered to pay two million yuan."

"Two million?" Ruan Yan seemed to hear a joke, "What's his background, one hand is worth two million."

Zhao Hong sighed, and Ruan Yan looked at her, "Who leaked the address of my apartment, who found someone to come over and make trouble in my fan group. "

I don't know, I'm still investigating." Zhao Hong didn't dare to look at her.

"It's the company, I just moved, and no one knows where I live except inside the company." Ruan Yan's mouth curled into a sarcastic smile, "Sister Hong, you went to the company this morning, what's wrong with President Du? I said it."

"Mr. Du said he wanted you to go to Mr. Ji." Zhao Hong's face was full of tiredness and helplessness, "Ruan Yan, I really don't know why this happened, believe me, you are the one who brought it out. Yeah, I'd rather see you in this situation than anyone else."

"I understand." Ruan Yan's heart was very cold, cold and biting, but facing Zhao Hong, she still said softly, "Sister Hong, I believe in you, I didn't blame you, I'm just very cold. "

"Ruan Yan..." Zhao Hong trembled slightly.

"Lend me your car keys, and I'll find Ji Ziyuan." Ruan Yan stretched out her hand.

Zhao Hong put the car key in her hand, "Mr. Ji is holding a meeting at Ji's Group headquarters today."

Ruan Yan drove the car away.

She went to Ji's Group. At that time, the front desk saw her and said, "Miss Ruan, Mr. Ji has explained it. If you come, let you go to the office and wait, he is still in the meeting."

"Thank you."

Ruan Yanxiang When the elevator was going, I heard other people talking behind me.

"Isn't that Ruan Yan, why is she here?"

"Maybe she wants to ask Mr. Ji to beg to save her."

"Ha, she has been with other men, even if she uses her body, Mr. Ji doesn't like it."

"..."

Ruan Yan really didn't expect that in the next life, she would be reduced to such a level that even Ji's clerk could ridicule her behind her back.

In her life, Ji Ziyuan gave too many unbearable things.

Even in the previous life, he was afraid that he would be sent to prison, but she never thought of taking revenge on Ji Ziyuan, because she felt that Ji Ziyuan was also deceived.

It was also because Ji Ziyuan was so powerful that she couldn't defeat him at all.

Now, she just wants to leave him and get rid of her.

Let me go mr. hill chapter 2606

Chapter 2606

But fate doesn't seem to let Ji Ziyuan let her go.

Ruan Yan sighed that she set up such a game for Ji Ziyuan, but Ji Ziyuan used her as a shield.

It's just too funny. It's ridiculous.

She waited in the office for an hour.

Ji Ziyuan just came in from the outside, black trousers and white shirt, wide shoulders and long legs, outstanding temperament, rolled up cuffs, revealing the smooth muscle lines on his arms.

After the door was closed, Ji Ziyuan sat on the office chair, his handsome face was slightly raised, and his eyes behind the lenses looked at Ruan Yan faintly, "Is something wrong?"

"

Ruan Yan thought to herself, this is the funniest word she has ever heard.

Even though she had always been calm, her uncontrollable body trembled slightly at this moment.

"I'm notorious, all the advertisers and directors are calling and clamoring to cancel my contract with me. I've become a rat in the street, doesn't Mr. Ji know that?"

Ruan Yan didn't want to bear it any longer, she grabbed the one on the decorative cabinet. Angrily, the vase smashed to the ground.

Ji Ziyuan suddenly reminded softly, "You have three million vases in your hand, you can try it."

Ruan Yan's hand froze.

Three million vases are nothing to her.

But to Ruan Yan in Ji Ziyuan's mind, it was a big number.

In the stalemate, she gritted her teeth and put the vase back, then rushed to Ji Ziyuan's side, her eyes flushed, "You took me to the company as a shield without saying a word, don't you think you need to give me an explanation, Ji Ziyuan, Even if you don't like me, maybe I'm not as important as Tang Qin, but I'm also a person, I create so much income for the company every year, if you say you destroy me, you will destroy me, what do you think of me."

When she was timid When she put the vase back again, Ji Ziyuan looked down on her.

Up to now, he didn't bother to argue with her, so he took out a card from the drawer and threw it on the table, "There's 100 million in it, I'll make it up."

Ruan Yan's eyes widened, after all, she was a professional actor, and her expression It's like that card is humiliating her, "I can generate hundreds of millions of income for the company every year, what you have ruined is my whole life in the entertainment industry, you want to kill me with such a hundred million, you are my beggar "

A beggar?" Ji Ziyuan sneered, "Beggars can have so much money, stop dreaming."

Ruan Yan's angry face twisted, "I'm worth more than 100 million, I don't want money, I just want to I want my own bright future."

"Then I can't do it." Ji Ziyuan looked at her indifferently, his eyes were full of disgust, "It's a fact that you have been with Pei Mochen, you can only blame yourself for being inattentive, not to mention, I think you are worth 100 million already. Things are changing rapidly in the entertainment industry. That's right, you are popular this year, next year, and the year after. A little bit of black material can destroy a star, not to mention the matter between you and Pei Mochen. It's just black stuff that's on the table."

"If the company didn't reveal it to divert attention, no one would ever know about it." Ruan Yan glared at him angrily, "Also, aside from my contract with the company, I'm also you. Woman, Ji Ziyuan, you are too cruel to me, really too cruel."

Tears welled up in her eyes.

Ji Ziyuan looked at those eyes. He used to think that he was a bit similar to Ning Xiaoxiao when he was cold, but now he found that it was not at all when he looked closely.

He stood up impatiently, "What kind of woman are you, you're just passing the demand."

Ruan Yan stared at him with wide pupils, "You are too shameless, don't force me before if you have the ability."

"What if I force you, aren't you quite comfortable in my bed?" Ji Ziyuan opened the cigarette case and pointed at her with one of his fingertips.
