Let me go mr. hill chapter 2627

Chapter 2627

There are only two fields in the huge badminton hall.

There are only five of them inside.

When Ruan Yan spoke, the badmintons on both courts fell to the ground. Even if she lowered her voice, her words still spread to every corner.

Jiang Qingxin and Lin Fanyue felt that there was nothing wrong.

But Ruan Yan's boss seems to be still here....

Several people looked at Ji Ziyuan with a tacit understanding.

With an ironic smile on the corner of Ji Ziyuan's mouth, he bent down and picked up the ball on the ground.

"Come on, let's play." Huo Xu felt his scalp go numb inexplicably.

On the other hand, Du Xuan was almost annoyed by Ruan Yan's arrogant words, "Ruan Yan, are you a little ignorant that the sky is high and the earth is thick, those movie queens and movie stars are not as arrogant as you, and there are not seven or eight TV series made by Director Liu. , there are also five or six films, he has a wide network and knows a lot of people, you have to be so ignorant of praise, don't offend people and you will not be able to play in the circle later."

"Anyway, I am not interested, you are not trying to support the soup. Qin, just say hello to her and let her play the female lead."

"Ruan Yan, the multi-contract for that play was signed when you and the company didn't terminate the contract. If you don't go, you will pay for the liquidated damages yourself." Du Xuan said furiously.

"Mr. Du, Director Liu couldn't wait to terminate the contract with me a few days before the accident, and I also signed the contract. As for him returning the money to you, it's your business. Anyway, it has nothing to do with me. Don't involve me in the bad debts."

Ruan Yan hung up the phone decisively.

Lin Fanyue and Jiang Qingxin didn't ask much about the familiar words. After all, is there an ear next door.

On this side, Ruan Yan took over Jiang Qingxin's position. On the other side, Ji Ziyuan's phone rang. He gave the racket to Jiang Qingxin and let her and Huo Xu play.

Ji Ziyuan took the phone to answer Du Xuan's call.

Du Xuan complained angrily over there, "Ziyuan, Ruan Yan doesn't know what tricks she's playing. She doesn't even want to film Director Liu's play, and she also said that that kind of play is not suitable for her..."

"I heard." Ji Ziyuan said lightly, "We are all playing in the arena."

Du Xuan gasped, "So you guys are reconciled?"

"No, I met by chance."

Du Xuan sighed: "I wonder I wonder if she refused to film because Tang Qin was the second female lead. In fact, I thought it was not good for Tang Qin to be the second female lead. She was at odds with Ruan Yan, but Tang Qin had to act in this drama, or would you advise me? Persuade Tang Qin."

Ji Ziyuan glanced at Ruan Yan who was not far away, remembering how cold and arrogant she was talking just now, and suddenly smiled coldly, "She didn't run the company, I can do whatever I want, what qualifications does she have to make People from our company accommodated her."

He deliberately raised his voice so that Ruan Yan could hear what he said.

Ruan Yan raised her eyebrows calmly.

Du Xuan didn't know the secret battle between the two over the phone, "But she signed a new contract with us, and we can't control her in many things."

"Let her continue to be proud, and don't mix in this circle if you can. Ji Ziyuan said loudly, "I really thought that with the support of others, I would take myself seriously. Other directors are not fools. Women in the entertainment industry are just eating a meal of youth. It's useless to regret missing those few years."

Du Xuan Thinking about it, Ruan Yan wouldn't be so stupid, unless she didn't want to be in the entertainment industry.

She tried her best to whitewash, surely not to make more money in the entertainment industry.

This time it is estimated that it is a game with myself.

"Okay, I'm playing."

Ji Ziyuan hung up the phone.

It happened that Jiang Qingxin and Huo Xu were still playing, so he sat down to drink water.

The resting place was in the middle of the two courts, and he looked up just to see Ruan Yan standing in front of him playing.

Today Ruan Yan wore a neat ponytail for the convenience of playing, wearing black tights and purple sports short-sleeves, and white sneakers on her feet, revealing a very delicate and clean ankle .

Ruan Yan's playing skills are not bad. Sometimes when she bends down, she sits in his position to see her upturned buttocks, and sometimes when she jumps up, her chest is quite predictable.

It's not that Ji Ziyuan has never touched her, he is familiar with her body everywhere.

Maybe it's because I haven't been fascinated by women recently.

Ji Ziyuan's eyes became slightly familiar.

He took out a cigarette, lit it, and took two puffs.

Lin Fanyue, who was opposite him, saw that he looked unhappy, and secretly gave Ruan Yan a wink.

Ruan Yan: "... " I

didn't quite understand it.

After a while, she saw Lin Fanyue throw a high-altitude ball over.

She turned around and chased after her, seeing the ball falling towards Ji Ziyuan, she quickly understood.

The sisters expressed their intentions. In order to live up to others, Ruan Yan pretended to go all out to catch the ball, and slapped his cigarette with the racket.

The cigarette was knocked out and fell to the ground, and some sparks fell on Ji Ziyuan's arm. He was hot and he stood up and patted off the spark in his hand,

but the back of his delicate hand was still red.

When Ji Ziyuan raised his head, his eyes behind the lens were unreasonable, "Don't you have eyes?"

Ruan Yan's face sank coldly. Lin Fanyue rushed

over and said, "Oh, Mr. Ji, I'm sorry, it's all my fault, I shouldn't have hit you when I missed it.

" Seeing that his girlfriend was apologizing to others, he quickly stepped up to Lin Fanyue's side, "What happened?"

Lin Fanyue pouted aggrievedly, "Just now I accidentally dropped the ball on Mr. Ji. Ruan Yan just wanted to pick it up, but didn't pay attention, and hit Mr. Ji's cigarette."

"It's okay." Ji Ziyuan's eyes The shadow faded, and he spoke lightly.

"Mr. Ji is magnanimous and won't take this matter seriously." Song Qingrui gently touched Lin Fanyue's little head. He didn't know if her girlfriend's temper was intentional.

It's just that he felt that Lin Fanyue's actions were too impulsive and out of anger for a while, but it would make Ji Ziyuan more targeted at Ruan Yan.

"Smoking is not allowed in the arena." Suddenly, the man who followed Song Qingrui said, "No attraction is written on the wall."

Several people looked at him immediately.

The man who spoke seemed to be about the same age as Song Qingrui, with an inch head and slightly darker skin, but his eyebrows were sharp and straight.

What is even more rare is that this person is straight and tall, like a drawn sword.

Ruan Yan was stunned, her eyes and the man's eyes met briefly in the air for two seconds, and then quickly turned away.

"Qingrui, is this your friend?" Lin

Fanyue's eyes lit up, "Quick, let me introduce you." Song Qingrui stared at her, and after a few seconds of frustration, he said quietly, "Zhou Mingli, and I A classmate, we are all studying for a Ph.D."

Ji Ziyuan's eyes flashed thoughtfully.

"You're so tall." Lin Fanyue shook hands with him, and then was startled. The other party's hands had a lot of calluses, but these calluses were not like those who worked hard all the year round, but rather like the ones she met at the Presidential Palace. ...
