Let me go mr hill chapter 2631 - 2632

Chapter 2631

"Mr. Ji, didn't you tell me not to appear within three meters of you?" Ruan Yan reminded kindly.

"I now allow you to appear within half a meter of my side." Ji Ziyuan said in a gracious tone.

Ruan Yan listened and laughed directly.

It's the kind of laughter that comes after hearing a joke.

The phone was quiet for a few seconds, Ji Ziyuan's icy voice contained a bit of warning, "I believe the gold master you are looking for, and he doesn't dare to disobey my order."

"Then go to my gold master, you guys are fine. Talk to me and let him come to me."

Ruan Yan hung up the phone.

Ji Ziyuan looked at the phone that was hung up, and his eyes flashed with disbelief.

This woman is so daring, she dares to hang up the phone.

I really can't take care of her.

Ji Ziyuan quickly informed his subordinates, "Check Ruan Yan, find out the gold lord beside her, and get the results within a day."

He wanted to see what kind of man she found to dare to make her so mad .

Ji Ziyuan pondered, the possibility that that person is Pei Mochen is relatively high.

Eighteen hours later, his subordinates brought the news, "Mr. Ji, I

didn't find out any money owner around Miss Ruan."

"Is it because you didn't check carefully enough?" Ji Ziyuan obviously didn't believe it.

"Really not, don't you know what I'm capable of?" The subordinate was a little aggrieved, "I found out that Miss Ruan moved to the Zixia Valley villa area near the outskirts of Beijing."

Ji Ziyuan knew that place, although the house price could not be compared with the market price. District ratio, but a villa costs hundreds of millions.

Ruan Yan made so much money in only a few years since her debut?

Could it be given by Pei Mochen?

Ji Ziyuan sneered, no wonder she always complained that she didn't buy her a house or a car, no wonder she committed suicide for Pei Mochen before.

"Are you sure she doesn't have a gold master by her side?" Ji Ziyuan asked again, "She didn't contact Pei Mochen?"

"No." The subordinate said with certainty.

"Send me the address of her villa." Ji Ziyuan ordered.

Soon, Ruan Yanxin's address was sent, and after Ji Ziyuan got off work from the hospital, he drove directly to Zixia Valley.

When he got to the entrance of the villa, he directly rang the doorbell.

But no one came to open the door.

Ji Ziyuan had no choice but to call Ruan Yan, only to find that...it was blocked.

A certain man laughed on the spot.

Glancing at the wall more than one meter high, he directly climbed the wall and entered.

When he landed, in the grass, a trap clamped his feet with a bang.

The severe pain caused Ji Ziyuan to scream out of control. Even if he could endure the pain normally, his eyes almost turned black now.

"Ruan Yan, get out of here." Ji Ziyuan fell into the grass in a complacent manner, his handsome face turning pale.

"Who is it, the disturbing sleep in the afternoon."

The sliding door on the second floor opened, Ruan Yan was wearing silk pajamas, and lazily stretched out from the inside.

Seeing Ji Ziyuan sitting in pain in the grass, Ruan Yan rubbed her eyes in disbelief, "Mr. Ji, why did you sneak up to my house?"

Ji Ziyuan was already in a cold sweat, but he only had to bend over to open the trap, The wound would hurt more intensely, and the more intense it was, the less he could exert himself, and even blood was oozing from his feet.

"Okay, okay, I'll come down soon."

Ruan Yan's mouth should be fast, and after entering the room, she almost burst out laughing.

The animal trap was originally intended to prevent others from sneaking in, but Ji Ziyuan was unexpectedly caught.

She slowly changed her clothes and walked downstairs, Ji Ziyuan had waited until she was impatient, and when she saw that she had changed clothes, he almost vomited blood, "You still have time to change clothes, Ruan Yan, are you fucking kidding me? "

Mr. Ji, you can't wrong me. I just ran out without wearing underwear. What if you think I'm seducing you." Ruan Yan glanced at his wound innocently, and said, "How can I help you."

"Let's break her apart together, you pull one side, I'll pull the other side." Ji Ziyuan gasped in pain.

"No problem," Ruan Yan nodded immediately.

She bent down and used all her strength to cooperate with Ji Ziyuan.

During the whole process, Ji Ziyuan's painful face turned pale. Seeing that he finally broke apart a little, Ruan Yan on the opposite side deliberately loosened his hand and fell to the ground, "Oh, I really have no strength." The

trap is again . When he bounced back, Ji Ziyuan screamed in pain, and his whole body was shaking, blood dripping from his feet, which was horrible to watch.

"Ruan Yan, you are courting death." Ji Ziyuan was already dizzy and dizzy. If it weren't for the pain now, he would definitely strangle Ruan Yan to death.

"Mr. Ji, it's none of my business. I can't open it because it's too tight. I think I'd better call the fireman."

Ruan Yanqiang endured the joy in his heart, took out his mobile phone, and called the fireman.

Ji Ziyuan felt that she did it on purpose, and didn't want to ask her for help any more.

Might as well endure the pain and wait for the firemen to come.

"Call an ambulance again." He made a rough arrangement, and he didn't even bother to bring his glasses, so he rudely threw them aside.

His handsome face was as pale as glass, but his thin lips were bright red.

Such Ji Ziyuan is as good-looking as a ceramic jade. It is very expensive, but it can be broken when touched.

If other women had already felt distressed and twitched, Ruan Yan was playing games on her mobile phone calmly on the side.

"Are you still in the mood to play games?" Ji Ziyuan was almost furious.

He's alright, he must kill this woman.

"This is a game I endorse, and sometimes it has to be upgraded. There's no way, it's not easy to make money." Ruan Yan expressed emotion without looking up, "Actually, it's very fun, do you want to play it?"

Ji Ziyuan backed away. Getting angry, he spit out a word, "Go away."

"Mr. Ji, you are going too far, I really want to use the game to divert your attention." Ruan Yan got up and patted the grass on her butt, "Okay. , since you won't distract me, then I'll go into the house."

"You dare, stop." Ji Ziyuan's pale face was full of gloom, "Ruan Yan, it is illegal for you to set traps at home without permission. I am injured, you are responsible, understand."

"I violate the law, and I am willing to lose money." Ruan Yan shrugged, "Don't worry, I will compensate you for your medical expenses and mental damage, but Mr. Ji, you don't say hello. Breaking into my house would be considered illegal."

The eyes of the two men silently competed in the air.

The first time ended with Ji Ziyuan's failure.

Because he was in so much pain that he was unable to think about why Ruan Yan had become so sharp and sharp.

More than ten minutes later, the fire truck came.

Ruan Yan opened the door and let the firefighters come in to free Ji Ziyuan, and then the ambulance came and took the ambulance to the hospital.

As for Ruan Yan, she didn't have that leisurely way to accompany her.

She made a phone call to inform Du Xuan.

Du Xuan was dumbfounded when he heard it, "You mean, Mr. Ji climbed the wall of your house, was injured by a beast and was sent to the hospital?"
