## Chapter 2619

"You really slept with someone?"

Ji Ziyuan's long and narrow eyes filled with anger, and his eyes seemed to be looking at the dirtiest things in the world, and even the strength in his hands increased severely.

Ruan Yan only felt the pain as if her chin had been crushed, and she couldn't bear it any longer, and tears fell down in pain.

Tears mixed with fat powder, very greasy.

Ji Ziyuan shook her off, picked up a tissue and wiped his soiled hands fiercely. After wiping, he threw it on her with a bad attitude, "Ruan Yan, you are so fucking dirty."

"What can I do? Ruan Yan smiled sadly, "

If you don't help me, can't I rely on myself, Mr. Ji, did you force me to sleep before, you slept so comfortably, and you didn't spend any money, so you thought about me too. It's too cheap, even if you had a bad attitude towards others when you slept with a woman before, you should have at least some of them."

To be honest, if she didn't want to tear her face off with Ji Ziyuan at this time, she would want to scold a lot of ugly things.

It's just that it's not a wise move to fall out with Ji Ziyuan at this time.

"The contract is terminated, and I'm more courageous." Ji Ziyuan's lips curled into a sneer, "but I have to admit, you are really cheap in my heart."

"So, I can find someone who doesn't think I'm cheap, under the sun. You are not the only man, Mr. Ji."

Ruan Yan's words completely angered Ji Ziyuan.

He stared at her fiercely, "Ruan Yan, don't you really want to worry about the lives of those subordinates?"

Ruan Yan took a deep breath, and suddenly choked up, "Mr. Ji, don't deceive people too much."

Ji Ziyuan sneered . , looking unmoved.

Ruan Yan blinked, took a few deep breaths, and let the tears flow back into her eyes with a look of grievance, "Mr. Ji, I don't need to tell you how many crazy things Ning Lexia has done. During that trial, all her evil deeds were taken into account. I explained that before I asked my men to kidnap her, I never thought that Ning Lexia would be judged justly. I thought I would never wait for that day, so I kidnaped in order to avenge Aunt Ning and Ning Xiaoxiao. Ning Lexia."

"You can have no guilt towards me, Ning Xiaoxiao and the Ning family. If you hadn't insisted on thinking that Ning Xiaoxiao was the murderer, she wouldn't have been sent to prison by the lawyer by your side, and now she's dead without even bones. That's left."

"Those subordinates are avenging Ning Xiaoxiao and the Ning family, but you use it to threaten me, don't you think you have no humanity."

Ruan Yan looked at Ji Ziyuan with wide eyes, the dark The sparkling eyes were filled with puzzlement and sadness.

Ji Ziyuan's face has long been ugly.

Since he met Ning Lexia and learned many truths, Ning Xiaoxiao has become a lump in his heart.

Before, he thought that Ning Xiaoxiao's love for him when he was young was all a scheming with ulterior motives.

It was only now that he knew that he had always misunderstood Ning Xiaoxiao.

In the dead of night, Ning Xiaoxiao's death was like a needle, the deeper it was inserted.

Ji Ziyuan lit a cigarette and suddenly laughed, "You said I was cold-blooded, so do you think I'd still feel guilty?"

"If you hadn't helped Ning Lexia to abuse Zhou, would the Ning family die?" Ruan Yan was slightly dumb. The voice said, "I didn't know many things before, but Jiang Qingxin told me later."

Ji Ziyuan walked to the floor-to-ceiling window, turned his back to her and smoked the whole cigarette, and then said: "You go back to the company, I will take that A few subordinates are free, and you don't have to sleep with me in the future."

Anyway, he was tired of her sleeping.

Especially thinking that she had slept with other men, Ji Ziyuan was deeply disgusted.

If another woman cuckolded him, he would definitely kill her.

### Chapter 2620

But considering that she once avenged Ning Xiaoxiao, this was the end.

"Don't bargain with me anymore, this is my biggest concession." Ji Ziyuan said coldly.

"It's not impossible to go back to the company, but if I don't sign the previous contract, the maximum share is four or six. I will be six and you will be four. In addition, I will set up my own studio, and I will find the team myself. I decide for myself, I don't want to be a puppet of the company anymore." Ruan Yan raised her head and said.

"Do you still dare to bargain with me?" The impatience in Ji Ziyuan's eyes was obvious, "I will let you go is the greatest tolerance."

"In the end, isn't your threat to me coming from those men? Ruan Yan gritted her teeth, "

If I don't care about the lives of those few people, I have sacrificed enough for them, they help me, I give them money, and everyone takes what they need, I can't spend my whole life for them. , to tell you the truth, after leaving Fanyu, many companies are poaching me, and even Fenghong has offered an eighty-two sharing contract."

Ji Ziyuan gave her a deep look, his sharp eyes can make people See through.

Ruan Yan also bit her lip and looked at him.

Ji Ziyuan narrowed his eyes, not sure he could hold Ruan Yan at this moment.

After all, human nature cannot withstand temptation.

If Qiu Haolin offered an attractive price, Ruan Yan might indeed be shaken.

Ruan Yan whispered: "I'm happy if I can be rescued, but I can't keep spending it with you if I can't be rescued. To be honest, Huifan Entertainment is not good for me. You have to support Tang Qin, and the best resources will be given to you. She, if I don't take back some freedom, sooner or later I will be trapped by the company, if it is still the same as before, I might as well sign Fenghong, after all, Fanyu's reputation is not good at all."

"...Okay."

Ji Ziyuan stared at her quietly for a few seconds, and after weighing it in his heart, nodded, "I agree to what you mentioned, and I will go back to the company in the afternoon to sign the contract again."

After speaking, he turned around and went out. When I walked to the door, I turned around again, "By the way, take all your things from me. If you don't come to take them, I will just throw them away."

"Yes, they are all famous brands, so how can you throw them away? ."

Ruan Yan immediately blurted out, making a look of love for money.

Ji Ziyuan glanced at her with sarcasm and disgust, and walked away without looking back.

...

After leaving the club, Ruan Yan only felt that the whole person was relaxed.

A contract is nothing, it doesn't matter if she breaches the contract and loses some money, the important thing is that she finally doesn't have to be threatened by Ji Ziyuan, she is free.

When her people leave China, she doesn't need to look at Ji Ziyuan's face again.

Thinking of this, Ruan Yan sneered and drove to Ji Ziyuan's residence.

She just didn't expect that when she just arrived at the door and was about to use the password to open the door, Ji Ziyuan came out of the elevator behind her.

She frowned secretly, knowing that he was coming back, she might as well get it in a few days.

"I thought you were going to delay for a few days, but I couldn't wait." Ji Ziyuan walked up to her mockingly, "Let's go, the password has been changed."

"Even the password has been changed, it seems that Ji is always early. I'm going to get out of here." Ruan Yan said sarcastically.

"You are indeed a woman who makes men boring." Ji Ziyuan glanced at her coldly, "I used to think it was interesting, but now it is like that."

" ... "
