### Chapter 2623

Ruan Yan closed the book in her hand and asked, "Zhao Xin, do you think filming is very profitable?"

"Is it needless to say, filming a film can be compared to a lot of people's hard work." Zhao Xin wanted to cry Looking at her without tears, "You know that my monthly salary is not as good as your monthly salary."

"Oh, yes, then who do you think I and Du Xuan make money?" Ruan Yan asked again.

Zhao Xin rolled her eyes and suddenly became weird, "You wouldn't plan to open a film and television company by yourself, Ruan Ruan, it's not that easy to start a company, and the competition in the film and television market is too fierce now."

"Zhao Xin, I can give you one . Opportunity." Ruan Yan raised her eyebrows, and her whole person suddenly became very cold, "A chance to make you and Du Xuan stand shoulder to shoulder, but the premise is that you have to promise me that you can always be loyal to me."

Zhao Xin has a long mouth . It becomes an "O" shape.

She wanted to ask Ruan Ruan if you were joking, but she knew very well that Ruan Yan would never joke about such a thing.

Clearly, this is true.

Zhao Xin quickly stood up, "Ruan Ruan, I swear, from the moment I left Fanyu, you are my only master, and I will follow you in the future, and I will not even tell my cousin the secret between us. , If you break your promise, the sky will be struck by thunder."

"Jingle jingle".

Suddenly, the doorbell rang from outside the villa.

"There is a guest coming, go and open the door." Ruan Yan reminded, "Bring him in."

Zhao Xin ran to the door of the villa and was shocked when she saw the man outside, "Qiu...Mr. Qiu."

When the person in charge of Fenghong Entertainment contacted her last time, she also checked Qiu Haolin's profile. In the photo, I didn't expect that I would actually appear at the door of Ruan Yan's villa.

"Mr. Qiu, our Ruan Yan has already returned to Fanyu, she..."

"I didn't come here for this," Qiu Haolin smiled, "Open the door."

Zhao Xin remembered Ruan Yan's order, and immediately Open the door.

After entering the living room, Qiu Haolin shook hands with Ruan Yan reverently as if he had changed, "You have finally seen me, seeing you being scolded on the Internet these few days, I am so furious, Fan Entertainment. It's too bad, you shouldn't go back, but don't worry, we will be on the same boat in the future, and I will definitely avenge this revenge for you."

Zhao Xin:???

Did something happen that she didn't know about.

It was the first time she found out that Ruan Yan and Qiu Haolin had such a good relationship. No wonder there would be a navy who pulled Pei Mochen out this time. It turned out to be....

Zhao Xin suddenly understood, and admired her wise decision to follow Ruan Yan even more.

"Is the funds in place?" Ruan Yan withdrew her hand and asked calmly.

"It's here." Qiu Haolin's eyes were very complicated.

### Chapter 2624

But he checked Ruan Yan's background information, and it didn't look like he was hiding such a financial bigwig's vest.

He felt Ruan Yan was mysterious.

Even with Ruan Yan's current financial ability, there is no need to make such a small amount of money in the entertainment industry.

However, he has self-knowledge and everyone has privacy. As long as Reborn is willing to help Fenghong, then Fenghong will have the confidence and funds to expand.

Fanyu has today's confidence, isn't it also because of the capital chain behind Ji Ziyuan.

"It's easy to do things with money." Ruan Yan motioned Zhao Xin to come over for a cup of tea, "Fenghong has not developed as well as Fanyu in recent years, you should know the reason, the stars in your hand are going to pick up some fast food dramas for money, and they have money. You can buy high-quality scripts and invite big traffic celebrities, and if you have money, you can make your own variety shows and web dramas, but these all lack a high-quality online media platform."

Qiu Haolin's pupils lit up, "You mean... .."

"Fenghong can take a stake in Feiyong Video. Isn't Fanyu a stake in Qifan Cinema? We can also invest in Dongning Cinemas, and then use Feiyong Video, Fenghong Entertainment and Dongning Cinemas. There are such powerful companies. The lineup will naturally be approached by the TV station, and a strategic agreement can be reached at that time."

Ruan Yan's opinion made Qiu Haolin tremble slightly with excitement, "But these require a lot of money..."

"I said, money It's not a problem." Ruan Yan's two slender legs overlapped casually, "What's more, investment is more rewarding, right?"

"Yes." Qiu Haolin nodded, "Our Qiu family has been in the entertainment industry for dozens of generations. In recent years, I have known a lot of people, and I will do these things as soon as possible."

"Fan Yu has recently been targeted by relevant departments, and its actions in the entertainment industry will definitely be restrained, which gives us a chance."

Ruan Yan reminded meaningfully, "Moreover, Fanyu's style over the years has not attracted the attention of some small film and television companies, and sometimes it is appropriate to join forces with those small companies. Of course, we want everyone to eat the cake, and eat alone. , not only lost its delicious taste, but also made people hate it."

"You are right, Ruan Yan, I wish us a happy cooperation." Qiu Haolin nodded deeply, "Look at you, do you have time to attend our company's shareholders meeting. "

"No, there are no impervious walls in this world. You can just know my identity." Ruan Yan refused, "I only have one request at the moment. I don't want to see Tang Qin come back smoothly. I hate this person."

"No problem."

Qiu Haolin suddenly smiled, "If you want me to say, Ji Ziyuan spends money to support such a person, and I don't know if his lower body dominates his brain."

Ruan Yan lightly pursed her lips, noncommittal.

In fact, she doesn't have any deep hatred with Tang Qin, but Tang Qin encouraged Ji Ziyuan to block the gun last time, and she kept it in her heart.

Ji Ziyuan can't do anything for the time being, but Tang Qin can still do it.

After Qiu Haolin left, Zhao Xin looked at Ruan Yan exactly as he was looking at the boss, “Ruan Ruan, I didn’t expect you to be the major shareholder of Fenghong, God, why are you so rich, forget it, it’s yours It’s a secret, I have vision, I really didn’t follow the right person, but if you don’t film, how will Fanyu explain it?”

Ruan Yan looked at her, “You didn’t study the contract carefully, and the contract didn’t clearly stipulate how many films must be filmed each year. How much money do you make for the company?”

Zhao Xin opened her mouth wide, and after reacting, she simply admired, “Mr. Du was tricked by you.”

“It’s not a trick, both he and Ji Ziyuan thought that I had tried my best to make a comeback. In order to continue to make money in the entertainment industry, Mr. Du’s thoughts are all spent on squeezing my personal value to the maximum.”

Ruan Yan laughed mockingly, “So what if the contract is signed, I don’t shoot or accept advertisements, that share The contract has no binding force on me.”

Zhao Xin was already in awe.

“When the time is right, dig your cousin Zhao Hong out of Fenghong.”

Ruan Yan said domineeringly, “I want to hollow out Fanyu a little bit, doesn’t Ji Ziyuan want to expand in the entertainment industry? Let his layout and thoughts all these years be in vain, and a person like him should go back and be his doctor obediently.”
