Let me go mr hill chapter 2617 - 2618

Chapter 2617

"I don't know." Du Xuan frowned, "But I had dinner with Pei Mochen a few days ago, and he didn't mention Ruan Yan, and when they broke up, Pei Mochen was real... ..Tired of Ruan Yan..."

"Tired?" Ji Ziyuan chewed the word in a low voice.

There was an indescribable feeling in my heart.

His woman was actually disgusted by guys like Pei Mochen.

Ruan Yan is really not on the stage.

But I was afraid that Ji Ziyuan would flip the table in anger on the spot.

"It's fine if you don't terminate the contract." Du Xuan said sadly, "This time our company cheated her, and I want to win her back to sign the contract again. Ruan Yan will definitely not do it."

"I won't let it go. Ji Ziyuan said coldly, "I will let her come back and cooperate with us obediently."

Du Xuan opened his mouth.

He actually wanted to say that it was because they acted unkindly at the beginning, and then used means to force people to come back, which didn't seem to be good.

However, Ji Ziyuan has always been more domineering and selfish. This matter has taken a woman's disadvantage, and Ji Ziyuan will definitely not give up.

...

It's twelve o'clock at night in the villa.

Ruan Yan, who was sitting on the edge of the bar, saw the two words on the phone, and her black and white eyes flashed with obvious mockery.

Let her go and just go, really don't treat women like people.

She put down the phone and ignored it.

After a while, Ji Ziyuan sent another WeChat message: [I can't come, but I sent your subordinates to the police.]

Again this set of threats.

Ruan Yan glanced at the night outside, ignored it, got up and went into the room to rest.

The next day, she was awakened by Pei Mochen's phone call, and the other party's voice gritted her teeth, "Ruan Yan, are you very capable? Why didn't you discuss the suicide with me? Do you know how many people on the Internet call me a scumbag? Did you commit suicide?"

"Didn't you kill me? What I said on the Internet was that half of it was because of a bad career, and the other half was because of feelings. It's enough to cover it up for you." Ruan Yan leaned on the bedside, her voice line up. Lazy, but also with a unique charm and publicity.

Pei Mochen was startled. He was quite angry at first, but when he heard her casual voice, a strange feeling appeared in his heart, "You just woke up?"

He still knew Ruan Yan. Ruan Yan used to sound like this when she got up, but that It's not as cold as it is now.

It's just cold and cold, which can arouse men's interest even more.

Pei Mochen smiled with a little bit of interest while his teeth were itching, "Ruan Yan, you are so skilled,

Doesn't she love him to death or to live?

Now that you don't look at him so much, is it hard to get hold of him?

Pei Mochen's eyes were full of interest, and he had no choice but to think that Ruan Yan's move really attracted him.

After breakfast, Ruan Yan changed into a set of clothes and put on a heavy make-up.

When he arrived at the clubhouse box, he waited for fifteen minutes before Ji Ziyuan arrived late. The man had his pockets in his hands, and his handsome silhouette was replaced by a pair of silver-rimmed glasses. He was well-dressed and elegant.

"To be honest, I want to hear the truth." Ji Ziyuan's eyes had run out of patience, "Why did Pei Mochen stand up? Talk to you, is there an unspeakable deal between the two of you, or is it between you and someone else."

Ruan Yan raised her head suddenly and looked at him with a terrified look.

"Ruan Yan, you slept with Pei Mochen behind my back? Or is it another man?" Ji Ziyuan couldn't hold back his anger any longer and pinched her chin, "Don't forget, you are my woman."

Although he had to admit that he was tired of Ruan Yan, he knew very well that Ruan Yan's beauty and fame made her coveted by many men in the rich circle.
