### Chapter 2607

"Ruan Yan, let me tell you, you are an artist of the company, you have signed a contract, and as a person of the company, you should always put the interests of the company and the boss in the first place. Today, isn't it also given to you by the company, I advise you, take this 100 million and go away in the future, the company can still find a chance to let you come back."

Ruan Yan couldn't listen anymore, as if stimulated. , swept all the documents on his desk to the ground, "Don't take me for a fool, is it so easy to come back, I'm a first-line star today, you can make use of me if you can use it, how long does it take for the limelight to pass? Years, I didn't have young capital at that time, and you didn't like me either. The competition in the company was fierce, so there was no hope for me to come back."

"You're courting death."

Ji Ziyuan grabbed her arm and threw her hard. on the ground.

"What kind of thing are you, you dare to smash things in my office, didn't you teach you a lesson last time?"

Ji Ziyuan stared at her condescendingly, "I warn you, don't go too far and piss me off, I'll let you a little bit. There is no chance for a comeback."

"Don't you feel any guilt towards me?" Ruan Yan lay on the ground in disbelief and looked at him in embarrassment.

"What is guilt?" Ji Ziyuan smiled coldly, "What are you, you deserve my guilt."

Ruan Yan opened her mouth, as if she had been hit a lot.

Today, she deliberately used very cheap makeup to put on makeup. She cried so much just now, and now the makeup is all gone, just like a palette.

When Ji Ziyuan glanced at it, he was very disgusted, "Take the card and go, of course, if you think it's too small, don't ask for it."

Ruan Yan got up and covered the card as if she was frightened.

Ji Ziyuan's eyes became even more contemptuous.

Look, he said that there was little money in his mouth, but he looked down on him, but he covered it tightly.

These women are all the same thing.

"That's good." Ji Ziyuan's face became a little better, "Ruan Yan, I know that the company owes you this matter, but as long as you came in and talked to me just now, I wouldn't speak so badly. This time when the company owes you a favor, the company will pay you back in the future."

Ruan Yan sneered, slapped a few times, and wanted to give two sweet dates to calm things down and treat others as fools.

She shook her head with tears in her eyes, "I don't want the company to owe me favors, whether it's the company or you, I can't afford it, anyway, I have no use value now, and I can't make money for the company, so I just I want to cancel the contract."

"Cancel the contract?" Ji Ziyuan took a match and lit a cigarette, took a puff, and said, "You don't want to sleep with others to make a comeback."

"I don't."

Ruan Yan raised her head in horror, miserable Explained, "I just don't want to stay in the company. I used to be the first sister, but compared to Tang Qin, I can be ridiculed and looked down upon wherever I go. The ridicule is even worse, if you feel that the company owes me, let me terminate the contract, at least I can be less scorned."

Ji Ziyuan didn't say a word, just looked at her with a probing gaze, as if to identify what she was saying. Authenticity.

"What's more... I have no value now." Ruan Yan smiled sadly, "As for the comeback? Ji Shao, which female star have you ever seen a miscarriage, foster care and other negative news, and can come back? Yes, those TV stations don't dare to take the risk of buying the dramas I acted in. No one buys the dramas, and the director will not use me at all. What else can I do other than be ridiculed in the company."

"In that case, do whatever you want."

Ji Ziyuan After flicking the soot, he finally opened his mouth coldly.

He is a very realistic person.

When Ruan Yan made this request, she had already thought through Ruan Yan's value in her heart.

Indeed, the current Ruan Yan's reservation seems to be of no use other than letting the company waste the basic salary.

### Chapter 2608

What's more, Ruan Yan's negative news is much more serious than Tang Qin's before. It's okay to give her some money to go on variety shows, but it's probably not that easy to come back to make TV.

Besides, the current generation of female stars is changing very fast. In another two years, when the limelight passes, there will definitely be many young and beautiful female stars in the entertainment industry. It is too difficult for Ruan Yan to get up.

Another point is that with someone like Tang Qin and Mrs. Ji's support behind her, she will definitely bully Ruan Yan.

Tang Qin is still useful. If Ruan Yan still interests him as before, he will still be happy to support Ruan Yan.

But now... he is really tired of Ruan Yan.

Lest Ruan Yan come to him to cry and complain later, termination of the contract is the best choice.

"Thank you, Mr. Ji." Ruan Yan bit her lip hesitantly, "Then... After I cancel the contract, the apartment that the company rented to me will definitely be taken back, can I move to your side temporarily... .."

"Are you dreaming?" Ji Ziyuan was shocked.

Ruan Yan's body trembled slightly, "But you said before that I could live with you at any time, and you also bought me so many clothes..."

"You would also say it was before, man They are all fickle, don't you know?" Ji Ziyuan said with a ruthless expression, "Didn't Pei Mochen teach you this lesson, you haven't learned a lesson yet."

"... Ruan Yan seemed to

be hit hard, tears fell silently from the corners of her eyes again, "You...how can you do this, then can I still come to you?"

Ji Ziyuan wanted to say "You don't have to look for him anymore", but on second thought, what if there is a need sometimes.

After all, touching Ruan Yan didn't make him so disgusted than touching Tang Qin.

Although now I have no interest in Ruan Yan at all.

"Wait for the news, if I didn't contact you, you wouldn't come to my place." Ji Ziyuan said indifferently.

Ruan Yan was a little disappointed, originally thought he wouldn't want to touch her again.

Looks like it has to be done again.

"Then...I'll wait for your news." Ruan Yan's eyes flashed with despair, "You can contact me at any time, I don't have a job right now, I'm quite free."

Ji Ziyuan smiled but didn't smile . Looking at her, "Ruan Yan, when did you become so shameless?"

Ruan Yan's pretty face turned pale, her lips and teeth were bitten, and she looked as if she had suffered all grievances, "Ji Shao, this time many companies have I don't need to pay the compensation for my termination of the contract. If I let me pay, I..."

"Don't worry, you don't need to pay, the company will take care of it." All

she wanted was money from him. Take advantage.

Ji Ziyuan listened impatiently, "Let's go, I still need to work, don't come to the company to find me in the future."

"I...I understand."

Ruan Yan responded in a low voice. Turning around, he left with a reluctant appearance of looking back again and again.

Seeing her appearance, Ji Ziyuan disliked her. As soon as she left, she immediately called Du Xuan, "Make a contract and terminate the contract with Ruan Yan. She will no longer be an artist in our company."
