Chapter 2609

Du Xuan was stunned, "Cancel the contract?"

"Otherwise." Ji Ziyuan said coldly, "She has a bad reputation, and she is not as good as the newcomer at the bottom of the company, so what are you doing with it?"

"... This, this is too cruel."

Du Xuan gasped, he thought that Ji Ziyuan was very cruel to Ruan Yan, but he didn't expect it to be so cruel, he had slept after all.

"She brought it up herself." Ji Ziyuan disagreed, "It's fine to terminate the contract, so as not to have to spend money and resources to force her to come back, and besides, those people in the company who favor high and low, especially Tang Qin, stay Tang Qin. I don't know what will happen."

"That's true..." Du Xuan agreed, "Tang Qin can really do such a thing, you don't know, when Ruan Yan went out this morning, The address of her apartment was leaked, and a group of black fans got in, blocked her car, and smashed her car. Fortunately, the police arrived in time and nothing happened. The police station investigated just now, and those black fans should be someone They deliberately instructed, but those people refused to admit it."

Ji Ziyuan was startled and frowned, but Ruan Yan didn't even listen to her when she came over, "Do you suspect Tang Qin did it?"

"I'm not too sure about this. Clear," Du Xuan coughed lightly, Mrs. Ji was so protective of Tang Qin, he couldn't say anything, after all, he was only a part-time worker.

"Okay, I understand." Ji Ziyuan pressed his eyebrows, his disgust for Tang Qin became more and more profound, "Go and arrange the termination of the contract."

Not long after Ruan Yan left Ji's family, she Received a call from Du Xuan and asked her to go to the company.

Half an hour later, she appeared in Fanyu Pictures.

As soon as she entered the door, a group of passing employees pointed and talked about her behind her.

"I'm afraid that Fanyu will change in the future, and the identity of the first sister will probably change."

"I heard that Sister Hong has been arranged by the company to take Liang Bingchen, and I won't care about her in the future."

"Please, Sister Hong is one of the best agents in the company. Of course, it's impossible to waste time on a bad actor."

"Hey, didn't she also work with President Ji, and the difference in treatment from Tang Qin is too big. Well."

"Can that be compared to Tang Qin, and Tang Qin has only been with President Ji, unlike her, who has also been with other men and has had abortions for other men."

" ... "

Although Ruan Yan was used to being talked about by others, the more and more those people said, the more outrageous they were, and they also said that she had had a miscarriage. Ruan Yan frowned and was about to turn back when Tang Qin's scolding suddenly came from behind.

"You people, if you don't work hard, what are you talking about?" Tang Qin looked at Ruan Yan angrily, and smiled, "Where is it your turn to talk about the miscarriage of such a refined beauty like Ruan Yan? ."

When those employees saw Tang Qin, they immediately shivered with fright, and said respectfully, "I'm sorry, Miss Tang, we will never talk about

it again." She waved her hand, unknowingly thinking that the company belonged to her.

Ruan Yan didn't bother her and watched her perform quietly.

"Oh, Ruan Yan, I'm sorry, you see, what they said is your right and wrong, and they should apologize to you, but... Who made you so insignificant in the company." Tang Qin smiled. When he approached, let alone how proud he was, "So, this person can't go downhill. Look, when the downturn is low, several employees dare to slap your face."

"It depends on who it is, some Aren't people the best at holding high and stepping down?" Ruan Yan glanced coldly at the bodyguards and assistants behind Tang Qin.

It was the first time she saw someone enter the company with bodyguards. The company rules, usually the bodyguards stay at the door.

Chapter 2610

It seems that Tang Qin is really arrogant.

"Why did you talk to our sister Tang."

The bodyguard behind Tang Qin stood up and said arrogantly, "Apologize to our sister Tang immediately, or you won't have any good fruit to eat."

"Do you think I'm someone who is afraid of things? Ruan Yan looked at Tang Qin coldly, "Tang Qin, Fanyu is not your company. Although I don't understand what method you used to make Ji Ziyuan protect you so much, you should understand his temper."

A momentary fear flashed in Tang Qin's heart, but when she thought of Ruan Yan hitting her arrogantly that day, she smiled lightly, took a few steps towards Ruan Yan, and said in a low voice, "Ruan Yan, I'm afraid you still don't understand why. All your past scandals broke out overnight, lest you be a fool. Let me tell you the truth. A few days ago, there was a lot of talk about me and Zeng Shuheng all over the Internet, so I made this with Ziyuan. The idea, let your scandal cover up, divert your eyes, look, Ziyuan treats me well, my words will make you doomed, this is the price you pay for slapping me."

Ruan Yan was stunned.

After a few seconds of ecstasy, she quickly realized that this idea might really have been proposed by Tang Qin.

But this method can not only divert Tang Qin's scandal, but also allow people to ignore the company's fine.

It can be said that her sacrifice made Tang Qin win and the company also benefited.

Only she was used thoroughly.

Her pretty face was involuntarily shrouded in gloom.

Tang Qin smiled very proudly when he saw this, "You really think you are something, you can compare with me, it turns out that in Ziyuan's heart, you are nothing."

After a pause, she winked at the bodyguard behind her, "Ruan Yan scolds me, you can give her two slaps."

That day, how Ruan Yan beat her up in all eyes, she will return it today.

The bodyguard immediately rolled up his sleeves and walked towards Ruan Yan, the two of them stretched out their hands and grabbed Ruan Yan's arms from left to right.

Ruan Yan narrowed her eyes and was about to fight back.

Du Xuan suddenly came over quickly, "Stop."

Tang Qin said dissatisfiedly: "Mr. Du, Ruan Yan insulted me just now, I just have the talent to ask someone to teach him a lesson, you stop me, I have to do it."

Ruan Yan Leng smiled coldly, "I just said that you hold the high and step down, is this also scolding you, if you want to bully me, just say it straight, there is no need to smear me, and there is no need to bring two bulls and horses as soon as you enter the company gate. Big bodyguard."

"Who asked you to beat me in the company last time, I brought someone in just to protect myself."

"Okay, Tang Qin, stay on the line." Du Xuan stared at Tang Qin and warned, "Don't be too much. It's too much."

To be honest, he didn't like Tang Qin very much. He didn't have acting skills or singing skills, and he was arrogant in form. If it wasn't for Ji Ziyuan's protection, he would not support her at all as the president.

Tang Qin's face changed slightly, she bit her lip, snorted, and took the person away.

Du Xuan was slightly annoyed, this Tang Qin was too arrogant, he was still the president, and because of the Ji family's protection, he didn't take him seriously.

"Ruan Yan, come with me." Du Xuan walked upstairs with his long legs.

Ruan Yan followed.

It wasn't until he entered the office and closed the door that he said, "Mr. Du, thank you for helping me clear the siege just now."
