Chapter 2625

Zhao Xin gasped.

I really did not expect Ruan Yan to be so ambitious.

But Ruan Yan like this is really... quite handsome.

...

In the next few days, Ruan Yan will rest at home with nothing to do. Occasionally go shopping with Lin Fanyue and Jiang Qingxin, or go to a SPA. She lives very casually.

On this day, when Ruan Yan invited Lin Fanyue and Jiang Qingxin to play in the badminton hall, Lin Fanyue received a call from Song Qingrui.

"Where are you?"

"I'm playing badminton with Ruan Ruan." Lin

Fanyue was getting excited and said impatiently, "Is there anything? Doesn't she want to film? You've been playing with her a lot recently, have you forgotten that you have a boyfriend?"

"How could you not remember?" Lin Fanyue said, "It's just that every time you go out on a date. Eating, watching movies, taking a walk, and shopping are not that interesting."

Song Qingrui was shocked, and even his voice gnashed his teeth, "Are you disgusting me, or do you think it's boring to be with me?"

"Eh., no." No matter how slow Lin Fanyue was, he knew that the situation was not good, "Oh, can you play with your friends too? It's rare that Ruan Ruan is free recently. We as friends can't have love and forget about it. Friendship."

After all, love is such a thing, who knows if it will change one day.

Friends are more reliable.

She silently put the following words in her heart.

Song Qingrui snorted coldly, "Looks like I have to introduce someone to Ruan Yan."

"Why are you the same as Huo Xu, Huo Xu also said that he would introduce her to someone." Lin Fanyue laughed.

"That's because she occupied our women."

Song Qingrui said angrily, "Tell me the address, and I'll bring a friend here." "Okay, if you're not handsome, there's no need to participate."

Song Qingrui: "."

...

After finishing the call, Ruan Yan threw a bottle of water to Lin Fanyue, "I want to chat aside and give up my seat to Qingqing."

"That's right." Jiang Qingxin agreed, "It happened that I wanted to fight, I lost a game just now, and I want to win it back."

"It's over." Lin Fanyue smiled mysteriously, "Qing Rui called me just now and said he would bring a Male friends come here, Ruan Yan, you are blessed."

"..."

Ruan Yan was speechless for a while, "Thank you for your kindness, but the friends around Song Qingrui may be rich or expensive, I am just a A little star in the entertainment industry, I don't deserve it, forget it, I don't want to play either."

"Don't worry, Qing Rui is a measured person, the kind of man who plays and has bad behavior, he won't bring him here. ."

Lin Fanyue said confidently, "It is said that things gather together, Qing Rui is a good man, and the man around him is also a good man." The

voice just fell.

Two tall men walked in at the door of the arena, with handsome appearances like luminous bodies.

The two men, one black and one white sportswear, were Huo Xu and Ji Ziyuan.

Jiang Qingxin glanced at Lin Fanyue coldly, "I'm sorry, the man next to me is not a good man."

Lin Fanyue coughed awkwardly, "It's alright, some people keep themselves clean and affect themselves. I can't."

Ruan Yan didn't say anything, just turned around and walked to the side of the chair to rest and drink water, and wiped the sweat from her face with a towel.

"Wife, I didn't expect you to come here too." Huo Xu was a little surprised when she saw them, and at the same time a little nervous.

After all, his wife hated Ji Ziyuan to death a while ago, and she didn't even allow him to go to bed.

Huo Xu hurriedly added, "I knew you were coming too, so you can call me, I don't need Yo Ziyuan anymore, after all, you know that I have few friends around me, so I can't help it."

After speaking, he glanced at him with disgust. He glanced at Ji Ziyuan.

Ji Ziyuan: "..."

Mad, this is a typical example of having a wife and abandoning a brother.

However... if he had known that he would meet Ruan Yan here, he would not have bothered to come.

Ji Ziyuan's eyes lightly glanced at Ruan Yan, who was sitting on a chair in the distance looking at his phone, and frowned.

When I saw the boss, I didn't know to come over to say hello, the wings were really hard.

"You guys go to fight over there." Jiang Qingxin didn't want to get too close to Ji Ziyuan, and pointed to the empty field on one side.

Huo Xu was a little unwilling to give up, but thinking of the dog friends around him, he resigned and took Ji Ziyuan to the next venue.

Jiang Qing walked up to Ruan Yan apologetically, "Ruan Ruan, I'm sorry, the card for this arena was given by Huo Xu. I played it last time, and I brought you here because I thought the venue was very good. I didn't expect Ji Zi Yuan and Huo Xu are also here."

Lin Fanyue said strangely: "So coincidentally, Qingqing, did Huo Xu know what you were doing here today and came here on purpose."

"No, he knows that I don't like Ji Ziyuan, and it's too late to hide, where will he bring people under my nose."

After Jiang Qingxin finished speaking, she suddenly felt that Ruan Yan and Ji Ziyuan had a strange relationship.

The capital is so big that the two of them can meet by chance if they are broken.

"It's okay, he's the boss of Fanyu, and the company will have various activities. It's impossible for us not to meet for a lifetime." Ruan Yan just finished speaking, and Du Xuan called her.

"You play first," Ruan Yan handed over the racket and walked to the corner of the arena.

"Yan Yan, Director Liu asked me to ask you, "I don't want to meet you in this life" is only one third of the filming, when are you going to return to the crew to film." Du Xuan said anxiously, "You are the first female lead. No, if you don't go back, the crew can't shoot normally."

"I Don't Want to Meet You in This Life" is the TV series that Ruan Yan and Chen Qianhe filmed together a few days ago.

Later, after she and Chen Qianhe made scandals one after another, the crew stopped filming.

"You said that one." Ruan Yan said lazily, "But Director Liu didn't say that I made a scandal and asked me to compensate for the loss and cancel the contract with me, so I won't let me shoot."

"That was before, you didn't wash it. Is it clear? Director Liu also returned the compensation fee to the company," Du Xuan said, "Director Liu still admires you very much, and there is no way to change it before."

"Then who changed the role of Du Qianhe No. Acting?" Ruan Yan suddenly asked curiously.

Du Xuan coughed lightly, "Don't worry about this, the company will arrange it, you just need to take a good picture of your female No. 1 role."

Who is Ruan Yan, she rolled her eyes and said with a smile, "Mr. Du , is it inconvenient to say, is that person replaced by Tang Qin?"

"...Cough, Ruan Yan, there is no way, those newcomers in the company need more experience in acting, Tang Qin is more suitable." Du Xuan said vaguely.

Ruan Yan couldn't help laughing, the company is really shameless and has no lower limit, "Mr. Du, let me tell you the truth, I have terminated the contract with Director Liu, and I didn't like the script of his play very much. Let me pick it up, and I'm not allowed to go out to film, I won't pick up that shitty drama at all, and now that the contract is terminated, I don't plan to go back to the crew, as an actress with first-class acting skills like me, that kind of drama is not worthy of my identity ."
