Let me go mr hill chapter 2613 - 2614

Chapter 2613 The

next day, Fan Entertainment Pictures publicly announced the termination of the contract with Ruan Yan.

Ruan Yan was pushed to the mouth of the storm wave again.

[Ruan Yan's story is true, even the company terminated the contract with her.]

[Fan Entertainment is also a garbage company, and now that it is separated from Ruan Yan, it cannot erase the scandal that Fan Yu had caused before.]

[I'm just curious, what kind of person is Pei Shao who takes care of Ruan Yan? The first-line actresses say that they can take care of themselves. How big is the backstage at home]

[Junyang Hotel knows, it is all over the place, and its hotels can be seen even abroad. , This Pei Shao is said to be the son of the chairman of Junyang Group.]

"..."

After seeing the comments on the Internet, Zhao Xin was a little scared, "Ruan Ruan, it doesn't matter if we ask the Navy to reveal Pei Mochen's identity like this."

"If you don't, Pei Mochen How can you contact me?" Ruan Yan answered while packing up her things, "Don't talk about it, let's move first."

"But the company told you not to worry, you can stay for two more months."

"Many people know my address, This place is not safe." Ruan Yan didn't look up.

Zhao Xin was reminded by her, annoyed, "But I haven't had time to rent a new house for you..."

"No, I have already bought a new house."

Zhao Xin was stunned, and Ruan Yan was like this . For a long time, she didn't know when Ruan Yan bought a new house. It's not that she didn't mention it before, but Ruan Yan always said that the house price in the capital was too high, and there was no money to buy it.

Until the afternoon, Zhao Xin, who had been driving for an hour, was dumbfounded when he saw the garden-style villa in front of him, "This...this is your new...house?"

"Yeah." Ruan Yan drove in the car, the lawn inside was neatly rested, the garden was green and the scenery was deep.

Zhao Xin choked. Although this villa is located in the suburbs of Beijing, the surrounding environment is beautiful and the transportation is very convenient. The price is several hundred million.

Ruan Yan's debut didn't take long. How could he buy a villa with so much money? Could it be that Mr. Ji gave it? The Yuexinyan company, which is still an investment, makes a lot of money.

"Ruan Ruan, when did you buy the villa? Sister Hong and I don't know at all." Zhao Xin asked tentatively.

"There are too many things you don't know." Ruan Yan sat on the sofa, looking at the quiet bamboo forest outside, "Don't tell anyone about this, not even Sister Hong, just let him Others think I'm having a miserable life now."

"..."

Zhao Xin suddenly found that she couldn't understand Ruan Yan.

But she was very excited. The richer the person she was with, did not mean that she could go higher in the future.

At this moment, Ruan Yan's cell phone rang, and it was an unfamiliar call.

She looked at it for a while before picking it up and putting it to her ear.

A man's icy voice came from inside, "Ruan Yan, what do you mean, how long has it been since we ended, and you dragged me into the water, and now even me is on the hot search, and I was killed by you. "

Who are you?" Ruan Yan actually guessed a little, but she asked knowingly.

Let me go mr. hill chapter 2616

Chapter 2616

[It turns out that Ruan Yan is the same as us, and will have the same emotional troubles, hug.]

" ... "

Seeing that the comments on the Internet were gradually improving, Zhao Xin burst into tears with excitement, "Ruan Ruan, great, this time we won, not only that, there are many online comments. The people who came in to scold you have all turned fans. You used to be a very proud image in everyone's minds, but this time you were pulled from the altar. Instead, everyone thinks that celebrities are also ordinary people, and they are closer to you.

" It shows that our efforts were not in vain."

Ruan Yan smiled lightly.

It's not very happy, it doesn't matter to her whether the entertainment industry can continue to hang around, she just doesn't want everyone to misunderstand Ruan Yan's character.

After all, Ruan Yan still has her own mother, and she can't let her mother hold her head down as a human being.

"Ruan Ruan, you said that you suddenly whitewashed yourself. At this time, the company might be angry and vomit blood." Zhao Xin suddenly said excitedly.

Ruan Yan raised her eyebrows, the appearance of Du Xuan and Ji Ziyuan can probably be imagined.

I wanted to divert her attention, but not only did she cancel the contract smoothly, but she also lost 150 million.

fine.

This deal is more profitable than filming.

"What's there to be happy about?" Ruan Yan squinted her eyes lightly, "I've cleaned it up again, do you think the company will easily let me go as a cash cow?"

"Then... what do you do ? The contract has been terminated." Zhao Xin was also a little overwhelmed, "Anyway, I don't agree that you will play Fan Entertainment, who knows if they will sell you again next time, or change to another entertainment company?"

As soon as the voice fell, Zhao Xin's phone rang, and it was other film and television companies who came to sign the contract with Ruan Yan.

...

at eleven o'clock at night.

Ji Ziyuan had just come back from the clubhouse and was about to take a shower and go to bed when the doorbell rang suddenly outside.

He opened the door impatiently, and frowned when he saw Du Xuan standing at the door, "What's the matter so late?"

"It's a big deal." Du Xuan dragged his shoes in, "Ziyuan, you really messed up the company this time. "

Speak."

Ji Ziyuan handed him a cigarette.

Du Xuan waved his hand, how could he still be in the mood to smoke, "You don't usually watch entertainment news, you still don't know, Ruan Yan was whitewashed, and Pei Mochen stood up and admitted that the two were only in a legitimate relationship, and there was no relationship of support, Ruan Yan The rumor has also been refuted, but she dared to

admit that she committed suicide, but said that she committed suicide because her relationship and career were not going well at the beginning, look at it, see for yourself.”

He handed over the phone.

Ji Ziyuan took it, and behind the lens, a pair of deep pupils shrank.

Sitting beside him, Du Xuan inexplicably felt a chill suddenly rise around him.

“We may have been tricked by Ruan Yan.” Ji Ziyuan suddenly threw his phone to him, his eyes filled with coldness, “Are Ruan Yan and Pei Mochen still in contact in private?”
